Introduction

Federation Council acknowledges and accepts the need to provide financial assistance to locally based groups and organisations meeting a demonstrated need within the municipality where alternative grants/loans aid is either limited or not available.

The Community Grants Program provides the basis for Council to allocate funds under Section 356 of the Local Government Act in an effective and equitable manner, based on the individual merits of each request.

Purpose

The purpose of the Community Grants Program is to assist organisations and community groups to foster community development, develop partnerships and improve quality of life and well being of the community.

The objectives of the program are to

- Improve services, facilities and resources
- Maximize access and usage of community resources, facilities and services
- Promote and improve community harmony
- Encourage and stimulate the development of effective community development and cultural programs within the Corowa Shire
- Increase opportunities for skills development and community participation
- Foster community partnership
- Promote and improve social capital and community networks

The Community Grants Program operates in two funding rounds each year – in October and April - and invites applications for community development grants or community partnership grants up to $3,000. For grants over $3,000 contact the community development officer on 6033 8900.

Types of Grants

Community development grants
- Arts and culture
- Community work and welfare
- Skill development and learning
- Health promotion
- Recreation and Leisure
- Local history

Community partnerships grants
- Minor capital grants including plant and equipment
- Community facilities and infrastructure
- Program or activity sponsorship

Worksheet 3 – In-kind Support

What is in kind support?  These are non-cash items, where people volunteer their time or services to help your project happen. It is important that we value the time that volunteers donate. We suggest that an hourly rate of $20.00 per hour is used. While in-kind support will not have a bearing on the request, it will help show the ‘real cost’ of the project.
