MESSAGE FROM THE MAYOR - PAT BOURKE

Dear Readers,

Welcome to the May edition of the Urana District Newsletter.

May 12 2019 marked three years since the creation of Federation Council. I would like on behalf of my fellow Councillors to acknowledge this milestone and pay tribute to the hard work of all involved since the creation of the Council, including the current Councillors, staff and volunteers, contractors, our many committees, and the community in general who are like us, all working hard for our communities.

In Council news, it has been another busy month, with a number of great events being held across the region and many other council initiatives and projects progressing well. This month, Councillors met with Senior Staff to provide further input into the final details of Council's Delivery Plan and Budget which will set the direction of our Council over the next 12 months and beyond.

The budget contains a large spread of projects right across our Council area, as well as still committing to the many day to day services and supportive programs, including road works, our libraries including the mobile service, and the fantastic mobile preschool service. Council whilst committing to delivering on the many larger projects including the Oaklands Recreation Ground new change rooms, Oaklands Medical Centre, Urana Aquatic Leisure and Community Centre building, also has many other strategic planning documents to be developed over the next 12 months, including a new Long Term Financial Plan, new Local Environmental Plan and continuing with the Flood planning works across the Council area.

Council recognises the terrible seasons that the agricultural sector and related business and workers have faced over the past few years, and rates and other fees and charges have been kept at a minimum. Council will place these on public exhibition after the May Council meeting, and is encouraging residents to have their say on these draft documents. Community information sessions will occur at various places across the local government area in June. At the Urana session, just prior, there will be an opportunity for residents to discuss with Council, the issue of the Heavy Vehicle movements through Urana, since the decision was made to not allow them to travel down Stephen Street Urana. This will allow staff to continue to investigate options in

this regard.

In addition to these budget sessions, you are still encouraged to make a submission to be put to Council for consideration before final adoption if you have any other suggestions or comments on the draft budget, including fees and chargers and proposed rates. Further details and information on how you can make a submission in relation to Council's high level plans and draft budget, as well as community session details can be found on Council's website and page 7 of this Newsletter.

I am pleased to announce that Doctors Road Bridge, Urana has received $340,000 of funding under Round four of the NSW Government Bridges Renewal Program. The scope of works to be completed here will involve the replacement of the current bridge that has reached the end of its useful life, with a new single span concrete bridge. Council is committed to ongoing road maintenance and renewal to improve the local road network for driver safety and comfort.

You will also notice a number of changes to the format of the Newsletter that we hope readers enjoy. Again like all of Councils work, we encourage any feedback you may have in relation to the Newsletter. Council has made some significant investments into the Newsletter and other communication methods, including the bulk of our printing needs now being sourced instead of using contracted firms, with most of this now being done out of the Urana office.

Until next time,
Councillor Patrick Bourke - Federation Council Mayor

COUNCIL MEETINGS 2019

Ordinary meetings of Council are held on the third Tuesday of the month commencing at 9:30am. Residents and ratepayers are cordially invited to attend Council Meetings. Please see the dates and locations for the 2019 ordinary Council Meetings up until October.

Tuesday 25 June - Corowa Chamber

Tuesday 16 July - Corowa Chamber

Tuesday 20 August - Urana Chamber

Tuesday 17 September - Corowa Chamber

Tuesday 15 October - Corowa Chamber

Tuesday 19 November - Urana Chamber

Tuesday 17 December - Corowa Chamber

The meetings are also filmed and available for viewing later at
https://www.youtube.com
/channel/UcDzehH_eqMuJc3XZtQ9SNXw/live

FEDERATION COUNCIL

CLUBGRANTS 2019 CATEGORY 1 APPLICATIONS NOW OPEN

The ClubGRANTS program is now open.

Community groups are invited to apply for funding through the ClubGRANTS (Category 1) Scheme.

ClubGRANTS will fund local projects that address the following priorities: -

- Community Development
- Aged Services
- Youth Services
- Emergency Accommodation Assistance/ Homelessness
- Emergency Services

Groups operating in Victoria or outside of the council area may apply for funding assistance if they are able to demonstrate a service is being provided to NSW residents.

Innovative new projects are encouraged as are applications for other important projects.

All applications for the ClubGRANTS program must be made through the new ClubGRANTS Online System.

To register your organisation and make an application visit www.clubgrants.com.au

To be considered your application must be completed and submitted by 11.00 pm on Sunday, 30 June 2019.

Further information concerning ClubGRANTS Category 1 funding can be obtained from the ClubsNSW website on www.clubsnsw.com.au

Thank you Justyn and Maddi

Council would like to extend a sincere thank you to outgoing Urana Caravan Park Managers Justyn and Maddi.

Council wishes the much-loved couple all the best in their future endeavors and thanks them for their vibrant energy and hard work over the recent years in managing the Urana Caravan Park.

The park will continue to be fully operational under new management.

ALTERNATE HEAVY VEHICLE ROUTE

Council is pleased to extend an invitation to interested members of the community to attend a community meeting to discuss the Urana Alternate Heavy Vehicle Route.

Council is seeking feedback on the Urana Alternate Heavy Vehicle Route following a number of reports presented to Council for consideration over a number of years.

Visit Council's website for further information, or Contact Council on (02) 6033 8999.

Community meeting details:

Location: Urana Bowling Club.

Date: Thursday 6th June.

Time: 5pm-6pm.

FIREWOOD COLLECTION

Residents in the Federation Council area can apply to obtain a permit to collect firewood from road reserves for home heating during winter.

Firewood collection is limited to 1 April – 30 September each year.

To apply for a permit, residents must complete the application form and show proof that they reside in the Federation Council area (i.e. drivers licence). Applicants must certify on the application that they will abide by the permit conditions and acknowledge that Council is not liable for any injuries to person, or any loss or damage to property arising from the firewood collection activities.

Residents will need to apply for a permit each firewood season (each year).

The permit application fee is $30.00.

Find out more information about firewood collection in this section of the website.

RESPONSIBILITIES OF PET OWNERS

Residents are reminded of the responsibilities of pet owners to ensure the safety of companion animals and the community.

- If your dog is in a public place, it must be under the effective control of a competent person by means of an adequate chain, cord or leash. The exceptions to this are; dog exhibited at a show or engaging in obedience or agility trials or a dog secured in a cage or vehicle or in an approved leash off area.
- If your dog is being excercised in an approved off-leash area, it must always be under effective control of a competent person.
- If your dog defecates in a public place, it is an offence not to remove the faeces.

Microchipping & Registration

Microchipping and registration is a two-part process that requires dog and cat owners to:

1. Have their dog or cat implanted with a microchip from the time they are 12 weeks of age, At point of sale or change of ownership.
2. Register their animals with their NSW local council by 6 months of age.

POP UP CARDMAKING

Federation Council Staff were delighted to see 9 kids get creative and attend the holiday activity.

On Wednesday 17th April Federation Council hosted a pop up card making craft session at the Urana Council Offices for the School holidays.

The day consisted of creating beautiful handmade pop up cards, perfect for Easter and Mothers Day.

Each child left the craft session with a big smile on their face and their very own handmade pop up card! Thank you to all partcipants.

ACTIVITY ADVENTURES AT URANA M.P.S

BIRTHDAYS

We celebrated seven birthdays in February and March so seven residents were given delicious birthday cake complete with candles and singing as well as a cards and present from staff and residents. These morning teas are always a happy affair which family members are welcome to attend and make the day special for each person.

Residents would like to thank Dawn and Kath for making cakes for them and coming up with so many different flavours and icings so that each resident has a different cake. They would also like to thank staff for purchasing presents for them.

CHINESE NEW YEAR

Lorraine and residents did a great job creating our colourful dragon which was places on the wall with out posters and information. Urana Public School students helped with out information and picture gathering and arranging - and perhaps they also learnt a little along the way, particularly as Mrs Dore was able to give a first hand account of

many aspects of China.

On the day our New Year Celebrations, we began with a wonderful presentation by Sara's firend, Pat. Par gave us some great insights into how she (and others) celebrate - one interesting aspect is that they share a meal on New Years Eve and it must contain sticky rice (a symbol of families being bound together) and only basic cleaning up is to be done after the meal (or you will spend the next year cleaning excessively).

We thank Pat for taking the time to put this presentation together in such a clear and logical fashion.

I had prepared fried rice (which was a bit sticky so the Urana MPS family will stick together!) which could be eaten using chopsticks or spoons. Joan was determined to master chopsticks, and did eat a small amount that way! Mel on the other hand enjoyed eating all the rice with them.

After morning tea, which also featured Kath's birthday cake, we had a game of Matching the Chinese Year Symbols. This kept us busy for quite a while as there are 12 symbols.

Another of the Chinese traditions is to give and receive a small red envelope containing money - this symbolises prosperity in the coming year,

not only in terms of money. Sara made these envelopes containing a coin for each resident so we can be assured that everyone will have some "goodness" in the year ahead.

Once again residents have enjoyed doing some different things and learnt about anothe culture.

ACTIVITY ADVENTURES AT URANA M.P.S

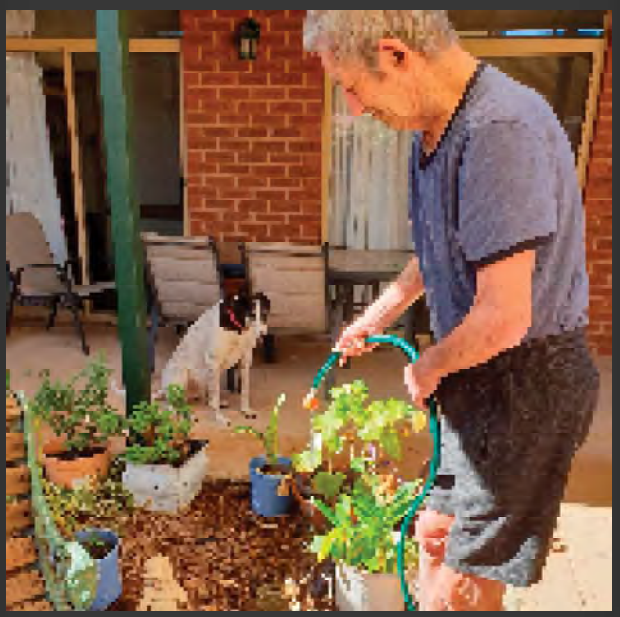
SCHOOL CHILDREN

Continuing with our Aussie culture we have been joined by Urana Public School students again and have continued to use the games that they purchases for us.
The children are so good at partcipating and assisting residents.
The School Captain, Jono, is now up to speed on the layout of Urana MPS and is impressed by the way the residents smile as soon as they see the students.
Mind you, the students also have smiles on their faces.

We look forward to another great year of this continuing partnership.

EMILY IN CHARGE

One morning Colin and I watered the garden - under the watchful eye of Emily. Now that the weather has cooled down we will try to spend some more time outside.



BEANIES FOR BABIES

I was proud to be able to take 70 beanies to the neonatal unit at Wagga Base Hospital. These beanies were knitted and donated by Bev Meriton and comments from Wagga Base

Hospital staff included:
"so many, that is amazing"
"they are so beautiful"
"give Bev a big hug for us"
This photo shows another 16 that were too small for the Wagga unit and they suggested contacting Canberra Hospital which is where the smallest premature babies are sent.

In the past Bev and other residents have distributed knitted garments widely throughout the region providing valuable items where they are needed.

DUCKS IN A LINE

Sara has invented a new game called "Ducks in a line" as I stress to residents, students and staff, this is a game of chance and they should not be disheartened if they don't get any points! Participants are blindfolded, the ducks are numbered and they need to be moved to the front half of the egg carton which has random numbers in each compartment. If the duck and compartment numbers match, then that is the participant's score.

We all love playing the game and it also gives us a taste of not using our sight, something that Philip deals with all the time. Thanks Sara.

ACTIVITY ADVENTURES AT URANA M.P.S

FOOTY TIPPING

We are off and racing in this prestigious competition - think we have more NRL people than AFL people participating, but that is no problem. Round 1 saw a staff member who knows nothing about AFL gain top marks! Once again we have our Marking Team in action and whatever the weekly results, the competition creates a lot of discussion.

This year we will have a monetary 1st and 2nd prize for residents and the same for staff so 2 residents are guaranteed of a win. Naturally there will be a prize for anyone who gets 100% correct in any Round. Staff and residents know, however, that they are in it for fun.

MIND AND BODY

As always we focus on keeping both our minds and bodies active. To improve balance we walk sideways and heel-and-toe down the hallway to the Activities Room. Once seated we drink water (with cordial for those who won't drink plain water) to maintain fluid levels and then we carry on with whatever is happening on the day. Wednesdays have a focus on the mind - so word searches wiriting on photos, colouring, research for our "Urana Booklet", tables quizzes, trivia, quizzes or games. Les and Reyen ended up about equal with "O & X's" wins.

Thursdays have a focus on movement - soccer to music, balloon tennis, target throwing, catching and throwing to name a few.

The days also include patting Emily quite a bit and watching her run in circles out on the lawn. She is so fast. Then she comes back inside for a rest!

ANOTHER GEM

Our resident poet, Joan, has been writing again:

Roosters and Chooks:

Our resident rooster is growing up fast
And he's learnt to crow properly at last.

Now - as soon as he's out and about from his pen
He is WOOING the ladies both human and hen!!
He stretches his wings and throws out his chest
His head goes up and he crows with the best

Look at me he says! Don't I look fine
And thats why he crows at any old time!!
I thought it was because his "clock" was crook
But it's not! He's proud like all male chooks!!!

INTERNATIONAL NURSES DAY

Is on Sunday, 12 May, At Urana MPS we celebrated with a cooked breakfast for staff and residents on Wednesday, 15 May. The residents decided they would like to show their appreciation for all the work the nurses (and other staff as well) do by making a "Thank You" card for each one. The equated to 34 cards featuring something that the staff member is passionate about. Fortunately residents know staff quite well so have had a great time finding pictures of dogs to sunsets and lots of things in between!

Wendy Mallon
Activities Officer

THE URANA SEAGULLS

Urana Seagulls came back to playing pennants, after being in recess in 2018, with a team of 14. Our aim was to make it through the season.

The commitment and dedication by all players saw our team gel together and realise our dream of playing a Grand Final.

Unfortunately, on the day, we were defeated by a strong North Albury team.

Congratulations to our mates at North Albury, and congratulations to Urana Seagulls for your achievement.

A big thank you to our local community for your best wishes and support especially the Billabong Crows and Phil and Emma Jones for the use of your buses and the Urana Bowling Club for setting up and maintaining the greens as well as catering throughout the pennants season.

At the Albury & District Vote Count and Presentation Day, Marco Dodds received the bowler of the Year Award along with Marty Jenkins who was third.

Another great result for Urana boys was Mick Dunnett and Mike Hodges being Albury & District President's Reserves – pairs champions. They will now play at Zone level and we wish them all the best for that. Looking forward to our next great-bowling season – can we go one better and win the Grand Final?

Greg Mallon

NSW GOVERNMENT

Local Land Services

Fox baiting—Travelling stock reserves

Murray Local Land Services will be laying 1080 baits (chicken wingettes/red meat baits/ CPE Units) on the following travelling stock reserves as part of the autumn fox baiting program.

This program is aimed at reducing fox numbers to ensure the survival of livestock, ground nesting birds and wildlife.

Thurrowa TSR—Thurrowa	Mairjimmy TSR—Jerilderie	Boomerang TSR—Coreen
German Yards TSR— Coleambally	Palmer Forest TSR—Jerilderie	Daysdale TSR– Daysdale

Albury & District Grade 7 Grand Final – Urana v North Albury

Urana Seagulls came back to playing pennants, after being in recess in 2018, with a team of 14. Our aim was to make it through the season.

The commitment and dedication by all players saw our team gel together and realise our dream of playing a Grand Final.

Unfortunately, on the day, we were defeated by a strong North Albury team.
Congratulations to our mates at North Albury, and congratulations to Urana Seagulls for your achievement. Greg Mallon
Congratulations to the winner Marco ,and Runner-up Marty in Urana's grade 7 voting.

OUTDOOR STAFF

We are pleased to welcome Stacy Smith to the new casual position of outdoor handy man.
His enthusiasm for the job is most appreciated.

FINANCIAL YEAR END

April 30 marks another year end for our Club with preparation of reports now underway. We will shortly be calling for nominations for the new Board of Directors at the AGM to be held in July.
As I am retiring, the new Board will be required to appoint a Secretary / licensee. Our Club requires dedicated Directors and careful management to remain viable, with the penalty of closure the alternative ! The latter has applied to over 700 NSW Clubs in the last 20 years. **We are not exempt**—If you think you can help , especially with key management , please consider nominating. Cheers Ralph.

CANCER COUNCILS BIGGEST MORNING TEA

On Friday the 3rd of May award winning sugar artist Anita Human of Vintique Cakes was guest speaker for Cancer Council's Biggest Morning Tea at the Urana Community Health.

It was a fantastic turnout and all enjoyed the cakes and savouries made and donated by the community.

Anita demonstrated how to decorate a celebration cake! The morning was enjoyed by all.

The community made an amazing effort and were able to raise $1093 at the morning tea.

A big thank you to all who donated prizes to the raffle for fundraising.

THE RIVERINA, URANA & COROWA HISTORICAL VEHICLE VINTAGE MACHINERY CLUBS INC

IAN SNEDDON TWO RIVERS RUN – CHARITY EVENT 19th-25th May 2019

After the success of the 2014 & 2017 Two Rivers Run Tractor Trek between the Murrumbidgee & Murray Rivers which included $8500 donation towards the Prostate Foundation of Australia and Beyond Blue, we are inspired to do it again.
In 2016 at the National Tractor Trek in Narrandera we raised a further $8000.

Sadly, Ian was diagnosed with Motor Neuron Disease (MND) and the organising committee decided that the event will be focused on fundraising for MND research. Tragically Ian passed away on 2nd April 2019 before seeing the results of his efforts in organising the event for this year.

Please consider your sponsorship or donation in dealing with a community need to assist many around us who suffer on many occasions in silence but deserve our much needed care.
Your contribution will be recognised in our promotional material and discussion throughout the event.
Thanking you.

ANZAC DAY SERVICES 2019

Anzac Day is inclusive of all the community from dawn services held at the Corowa and Howlong Cenotaph to march's and services featuring local school children, Defence Force personnel, returned servicemen and women from across the Federation Council region.

This year's services were held at Mulwala, Morundah, Howlong, Corowa, Urana, Oaklands, Rand and Boree Creek with strong representation at each service.

Federation Council would like to thank community groups who each year come together to host Anzac services in their respective areas. Lest We Forget.

COURT HOUSE NEWS

What a difference a new roof can make!!!
We are very proud of this project, which was funded by a success grant from NSW Government Regional Cultural Fund.
We would like to thank council staff, our volunteers and all that helped to make this happen. A special mention must go out to
Rodney Anderson for his continued help and support in all our projects, without such support these projects would not be possible.

COMING UP

We have plans underway for an exciting new display, unique to Urana. ~ Watch this space for more developments.

Volunteers are at the Court House on Tuesdays from 9.30am - 12 Noon and other times by arrangement, either at Council office or by phoning ~ 0400 208 162 or 0419 178 585.
Please feel free to call in anytime!

URANA BIRD SALE & PLANT SALE

The annual Bird sale will be held on SUNDAY 28th JULY 2019 at the Urana Memorial Hall.
This year the monster plant sale will also be held along side the hall on the Sunday.
For any orders of plants that wish to be placed before the sale, please contact Donna on 0439610184.

ST FRANCIS XAVIER'S SCHOOL URANA

Think, Speak and act like christ

Greetings!
Thank you to everyone who attended the ANZAC Day commemorations in the holidays. We had a great day to march and the whole occasion was a fitting tribute to those who served and continue to serve our country. All of the students did a wonderful job representing our school. A special congratulations must go to Angus and Archie for addressing those gathered during the official ceremony, and also to Josie for singing two numbers in front of the larger crowd. Well done!
In Week 3, we held our Mother's Day liturgy and afternoon tea. A big thank you to everyone who was able to come. It was a fantastic way to acknowledge the contribution of all the wonderful women in our community.

In Week 4, the school travelled to Oaklands Public School to spend some time with author Bernard Caleo. Thank you to the Federation Council for initiating this visit, to Oaklands Public School for hosting and to those who assisted us with transport.
We were all very excited to begin our participation in the Blue Earth initiative at the start of this term. The program has been brought to us through the generosity of Catholic Education Diocese of Wagga Wagga. The following excerpt from the Blue Earth website gives a brief overview of the purpose of the program.
Bluearth takes an approach to active living that goes beyond traditional sport and education models.

We care less about competition, and more about positive participation experiences that develop skills and motivation to embed lifelong healthy habits for Aussie kids to play, jump, run and generally be more active. This is key to reversing the predicted dire health outcomes and to improving educational outcomes.
Our work is honed through the expertise of a team of internationally recognised experts in human movement and sports sciences.
Almost 20 years of work has resulted in health, social and behavioural benefits for kids who have participated in Bluearth programs.
Bluearth has brought the joy and power of movement to more than 375,000 students in 1,170 schools around Australia.
(https://www.bluearth.org/about-bluearth/)
Transition @ SFXU
This year at St. Francis Xavier's Primary School Urana we are pleased to offer our transition to school program once again. Please join us for play based discovery! Sessions will be run by teacher/s and are FREE to all 4-5 year old children who are going, or potentially going, to school in 2020.

The sessions will begin later in the year and during these sessions, activities will be provided to develop gross and fine motor skills and will be fun and engaging for all.
Experiences throughout the year will include:

- Story Time - reading a wide variety of books encourages children to listen, interact and respond to stories.
- Number Play - counting, sorting and ordering objects. Playing simple games. Manipulating objects and shapes.
- Music Time - singing songs, rhyme and rhythm.
- Creative and Visual Arts - painting, drawing, pasting, cutting, dancing and more.
- Playtime - physical, creative, symbolic, role and dramatic play and games with rules for children to experience in a group environment with their peers.

The Transition @ SFXU group is a free transition to school program open to children aged from 4 years. If you have any questions or would like to register your interest, please call (02) 6920 8051. Registering your interest will be required as we need some basic information to ensure a safe and supportive environment for you and your child. (EOI Close Friday 28th June)

Urana Public School

personalized, innovative education in a safe and supportive environment

TERM 1 NEWS

UPS participated in the Clean Up Australia 2019 campaign! Students and staff donned some gloves, picked up a bag and walked several blocks surrounding the school to pick up rubbish. The streets proved cleaner than the drains and lanes and this small group of students gathered a mountain of assorted rubbish! By far the greatest percentage of litter consisted of soft drink cans and alcohol cans and bottles!

Many years ago Ian Kiernan OA visited Urana Central School to present the school with a grant to support the schools work in recycling. Ian Kiernan was the founder of the Clean Up Australia campaign, sadly he passed away in 2018. We decided to participate in this years campaign in his honour.

Schools Clean Up Day 2019

Chaplaincy is alive an well at UPS, the wellbeing of our students is very important, the foundation of who we are as a school! We welcome Jono Wright to UPS – instantly likeable, setting about building strong relationships and becoming an important person in the lives of our young people.

Our students have been rewarded for their efforts so far this year— taking great learning strides in the classroom, representing their school with pride and taking part in worthy community engagement activities! Well done to all!

Urana Public School

personalized, innovative education in a safe and supportive environment

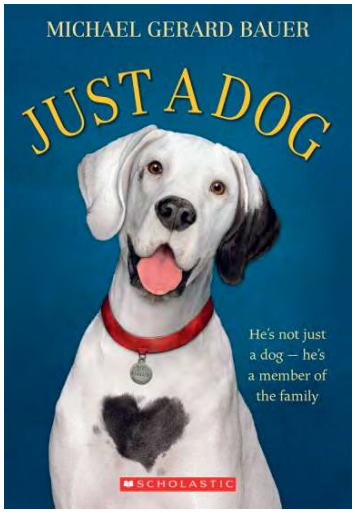
TERM 2 NEWS

Hello to the Urana community! I am very happy to have accepted the Relieving Principal's position at Urana Public School and have thoroughly enjoyed my first week with the hardworking students and dedicated staff. My substantive position is Assistant Principal at Parkview Public School in Leeton, which I commenced in 2014. Prior to moving to Leeton, I enjoyed the permanent Principal role at Marra Creek Public school, which is 100kms north of Nyngan. So I know all about geographical isolation; Urana is a metropolis compared to "The Marra"! My roots are actually in the southern Riverina, having grown up in Finley and then starting my teaching career in Deniliquin and working as a casual teacher. I look forward to assisting the students with their learning and watching them grow and thrive. My mission is to ensure that they continue to be engaged with a range of activities, both inside and outside of the classroom. The staff, parents/guardians and the children have made me feel very welcome at the school and I look forward to catching up with the remainder of parents in the coming weeks. We will be having an end of term assembly to showcase what the children have learned; it will be lovely to see you there!

This term we are involved in the Books in homes program and we got to choose 3 books each to take home. We started new maths games and look forward to the term ahead.

This Term we began our studies on the weather and natural disasters. We welcomed our new Principal, Mrs Houldsworth and we started learning to sing a song called "Have you ever seen the rain". Years 4,5 and 6 visited the residents of the nursing home and we started DRUMBEAT with Jono. We enjoyed rumbling on those drums and it sounded like a storm!

Mrs Houldsworth started reading a class novel "Just a Dog" and Years 4,5, and 6 began their group reading tasks.



Anita Houldsworth Relieving Principal UPS

RIVERINA WATER
Media Release

RIVERINA WATER CUSTOMERS SATISFIED WITH SERVICE AND WATER QUALITY

Results of Riverina Water's Community Satisfaction Survey 2019 show Customers are generally happy with service delivery and water quality.

The survey was conducted by a third-party organisation in early 2019 by telephone and online via social media to assess community satisfaction with Riverina Water's overall performance.

Riverina Water General Manager Andrew Crakanthorp said the results are great and he thanked more than nearly 700 customers who provided feedback over a two-week period.

"The survey shows that vast majority of respondents who dealt with out organisation ove the past year expressed high level of satisfication with their experience,' he said. 'These insights help us plan for the future and we thank everyone who had their say."

Twenty-six percent of survey respondents contacted Riverina within one year of the survey, with 89 per cent satisfied at how their enquiry was handled.

In comparison, 2018 results show 15.1 percent of respondents contacted Riverina Water within one year of the survey with a satisfaction rate of 82.4 percent.

Mr Crakanthorp said the survey is a critical litmus test which not only tracks customer satisfication with the organisation's performance, but also identifies areas for improvement.

"Our customers are at the centre of everything we do, so it's paramount we understand their needs and wants."

"Doing so means we can continue to serve customers in the most appropriate ways and importantly identify areas for improvement and change to underpin ongoing satisfication," he said.

Areas for improvement include further awareness of water conservation, fixed sprinkler bans and stepped tariffs.

Mr Crakanthorp said the organisation will investigate new ways to engage with customers via email off the back of the survey results.

Email is currently an underutilised method of communication based on its usage (14 percent) compared to preference (30 percent).

Key findings - satisfaction with service delivery and water quality:

- Satisfaction will service delivery is 4.4 out of 5
- Satisfaction with water quality is 3.9 out of 5
- In relation to service delivery, respondents were more satisfied with reliablility
- In relation to water quality, respondents were more satisfied with clarity of water
- 36 percent of respondents made a complaint
- The most common complaints were reporting broken pipes and pressure/flow interruptions
- Most complaints were solved on the same day

NSW HEALTH
Media Release

MLHD RESIDENTS REMINDED TO GET THEIR FLU SHOT

The Murrumbidgee Local Health District community is being reminded to get their flu vaccine with the launch of the 2019 flu campaign today.

"With more than 9,600 confirmed influenza cases in NSW already this year, people should call ahead to their GP or get their flu jabs," Director Public Health Tracey Oakman said.

"One million flu vaccines have now been delivered across the State."

Pregnant women, young children and the elderly will be a major focus of this year's flu campaign,.

Free flu vaccines are available for pregnant women, Aboriginal people, those ages over 65, and anyone with medical conditions such as asthma, diabetes and heart disease.

Hospitalisation rates for Influenza are highest in young children with recent national figures showing about 100 per 100,000 in those ages 6 to 23 months.

Mrs Oakman outlines the importance of the vaccine to the community.

"While we might all take flu for granted as a common winter disease, it can be deadly" she said.

"In 2017, we had a significant flu season where more than 650 people died across the state"

"We can not afford to be complacent."

The NSW Government has invested about $130 million in the 2018-19 Immunisation Program budget, including Commonwealth and state vaccines.

Free flu vaccines for children aged from six months to under 5 years of age are being provided under the NSW Government's 2.6 million prohram.

In addition to booking a flu shot, people are reminded that to help reduce the spread of the flu, sneeze into the elbow, wash your hands regularly and stay home if sick.

COLOURS

Colours can make you look terrific or terrible

FREE Colour therapy seminar at Lockhart Ex-services Club - what to wear and how to look fantastic - Fri 21st June

UPDATE FROM THE URANA UNITED HOSPITAL AUXILIARIES

The Urana Branch of the Hospital Auxiliary have been working hard since the mid 1940's to raise funds for and support the Urana MPS and to help provide essential equipment for the care and comfort of the patients and residents of the MPS and Colombo Lodge. Our annual Fete was a huge success and all the funds raised go directly to benefit the MPS. Pictured below are 3 of our larger purchases for the MPS in the last few months. A new trolley/bed for the Emergency room. This essential piece of equipment cost in excess of $11,000 and has been put to very good use. The auxiliary also, this year donated a recliner lift chair which is being used in the activities room at Colombo Lodge. It has a nice spot in front of the large window, the odd resident already been seen catching a quick nap in the sun in this comfy chair, the remote control enabling ease of use and getting out of. Also the Comfort chair has been a great addition to the facility. This chair is primarily used for the comfort and and mobility of those residents that are essentially confined to bed. It enables them to be moved about in comfort to take part in activities or even just a change of scenery. Recently the chair made it possible for one of the residents o attend the funeral of their partner that had passed away. A staff member (with the help of a Valmar van) was able to transport them to the service with ease and the resident was able to travel in complete safety and comfort to say farewell to their loved one and be with family. These cost around $7,000, but to see the benefit and comfort these items bring make it well worth it. The auxiliary also helps with smaller donations of a variety kinds all around the MPS. In March 2019 the Urana Branch held the United Hospital Auxiliaries Regional Conference. It was held at the Urana Bowling club and a great day was had by all that attended, which included the State President of UHA and our regional representative, as well as UHA members from all over the region. Urana as usual punching above its weight on the day, with guest speakers providing a fascinating insight into their occupations and personal journeys. A big thankyou to all those that helped out on the day. The Urana Hospital Auxiliary meets ever second month, see calender of events for information. *Branch President Kim Pawson 041145669. Secretary Kath Dore 0429208123*

Do you know someone in your community with

AN ENDURING MENTAL ILLNESS

that could benefit from some coordinated support?

Partners in Recovery {PIR} aims to better support people with severe and persistent mental illness and their carers and families by getting services and supports to work in a more collaborative, coordinated and integrated way, for systemic change.

Support Facilitators assist participants to identify their hopes, dreams and priorities and facilitate the coordination of services and supports needed to meet those priorities.
Importantly, Hume PIR will identify where there are systems issues and barriers and lead in the development of systems change.
