## MESSAGE FROM THE MAYOR - PAT BOURKE

Dear Readers,

Welcome to the August edition of the Urana District Newsletter.

It was one of my greatest pleasures to welcome the Riverina Spirit train which travelled from Albury to Boree Creek along with 200 other people to

recognize and honour Mr Tim Fischers service to Australia. The community of Boree Creek should be very proud of their efforts to support the celebration that occurred on Sunday 21 July and the renaming of the Boree Creek Community Park to the Tim Fischer Community Park.

The Local Government Week event held at Victoria Park Urana on Thursday 8 August was an opportunity for some of our youngest residents to get involved and understand the work that Council delivers. I really enjoyed seeing the children's coloring competition artwork and answering the questions that they had. A BBQ lunch was enjoyed by all.

It's great to hear that the Riverina Water Community Grants Program is open for application for projects from our Northern Communities. Community groups, Schools and Artists are encouraged to apply before 23 September.

A new Tourism Brand is being developed for the Federation Council area. This exciting project will create a strong identity for our region and businesses are encouraged to participate in the project.

Further information about these opportunities and events is available in this edition of the Urana District Newsletter.

Next month Council will reach another milestone as my fellow eight Councillors and I will have had the pleasure of governing Federation Council for 2 years. We are extremely proud of the many achievements and community priorities that have been delivered during this period.

The coming 12 months in particular will remain an important time for us as Council continues to deliver many major projects that will define the future growth of our region.

This work is led by Council Staff who are a credit to our organisation and I would like to take this opportunity to formally thank them for their commitment to the delivery of the unprecedented works program.

Community feedback and engagement is important to Council and we look forward to continuing to work together to achieve positive outcomes for Federation Council communities.

Until next time,  
Councillor Patrick Bourke - Federation Council Mayor

## TIM FISCHER COMMUNITY PARK

Federation Council has re-named the Boree Creek Community Park in honour of former Deputy Prime Minister, Tim Fischer AC, who hails from Boree Creek.

On Sunday 21 July, a special event occurred, to honour this service to his country, and for never forgetting Boree Creek, where it all began for Tim, and a place he feels very much where his heart is.

Around 80 locals and 200 train passengers on board a classic 47 Diesel Locomotive called the Riverina Spirit, who had travelled from Albury on the train with Tim, all joined in to surprise Tim with this announcement, and unveil a special sign to signify the park's new name.

Federation Council Mayor, Cr Patrick Bourke said Council endorsed at its July Meeting to re-name the Park to the Tim Fischer Community Park, in honour of Mr Fischer, and planned this event in conjunction with the Boree Creek Community Committee and Phil and Jenny Baker from the Boree Creek Hotel.

"The community of Boree Creek and surrounds warmly welcomed Tim and

passengers where a ceremony was held and the park name and sign was unveiled. The decision to re-name the park was first raised by Boree Creek residents and supported by Federation Council".

"It was fantastic to see a passenger train visit Boree Creek. The last time this occurred was many years ago."

"I'd also like to thank and acknowledge the support of Stuart Pat-ey, Chair of the Boree Creek Community Committee, and Jenny and Phil Baker from the Boree Creek Hotel. The Hotel did a terrific job also in the catering on the day, and it was great to see such a crowd in town, with Tim and his family amongst the crowd," he said.

Tim responded after the event and said "I was completely taken by surprise by the kind decision of locals in consultation and liaison with Federation Council to launch the Tim Fischer Community Park. The ceremony was brilliantly timed and all went really well, indeed the packed special train passengers were delighted to observe and they made it back safely to Albury and on time.

I would ask Council to accept my sincere thanks and I would add the Community Park is in really good shape and looking very nice, albeit another burst of rain would help the town park and district.

The Boree Creek Community Committee do a wonderful job.

Can I especially commend the sign and the blue colour of the sign, really great work by all directly involved. I hope in a round about way the renaming will help draw more visitors to Boree Creek, especially in Autumn and Spring. Again my sincere and heartfelt thanks, for myself but also on behalf of Judy and my family”.

In addition to the sign, Council with community support will also be commissioning a plaque that outlines just some of Tim’s service and accomplishments, so that visitors in years to come will all be able to stop and understand and learn more about Tim Fischer, and the reason why this park is known as Tim Fischer Park. There could also be some more public art initiatives in the future, so watch this space.

Mr Fischer grew up in Boree Creek where he later farmed in between his long and distinguished career, including service in the Vietnam War.

## RATE NOTICES

Council wishes to advise that rates have been levied for the 2019/20 financial year.

Rates Notices have been issued with first instalment due 31 August 2019.

Water Notices have been issued with due date 11 September 2019.

Residents are encouraged to read their rates notices carefully to understand the payment options available.

## BIOSECURITY WEEDS

With the commencement of Spring and the weather warming up, Biosecurity weeds around Federation Council area are likely to become more prominent over the coming months. This is particularly so given rainfall of late, creating ideal conditions for weeds to grow.

Council is currently prioritising the reduction and elimination of Biosecurity weeds, with a focus on problem weeds such as Chilean Needle Grass, St John's Wort, Spiny Burr Grass, Horehound, African Boxthorn, Blackberry, Silver Leaf Nightshade and Coolatai Grass.

An inspection program is undertaken by Council throughout the year to manage Biosecurity weeds in the area and to minimise the spread of these weeds. This inspection program assists to identify weeds in their early growth stage, so that Council and landowners can control the spread of weeds. Council is encouraging landowners to take effective measures to remove weeds from their property.

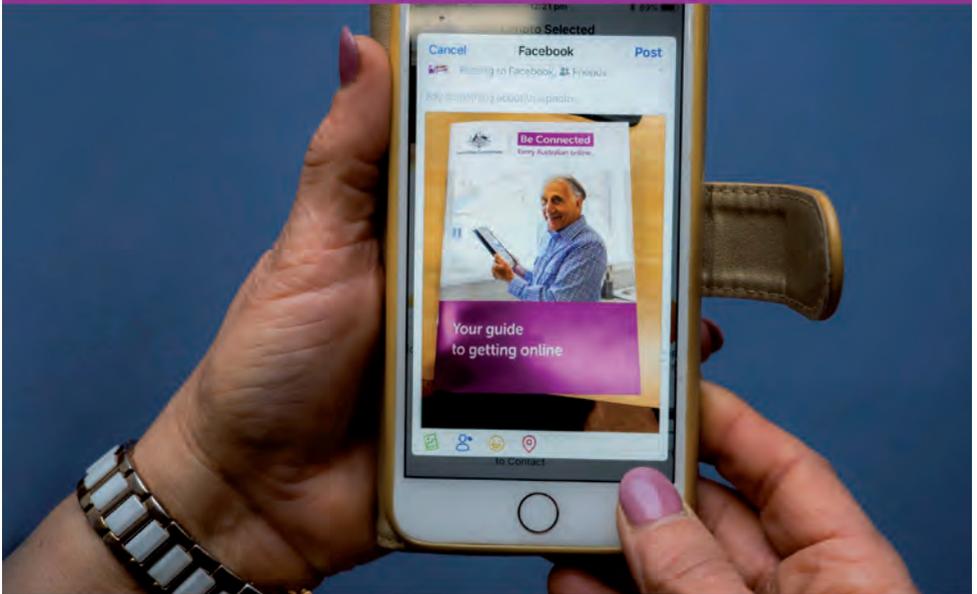

To assist landowners, a range of information and resources regarding weeds are available at any Council Office along with printed materials to help with the identification of weeds. Additionally information is also available from Council's website.

## GOVERNMENT SERVICES - CLOSER THAN YOU THINK

The Federation Council Urana Office is an Australian Government Department of Human Services Access Point.

Government services such as Centrelink, Medicare along with other government programs can be accessed from the Urana Office.

Using the computer that is available you can log into your myGov account and do your business on the spot.

There is also a phone available to access phone self-service or speak to a Department service officer.

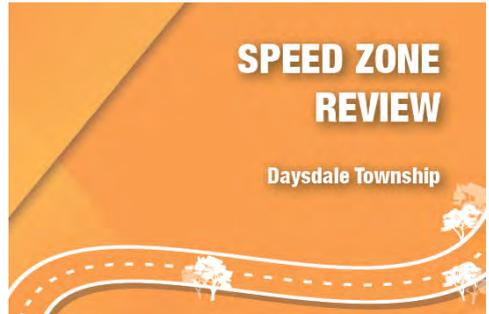

If you would rather use your mobile phone or tablet, we've got free Wi-Fi available 24/7. You don't need a password so you can get online straight away. You can also use the Wi-Fi to download and install the Express Plus mobile apps.

You can also lodge forms online, get your identity documents certified and pick up brochures.

So next time you need to do some government business, drop in and see us at the Urana Council Office.

We're open Monday to Friday 9.00 am to 5.00 pm, at 30 William St, Urana NSW.

## DAYSDALE SPEED ZONE REVIEW

NSW Roads and Maritime Services are currently considering a request for a Speed Zone review in Daysdale. The request is to raise the speed limit that is currently 50 km/h to 60 km/h through the township of Daysdale. As part of this review, Council has been asked to undertake community consultation and seek feedback.

Council is inviting local residents who live in this vicinity to express their preference and provide any feedback. Anyone interested in providing feedback can do so before 5pm, Friday 6 September 2019;

- In writing addressed to the General Manager, PO Box 77, Corowa NSW 2646,
- Email to [council@federationcouncil.nsw.gov.au](mailto:council@federationcouncil.nsw.gov.au),
- Submit in person at any of Council's offices, or
- Complete the online form available from Council's website.

## LOCAL GOVERNMENT WEEK

Federation Council's youngest residents gathered at Victoria Park in Urana on Thursday 8 August to celebrate NSW Local Government Week.

Students from across the Federation region attended the celebration event to be congratulated by Mayor Pat Bourke, and fellow councillors for their involvement in the NSW Local Government Week competition and enjoy a barbeque lunch.

Mayor Bourke said this year's theme 'Your Council', provided a great opportunity for students to explore all the ways that Council is part of our community.

"Local Government Week 2019 is the perfect opportunity to highlight the important services that Councils

provide to their communities," Mayor Bourke said.

"As the third tier of government in Australia, local government is the one that has most direct contact with ratepayers and residents, and the one that provides the vital services that keep our communities, villages, and towns, thriving."

This year, Council conducted a competition for all primary and preschool students in the Federation Council area.

## WHERE IS THE CLOSEST DEFIBRILLATOR?

Over 33,000 people experience an out of hospital cardiac arrest in Australia every year. Less than 9% will survive. Often it is up to bystanders quickly to find the nearest defibrillator.

A defibrillator (sometimes called a 'defib', or AED if it's an automated external defibrillator) can save someone's life if they have a cardiac arrest. They are easy to use and take up no more room than a fire extinguisher.

Ambulances have them on board, but using an AED in the minutes before an ambulance arrives can double someone's chances of survival. In fact, research has shown that early cardiopulmonary resuscitation (CPR) and defibrillation in the first eight to ten minutes sees survival rates jump from 6% up to 75%.

Federation Council's Ageing Well Advisory Committee are compiling a register of public access defibrillators so people in the community know where they are located if needed in an emergency.

Businesses, community groups and individuals are being encouraged to let us know where publicly accessible automated external defibrillators

(AEDs) are available in the Federation Council area and nearby towns.

Please email the Ageing Well Advisory Committee ([ageingwell@federationcouncil.nsw.gov.au](mailto:ageingwell@federationcouncil.nsw.gov.au)) details of the device, including:

- Organisation Name.
- Address of site.
- Type of organisation (e.g club, community group).
- Location of Defib (reception, near the door).
- Is this location publicly accessible?
- Hours accessible to the public.
- Common Name of Location (e.g Bombers Footy Oval).
- Landmarks (e.g Green building next to oval).

## **BOREE CREEK FREIGHT LINK ROAD CONSTRUCTION**

Federation Council has commenced construction of the 3.1km Boree Creek freight link road.

This major project includes bulk earthworks, excavation, import of fill for compacting and stabilization works.

The project is on time and scheduled to be completed during late November, weather permitting.

Where: Boree Creek Road from Fletts Road 3.2km northeast on Boree Creek Road.

Started: Monday 5 August 2019

End Date: Thursday 31 October 2019

\*Timeline is subject to weather conditions.

WorkHours:

Work will take place from 7.30 a.m. to 5 p.m., Monday to Friday. Work may occur after hours and on weekends as required.

## FEDERATION COUNCIL TO DEVELOP NEW TOURISM BRAND

Federation Council has engaged consultants to develop a new tourism brand for the Federation Council area.

The landscape of tourism marketing in Australia is incredibly vibrant and diverse. Recent statistics from the Murray Regional Tourism show that visitation to the Murray Region reached 6.4 million in the year ending March 2019 with visitors spending \$1.9 billion and staying a record 10 million nights. The competitive positioning of Federation Council's tourism industry and identity is therefore critical to strengthen demand and grow the visitor economy now and into the future.

Federation Council Mayor, Cr Patrick Bourke said the new tourism brand will create a strong identity for the region and encourage community pride.

“With a focus on our five key experiences, including the history and culture of the region, the great outdoor experience, family fun, food and drink and the golfing experience, this project is directly relevant to a variety of sectors that will be utilising the tourism brand – including our local communities,

regional partners and many varied.

The tourism branding project will utilise the feedback from consultation with relevant sectors, visitor research and understanding of the existing attributes, along with emerging tourism product to develop the new tourism brand for the Federation Council area.

Further information along with the stakeholder survey is available from Council's website.

## ACTIVITY ADVENTURES

### BINGO

Residents are enjoying their games of bingo with Lorraine who is now an excellent caller. Everyone is keen to win as Lorraine provides a vast array of prizes such as socks, notebooks and shampoo. Thanks to Lorraine and Chris for this donation. Perhaps I should come and play and try to win a prize!

Stay tuned for our AFL Bingo coming up on our AFL day on Thursday 26 September. On this day we will also be announcing the winners of the Footy Tipping Competition.

### 2019 MURRUMBIDGEE LOCAL HEALTH DISTRICT EXCELLENCE AWARDS

The finalists for the 2019 MLHD Excellence Awards were announced for different categories for these Awards and 3 of these finalists come from Urana.

Which are:

[www.federationcouncil.nsw.gov.au](http://www.federationcouncil.nsw.gov.au)

### *Volunteer Award*

**Harry & Eunice Couzins** - Urana Local Health Advisory Committee. For dedication to the well-being and improving the quality of life of community and residents including weekly exercise classes, music and entertainment and involvement in the LHAC.

### **EXECUTIVE DIRECTOR NURSING & MIDWIFERY LEADERSHIP AWARD**

**Karen Flack** - Facility Manager ( Urana MPS)

For consistently demonstrating a person-centred approach to residents, patients and community members and for role modeling what it is to put the care needs of the individual at the centre.

Harry, Eunice and Karen did not pick up an Award on the night, but feel they are winners by being a finalist.

### MAKING MOUSSE

On our exercise day we did a few stretches, marching and shoulder rolls but still needed to do some arm exercise. We poured some milk into a zip-lock bag, added mousse powder, closed the bag and started throwing! We used underarm, overarm, high and low and had a great old laugh along the way. Staff members who came in during the morning joined the fun too. When it was mixed, we poured it into individual cups and put into the fridge to set.

# ACTIVITY ADVENTURES AT URANA M.P.S

Morning tea next day featured our delicious chocolate and vanilla mousse! Who says you need an electric mixer to create delicious food.

## WOODWORK PROJECTS HAVE BEGUN

Lorraine and residents have started to create key hooks, boot holders and bird boxes which involve working out which pieces fit where, drilling, screwing and glueing. The finished products will be worth the work that goes into them. Stay tuned for more progress reports.

These items will be available for purchase at the Hospital Fete in October.

Until next time,

Wendy Mallon  
Activities Officer

## **LOCAL HEALTH ADVISORY COMMITTEE “SERVING THE LOCAL COMMUNITY”**

Local Health Advisory Committee’s “LHAC “ are a committee of volunteers that were instigated a few years ago under Murrumbidgee Local Health to serve local hospitals and the community and advise MLHD of community needs . Their beginnings go much further back than that however. The first evidence of “health care “being in 1875 with the first doctor arriving in Urana. The first hospital being founded in Urana in 1881. These became the Hospital Board, then when the current MPS was constructed, the MPS Committee and now the LHAC. Thanks to Denis Smith one of our committee members who is gathering together some of the history of our local health service. We hope to bring you more snippets of the past in future updates.

Urana has a very dedicated group of 7 people on their committee from a variety of backgrounds. We meet once a month at the Urana Community Centre. We are here to support and work with the local MPS and facility manager, Community Health, local Doctor and most importantly the community.

- Do you need help or advice with an issue concerning a local health issue? Not sure who to turn to?
- Do you have an idea to help add services to our area? A way to fill a gap in a particular area?

Your local LHAC can try and help point you in the right direction or bring your issue to the attention of the right person or department.

The Urana MPS serves an area that basically covers what used to be the old Urana Shire. Thanks to Federation Council, the good news is that the medical clinic in Oaklands is on track to be opened this year, which will be a huge plus for the area. Watch this space and Council notices for an opening date.

Ever thought of how you can contribute to your local service? Maybe joining the LHAC is for you.

For more information or help with a problem or just to ask a question you can contact the one of the committee members via the Chair of the Urana LHAC Kim Pawson , by emailing , [firstup59@gmail.com](mailto:firstup59@gmail.com)

Your email will be passed onto the committee member you wish to contact and if we can help or point you in the right direction we will try and do so. If you would like to apply to join the LHAC we can also help you with how to do that.

## ST FRANCIS XAVIER'S SCHOOL URANA

*Think, Speak and act like christ*

Greetings!

Earlier in the term, we had Angus, Carter, Jack and Philippa represent our school at the Diocesan Athletics Carnival in Albury. They had a fine day for the carnival and we are very proud of them all for their achievements. Well done to the four students for achieving second in their relay and a particular congratulatory note to Philippa who won the discus event in her age group. A big thank you to those who provided transport and to Miss Winter for accompanying the students on the day.

Congratulations and well done to the students of the parish who received either the Sacrament of First Holy Communion or Confirmation on the 4th of August. We are very proud of their preparations for this milestone in their life, and how they carried themselves on the day. A big thank you to everyone involved in making the occasion, and following morning tea, as special as it was.

Since the last Council Newsletter, we participated in the Federation Council's Local Government Week (LGW). We gathered with the pre-school and other schools of the area at Victoria Park Urana, for a play prior to the official ceremony. Well done to all of the students who entered into the LGW competitions and congratulations to Max Fealy and Jack Butler on winning their respective categories.

Thank you to Jenny and Amber from the Federation Council for their coordination of the day, and also to Mayor Pat Bourke for addressing those gathered during the presentation of prizes.

*Confirmation Candidates*

*First Holy Communion Candidates*

*Diocesan Athletics Carnival Representatives*

God bless,

### URANA PUBLIC SCHOOL NEWS

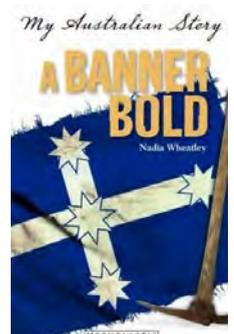

We have had a terrific start to the term, with students engaged in varied activities across Key Learning Areas. In History and English lessons, students are learning about the Gold Rush in Australia, the class novel being "The Banner Bold", a Diary of Rosa Aarons, which is about a young girl's journey from London to Ballarat in 1854.

During Science, the unit is "Shaping the Earth's Surface". Students have been having a great time categorising rocks and learning how they change through heat and pressure. They have also each chosen an Australian landform and are working on projects to describe how they have been formed. A "Museum in a Box (Rocks)" will also be arriving in week 7, hired from the Australian Museum, which we are looking forward to.

The ukuleles are out of the music storeroom and the students have already learned 3 chords! We are also learning to sing 2 songs, one being the 2019 Music Count Us In song called "We Are". On 7th November at 12:30PM, students will combine online with thousands of students across the

nation to sing the song together; always a very touching experience. Recorders will be out of the storeroom in the near future also, sorry! But I assure you that with practise sweet sounds will emerge! The "Drumbeat" and "Rock and Water" programs have also recommenced, thanks to our school chaplain Jono— such valuable programs.

On Thursday 8th August, students attended the Local Government celebrations at the football oval in Urana. Winners of the writing \competition were awarded and students were fed a lovely sausage sizzle, including paddle-pops and poppers! I must admit, I did partake in a chocolate paddle-pop— took me back to my childhood! Students also enjoyed socialising and playing games with students from Oaklands.

### CLASSROOM NEWS

Last week Reyen and Melissa competed at the zone athletics. Melissa came first in one of her races but unfortunately will not be competing at Riverina.

Also on Monday 5th August Melissa and Declyn went to Stewart House and will be coming home on Friday the 16 August.

We have also been learning about what shapes the earth's surface and all the things that lies below the earth's surface like different type of rocks like igneous, metamorphic and sedimentary.

For maths, stage 3 are doing adding and subtracting fractions and the rest are doing adding and subtracting.

Reyen and Ashleigh
