# 2020

Find out more below!

### HAWKINS STREET HOWLONG DISABLED PARKING

Council is proposing to relocate the disabled parking in Hawkins Street, Howlong from outside the Hume Bank to outside the IGA supermarket, due to safety issues at the current location.

Features of this proposed relocation are:

- Install a 45 degree angle parking disabled parking space in front of IGA.
- Relocate existing bench seat to the front of the bakery.
- Install a pram / kerb ramp where existing bench seat is currently located.
- Line-mark a disabled parking space (including bollard) to the immediate western side of the disabled parking space to allow safe access to / from vehicle.
- Black out the old parallel disabled parking line-marking.

Council is inviting the community to provide feedback on this proposal by 5pm Friday 28 February, 2020. Further information is available from Council's website.

### EMERGENCY MANAGEMENT

Council is aware that some community members are concerned about the ongoing bushfire situation and seeking information about the process that Council will follow if an emergency event was to occur in our region.

Whilst it is important that we assist and support our community, in an emergency event, a coordinated response is led by the relevant emergency agencies such as the Rural Fire Service, State Emergency Service and Police.

In the event of a bushfire or another emergency event, Council's role is to provide support and resources and take direction through an incident control centre.

If required, the incident control centre determines when and where relief / evacuation centres are established. Once this happens, a multi-agency effort will swing into action and appropriate resources deployed.

We want to take this opportunity to thank the volunteers who have been fighting the bushfires and our community for its support and generosity during the past few weeks.

To assist residents and visitors, we have put together a central resource which outlines Council's Emergency Management process, bushfire evacuee assistance along with links to Federal and State Government information. This information is available from Council's website.

### WATER QUALITY AND CONSERVATION MEASURES

Federation Council wishes to advise that the water quality in the Murray River may change over the coming weeks due to bushfire contaminants and run off from forecast rainfall.

Significant rainfall events following bushfires can create extreme water quality issues due to erosion and contaminants coming from ash, fire retardant usage and erosion run-off into the river system.

Council is requesting residents to be mindful that supply and water pressure during peak periods (10am - 5pm) may be impacted due to the quality of available source water from the river off takes.

To ensure continued reliability of the water supply, residents located in Corowa, Howlong and Mulwala are asked to review their daily water usage and implement water saving measures.

Find out more from Council's website.

### NOTICE OF PROPOSED DEVELOPMENT APPLICATIONS

In accordance with Council's Public Notification Policy regarding Development Applications, the following are hereby listed for public comment. Plans relating to these proposals may be inspected in Council's Planning Department during normal working hours.

DA NO.	ADDRESS	ZONING	PROPOSED WORK

### POSITION VACANT

Federation Council is committed to being a quality Council with a strong focus on the delivery of services that continually meet community expectations. Discover what job opportunities Federation Council has for you!

- **Early Childhood Educators - Casual - Mobile Preschool**
- A more detailed advertisement and position description can be obtained from Council's website [www.federationcouncil.nsw.gov.au](http://www.federationcouncil.nsw.gov.au), emailing [jobs@federationcouncil.nsw.gov.au](mailto:jobs@federationcouncil.nsw.gov.au) or by phone on (02) 6033 8999.

### EXPRESSIONS OF INTEREST (EOI) FOR LAND REZONING

Council is seeking Expressions of Interest (EOI's) from property owners and or developers seeking to undertake residential or commercial development on land where it is currently not permitted under current zoning rules. This could be the development of existing rural land, or the upzoning of urban land for more intensive development. Priorities for site development include those that will encourage new dwellings, economic development, job creation and contribute to the future sustainable growth of Federation.

EOI Submissions close Friday 7 February 2020 at 4:30pm. The EOI process will be managed by consultant's GHD on behalf of Council.

To submit an EOI or find out further information:  
Phone: 1800 810 680 (free call),  
Email: [community.input@ghd.com](mailto:community.input@ghd.com),  
In writing to: PO Box 77, Corowa, NSW, 2646, or visit Council's website.

### POLICY ON EXHIBITION

Council has reviewed and endorsed the draft Commercial Use of Footpaths and Roads Policy & Procedure. Council is inviting the community to review the draft policy and procedure and provide any feedback by 5pm Wednesday 5 February, 2020.

The draft policy and procedure is available for viewing at any Council Office or downloading from Council's website. Anyone interested in providing feedback on the documents should do so in writing, addressed to the General Manager, PO Box 77, Corowa NSW 2646 or email to [council@federationcouncil.nsw.gov.au](mailto:council@federationcouncil.nsw.gov.au)

### JOIN A BOOK CLUB

Do you have a love of books? Are you interested in meeting with others to talk about books and share the enjoyment of reading.

Then the Book Club program is for you!

Contact your local library to register and find out more from Council's website.
