### LED STREETLIGHT UPGRADE PROJECT

Work to upgrade more than 1490 streetlights to energy efficient technology will begin this week as part of a major energy efficiency project that will save hundreds of thousands in electricity bills and reduce greenhouse gas emissions for the ratepayers of Federation Council.

The switch to LED technology will see a 329 MWh per year reduction in power use, delivering savings of approximately \$102,000 each year in maintenance and electricity costs. Find out more from Council's website.

### 2021 BIN COLLECTION CALENDARS

Do you forget which bins to put out each week for kerbside waste collection?

No more guessing, download the 2021 kerbside bin collection calendar from our Council's website.

#### Helpful bin collection tips:

- Be mindful not to overload the bins – maximum weight is 80kg.
- Place bin close to the kerb with the handle facing toward your property.
- Place your bin out the night before your collection day or by 6am on the morning of collection.
- Keep clear of overhanging branches and power lines.
- Please leave at least one metre between bins and other objects, including fences and vehicles.

### AUSTRALIA DAY 2021

On behalf of Federation Council, I would like to take this opportunity to thank all Federation Council residents, community volunteers, Member for Albury Justin Clancy and our Australia Day Ambassador, Chief Inspector Robert John Fitzgerald of Blacktown Police Area Command for joining us to celebrate Australia Day 2021 in Urana on Tuesday 26 January.

Each year, Australia Day, provides us with the opportunity to reflect on what it means to be Australian, to celebrate contemporary Australia and to acknowledge our history.

On Australia Day, we celebrate all the things we love about Australia; land, sense of fair go, lifestyle, democracy, the freedoms we enjoy, and particularly our people.

On Tuesday 26 January, we celebrated our people, the people of Federation Council who go above and beyond in their respective areas to ensure our communities thrive and grow. Our nominees who joined us on the day are very special people, whose donation of time and effort warrants this type of special celebration each year. The commitment to our communities shown by our nominees is truly heart-warming, and these people along with many others throughout the Federation Council make me so proud to be Mayor of this great community. " - Federation Council Mayor, Cr Patrick Bourke.

### COMMUNITY GRANTS PROGRAM OPENING SOON

Federation Council's Community Grants Program Round Two will open for applications on Monday 8 February 2021 until Friday 19 March 2021.

The Community Grants program aims to support and empower local clubs and not-for-profit community organisations to deliver activities, programs, projects and events that contribute to the vibrancy of the Federation Council area.

Further information including the program guidelines and online application form will be available from Council's website.

### ROAD WORKS KENNEDY & HOLBEACH STREETS INTERSECTION HOWLONG

Federation Council wishes to advise that road works will commence on the intersection of Kennedy and Holbeach Streets Howlong from Wednesday 13 January until mid-February 2021.

This work will address the poor condition of the pavement of the intersection and is being funded by the Local Roads Capital Infrastructure Grant.

The intersection will be closed for periods to allow excavation works but access will be available at night.

Normal working hours for this construction activity will be Monday to Friday, from 7:00am- 5:00pm. When travelling through the construction site please be aware of the road crews, equipment and potential traffic delays during the construction.

Motorists are requested to pay attention to traffic control signs including reductions in the speed limit. Alternative parking is recommended during these hours; please refrain from parking out the front of your residence whilst the bulk earthworks are being undertaken. Residents will be able to gain access to their properties at night.

Please note that all road work is dependent on the weather conditions.

### MULWALA WASTE SERVICES

Federation Council wishes to advise that the additional skip bins made available at the Mulwala Transfer Station will be removed earlier than previously communicated.

The purpose of this additional waste service was to manage the domestic household waste (waste normally disposed of in a yellow, red or green kerbside bin) generated over the Christmas and New Year period by the influx of visitors to the town.

Due to the Victorian Government Covid travel restrictions, unfortunately visitors departed earlier than expected and therefore volumes of domestic waste has reduced.

Household waste that is unable to be disposed of in your yellow, red or green kerbside bins including items such as whitegoods, building materials, old machinery, lawn mowers should be disposed of at your nearest Waste Facility or Community Recycling Centre.

The Mulwala Transfer Station is located at Old Barooga Road, Mulwala and is open Wednesday, Saturday and Sunday 9:00am – 12noon.

Council wishes to remind residents that littering and illegal dumping in parks is prohibited and penalties apply under the Protection of the Environment Operations Act 1997 No 156.
