### AUSTRALIA DAY COMMUNITY CELEBRATION

Residents and visitors are invited to join Federation Council at this year's Australia Day Celebration at the Urana Aquatic Centre on **Tuesday 26 January 2021**.

The event will kick off at 9:00am with official proceedings including Presentation of Federation Council's Australia Day Awards, Ambassador Address, Citizenship Ceremony, School Achiever Awards and Light Up Federation Winners.

For Covid safety reasons and in line with NSW Health restrictions guests wishing to attend the Australia event need to pre-register via Council's website.

If you do not have access to the internet please head to your closest Council Office or Library to pre-register.

Please ensure you have your event ticket with you for check in purposes on the day of the event. Electronic device tickets are preferred. Council offices are able to print hard copies of your ticket if you are unable to do so or unable to bring an electronic device.

For the safety of the community, if you have not pre-registered you will be unable to enter the event grounds.

Council wishes to advise all community members planning on attending this Australia Day event, if you are feeling unwell or have any flu like symptoms to please not attend.

This is a free Covid safe event.

### FIREWORKS NOTIFICATION AND YOUR PETS

As part of the Federation Festival event and to celebrate Australia Day, the Corowa Rotary Club has coordinated fireworks to fill the sky at 9.30pm, Saturday 23 January, 2021 at the Corowa RSL Park.

A safety exclusion zone covering the fenced area around the fireworks will be in place during the course of the display. Please note that people or animals are not permitted in this area for safety reasons.

This is a COVID Safe event and the Corowa Rotary Club recommend taking your own chair and or picnic rug as guests will need to remain seated as much as possible. A COVID check in will need to be completed upon entry.

There are lots of great vantage points around Corowa for residents and visitors to enjoy the fireworks. Federation Council wishes to remind visitors and residents that all parks in the Council area are glass free zones.

Fireworks can be frightening for dogs, cats and other animals as they are loud and unfamiliar. To assist owners, Council has prepared a list of helpful tips for pet owners which can be downloaded from Council's website.

If you have lost or found an animal in the Federation Council area, please contact Council of **P: 02 6033 8999** or **P: 1800 110 088** (after hours).

### ROAD WORKS KENNEDY & HOLBEACH STREETS INTERSECTION HOWLONG

Federation Council wishes to advise that road works will commence on the intersection of Kennedy and Holbeach Streets Howlong from Wednesday 13 January until mid-February 2021.

This work will address the poor condition of the pavement of the intersection and is being funded by the Local Roads Capital Infrastructure Grant.

The intersection will be closed for periods to allow excavation works but access will be available at night.

Normal working hours for this construction activity will be Monday to Friday, from 7:00am- 5:00pm. When travelling through the construction site please be aware of the road crews, equipment and potential traffic delays during the construction.

Motorists are requested to pay attention to traffic control signs including reductions in the speed limit. Alternative parking is recommended during these hours; please refrain from parking out the front of your residence whilst the bulk earthworks are being undertaken. Residents will be able to gain access to their properties at night.

Please note that all road work is dependent on the weather conditions.

### MULWALA WASTE SERVICES

Federation Council wishes to advise that the additional skip bins made available at the Mulwala Transfer Station will be removed earlier than previously communicated.

The purpose of this additional waste service was to manage the domestic household waste (waste normally disposed of in a yellow, red or green kerbside bin) generated over the Christmas and New Year period by the influx of visitors to the town.

Due to the Victorian Government Covid travel restrictions, unfortunately visitors departed earlier than expected and therefore volumes of domestic waste has reduced.

Household waste that is unable to be disposed of in your yellow, red or green kerbside bins including items such as whitegoods, building materials, old machinery, lawn mowers should be disposed of at your nearest Waste Facility or Community Recycling Centre.

The Mulwala Transfer Station is located at Old Barooga Road, Mulwala and is open Wednesday, Saturday and Sunday 9:00am - 12noon.

Council wishes to remind residents that littering and illegal dumping in parks is prohibited and penalties apply under the Protection of the Environment Operations Act 1997 No 156.
