NATIONAL VOLUNTEER WEEK

To celebrate National Volunteers Week this year, Council is sharing the many beautiful, encouraging and heart warming stories that have been shared with us as part of the Community Champions: Changing Communities | Changing Lives initiative.

The initiative not only recognises our volunteers but individuals, neighbours and community groups who have shown compassion, kindness and a helping hand to people in their communities during times of need.

Council will continue to recognise the contribution Community Champions make and will be celebrating all together with the nominees once we are able to in person.

Council wishes to thank all community members who took the time to nominate their towns community champion and of course thank each of the nominees.

We invite you to read each of the community champions stories available from Council's website.
