## ENGAGE WITH US THIS MAY ON FUTURE FEDERATION 2023-2024

Federation Council is asking the community to help shape Future Federation 2023-2024 by providing further input into its combined Delivery Program and Operational Plan, and other supporting strategic documents.

Council's combined Delivery Program and Operational Plan is an important document that sets out Council's action plan for achieving the community priorities outlined in the Community Strategic Plan (CSP). It identifies the specific projects, programs and activities that Council will conduct to progress community priorities, as well as initiatives required to fulfil Council's legislative responsibilities.

This is supported by the Annual Budget which outlines how Council will fund the delivery of services and projects to its community. It funds services like managing waste, maintaining infrastructure, community facilities and parks, operating libraries, events and services to people at all stages of life. This is 'Future Federation 2023-2024'.

Council will be presented with the draft Delivery Program, Operational Plan and

Annual Budget, along with the updated Long Term Financial Plan, at its April meeting of Council. These documents provide a guide to Council's operations and help the organisation meet community demands for services and infrastructure by maximising what it can achieve with its available resources, whilst planning for a sustainable future.

Council's key strategic documents will be on public exhibition from Wednesday, April 26 through to 5pm on Wednesday, May 31. During this time, we will be seeking further feedback from the community on these draft key strategic documents. This includes our:

- Draft Delivery Program and Operational Plan (including Annual Budget);
- Draft Fees and Charges 2023-2024; and
- 10 Year Long Term Financial Plan.

## LOCAL LEADERSHIP PROGRAM ROLLING OUT IN JINDERA AND COROWA

The Fischer Community Leadership Program, aptly named in honor of the late Tim Fischer AC, is coming to Jindera and Corowa. On the back of the successful pilot program delivered last year in Henty and Holbrook, funding has been secured for the 2023 program from the New South Wales Government Stronger Country Communities Fund Round 5.

The program is an initiative of Fischer Community Leadership in partnership with Federation and Greater Hume Councils, auspice by the Border Trust and delivered by Alpine Valleys Community Leadership. The program's focus is to develop community leadership skills and create a group of community leaders equipped to take action and make a difference.

This year, one program will run in Jindera, and the other in Corowa. Commencing in May and running through to September, eight sessions will be delivered to both locations on Monday evenings in addition to a full-day combined workshop during June. Participants will receive leadership training from facilitators and guest speakers, with a focus on building and strengthening core leadership skills.

A key component of the program will involve project management, with participants undertaking the scoping and planning of small community-led projects.

Applications are open for the program, with individuals from across all facets of the community encouraged to consider applying, including young adults, people living with a disability, first nations and members of migrant communities.

Applicants will be requested to demonstrate a connection (either as a resident, employee or business owner) to the Federation Council area for the Corowa program or the Greater Hume Council area for the Jindera program.

Federation Council Mayor, Patrick Bourke encouraged aspiring leaders to express their interest in being a part of the program. "I am so pleased to see this program is being offered in Corowa this year," he said. "This program is designed to empower aspiring leaders and develop their skills to become the best community leaders they can be. Community leaders are the backbone of our communities, and I am positive we have many individuals in our Council region who will really benefit from participating in this program."

More information and applications for the Fischer Community Leadership Program is available at [fischerleadership.com.au](http://fischerleadership.com.au)

The cost is \$80 per person.

Enquiries can be made to Mary Hoodless, Program Coordinator via email [fischercommunityleadership@gmail.com](mailto:fischercommunityleadership@gmail.com) or phone 0428104482

## AUSTRALIA DAY 2024 COMMUNITY GROUP EOI

Australia Day is a special time of the year for local residents to celebrate what makes the region a great place to live and visit.

Federation Council is interested in working with a community group, organisation or business that is passionate and already doing wonderful things to enrich the community, to help coordinate the official Australia Day Ceremony.

The event will be held on Friday 26 January 2024 at a township within the Federation region, excluding Corowa, Urana, Howlong and Mulwala. These towns are on the regular schedule, and Council is keen to see if there are other towns interested in hosting this great event.

Council will coordinate the formalities of the event, including the welcome address, Welcome to Country, citizenship ceremonies, award presentations, ambassador guest speaker, flag raising ceremony and the singing of the National Anthem.

The successful community group, organisation or business will work with Council to organise the event on the day, with contributions to theming, set up and additional activities.

The organisers will have the support of Council staff to deliver an event that is family friendly, inclusive and provides an opportunity for the community to come together and celebrate the occasion. A percentage of the total Australia Day budget will be given to the community group to cover costs relating to the Australia Day Event.

Interested community groups are asked to complete the Expression of Interest form. EOI Submissions are being invited until 5pm, Friday 28 April 2023.

Submissions are to be made in writing and addressed to Federation Council's Community Projects and Events Officer. Find out more on Council's website.

## MIKI CITY EXCHANGE SET TO RETURN

Federation Council is excited to announce that students from Miki City, Japan, will be visiting the Federation Council as part of the Sister City Cultural Exchange Program.

The Miki City Federation Council Sister City cultural exchange program is in its 26th year. The program involves students visiting Japan every second year and Japanese students coming to Federation Council on the alternate year.

With the impacts of Covid-19, this year will be the first travel exchange to take place since 2019, with the Federation Council hosting visitors from Miki City during late August 2023. Students and chaperones, as well as dignitaries from Miki City Council will likely attend.

Guests will stay with local host families, to enable them to experience everyday life in an Australian household for up to a week. Federation Council Mayor Cr Patrick Bourke said, it is a great opportunity for the Federation community to get involved in the sister program by hosting students, chaperones and dignitaries.

“Many special lifelong friendships have developed between our cities and communities as a result of becoming

involved in hosting.”

Other benefits of being a host to chaperones, students and dignitaries can include:

- Participate in a rewarding and life changing experience.
- Develop an understanding and appreciation of other cultures.
- Establish connections and broaden horizons in your home and within the local community.
- Support a program that continues to provide young people with opportunities to see and experience the world and grow.
- Participate in a good deed, for your family, the local community, and also the broader world.

The last visit to Federation was in 2018 where 14 families, five local businesses and two schools were directly involved in the program, including hosting. In total around sixty local people contributed to the success of the exchange.

For any community members and families interested in hosting students, chaperones or dignitaries during the August 2023 exchange program, please complete the Expression of Interest form available from Council's website.

Further queries can be made via phone on (02) 6033 8999 or email: [council@federationcouncil.nsw.gov.au](mailto:council@federationcouncil.nsw.gov.au)

## RESPONSIBILITIES OF PET OWNERSHIP

Council has recently reviewed the NSW Companion Animals Register which includes the details of micro chipped cats and dogs residing in the Federation Council area.

This review has found there are companion animals that are yet to be registered with Council as legally required.

As part of Council's Companion Animals Compliance Program, reminder letters are currently being issued to residents where this applies.

Our furry friends are so important in our lives and at Council, there is no better joy for our rangers to be able to return your pet home safely, however, if your pet is not registered they may not know where to return them to.

Registration can be completed at any Council office during business hours and further information is available from Council's website.

## URANA PROGRESS ASSOCIATION

### **Biggest Morning Tea**

Urana Progress Association are pleased to be hosting a Biggest Morning Tea event with money raised going to the Cancer Council. Everyone is invited to the Urana Bowling & Community Club at 10.00 am on Tuesday, 23rd May to join in the fun, enjoy a delicious morning tea and listening to a fascinating guest speaker.

### **Progress Association**

As always, we are keeping our eyes open around town and would like to commend several people for the great house renovations they are undertaking. Not only does the work create a great space for the owner but it lifts the overall positive appearance of our town – something that is very important for people passing through Urana.

We also welcomed a few new and enthusiastic members who are not always able to attend on Tuesdays, but happy to join the Saturday roster and help out with “container building”. We have members with a wide skill-set which is just what we need.

Family history has come to the fore recently with quite a few enquiries happening. It takes a considerable amount of time and effort but we generally find something for families. Recently we have received information relating to “Smith Street and Talbot Street” and Frank and Charles Crighton.

Can you spot the new birds at the Aviary? Hint – they are big, black and beautiful!

### **Community Easter Lunch**

What a lovely gathering we had – great company, lots of laughs, great food (including Helen Murphy’s donated Easter baskets) – just the way a day

should be! 24 people came along and, under the watchful eye of Mr Magistrate, joined our social gathering. It is great to see that everyone finds this form of social interaction so important – see you all again for Morning Tea on 2nd May, and feel free to bring a friend along as well.

### **‘The General Store’ and ‘McCaughey Memorial Hospital’**

Work is continuing to bring both of these displays together.

The Courthouse will look quite different once this reorganisation has been completed. Never fear though, there are still plenty of items on display throughout the all the buildings.

# WASTE FACILITIES & CHARGES

Household waste accepted only (not commercial origin), not accepted at Mulwala Transfer Station, Putrescible waste (food scraps) not accepted at Corowa Waste Facility.

Skip bins available 24 hours at the Urana, Victoria Park Recreation Ground.

## URANA COMMUNITY RECYCLING CENTRE

Federation Council and the NSW EPA have recently opened two Community Recycling Centres (CRC's) in Corowa and Urana.

Many familiar products you use in your home, car, garage and shed can be hazardous to other people and the environment. Because of this, they cannot be disposed of in your red, yellow or green lidded bins.

These include:

- batteries (household only).
- motor & other oils (5-20 ltrs motor oils and other oils).
- paint.
- smoke detectors.
- fire extinguishers.
- gas bottles.
- fluro lights.

Once you no longer have a use for these products, they become household problem waste. If disposed of incorrectly, or released into the environment, these products can pollute our soil, contaminate our water and even cause physical harm to people and animals.

The good news is you can dispose of them for FREE at the following CRC's. The products are then processed and the reclaimed materials used to make other products.

The Urana CRC is located at the Urana Waste Disposal Centre, Boree Creek Road, Urana.

Operating Hours:

Sunday 11:00am – 4:00pm

The facility is closed Christmas Day, Boxing Day, New Years Day, Good Friday and Easter Sunday.
