## OUR COMMUNITY MOVEMENT

In the midst of the global novel coronavirus (COVID-19) pandemic, where uncertainty can strike at the core of our everyday lives, Federation Council is encouraging all residents to look out for their neighbours - particularly those who are most vulnerable - and show that community spirit and resilience for which our Federation residents are renowned for.

This week, Council will begin an online digital campaign on its corporate Facebook page and website that will deliver weekly tips and messages of encouragement to Federation Council residents to help combat social isolation, loneliness and community disconnection.

Like many acts of kindness starting to emerge online by other Council's and organisations, Council officers have developed a free postcard that can be downloaded from Council's website. Residents can print out the postcard and pop it in their neighbour's mailbox using good hand hygiene or screenshot and send to their neighbours electronically.

Anyone is welcome to use this and Council urges residents, businesses, community organisations and other Council's to share it with their communities. Participants are also encouraged to share their community spirit on social media by using the hashtag #ourcommunitymovement
