### RIVERINA ROAD WORKS

Transport for NSW are carrying out safety and efficiency improvements on the Riverina Highway near Balldale, about 15 kilometres north west of Howlong.

This work will improve road safety and reduce future maintenance costs by rebuilding the road surface, widening shoulders, and installing rumble strips and wide centre lines. Work will be carried out between 7am and 6pm weekdays and 7am and 1pm Saturdays.

Work is expected to be completed by April 2021, weather permitting.

### BENALLA TO OAKLANDS RAIL LINE

The Benalla to Oaklands rail line which runs across Victoria to New South Wales border is currently operating to transport grain during the harvest season to support local farmers.

For your safety, Council would like to remind road users and pedestrians to look out for trains and follow the road rules when crossing the railway line, which means coming to a complete stop, looking and listening for trains and only crossing when it's safe to do so.

When you get to a level crossing always assume a train is coming. Whether it's boom gates, flashing lights or stop signs at a level crossing, they all require you to be vigilant.
