

FEDERATION COUNCIL CELEBRATES LOCAL GOVERNMENT WEEK

On Thursday 16 August, at Victoria Park in Urana, Schools of Federation Council will be celebrating Local Government Week.

This year's theme The Power of Community, is a great opportunity to explore all the ways that your Council is part of your community. Held from 30 July to 5 August, Local Government Week provides us with the opportunity to highlight all the important services that Council provides by involving the community in fun and informative events.

This year, Council will be hosting a competition for all primary and preschool students in the Federation Council area.

The Pre-school competition involves:

Theme: Big Things Small Hands Do
Design an artwork that shows even a small person can make a big difference in the lives of their friends, family, and community. Students can use any type of media such as drawing, painting, sculpture or clay, working with paper and printmaking.

The Primary School competition comprises in two different sections:

Theme: Look Where We Live (Junior Students - Kinder to Year 3) are invited to create a picture and write a short story that describes the

different parts that form your community and the different roles people play to make a community strong.

Theme: It Takes a Village (Senior students - Year 4 to Year 6) are invited to submit a creative writing piece that includes the words 'It takes a village.' If you were the Mayor for the day what would you do to make a difference in your community and how would you inspire your community to come together and work on the project.

COUNCIL LAUNCHES INTRAMAPS

Council has launched a handy mapping tool known as IntraMaps on its website.

IntraMaps is user friendly online information portal containing interactive mapping, spatial and business data for the general public.

Residents can now access interactive maps, details about services and facilities, planning and zoning information, parcels, underground assets, aerial imagery and explore local topographical information. Search and query functions are also available.

Cemeteries will be another feature available to virtually discover in the near future.

Residents are being encouraged to access this really useful tool from Council's corporate website www.federationcouncil.nsw.gov.au/Community/Intramaps

COROWA SKATE PARK UPGRADE SURVEY

The Corowa Skate Park Upgrade Project is an exciting opportunity for the improvement of the existing facility for the benefit of Corowa Youth and the wider community.

Council is inviting the community to complete a survey to assist with informing the upgrade. Your feedback is valuable, so if you are a skater, parent or supporter please complete the survey.

Visit Council's website to have your say on the future development.

WATER MAIN CLEANING

Federation Council is soon to commence water main cleaning in the township of Corowa in August.

The air scouring process will take approximately 10 to 14 days to complete and customers will receive a letter informing them of dates and times their water supply will be affected.

During the cleaning process customers may encounter dirty or discoloured water over the 7 to 10 days. Due to the ongoing commitment by Council to maintain a quality water supply for our townships, water mains are cleaned on an annual basis.

For further information, contact Council on (02) 6033 8999.

WANTED SECOND-HAND UP-RIGHT PIANOS

The Federation Youth Council is seeking old second-hand up-right pianos in good condition for a community art project. Keys and pedals must work. Piano stools are also required.

If you have one for sale or would like to donate please contact Amber at Council on (02) 6033 8974.
