Federation Council Urana District Newsletter

Bourke's Brief

Hello readers, and welcome to the September edition of the Urana District Newsletter.

September 2018 marks 12 months since my fellow eight councillors and I were elected to govern Federation Council. They say time flies when you are having fun, and that sentiment certainly echoes when I think about the last 12 months in my time as Mayor of Federation Council. I am extremely proud to have been entrusted the position of being the first Mayor of Federation Council and I am giving the position my all. The staff with the support of all of us Councillors, are working very hard alongside our contractors, volunteers

and community groups to deliver an amazing and diverse range of projects on top of our regular service delivery.

Federation Council has a massive workload on at the moment, which is not expected to diminish any time soon with the generous State Government grants being awarded, along with dealing with backlog projects and the day to day work of Council. The amount of information and research, and consultation and dialogue involved now that not only the Mayor, but all Councillors are required to be on top of, I think has increased at least two fold from my former time on Urana Council. Other Councillors have said the same. We are certainly up to the challenge and the community will notice that, from our strong Councillor presence at all of the community strategic planning meetings, attendances on committees, key events, and in the spread of projects across the community. I think the Federation Council has become a Council that works for its resident's right across our new much larger area.

I think the highlights for Council in the last 12 months are plenty. I think of the courage to make hard decisions early such as not allowing the compost facility to be built on the edge of Howlong; putting to rest the uncertainty around the location of the proposed Corowa Skate Park upgrades; getting an in-principle decision on moving forward on the new Corowa Pool; spreading the latest round of State Government funding on offer, right across the Council area; committing to finalising the Mulwala Industrial Subdivision, and the many projects already delivered across the Council area in the last 12 months, such as boat ramps, Howlong Skate Park, and playgrounds and boat ramps across the area, and developing the first ever Federation Community 10 year Strategic Plan.

Moving forward, we know the task list is growing, and the majority of our efforts at the moment are focussing on the drought and devastating frost event that occurred in August. Council arranged an informal gathering of local farmers, agronomists and industry experts held at the Civic Centre last Monday afternoon in the lead up to our drought support day. This gathering was well attended and provided Council with valuable feedback on where we need to be focussing our support on for farmers, industries and businesses in Federation.

We are well aware of the affect the drought and frost event has had, and Council will continue to have ongoing conversations with key stakeholders to remain proactive in ensuring we support and advocate for these groups. Following the meeting Councillors and Staff developed an interim list of strategies and actions that Council will be pursuing to continue to support our communities during this time and in to the future.

Council is encouraging stakeholders to submit their suggestions for support via email council@federationcouncil.nsw.gov.au or drop your suggestions off at your nearest Council office.

Until next time,

Councillor Patrick Bourke – Federation Council Mayor.

The Bald Archy is back

The 2018 Bald Archy Prize exhibition will be on show at the Corowa Art Space from Friday 12 October to Saturday 3 November 2018.

Corowa Art Space has hosted the Bald Archy Prize touring exhibition annually since 2014, which has established a loyal following of supporters during this time. This year's exhibition is expected to attract more than 1500 visitors to Corowa to see the outstanding, Australia wide, touring exhibition which is now in its 25th year.

The 2018 winner of the Bald Archy Prize is a portrait of Ahn Do called 'Anh Can Do' by James Brennan. Brennan, who has taken out the prize on four occasions, said he chose Ahn Do as his subject for the prize because he admires him. Brennan had seen Ahn Do's television series and his works in the Archibald Prize and thought he would make a good subject. The work draws on the famous Norman Rockwell self-portrait in which the American artist paints his own portrait using his reflection in a mirror.

As expected there are a number of controversies in this year's exhibition. One is a caricature of Shadow Minister for Foreign Affairs Penny Wong, entitled 'Two Rights Don't Make a Wong' by Judith Nadin. It depicts Senator Corey Bernardi and Tony Abbott in wedding dresses and is about the same sex marriage debate.

According to founder of the prize Peter Batey, the competition celebrates the "Australian larrikin sense of humour". It was launched in 1994 as a spoof of the Archibald Prize and as a way to provide artists of *all styles and standards* with a genuine opportunity, ranging from the hilarious to the bizarrely vulgar, to create portrait paintings of humour, dark satire, light comedy or caricature".

The 2018 Bald Archy exhibition features works from 45 finalists and will be open every day from 10am until 4pm. Art Space, Corowa is located at Corowa Civic Centre in Edwards Street. Entry is \$5 for adults and free for children. For group booking and enquiries please call Wendy on 0448 338 924.

Community Grants Program Open

Round One of Federation Council's 2018-2019 Events and Community Grants program is now open, with funds available to help local community groups, organisations and clubs to deliver a range of community projects and events.

Federation Council Mayor Pat Bourke is encouraging not-for-profit groups to apply for a share in \$60,000 of funding for this year's Events & Community Development Grants Program.

"The Events & Community Development Grants program is a new initiative aiming to empower groups to develop ideas, projects and events that can contribute to the vibrancy and connected community of Federation Council," Mayor Bourke said.

"We see this new initiative as a way to bring forward new ideas and help to develop existing projects to a new height. The grants program is a critical for empowering community participation in local activities as well as championing projects that have a strong economic and social impact."

Eligible applicants can apply for grant funding for one-off projects through one of the seven categories:

- Arts And Culture
- Events & Tourism
- Community Work and Welfare
- Skill Development and Learning
- Health Promotion
- Accessibility and Inclusion
- Young People

"If you are an eligible group and you have a great idea that can benefit the wider community, pitch your initiative through Community Grants Program by Monday 15 October 2018," Mayor Bourke said.

The Community Grants Program operates in two funding rounds each year – in September and April - and invites applications for grants up to \$3,000. For grants, over \$3,000 contact the Community & Events Project Officer Phone: (02) 6033 8936

The Community Grants Program Opens Monday 17 September and closes Monday 15 October 2018. Applications recommended for approval will be considered at the October Council meeting, with funds presented to successful groups in November.

Application forms and guidelines are available from Council's website at www.federationcouncil.nsw.gov.au and are available in hard copy from the Council's Offices.

Council to host Flooding Information Sessions

A Floodplain Risk Management Study and Plan is being undertaken for the villages of Urana, Oaklands, Rand, Boree Creek and Morundah. The aim of these studies is to identify flood risk, investigate potential flood risk mitigation options, and where appropriate, make recommendations for options to be implemented.

Federation Council, with the support of the NSW Government Office of Environment and Heritage and WMA water is seeking to engage with residents in October to promote awareness of the study, identify key flood risks in each village and gather ideas for, and discuss, potential flood risk mitigation options to address identified issues.

Information sessions will be held in each village and Federation Council Mayor Pat Bourke is encouraging all residents to attend one of the five sessions in Boree Creek, Urana, Morundah, Oaklands and Rand.

“Council wants to continue to be proactive about flooding in each village,” Mayor Bourke said.

“From completing the first part of the study, Council has a great understanding of the main flood risk areas and wishes to confirm and refine this understanding with our residents.”

Upcoming information sessions will be held as a forum for discussion of the flood issues in your area, and potential options to improve how floods are managed. Come along and take this opportunity to meet the project team and have your say at:

Boree Creek: 7pm – 9pm, Tuesday, 16 October – Hall.

Urana: 7pm – 9pm, Wednesday 17 October – Council Offices.

Morundah: 2pm – 4pm, Wednesday 17 October – Hotel.

Oaklands: 10.30am – 12 noon, Thursday 18 October – Hotel.

Rand: 1pm – 3pm, Thursday 18 October – Sports Ground Club Room.

Flood specialists WMA Water will give a short presentation, followed by refreshments and time for discussion with the project team.

If you are unable to attend the meeting in your town, please email federationvillages@wmawater.com.au and a member of the project team will call you to discuss your thoughts and suggestions on flood risk and its management. (see flyer on following page)

FLOODING

Information Session

Federation Council are undertaking a Floodplain Risk Management Study and Plan (FRMS&P) to reduce flood risk in **Boree Creek, Urana, Morundah, Oaklands and Rand.**

An information session will be held as a forum for discussion of the flood issues in your area, and potential options to improve how floods are managed. Come along and take this opportunity to meet the project team and have your say!

Boree Creek: 7 – 9 pm, 16/10/18, Hall

Urana: 7 – 9 pm, 17/10/18, Council Offices

Morundah: 2 – 4 pm, 17/10/18, Hotel

Oaklands: 10.30 am - 12 noon, 18/10/18, Hotel

Rand: 1 - 3pm, 18/10/18, Sports Ground Club Room

Flood specialists WMAwater will give a short presentation, followed by refreshments and time for discussion with the project team.

Key Discussion Points

- What are the **main issues** regarding flooding?
- What should be **done** about flooding?
- How can we be better **prepared** for and **respond** to floods?

If you are unable to attend the meeting in your town, please email federationvillages@wmawater.com.au and a member of the project team will call you to discuss your thoughts and suggestions on flood risk and its management.

Responsibilities to our companion animals

Whether you consider yourself a dog person or a cat person, we all have a responsibility to our companion animals. Council works hard to communicate with local pet owners regarding these responsibilities, keeping both our furry friends and our community safe.

Responsibilities of pet owners

- If your dog is in a public place it must be under the effective control of a competent person by means of an adequate chain, cord or leash. The exceptions to this are; dogs exhibited at a show or engaging in obedience or agility trials or a dog secured in a cage or vehicle or in an approved off leash area. Fines may apply if your dog is found to be not adequately leashed in a public place.
- If your dog is being exercised in an approved off-leash area it must always be under the effective control of a competent person.
- You are not permitted to walk more than four dogs at any one time in an on-leash or off-leash area.
- Greyhounds must be muzzled at all times when in a public place.
- If your dog defecates in a public place it is an offence not to remove the faeces.
- Dogs are prohibited in children's play areas, food preparation/consumption areas, reception areas, public bathing areas, school grounds, child care centres, shopping areas and wildlife protection areas.

Microchipping and pet registration

Microchipping and registration is a two part process that requires dog and cat owners to:

1. Have their dog or cat implanted with a microchip from the time they are 12 weeks of age, at point of sale or change of ownership (whichever occurs first)
2. Register their animals with their NSW local council by 6 months of age.

Both the microchipping and registration of your dog or cat include a one-off fee and are for the life of the animal.

For further information on responsible pet ownership, visit Council's website.

MORUNDAH
Market
Day

Sunday 9th December 2018
9.00am to 1.00pm

The Annual Morundah Market Day is an annual event held by the Morundah Community. The event is held in the Browley Street Park and the Paradise Palladium Theatre and surrounds. As we only have one market day a year, we get a large and varied mix of stallholders including preserves, craft, tools, leather goods, Bric a Brac, fresh bread just to name a few.

This year all the inside stalls are fully booked but there is plenty of outside stall areas available.

Please note that we do not allow food/coffee vendors as the community has the catering rights to this event. All food is donated locally and sold through the market day café located in the hotel dining room.

Sites are \$25 for a 3m x 3m area. We do not supply tables.

To book a site call the Morundah Hotel on (02) 6959 7414 after 12 noon prior to the date.

Think, Speak and act like Christ

Greetings,

I want to take the opportunity to give a massive vote of thanks to all our families and friends in the wider community for your constant and prayerful deeds and well wishes over the last few weeks since the news of Liz and Charlie's accident. It has been a difficult time for many people recently and all I ask is that you continue to support each other, the Pertz family and keep offering prayers for all involved (especially family, friends, the first responders and health professionals).

In Week 8 the school walked to the Urana Aquatic Centre for the grand opening of the new Urana Bird Aviary. The students had a fantastic time walking among the birds and getting to check out the aviary first hand. A big thank you and warm congratulations must go to the many many Urana and district community members who have worked tirelessly on this project over a number of years. Another thank you must go to those who kindly prepared lunch and provided numerous sweet treats!

In Week 9 the whole school travelled to the Finley RSL to perform in the South West Deanery ASPA concert. The students had a fantastic day joining together with all the other schools of our Deanery to celebrate their artistic talents. A big thank you to the staff and parents who made the journey to Finley to watch the students and cheer them on. Thank you also to Catholic Education Diocese of Wagga Wagga for continuing to fund this wonderful initiative within all the primary schools across the Diocese. They also provided bus transport for us to and from Finley.

In Week 1 of Next Term, Thursday September 18, we'll be holding a Mass at 12:30 followed by a light lunch to celebrate Nano Nagle's Tercentenary. Nano Nagle created and developed the Presentation Sisters order in Ireland in 1755. She and her fellow Sisters ran schools for the poor and marginalised children of the time and they continued to open more convents and schools across Ireland. In 1874, after receiving the call for help from Australian Bishops, some Presentation Sisters travelled to Australia to begin schools and convents here. The Mount Erin Convent in Wagga was started and after many years of successfully beginning schools in the Wagga Wagga Diocese, three wonderful Sisters came to Urana in 1941 to open the school we have today.

We will take the opportunity to pause and reflect on the wonderful influence Nano and her Presentation Sisters have made to our school while acknowledging our own contribution to the school we have today. Please RSVP to the school if you can join us.

God bless,
Mitch Bailey
Principal

Urana Public School

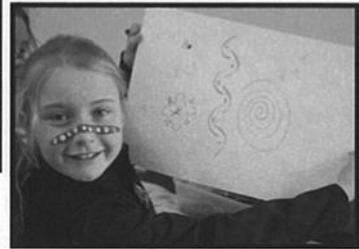

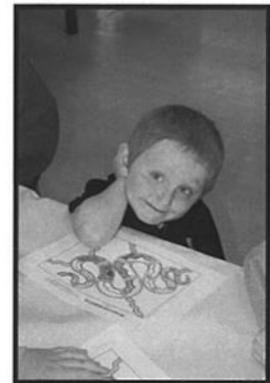

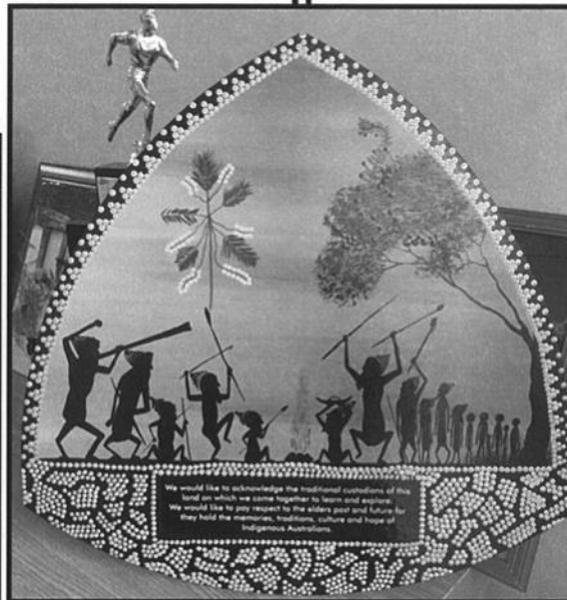

.....personalized, innovative education in a safe and supportive environment

Hello everyone, here is a snapshot of life at UPS this month!

Wirraminna

The students visited Wirraminna Environmental Education Centre at Burrumbuttock where they had an excellent day immersing themselves in native plants, bush tucker and handling Aboriginal artefacts. At the conclusion of the day each school was presented with their own fabulous Welcome to Country plaque painted by local Aboriginal artist David Dunn. He incorporated Destiny Heim's and Ashleigh Ferguson's native plant drawings that they completed with him when he visited earlier in the year.

Cultural Infusion

Urana Public School hosted Cultural Infusion. We welcomed students and staff from Berrigan Public School, Jerilderie Public School, Savernake Public School and St Francis Xavier who joined us for a day of Aboriginal art, Aboriginal storytelling and creating stories using Aboriginal symbols. Thank you to all the parents, grandparents and friends of the school for your time in helping out with the catering.

Education Week/Book Week

"Today's schools—creating tomorrow's world"

It was a great gathering of the generations when we celebrated both Education Week and Book Week. The residents of Colombo Lodge up to the school for our sausage sizzle, book character parade and then the residents visited the classroom to see first hand how education has changed over the years. The technology always astounds them but the kinetic sand was a real hit! The afternoon STEM activity was a lesson in determination, perseverance and grit—building a tower of paper cups using string and rubber bands - without touching the cups with your hands!

Local Government Week

Thank you to Federation Council for again hosting our Local Government Week. Part of the celebrations included the students joining our local Mayor, General Manager and staff for lunch. The senior students had to submit written entries for the annual school's competition. Congratulations to David and Melissa Smith who won their respective age groups for our school.

As you can see we are learning a lot of new things. It has been a very busy term so far!

Urana Inc News

Urana Inc update – Sept 18

September is here and spring is in the air. Discussions at Urana Inc have turned towards the tourism potential at Urana and how we can improve our services. We have had the great Bird Aviary opening, a great day out. We hope you were able to catch the engaging interview on the radio with many school children and locals on the ABC the next day.

Our next focus is for:

A GREAT TOURIST BOARD

We are asking for your input as we feel this is vital for our town. Please contribute your ideas or photos of places where these are worthwhile. This is your town, please help us plan ahead.

Our initial thoughts were:

- Location: near the public toilets at the aquatic centre as this is where many tourist stop. We need to get them into town from here, or use the many great facilities we have around the aquatic centre so they can share their experiences with others.
- What type of construction?
- What would need to go onto the board?
- How can it be interactive?
- Types of services available, business info?
- Links to tourism trails?
- Photos of info boards you have come across.

Please send any ideas, comments or photos to Karin Coghill either by post to PO BOX 64, Urana or email to uranainc@gmail.com

Dates to remember:

All Urana Inc meetings are held at 7 pm at the Urana Bowling Club.
New members welcome.

AGM NOTICE (change of date):

Monday 15th October 2018

Please fill out nomination forms before the AGM, provided in this booklet.
This will be followed by our general meeting.

Activity Adventures at Urana MPS

We have been holding monthly Resident Meetings when each resident present is included in discussions and is free to express their thoughts about issues raised. We follow formal meeting procedures with the only addition being that we must find at least one positive issue to discuss – something that has always proven very easy to do! Minutes are placed on the dining room notice board for residents and staff to peruse at their leisure.

Some important changes have arisen from these Meetings – two of which are noted here.

1. Reverend Nola Cox offered to bring a church service to Colombo Lodge on alternate months. These services are open to all residents, families and staff of all denominations and will take the form of a more relaxed family service.

The first Colombo Lodge service will be at 10.00 am on Sunday, 23rd September, 2018 and continue on the 4th Sunday of alternate months after that.

Normal church services will be held in St Philip's on the other months. Residents, families and staff and community members are also invited to these services.

2. Emily – our resident greyhound. As a result of quite a few months of discussions at residents meetings where we discussed whether or not a pet was wanted (yes); what type of pet would be best (a dog); what type of dog (a greyhound) – Emily has arrived at Urana MPS.

Karen and I carried out quite an amount of research on different dog options to present to residents and worked out a daily routine that would suit both residents and Emily. Apparently Emily has made a few changes to that routine, but that's OK – she is allowed some time to settle in.

The benefits of a pet have been widely published and we are lucky to have the support of local businesses in this venture and know this is a great step forward for Urana MPS. There will be more photos and stories about Emily in our October Newsletter.

DO YOU KNOW SOMEONE IN YOUR COMMUNITY WITH AN ENDURING MENTAL ILLNESS THAT COULD BENEFIT FROM SOME COORDINATED SUPPORT?

Partners in Recovery {PIR} aims to better support people with severe and persistent mental illness and their carers and families by getting services and supports to work in a more collaborative, coordinated and integrated way, for systemic change.

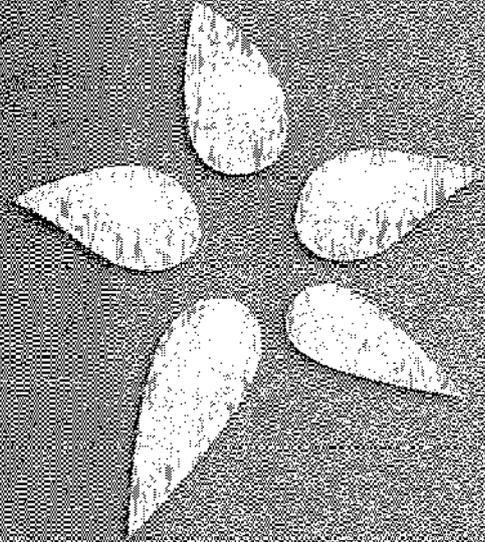

Support Facilitators assist participants to identify their hopes, dreams and priorities and facilitate the coordination of services and supports needed to meet those priorities.

Importantly, Hume PIR will identify where there are systems issues and barriers and lead in the development of systems change.

Urana Bird Aviary Opening

The official opening of the Urana "Free Flight" Bird Aviary took place on Tuesday 11th September. Special guests amongst the crowd who were to witness the opening was Federation Council's Mayor, Cr Pat Bourke, General Manager, Mr Adrian Butler, Mrs Sarah Smythe and Mrs Maria Urquhart representing Lockhart Community Bendigo Bank, Staff from Federation Council and many Volunteers, who, without their generous support and labour this venture could never have been fulfilled. Students from Urana Public School and St Francis Xavier's School also attended and watched as the first birds were released into their new home.

Apologies were received from Riverina Water, Bush & Campbell and Mr Greg Aplin MP.

After the official opening all were invited for a sausage sizzle.

We were especially proud to show off another Urana achievement to some holiday makers who had spent time in the Caravan Park and Bird enthusiasts who had travelled from Howlong to view the Aviary.

Once again we thank all those who contributed financially with their labour, generosity and the preparation and serving of food and all the tasks associated with such a large project. We hope Urana residents are proud of what has been achieved.

Jenny Hearn
