Federation Council Urana District Newsletter

Message from the Mayor

It's been another busy month for Federation Council and its communities.

Council has launched its new and improved grant programs, designed to empower groups to develop ideas, projects and events that contribute to the vibrancy and well-being of the community. Two rounds will be facilitated each year, with a total amount of \$55,000 available to fund initiatives. Round one is now open and Council is encouraging applications. Further information and program guidelines are available by visiting Council's website: www.federationcouncil.nsw.gov.au.

Council would like to thank those residents that attended the Flood Study Reports community meeting recently at the Urana Bowling Club. Council would like to also thank those who provided valuable feedback on the reports during the exhibition period. The Draft Flood Study Reports of Urana, Morundah, Boree Creek, Oaklands and Rand model flooding and maps flood affected lands within each town. The draft reports are the first step in the development of a Floodplain Management Process for each of the towns. Residents will be kept updated throughout the next phase of the project.

Another important date for the Urana and District communities is Remembrance Day, Saturday 11 November. A Memorial Service will be held at the RSL Memorial Honour Roll in Macknight Park, Urana, at 10.30am. School children from Urana Public School and St Francis Xavier's School have also been invited to attend, along with representatives from Federation Council, First Servicemen and Women, together with all member of the community. Morning tea will be available following the service and I am really looking forward to seeing you all there.

It's been fantastic to receive the much needed rains in the last couple of weeks, it has certainly put the crops in a better position to fill and generally freshened up the whole council area.

It was also a great weekend for all which started on Thursday night, with a great crowd at the annual art show, followed by Friday night with Garden Walks and the Urana and District Vintage Machinery Club getting into gear with their annual Tractor Pull. The fun continued through to Saturday and Sunday with the Hospital Fete, hosted by the Hospital Auxiliary and once again it was great to see the Urana Caravan Park packed to capacity with visitors from all over Australia.

Until next month,
Councillor Patrick Bourke—Mayor

Rand Community Playground construction to begin

Excitement is building for the new Rand Community Playground, with the project expected to be complete in the coming weeks.

The Rand Sports Ground Committee and Town Improvement Committee applied for funding for the new playground through round one of the Stronger Communities program.

The application was successful and \$50,000 was allocated to the project, in addition to community-raised funds of \$8,000.

The new playground will support a vibrant and welcoming community space where local families and visitors can come together and enjoy recreational activities. It will compliment other improvements being undertaken at the Recreation Reserve to ensure that residents have access to quality community infrastructure.

The committee has worked closely with Council to finalise the design of the playground, which caters for a range of age groups. The existing equipment at the reserve will be relocated to become part of the new play space, which will be located near the public toilets.

Moduplay have been engaged to construct the new playground alongside Council's parks and garden team. The project is one of five playspace projects expected to be completed across the council area prior to Christmas, with new playgrounds also planned for the Corowa RSL Park and Lowe Square and Memorial Park in Howlong.

The Urana Youth Space is nearing completion and Council will be working with young people in the area to name the site.

Temporary fencing will be installed at the Rand Recreation Reserve and the area will be closed to the public while the playground is being completed.

Stay up to date with park closures and how playground construction is progressing by following us on Facebook @federationcouncil

For further information about the Playspace Upgrade Program and to learn more about the projects being completed, visit council's website www.federationcouncil.nsw.gov.au

Australia Day Award nominations open

Now is the time to celebrate the achievement and contribution of individuals and community organisations, with nominations for the 2018 Federation Council Australia Day Awards opening on Monday 6 November.

Federation Council is encouraging residents to nominate those who have made a difference in the community for one of the six award categories available, including Citizen of the Year and Young Citizen of the Year.

The Citizen of the Year Award will recognise one outstanding person that has contributed significantly to the wellbeing of the Federation Council. The Young Citizen of the Year category is an opportunity to celebrate the contribution that young people make to the community.

Local Achiever Awards will enable each town and village to recognise their local heroes, by nominating individuals or groups who have volunteered their time at a local community level.

Other categories open as part of the Australia Day award program include Community Project of the Year and Community Event of the Year. Schools within the Federation Council area will also be invited to nominate two students who have been outstanding achievers in 2017 in either their academic or sporting fields.

Federation Mayor Pat Bourke said the awards provide an opportunity to celebrate those residents who dedicate their time to making the region a great place to live.

“We have some fantastic people in the community who contribute so much and we expect to receive some really strong nominations,” he said.

Award winners will be presented at the Australia Day Ceremony in Corowa on Friday, 26 January 2018.

Nomination forms are available from Council’s website www.federationcouncil.nsw.gov.au or from any Federation Council office.

Nominations close at 5pm on Monday 4 December 2017.

Residents are being reminded to dispose of rubbish lawfully. Council Officers have issued two infringement notices recently, following the unlawful disposing of rubbish.

Under the Act, Council Officers can issue a \$2,000 fine to an individual, or \$4,000 fine to a corporation who 'transport etc waste to unlawful waste facility'.

Council launches new funding opportunities to community groups

Federation Council has launched its new and improved grant programs, designed to empower groups to develop ideas, projects and events that contribute to the vibrancy and well-being of the community.

The Community Grants Program will support initiatives that deliver a range of social and economic benefits to communities across the Federation Council area.

The program provides a more streamlined approach to supporting local community groups, organisations and clubs with delivering community projects and events.

Two rounds will be facilitated each year, with a total amount of \$55,000 available to fund initiatives that:

- Promote a sense of community identity and pride.
- Stimulate economic growth within the community.
- Encourage wide participation in events and community projects.
- Promote Federation Council as a vibrant and diverse place to live and visit.
- Encourage and stimulate the growth of effective community development and cultural programs within Federation Council.

- Foster community partnerships.
- Round one is now open with funds available to help local community groups, organisations and clubs to deliver a range of community projects and events.

Council is encouraging applications of up to \$3,000 before Friday 3 November 2017. Successful applicants will be notified on the 22 November.

Federation Council Events and Project Officer Jenny Bevis said this program is a way for the community to bring forward new ideas and develop existing projects to a new height.

“It’s also a way of encouraging community participation in local activities and championing projects that have a strong economic and social impact,” she said.

The introduction of a new Event Sponsorship Program is expected to attract larger events to the region that provide a significant return on investment for the community, as well as support current events to grow.

The Event Sponsorship Program will operate year round and support events that market Federation Council as a tourist destination and demonstrate a positive economic impact.

“This program will focus on events that drive visitation and overnight stays in the region, in addition to providing another great attraction for local residents,” said Ms Bevis.

Proposals seeking sponsorship can be submitted at any time and will be assessed against a set criterion to determine the level of benefit generated from the event for the community.

Further information and program guidelines are available by visiting Council’s website:

MURRUMBIDGEE LOCAL HEALTH DISTRICT

Media Release

Thursday 12 October 2017

SPRING THUNDERSTORM ASTHMA WARNING

You could be at risk during this thunderstorm asthma season, even if you don't think you have asthma.

Last year in Melbourne an additional 3,643 people presented to hospital and nine died from asthma attacks after a severe thunderstorm.

The next four weeks or so may be a period of greater risk for asthma sufferers and people who wheeze and sneeze during spring time, according to the Murrumbidgee Local Health District (MLHD).

Director Public Health Unit Tracey Oakman reminds all people who wheeze and sneeze during spring that they could be at risk of an asthma event during a thunderstorm.

"Thunderstorms cause pollen grains to explode and release fine particles which can be inhaled more deeply into the lungs making even more people wheeze and sneeze," Mrs Oakman said.

"People should be prepared, not alarmed, and anyone with diagnosed asthma should carry their asthma medication with them at all times during this high risk period," she said.

The Public Health Unit will be monitoring thunderstorm activity and pollen count levels and issuing alerts at these high risk times.

Charles Sturt University has set up a SMS alert system when the pollen counts are high and thunderstorms are predicted. To register for this alert go to; www.csu.edu.au/asthma Alerts will also be sent from the Public Health smartphone App which can be downloaded free.

If anyone experiences breathing difficulties it is essential to seek medical help immediately.

Breathing difficulties can be life threatening. In the event of an asthma emergency dial triple zero (000) immediately.

Urana District School News

ST FRANCIS XAVIER'S SCHOOL URANA

Think, Speak and act like Christ

Greetings!

Welcome back to Term 4!

I trust you all had a wonderful holiday break with friends and family and are now ready for Term 4. I can't believe we're here already!

On the first Wednesday of Term, Miss Winter and Mrs Madden accompanied the students as they travelled to Corowa for a Junior Landcare workshop. Many thanks to Sally Hughes from the Corowa District Landcare organisation for coordinating and running the day. Our transportation for the day was also covered by the group. Thank you!

In last month's shire newsletter I announced that St. Francis Xavier's will be beginning a Play to Learn play group style program for 3-5 year olds in 2018. Full details can be found in last month's shire newsletter or on our website. www.sfxuww.catholic.edu.au

The 'Play to Learn' group is open to anyone aged from 3-5 years in our district. If you have any questions or would like to register your interest, please call (02) 6920 8051. Registering your interest will be required as we need some basic information to ensure a safe and supportive environment for you and your child. **(EOI Close Friday 24th November)**

There is **no** cost to be involved in our Play to Learn program. The Wagga Wagga Diocese of Schools subsidises this program in support of our rural communities.

Our 4/5/6 students are extremely excited as the preparations for their excursion to Canberra wrap up. They will join with Urana, Oaklands and Savernake Public Schools for the excursion. A big thank you to Dot Dore at Urana Public School for organising the excursion. We look forward to seeing all the photos and hearing all the stories!

Each Thursday morning, at 9am, we hold our school liturgy and all are welcome to join us.

God bless,
Mitch Bailey
Principal

ACTIVITY ADVENTURES AT URANA MPS

AUSTRALIANA

We have spent some time reading outback poems and short stories which resonate with some residents who have experienced outback life and given others an insight into shearers' cooks, droving and horses.

Also included in this category is watching an Andre Rieu DVD which was recorded at his Melbourne show and he performed a couple of Australian songs!!

FARM VISITS

We took advantage of the sunshine in late August to go for a drive and get up close and personal with the canola which features so prevalently in our part of the country. If we went out again now things are not quite as rosy, but it will rain in it's own good time.

ENTERTAINMENT

We would like to thank Big Moz' Mobile Disco for showing us a movie on their big screen (no we didn't do any disco dancing). The screen and equipment they use for screening movies was purchased with the support of Federation Council. On the day - majority rules - so the chosen movie was a Western starring John Wayne in full black and white. It was great. The screen and sound system meant that we could sit back and enjoy the afternoon.

So thanks, Maurice and Yvonne, for bringing this experience to us and we look forward to your return in the New Year. Perhaps this time the majority may opt for a musical or the like. Maurice and Yvonne have a large selection to choose from and have found a source with many other John Wayne movies for the future!

INTERNATIONAL TALK LIKE A PIRATE DAY

This day occurs every year and in 2017 it was on Tuesday, 19 September so naturally we practised our "a-ha me hearties". Our exercise routine also included picking up treasure, swimming (in case our walking the plank didn't go well!) and of course, walking the plank.

Our pirate pictures were coloured and displayed. A good day all round.

ACTIVITY ADVENTURES AT URANA MPS (cont)

AFL MORNING

Urana Public School children were celebrating their Footy Colours Day and spent the morning with us. The goalposts (garbage bins were the closest I could come up with!) were in the hallway and Les, being an ex-footballer and coach, and Ross kicked goals along with lots of the students. Thanks to our backstops who stopped the bigger kicks going too far.

Meanwhile in the lounge room the handballing into the box competition was being held. We had lots of winners which shows the quality of our skills!!

Before the students arrived, residents had been practising handballing at a target. Again Les was happy to show the students his skills as they all had a go later in the morning.

We made a peppermint crisp slice which the students helped us eat for morning tea. They enjoyed that with the cordial provided by the Hotel Services staff.

GARDENING

As the weather has warmed up we thought it was a good time to get out into the sunshine in the outdoor area of Colombo Lodge. Sara generously gave us some vegetable seedlings she had grown, so these were duly potted into tubs. We had also grown some flowers from seed so these were moved into various larger pots to add a bit of colour around the place.

Of course we didn't have to look too far to find weeds to pull out, pots to rearrange, plants that need re-potting and just chatting about gardens or any other topic we felt like. It is obvious that some residents have not lost their enthusiasm for the garden so it was a busy and lovely time.

We are using a lot of potting mix and bark chips so the money we raised from tomato relish sales will go towards this. Ralph Ciccio has also donated some for which we are very grateful. Thanks Ralph.

OUR RESIDENT SONGWRITER – PHILLIP JONES

Recently I had the absolute pleasure of presenting Phillip with a CD containing a song that he had written. Phillip was thrilled to hear his words brought to life by the music and voice of Grant Luhrs. His smile stayed for the whole morning. Staff and residents listened intently as "Hand in Hand by the Sea" played through – twice, or was it three times!

Phillip wrote some songs in his earlier years and his brother even performed one of Phillip's songs at the Tamworth Country Music Festival. It is a testament to Phillip's ability that, after a lot of years, he was able to remember and recreate the words to a song. He is now thinking about others that he wrote in his younger days – a future project.

We would like to give Grant Luhrs a huge vote of thanks for turning those words into an amazing song.

Grant is a man who makes such a difference to the lives of others – not only can Phillip hear his words brought to life, but there was so much pleasure in the room as others enjoyed it as well - as was shown by the applause at the end. Kerry also saw Grant perform at the "Country Hope Camp" - just another example of his way of giving to the community. Thanks for caring and being so generous with your time Grant.

If anyone would like to hear "Hand in Hand by the Sea" please contact me.

Miki City Cultural Exchange

The Federation Council region has welcomed home seven students from Corowa High School and Oaklands Central School, as well as their chaperones, who have recently returned from a ten-day cultural exchange to Miki City, Japan as guests of our Sister City.

The students stayed with local families and enjoyed an exciting itinerary which included visiting local schools and experiencing Japanese cultural activities including tea ceremony and wearing Kimono.

During the visit to Miki City Federation Council Cr Gail Law signed the new Sister City agreement, between Miki City and Federation Council, on behalf of Mayor Cr Pat Bourke.

The visit included a 20th Anniversary celebration of the original Sister City agreement in 1997. This affiliation was based on mutual exchanges in education, culture, sport, economy and friendly relations.

Since first signing the agreement, 20 years ago, there have been fourteen cultural exchanges involving 100 students and 46 adult attendants. All have home stayed with families in each country and attended the respective schools.

During her speech Cr Law said "On behalf of the Mayor of Federation Council, I thank you for inviting us to share in these important celebrations and look forward to many more years of exchanges and making lifetime friends."

Students will be invited to address Council's November meeting to share their experiences and what they have learned during the exchange.

Liam Summons from Oaklands Central School was one of the seven students who visited Miki City. Liam is pictured above, alongside Corowa High School student Nykia Butler at the Hiroshima Children's Memorial.
