

## APPLICATION FOR APPROVAL TO DISCHARGE LIQUID TRADE WASTE

### FORM C3

#### APPLICATION ATTACHMENT SHEET

#### *MECHANICAL REPAIRERS APPLICATION ATTACHMENT SHEET*

Please fill out this attachment sheet if your business is involved in mechanical repair processes (and other services related to motorised equipment processes) that discharge liquid trade waste to the sewerage system. In the lists below, tick the 'business type' or 'processes' that best describe what your business does. Note that there is an additional list at the end for 'associated processes', eg. take-away food at a service station.

**When finished, attach this sheet to the application form C1.**

Tick	General Business Type
	Airport terminal
	Bus/coach depot
	Car detailer
	Car importation premises (de-waxing only)
	Car/truck dealership service centre
	Construction equipment maintenance (ie. earthmoving equipment and/or cranes)
	Equipment hire premises
	Fleet vehicle operations
	Forklift maintenance
	Garbage truck washing
	Lawnmower repairer
	Motor boat mechanical repairer
	Motor wrecker
	Motorbike mechanical repairer
	Service station
	Stand-alone mechanical workshop
	Train washing facility
	Transport depot
	Other, please specify _____

Tick	<b>Mechanical workshop</b>
	Automobile dismantling (ie. motor wrecker)
	Cleaning of engine blocks and engine heads in chemical baths
	Draining and flushing of radiator coolant (not permitted for discharge)
	Engine/gearbox reconditioner (carried out on site).
	Engine/gearbox reconditioner (sent off site)
	Floor washing
	Parts washing with solvents (not permitted for discharge)
	Parts washing with water
	Radiator repairs

Tick	<b>Repairing car bodies</b>
	Panel beating
	Spray painting.
	Wet rubbing

Tick	<b>Washing and detailing</b>
	Degreasing of engine and washing
	External truck washing
	Forecourt washing (service station)
	Internal washing of meat vans or truck underbodies
	Internal washing of tankers
	Open area washing (considered only under special circumstances. Applicant must supply reasons why roofing is not possible, and must include the details of a first flush system).
	Tunnel type (external body only)
	Wand type (external body only)
	Washing by hand (external body only)

Tick	<b>Associated Activities/Businesses</b>
	Some premises have associated processes generating liquid trade waste. In addition to the above, does your premises have any of the following processes?
	Boiler blowdown (steam supply for internal washing of tankers)
	Chemical toilet disposal (for intercity coaches/buses)
	Other trade wastewater process (please specify).
	Restaurant (number of seats?)
	Service station forecourt food caravan(s)
	Take-away food bar (number of seats?)
