MESSAGE FROM THE MAYOR - PAT BOURKE

Dear Readers,

Welcome to the September edition of the Urana District Newsletter.

What a fabulous day was had on Friday 23 August for the official opening of the Urana Court House Museum Restoration Project.

The picture-perfect day attracted a large crowd who were also there to visit the Hats off to Freddie Fox - The Boy from Urana exhibition.

It was wonderful to see our General Manager Adrian Butler, Cr Gail Law, Member for Albury Justin Clancy all in attendance along with Council staff members. Freddie Fox was the Queens Milliner for over 30 years, and became very close to the Queen and other members of the Royal Family, including Princess Diana. Not a bad effort for a boy from Urana. The community of Urana should be very proud of their work to secure State and Council grant funding for the restoration and special exhibition.

The detail and presentation of the event was fitting for the Queen, including the Hors d'oeuvres. The highlight was to see so many of Freddie's family attend, both locals, and many from away, including his 96 year old sister, Doris Blackman, who even drew her own name out of the raffle! Read further information about this great day in this edition of the newsletter.

On another significant community matter, Australia Day nominations will open on Monday 30 September and Council is calling on all the support of our many communities to nominate and recognise the wonderful contributions that people in our community make to our region. I encourage you to consider who helps and supports you in your day to day life and consider nominating them for an award. This can be as simple as someone mowing your lawns or taking you shopping. The nomination process has been reviewed and simplified to encourage more nominations. Find our more in this newsletter.

Council's Community Grants Program opens for applications from Friday 20 September 2019. Grants up to \$3000 are available. The application process has been streamlined. Find out more in this newsletter.

As we head into the warmer Spring weather, I encourage you to get out and about exploring our region and hope to see you at one of the many community events included in this newsletter.

Community feedback and engagement is important to Council and we look forward to continuing to work together to achieve positive outcomes for Federation Council communities.

Until next time,

Councillor Patrick Bourke - Federation Council Mayor

URANA COURT HOUSE MUSEUM RESTORATION PROJECT OFFICIAL OPENING

Perfect weather conditions greeted the large crowd at the Urana Court House Museum Roof Restoration Official Opening on Friday 23 August.

The official opening provided an exciting atmosphere for the community to gather together and celebrate the completion of the project along with the opening of the 'Hats off to Freddie Fox The Boy from Urana' Exhibition. The Create NSW Regional Cultural Fund (Round 2) enabled the roof restoration of the museum which will provide a weather proof space for the valued exhibition materials and historical items.

Mayor Pat Bourke said Council was proud to celebrate the Urana Court House Museum upgrade opening with the community and hoped that the building would now safely provide a space for many future exhibitions. The building, now proudly displays historical items for educational, cultural and social engagement, is a monument to 19th Century design and construction and the significant European influence of the period in the region.

"To compliment the opening, the Urana Progress Association also organized the 'Hats off to Freddie Fox The Boy from Urana' Display.

The timeless display includes some of Freddie's finest millenary work, the story of Freddie Fox and his close association with the Royal Family and other notable world celebrities."

People gathering for the official opening.

"A fantastic day was had by all at the opening and it was great to see so many people in attendance including close relations of Freddie Fox," Mayor Bourke said."

ACTIVITY ADVENTURES

WHAT A WONDERFUL WORLD

This song describes the morning at Urana MPS on 3 September! The children, residents and staff had a great time singing and dancing together. Everyone had practiced "What A Wonderful World" and created beautiful music with it. Joan had even written another verse which I will be included the next Newsletter.

Of course this was at our Karaoke morning which no-one could say they didn't know about because Ross made many wonderful signs saying "what, when and where" and these were placed all around the MPS.

This time was a little different in that residents were given a song list and words to study beforehand. This helped them although the children seemed to have the microphone most of the time and had no trouble helping to belt out YMCA, Love Me Tender and lots of other songs. And for a bit more noise we threw in some percussion

instruments. It was great.

Thanks to everyone for being so involved in such a wonderful morning. Looks like Karaoke will become a regular event.

We Will Rock You became our anthem and was sung and danced numerous times and Phillip performed one of his original songs – his words and rhythm are so good.

The love, happiness and friendship in the room was palpable.

CHRISTMAS IN JULY

Although we had to postpone the Greg-a-Duo Performance, presents for residents had already been purchased. As a surprise to everyone we decided that the school children would make excellent "Santa's" handing presents to all the residents who were just as surprised (especially as this was on the 6th August!). The children were thrilled to be able to hand out the presents and everyone had wide smiles on their faces.

ACTIVITY ADVENTURES AT URANA M.P.S

Sara had made and decorated a Christmas Cake so that made morning tea very special and delicious.

Residents used the following words when describing this morning to me: "surprise, lovely, moist cake, very suitable presents such as journals, money boxes, colouring books, a delicious box of chocolates for each resident and the children were very enthusiastic".

Thanks, as always, to the Urana Public School students and staff for bringing smiles and enthusiasm to us all.

Bingo resumed after the children had returned to school and presents had been discussed fully!

FARM DRIVES

As the weather has been warmer and sunny the residents and I jumped in the hospital station wagon and took a "Cullivel Tour" to check out the crops, sheep, wattle etc.

Naturally we stopped in our paddock for a canola photo (Bevan says the canola enhanced his photo!) and a chat to Greg before returning in time for lunch.

Until next time,
Wendy Mallon
Activities Officer

LOCAL HEALTH ADVISORY COMMITTEE

“SERVING THE LOCAL COMMUNITY”

SNIPPETS OF LOCAL HISTORY: EARLY DOCTORS

The first doctor to take up residence in the area was Dr Bellamy who arrived in 1876. Dr Bellamy took part in the opening of the Urana Hospital in 1882. Later that year he was replaced by Dr Anderson. Who was then replaced by Dr Gaint in 1885. The community organised a medical fund to help cover the costs of the doctor and attempt to keep a doctor or doctors in the area. He was followed by Dr Korif in 1890 followed by Dr Martin the same year.

At our last LHAC meeting we had the pleasure of a visit from Dr Mark Wotherspoon. Dr Mark is a highly qualified dental surgeon with years of experience working in both private practice and with our Australian armed forces. He is developing a program of

mobile dentistry, “Dentist to your door” . This program is designed to deliver basic dental care to Aged Care Facilities as well as in home for those in more rural and remote areas. Treating patients in their own chair or indeed their own bed.

Referrals for more extensive treatment, if needed will be made, but he envisages that most work can be done in the facility or their home. His mobile dental kit is contained in one portable box ,that expands into a mobile dental surgery that has all the equipment needed to perform most common dental procedures.

This initiative would be a huge benefit to those in rural areas. If you would like to know more about “Dentist to your door” or how to contact “Dr Mark” please use the LHAC email on the following page.

Mobile Dental unit for "Dentist to your door"

At our next LHAC meeting we are being visited by Fiona Renshaw who is the Director Integrated Care and Partnerships with MLHD She is going to be talking to us about the Community Care Central Intake Service. We would like to hear from anyone who has had experience with Central Intake, good or bad.

We are interested in your feedback!

In order to improve service we are interested in passing on your feedback to the Director. Please email the chair if you would like to provide comments in this meeting. Have your say, it is important.

Recently the MLHD Excellence Awards were held. We would like congratulate our MPS Facility Manager Karen Flack on her nomination and becoming a finalist in the Leadership category. Karen is a very dedicated and community minded person and our facility is lucky to have her in charge. Well done Karen. Also Harry and Eunice Couzin on being successful in the volunteer category.

Both Harry and Eunice have had their own ups and downs this year, but they haven't let that get in the way of their constant giving. They continued to run the "Stepping On" program on Mondays as well as playing the piano for sing alongs at Colombo Lodge and much much more. Would like to thank and congratulate them both.

Our next LHAC meeting is the 25th September. If you would like more information on the Local Health Advisory Committee, or have something you would like to raise with the committee please email the chair.

ST FRANCIS XAVIER'S SCHOOL URANA

Think, Speak and act like christ

Greetings!

Recently we held our, now annual, Father's Day Breakfast as a small token of appreciation for not only the Fathers of our community but all of the wonderful males in our lives. We had a fantastic morning together sharing a meal and spending some time in prayer. Congratulations to our major raffle prize winner Evan Fealy.

During Week 8, our Year 3-6 students travelled to Wagga to participate in a netball gala day. A big thank you to the parents who assisted us with transport and to Miss Winter for accompanying the students.

In Week 9, we attended a performance of the children's book - The All New Orange 430 - at the Urana Memorial Hall. Thank you must go to the Urana Public School for organising the performance and for inviting us along.

The anticipation is rising among our older students as they ramp-up preparations for their excursion to Ballarat early next term. Thank you to Savernake Public School for coordinating the excursion.

I hope all students and families have a wonderful spring holiday period and come back to school full of enthusiasm for Term 4.

God bless,

Mitch Bailey

URANA PUBLIC SCHOOL NEWS

What an action packed and exciting couple of weeks we have had!

Everybody thoroughly enjoyed the Melbourne excursion, students and adults alike- good food, fantastic accommodation and activities and a very patient bus driver! The rain held off for us until we were in Her Majesty's Theatre and all the timing and movement between activities went like clockwork, except for our estimated time of return to Savernake and Urana- my apologies for the late return of your children, but at least we kept them all in one piece!

Students are very busy in the classroom and the art room, getting close to finalising projects for presentation at the end of term assembly on 24th September. Their history project is "The Eureka Stockade" and in science the students are preparing presentations on famous Australian Land-forms; how they were formed, where they are found and what they're made of. They have also created various visual artworks and are currently working on 3D dioramas of the "diggings" at the Ballarat goldfields in 1854.

Last week the students enjoyed a karaoke session at Columbo Lodge with the residents, a great time had by

all! The students had practised "What a Wonderful World" and enjoyed showing off their talents. Another favourite on the day was "We Will Rock You"!

Coming up next week, Tuesday 17th September, the students will be combining with St Francis students and teachers, Savernake PS and the residents of Columbo Lodge to watch a dramatised performance of the picture book "The All New Must Have Orange 430". The performance will be held at the Memorial Hall at 10:30am. If any parents or carers would like to join us at the performance, you are very welcome! The book has important themes, such as the affect that the media and commercialisation has on young people as consumers and also the importance of recycling to help the environment.

MELBOURNE EXCURSION

Urana Public School went to Melbourne for an excursion. Firstly we got on the bus in Urana. The next stop was Savernake ,we went there so we can gather more students. The next place we reached was Seymour so we had recess there. We were so relieved that we reached Melbourne. Urana PS and Savernake PS started to have some lunch in a park called Ron Barrasi Park. After that we walked to an ice-skating rink. Some of us had fun and it was really good and some of us didn't have fun and tripped over a few times. But it was a lot of fun.

After all of that excitement, Savernake PS and Urana PS hopped in the bus and headed off to the Melbourne Zoo. At the zoo we looked at all the animals like reptiles and endangered animals. Finally we got to the accommodation/terrace house that we were staying at. It was a nice and cozy place to stay at. When we got settled in we went to a fancy restaurant for a delicious dinner and dessert after. Some time after the dinner we reached our house and all of us had a nice shower and went to bed. In the morning we all had to have breakfast which was cereal and toast to get us started for the day. We all went to Eureka Sky Deck and had a lot of fun there seeing all of Melbourne.

When we got back from Eureka Sky Deck we went to a park for recess and played there. We ended up at a big town called Chinatown. We had lunch at a restaurant and had some very good lunch there. Next we went to Charlie and the Chocolate Factory and watched the show. The show was a magnificent sight- the singing was amazing and everyone enjoyed it. Later in the bus everyone was excited because they saw McDonalds. When they saw McDonalds everybody was jumping around and screaming but eventually we got to go to maccas. After we all ate we had to make our way home. We had to stop at other places so other students could go home.

An hour later we got to Yarrowonga so a few people got of the bus. Later we got to Savernake and all of Savernake PS got off the bus. Next stop was Oaklands where two students got off. Then at last we made it home to URANA!
