## Upgrade of Corowa Skatepark.

**Funding allocation:** \$333,170

**Project Partners:** Corowa Skatepark Committee  
Corowa RSL Club

**Timeline:** Expected to be completed by the end of 2017

Redevelopment of the Corowa Skatepark will improve the usability and appeal of this important asset for our young people, by catering for a broader range of ages and skill.

This project will see the area become a welcoming and inclusive space for young people and the wider community, in addition to encouraging visitation from throughout the region.

The project includes;

- Redevelopment of the existing skatepark
- Connecting pathway including batter retention steps
- Seating and landscaping
- Repair work to existing infrastructure

The project has a total cost

of \$354,750 and is also being supported through funds raised by the Skate Park Committee (\$16,130) and a contribution from the Corowa RSL Club (\$5,000).

## New Skatepark at Lowe Square, Howlong.

**Funding allocation:** \$153,000

**Project Partners:** Howlong Youth Park Committee  
Howlong Lion's Club  
Howlong Op Shop

**Timeline:** Expected to be completed by the end of 2017

A new skate park at Lowe Square in Howlong will complement the proposed playground upgrade and create a vibrant recreational space that will cater for families, children and young people.

The Howlong Youth Park Committee have worked with the community

to advocate for a skate park for many years and have raised \$15,000 towards the project. They have also gained financial support from the Howlong Lions Club and Lions Australia who generously committed \$25,000 along with \$5,000 from the Howlong Op Shop.

The project involves the design and construction of a 'street terrain' style skate park which will complement the hybrid design proposed at Corowa. It will provide a space where young people can socialise and engage in physical activity, in a safe environment.
