DISABILITY INCLUSION AND ACCESS PLAN - SURVEY EXTENDED

Federation Council is conducting an important survey that will inform the development of its Disability Inclusion and Access Plan.

The plan will be invaluable in helping to ensure that communities are inclusive and accessible for those with a disability who live, work in or visit the Federation Council area. It will consider a range of issues and barriers such as access to information, services, buildings and facilities. Council is encouraging the wider community to take part in the survey and has extended the survey closing date until Friday 17 March. The survey is available on Council's website.

3D PRINTER TASTER

Are you curious about 3D printing? Technology can be really fascinating, and printing three dimensional objects from digital models has so many exciting possibilities. From printing replacement machine parts, to prosthetic limbs, 3D printers are being used in lots of industries, and in libraries!

Come and see what practical, useful and fun things can be printed. If you have a design you would like printed, bring along the STL file on a thumb drive and we'll give it a go!

FUN PARK PROPOSAL

Federation Council has received a request to lease land within the Ball Park Precinct in Corowa known as the old Tractor Pull area adjacent to the Lawn Tennis Club (Part of 2 Riesling Street Corowa).

The intention of the group is to establish a Fun Park at this location which would include water slides. The land is currently maintained by Council as public open space and is a dog off-leash area.

As this is land classified community land, the Local Government Act stipulates a number of requirements that would need to be met to allow this land to be considered for a lease by a business.

Council is seeking to establish the views of the community in relation to leasing this section of land to a private business for the purposes outlined. Any interested person may inspect this proposal and draft plans at the Corowa Civic Centre, 100 Edward Street, Corowa from Wednesday, 1 March 2017 to Wednesday, 22 March 2017 between the hours of 8.30 am and 5:00pm Monday to Friday.

Submissions received will form part of a report to Council which is intended to be a public document. Should you not wish any personal details or your submission to be publicly released, please advise this in your submission. Please note that a development application has not been submitted so Council has not yet made any planning assessment of the proposal, this will be a required process.

Submissions in relation to this current consultation are not allowed to form part of any planning submissions received when the development application is formally exhibited once lodged, so writers are advised they will need to resubmit if they wish to make submissions on the planning assessment of this proposal.
