Explore and celebrate the rich history and beautiful buildings around the region.

EXPRESSION OF INTEREST – OLD COROWA RSL PARK PLAY EQUIPMENT

Federation Council is seeking expressions of interest from community groups, organisations, schools or businesses interested in acquiring the playground equipment that was removed from RSL Park in Corowa.

The equipment has been replaced with a new play space that better meets the needs of the community and caters for a wider range of ages and abilities.

Although aged, the old equipment is still in a suitable condition and this opportunity may present a cost effective solution for a community group, organisation, school or business.

Further information, including an information document is available on Council's website or by contacting **(02) 6033 8958** or kendall.reid@federationcouncil.nsw.gov.au

Written submissions close at 5pm, Friday 21 September.

Mail: General Manager, Federation Council - 100 Edward Street, Corowa NSW 2646 (PO Box 77)

COUNCIL INTRODUCES ONLINE RATES PAYMENTS

Ratepayers can skip the queue to pay their rates and water accounts this year as Council has introduced yet another payment option through its corporate website.

Ratepayers can now visit Council's website and pay their rates and water account via BPOINT.

It is easy to make a payment. Ratepayers simply have to choose their biller code and enter their customer reference number and this will pull up details of their payment. This new service gives our ratepayers the option of paying in the comfort of their own home and it will also allow ratepayers living overseas to make payments easily.

Council hopes residents will make use of the new online payment service on the Council website.

This move to offer rates payment on the Council website is just one of the list of improvements planned for Council's online services.

Council is progressively working towards enabling residents to make further payments and request for services online as we know that being able to pay for Council services online is convenient for residents and over time will produce cost-saving efficiencies for Council.

Visit Council's website to make an online payment today.
