

EXPRESSION OF INTEREST – OLD COROWA RSL PARK PLAY EQUIPMENT

Federation Council is seeking expressions of interest from community groups, organisations, schools or businesses interested in acquiring the playground equipment that was removed from RSL Park in Corowa.

The equipment has been replaced with a new play space that better meets the needs of the community and caters for a wider range of ages and abilities.

Although aged, the old equipment is still in a suitable condition and this opportunity may present a cost effective solution for a community group, organisation, school or business.

Further information, including an information document is available on Council's website or by contacting **(02) 6033 8958** or kendall.reid@federationcouncil.nsw.gov.au

Written submissions close at 5pm, Friday 21 September.

Mail: General Manager, Federation Council - 100 Edward Street, Corowa NSW 2646 (PO Box 77)

Email: council@federationcouncil.nsw.gov.au

COMMUNITY RECYCLING CENTRES - COROWA & URANA

Federation Council and NSW EPA have recently opened two Community Recycling Centres (CRC's) in the region in Corowa and Urana. The CRC's are located at the Corowa Depot in Poseidon Road and Urana Waste Disposal Centre on Boree Creek Road.

To help increase community awareness and use of the Community Recycling Centre, we would love to know more about your current knowledge, attitudes and behaviours regarding household problem waste.

We would like to find out how you have used the CRCs, your experience and how you heard about the CRC in your Council.

To collect this information, residents are being asked to complete a short survey <https://www.surveymonkey.com/r/FederationCRC>

By providing your email address you can go in the draw to win a Corowa IGA voucher. Winners will be chosen at random using a random number generator from the list of respondents that have 'opted in' to the draw.

The survey is open until Monday 1 October 2018, winners will be notified shortly after.

Visit Council's website for further information.
