## HAWKINS STREET HOWLONG DISABLED PARKING

Council is proposing to relocate the disabled parking in Hawkins Street, Howlong from outside the Hume Bank to outside the IGA supermarket.

The current disabled parking bay is non-compliant as it poses safety issues especially for residents and visitors in wheelchairs or wheelie walkers as they are required to manoeuvre onto the road in order to access the kerb blister to get to the footpath.

Features of this proposed relocation are:

- Install a 45 degree angle parking disabled parking space in front of IGA.
- Relocate existing bench seat to the front of the bakery.
- Install a pram / kerb ramp where existing bench seat is currently located.
- Line-mark a disabled parking space (including bollard) to the immediate western side of the disabled parking space to allow safe access to / from vehicle.
- Black out the old parallel disabled parking line-marking .

Council is inviting the community to provide feedback on this proposal by 5pm Friday 28 February, 2020.

Further information is available from Council's website.

## MOBILE SERVICE NSW TO VISIT MULWALA

The mobile Service NSW centre will be visiting Mulwala on Tuesday 25 February 2020, 10am - 4pm at ClubMулwala.

The Mobile Service Centre regularly visits Council's rural areas to personally deliver access to essential NSW Government services, including:

- Driver licence, photo card applications and renewals.
- Driver Knowledge Tests.
- Working With Children Check applications.
- Applying for birth, death and marriage certificates.
- Cost of Living service to access more than 40 government rebates and saving

## BINDII EYE WEED TREATMENT

Council staff and contractors are currently treating weeds commonly known as Bindii Eye in Corowa, Howlong and Mulwala.

This is the second round of treatment in the last 3 weeks using a Broadleaf herbicide.

Council thanks residents for their patience whilst treatment is underway and for reporting weed locations.

Please contact Council with any questions.

## BLUE-GREEN ALGAE WARNING FOR LAKE MULWALA

WaterNSW has issued a blue-green algae (BGA) alert for Yarrowonga Weir at Lake Mulwala.

Residents and visitors are advised to avoid direct contact with water in Yarrowonga Weir/Lake Mulwala after high levels of blue-green algae have been detected.

Warning signs are being positioned at key recreational areas and will remain in place while high levels of blue-green algae are present.

It is recommended that alternative supplies for stock drinking water be used. Stock and pets should be kept away from the water.

Federation Council Water Treatment plants in Corowa, Howlong and Mulwala are treating water in accordance with Australian Drinking Water Guidelines and water remains safe for drinking, cooking and bathing.

All unaffected waterways are safe for recreational use including swimming, water skiing and fishing.
