MAYORAL MESSAGE

Welcome to the final edition of Federation Council's Community Conversations Newsletter for 2018.

The purpose of this newsletter is to engage with residents from across the Federation region to highlight the many projects and works that are currently being delivered for the betterment of Council's communities.

Council and our local communities have achieved a lot over the last year and I encourage you to pause and reflect on these achievements over the Christmas break.

We hope to support more Council and community led initiatives in the future as they reap a range of benefits for the local community and drive tourism opportunities for the broader region.

A significant milestone achieved this year was the creation and adoption of Federation Council's first Community Strategic Plan, 'Our Community – Our Opportunity - 2018-2028'. This is a bold and aspirational plan, and I am looking forward to working with our communities and seeing the collaborative approaches that create positive and exciting outcomes for all as we continue to deliver on priorities set out in this plan.

In the coming year Council will remain committed to delivering an unprecedented amount of new infrastructure projects, as well as advocating for further opportunities.

Supporting our rural communities who are suffering from the effects of the drought and frost event in August will also remain a high priority of Council. The recent Youth Council initiative 'Flicks in the Sticks' drought movie night held in Oaklands was a major success, and provided a great opportunity for our residents to come together and support one another.

On behalf of Federation Council, and Council staff, we wish you all a Merry Christmas and Happy New Year.

Council looks forward with anticipation to an exciting year ahead.

Kind regards, Federation Council Mayor - Pat Bourke.

HELPING LEARNER DRIVERS BECOME SAFER DRIVERS

Federation Council conducts workshops for supervisors of learner drivers that aim to increase knowledge and confidence. Register your interest by completing the form below.

Topics covered during the 'Helping Learner Drivers Become Safer Drivers' workshop include:

- What is involved with being a supervising driver?
- Issues facing young drivers.
- How the NSW graduated licensing scheme works.
- The importance of learner driver experience.
- Lesson planning and dealing with stress, and
- Tips for safe solo driving.

Expressions of Interest are currently being taken now for the next workshop, so register your interest by completing the form on Council's website. These workshops are usually held after hours. Federation Council's Road Safety Officer will contact you to confirm a date and time for the next workshop.

SAVE THE DATE FOR THE 2019 NSW SENIORS FESTIVAL

Federation Council is encouraging senior residents to save the dates for the 2019 Baby Boomers Bus About. The Baby Boomers Bus About is a series of organised events and activities organised by Council as part of the NSW Seniors Festival. In 2019 the NSW Seniors Festival will run from Monday 11 February to Sunday 24 February 2019.

The Baby Boomers Bus About is an opportunity for all ages to join together and celebrate the role seniors play and the valuable contributions they make to the community. It allows senior residents of the Federation Council to connect with each other, provides an opportunity to get out-and-about, to learn new skills, participate in physical activity, or just have fun and socialise.

The 2019 Baby Boomers Bus About proposed scheduled of events include:

MELODIES AND MEMORIES

Monday 11 February
Corowa RSL Club

Guests will be taken on a musical journey from the 1950's through to the 1980's with Morning Melodies followed by a light lunch at the Corowa RSL Club.

Guests will be treated to an early lunch provided by the Morundah Bush Entertainment Committee followed by a movie in the wonderful Morundah Paradise Palladium Theatre.

AGEING WELL LUNCH

Sunday 24 February
Howlong Golf Resort

Guests can meet new friends and catch up with old at the Ageing Well Lunch at the Howlong Golf Resort. A two course meal and soft drinks will be served.

The events have been tailored to provide opportunities for seniors to spend time with friends, meet new people, learn new skills, participate in physical activity and most importantly have fun.

Events are free and people can attend as many events as they like. Buses transport people from their town to the event or they may choose to make their own way there. Return buses to and from each event will run from Corowa, Howlong, Mulwala, Oaklands and Urana.

The Baby Boomers Bus About is supported through the 2019 NSW Seniors Festival Grants Program.

A full program including bus timetables and event bookings will be available mid-January.

WORKS & PROJECTS

Federation Council oversees millions of dollars of work across the region's road and transport network, recreation and community facilities. Find more about what works are planned and what has been completed from the Works and Projects section on Council's website.

Drainage Upgrade – Betterment Parade, Corowa

Drainage improvement works for Betterment Parade are currently underway. This is the largest storm water drainage works carried out in Federation Council as a single project. The project includes some thousand lineal metres of storm water drainage installation through Betterment Parade and John Street, two road crossings that connect into Federation Avenue drainage infrastructure. Also included is a water main upgrade for John and Airlie Streets.

Construction will occur through to early January, 2019.

Heavy Patching Road Maintenance Program

Council is undertaking a heavy patching road maintenance program and pavement stabilisation on some sealed roads throughout the Council area ongoing until March 2019.

Intersection rehabilitation - Romney St & Barooga Road, Mulwala

Council has recently completed intersection rehabilitation works on McCartney & Barooga Road & Romney Road, Mulwala.

Works included profiling and cutting the edges of failed pavement and laying asphalt over the fractured intersection. This application prolongs the life of this well used intersection. This work was carried out in conjunction with subcontractors Downer.

Bitumen Road Reseals

Council is committed to ongoing road maintenance and renewal to improve the local road network for driver safety and comfort.

Bitumen road reseals are underway throughout the Council area. Residents may have noticed road reseals occurring around town over the past few weeks. This is part of Council's ongoing road maintenance and renewal strategy which was identified by the community as a key priority.

Bitumen road reseals are required on all sealed roads at a period of around every 10 to 15 years depending on traffic volumes as the bitumen oxidises and starts to crack, letting water into the pavement.

Bitumen road reseals are underway throughout the Council area. Residents may have noticed road reseals occurring around the towns of Urana and Mulwala over the past few weeks. This is part of Council's ongoing road maintenance and renewal strategy which was identified by the community as a key priority.

LIGHT UP FEDERATION

This Christmas season, Federation Council and the community will work together to 'Light Up Federation'.

Residents and business owners are invited to decorate their homes or businesses to Light Up Federation and show their community Christmas spirit through lights and decorations for everyone to enjoy.

This year the Light Up Federation will feature three categories that residents and business owners can enter:

- BEST DECORATED HOUSE
- BEST DECORATED STREET
- BEST DECORATED BUSINESS

So you can arrange to drive by the decorations and cast your vote, a flyer of all registered homes and businesses will be available from all Council offices and libraries, as well as in download form from Council's website from Monday 17 December.

Registered homes will be in the running to win \$800 cash for the 'Best House' category. One best house will be selected only.

The title of 'Best Street' is also up for grabs with the winning street in each town which has registered homes, to have a sign placed below their existing street sign to

recognise their success. The 'Best Business' will receive \$200 cash and a decal with their winning title to display.

Residents can vote for their favourite display by completing a voting form available at any council office, vote via council's Facebook page by choosing your favourite house on the voting poll or online.

Voting closes Tuesday 1 January 2019 with the winner to be announced via council's Facebook page, in the Howlong Grapevine, Urana District Newsletter, Corowa Free Press and Yarrowonga Chronicle.

HOWLONG SKATE PARK OFFICIALLY OPEN

Perfect weather conditions greeted the many smiling faces at Howlong Skate Park's Official Opening recently.

The official opening held at Lowe Square provided an exciting atmosphere for all ages with YMCA Action Sports Demonstrations, Timmy G prizes and giveaways, face painting and a barbeque.

The Stronger Communities Fund enabled the addition of the \$201,900 Skate Park to the Lowe Square Playground upgrade to create a recreational space that now caters for families, children and youth of Howlong.

The Howlong Youth Park Committee worked together with the community also for the skate park and raised \$15,000 towards the project. The project was also financially supported from the Howlong Lions Club (and Lions Australia) who committed \$25,000 along with \$5,000 from the Howlong Op Shop.

The design concept skate park was prepared by award winning skate park designers, Convic who are leaders in youth space and skate park design. The 'street terrain' style skate park has a number of features, including 900H (3ft) Quarter with Doorway, 300H (1ft) Kicker to Kicker, 400H Round Flat Bar, 350H Ledge, 1200H (4ft) Bank with 750H Jersey Barrier Extension,

Banked Hip, 1200H (4ft) Mini Ramp and a 1500H (5ft) Quarter Pipe.

Mayor Pat Bourke said Council was proud to celebrate the Howlong Skate Park opening with the Howlong community and hoped that Howlong's youngest residents would enjoy the new space for many years to come.

"A fantastic day was had by all at the opening and it was great to see so many smiling faces using the new skate park," Mayor Bourke said.

"The Howlong Skate Park project is one of the many new infrastructure installations or upgrades to occur as part of Council's Play Space Upgrade Program as Council is placing a strong focus on improving the liveability of our area, as we work to meet the needs of our residents, support youth and attract young families. Council would like to acknowledge the commitment to this project not only from our local groups, but that of the NSW Government who supported Council with a considerable financial contribution to deliver this new facility for the betterment of the Howlong community."

Member for Albury Greg Aplin said the NSW Government has been pleased to support the Federation Council's decision to invest near \$200,000 of merger funds into this community asset.

"This new skate parks gives our young people a positive reasons to get out and get active," Mr Aplin said.

"I would also like to acknowledge the magnificent support and hard work of the Howlong Youth Park Committee who pushed for the project and provided \$15,000, the Howlong Lions Club \$25,000 and the Howlong Op Shop \$5,000. This was a real community effort of which you can all be very proud. It's a tribute to Federation Council that we can work together on projects which build richer, healthier regional communities like Howlong."

Council would like to thank the following event supporters: NSW Government, Lions Club of Howlong and Australian Lions Foundation, Howlong Skate Park Committees, Howlong Op Shop, YMCA Action Sports Demonstrations, Timmy G and the Community of Howlong.

FLICKS IN THE STICKS ENJOYED BY ALL

As the sun set more than 50 people settled in for a night of entertainment at Oaklands Recreation Reserve in November to enjoy 'Flicks in the Sticks'.

Movies by Moonlight from Wagga inflated a huge five metre screen, while everyone else made the most of the inflatable mattresses and the fabulous food and drinks on offer by the Oaklands Cricket Club.

Around 8.30 pm the first screening was the family friendly comedy, Nut Job 2-Nutty By Nature. This followed the story of Surly the squirrel and his friends must stop Oakton City's Mayor from destroying their home to make way for a dysfunctional amusement park.

As the stars lit up the sky, and headers could be seen in the paddocks busy stripping their crops, the older teenagers and adults sat back and relaxed as Tomb Raider 2018 came on the screen. An action adventure film of Lara Croft, the fiercely independent daughter of a missing adventurer, who must push herself beyond her limits when she discovers the island where her father disappeared.

It was a great pleasure to see so many families and young people attending the night. Federation Youth Council would like to thank everyone who came out for the evening.

Flicks in the Sticks - Oaklands was a drought relief night hosted by the Federation Youth Council and supported by the Oaklands Recreation Ground Management Committee and the Oaklands Cricket Club.
