## FEDERATION COUNCIL CELEBRATED NAIDOC WEEK

Federation Council celebrated NAIDOC Week's 2022 "Get Up, Stand Up, Show Up" theme on Bangerang land.

Federation Council Mayor, Cr Pat Bourke said partnering this year with our indigenous community provided an opportunity for the community to celebrate and learn the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.

Aunty Iris Troutman, a Kooma, Kamilaroi and Ngarabal woman, and co-founder and CEO of Many Mobs hosted a fun clay Coolamon and Birrani making and decorating activity. All enjoyed warm Johnny Cakes on the brisk but sunny winter's morning in Bangerang Park. Iris provided an acknowledgement to Country and spoke of how indigenous people used natural resources to make carrying vessels for food and water, winnowing grains and cooking, and for cradling babies.

Darren 'Dozer' Atkinson presented a very

special library Storytime. Uncle Dozer played the didgeridoo and explained to the children how the different sounds gave a signal to the dancers to play their part. He then read the fantastic story 'Dooty and the Didgeridoo', about Aboriginal children staying strong in their culture. To finish up, the kids all had a chance to act in the story of the hunter who missed the kangaroo and made the kookaburra laugh, with lots of laughs all round!

Friday's puppet show provided fun for both young and old! Presented by Little Wings Puppets, 'The Owl's Apprentice', featuring a variety of Australian animals, kids were captured by the story and excited to make their very own puppets, while learning the Bangerang indigenous animal names and pronunciations, kindly provided by Bangerang leader, Darren "Dozer" Atkinson.

The National "Koori Kids" colouring in and story time competition was held, with opportunity for all school students and the community to be involved.

Council thanks the community for their support and all NAIDOC partners that ensured the NAIDOC Week celebration was the success that it was.

### URANA BIRD SALE

We received many good reports from bird sellers, bird purchasers and people who came along for a look. Numbers were slightly down on the day but very few birds needed to be auctioned which meant selling was happening.

Thanks to our volunteers who assisted on the day and made everything run smoothly. It was a great sight to see Anna Street full of cars! Thanks also to Urana Takeaway and Newsagency for the donation of a raffle prize. The winner, Bevan Kerr is sure to share the sweets, magazines and sauces with Anne!

### COMMUNITY MORNING TEAS

It was great to see some new faces at our August Morning Tea and we look forward to those people and more coming along in the future. We provide different food each month and encourage positive interaction and laughter – something that always happens!

### BASKET WEAVING WORKSHOP

What a great event! Margaret had some starter kits made and was there to guide and assist. It didn't take long for everyone to add coloured raffia and start shaping their basket.

Conversations were plentiful and happy in between the concentration required to

be creative. Lunch was a good opportunity to give fingers a rest and enjoy the sunshine outside before continuing work and going home with raffia of choice to complete the basket.

Thanks to Margaret for coming along to share her skills and to Federation Council for offering us the opportunity to hold this wonderful Workshop.

### Cinderella Excursion

Our students and staff had an eventful Week 1, starting with a whole school excursion to Melbourne to see 'Cinderella' live at the Regent Theatre. Everyone was on their best behaviour and really enjoyed their experience. For many students, this was their first experience seeing a stage production of this size. Thank you to the staff who attended.

### Cross Country

Annabelle competed at the NSW PSSA Cross Country Championship. An incredible achievement. Well done Annabelle and congratulations on the hard work and effort you put in to compete at such a high level.

### Junior Public Speaking

Wearing their school uniform on a Sunday was not a problem for Hamish,

Alexis, Georgia and Sophie who all participated in their respective categories at the Corowa Lions Club Junior Public Speaking. Congratulations to you all on your achievements and best wishes to Georgia who will advance to the next level.

### Geography Incursion

Secondary students participated in a Geography Incursion run by the Riverina Environmental Education Centre. Mr Darron Watt attended Oaklands Central School (where he previously taught at the beginning of his career in the early 90s!) to take our students out and about for a whole day in Oaklands and work on their field skills.

Students engaged in a variety of hands-on activities that included: Gunambill Street dam water testing for turbidity, pH and salinity levels, abiotic testing of wind speed, temperature, and soil pH and texture and field sketches of the Recreation Ground. Students followed these activities with a Geography scavenger

# WASTE FACILITIES & CHARGES

Household waste accepted only (not commercial origin), not accepted at Mulwala Transfer Station, Putrescible waste (food scraps) not accepted at Corowa Waste Facility.

Skip bins available 24 hours at the Urana, Victoria Park Recreation Ground.

## URANA COMMUNITY RECYCLING CENTRE

Federation Council and the NSW EPA have recently opened two Community Recycling Centres (CRC's) in Corowa and Urana.

Many familiar products you use in your home, car, garage and shed can be hazardous to other people and the environment. Because of this, they cannot be disposed of in your red, yellow or green lidded bins.

These include:

- batteries (household only).
- motor & other oils (5-20 ltrs motor oils and other oils).
- paint.
- smoke detectors.
- fire extinguishers.
- gas bottles.
- fluro lights.

Once you no longer have a use for these products, they become household problem waste. If disposed of incorrectly, or released into the environment, these products can pollute our soil, contaminate our water and even cause physical harm to people and animals.

The good news is you can dispose of them for FREE at the following CRC's. The products are then processed and the reclaimed materials used to make other products.

The Urana CRC is located at the Urana Waste Disposal Centre, Boree Creek Road, Urana.

Operating Hours:

Sunday 11:00am – 4:00pm

The facility is closed Christmas Day, Boxing Day, New Years Day, Good Friday and Easter Sunday.
