Federation Council wishes to advise that road works will commence on the intersection of Kennedy and Holbeach Streets Howlong from Wednesday 13 January until mid-February 2021.

This work will address the poor condition of the pavement of the intersection and is being funded by the Local Roads Capital Infrastructure Grant.

The intersection will be closed for periods to allow excavation works but access will be available at night.

Normal working hours for this construction activity will be Monday to Friday, from 7:00am - 5:00pm. When travelling through the construction site please be aware of the road crews, equipment and potential traffic delays during the construction.

Motorists are requested to pay attention to traffic control signs including reductions in the speed limit. Alternative parking is recommended during these hours; please refrain from parking out the front of your residence whilst the bulk earthworks are being undertaken. Residents will be able to gain access to their properties at night.
