NOTICE OF PROPOSED

DEVELOPMENT APPLICATIONS

In accordance with Council's Public Notification Policy regarding Development Applications, the following are hereby listed for public comment. Plans relating to these proposals are available for review from Council's website www.federationcouncil.nsw.gov.au

DA NO.	ADDRESS	ZONING	PROPOSED WORK
2022/694	4-16 Melbourne Street, Mulwala	R1 General Residential	Two Storey Additions
2022/716	267 Adams Street, South Corowa	4 lot Subdivision	R2 Low Density Residential

Any persons may make a submission on the proposal within a period of fourteen (14) days from the date of this notification.

Persons making a submission are required to comply with Section 147(5) of the Environmental Planning Assessment Act (Political Donations & Gifts Disclosure Statement). Forms are available from Council's administrative offices.

Federation Council advises that there are significant delays to all applications being lodged for each stage of the development process. Staff shortages, in conjunction with the increasing complexity of the NSW Planning Portal Processes required to be undertaken by Council has seen pre-lodgement assessment times increasing to 6-8 weeks and average determination times taking between 10-12 weeks.

We ask you for your cooperation as Council officers concentrate on clearing the backlog of applications while maintaining all other legislated services.

No more guessing, download the 2023 kerbside bin collection calendar from our website or collect one from Council offices in Corowa, Howlong and Mulwala.

Some Helpful Tips:

- Be mindful not to overload the bins – maximum weight is 80kg.
- Place bin close to the kerb with the handle facing toward your property.
- Place your bin out the night before your collection day or by 6am on the morning of collection.
- Keep clear of overhanging branches and power lines.
- Please leave at least one metre between bins and other objects, including fences and vehicles.

MELBOURNE STREET PARKING - HAVE YOUR SAY!

Federation Council is currently reviewing parking options on the Western/Commercial side of Melbourne Street, Mulwala between Dunmore Street and Inglis Street.

This review is considering the option of introducing timed parking to encourage an active turnover of available street parking, thus ensuring customers of each business are able to access the business/es they wish to shop at. As you would be aware, a car park exists at the rear of this commercial strip and we would appreciate it if you could discuss with both your staff and any customers likely to be visiting your business for longer than one hour, to utilise this car park, in the interests of all businesses.

Parking regulations are subject to Council's resources to enforce them and we do have some challenges in that area. Hence, we are looking to partner with local businesses to seek your co-operation to encourage optimum utilisation of available parking at the rear of the business precinct, in conjunction with consideration of timed parking on Melbourne Street.

To provide your views to Council on this matter, please provide a written submission to Council via post or email. Submissions can be posted to Federation Council, at PO Box 77, Corowa NSW 2646 or emailed to

council@federationcouncil.nsw.gov.au

Written submissions can be addressed to the General Manager and will be received up until **5pm, Monday 20 February, 2023.**

Once the submission period is complete, Council will consider all duly made submissions to inform the option of introducing timed parking to Melbourne Street.

Thank you in advance for taking the time to engage with Federation Council.
