# Federation Council Urana District Newsletter

## Bourke's Brief

It's been another very busy month for Federation Council with great progress being made across many areas, including our road works. It is great to see the quality of the new work on Bull Plain road around Rennie, and also Back Berrigan Road and work now commencing on Federation Way North, just out of Urana. Councillors are working very hard with the staff, and meeting quite regularly both in the normal monthly meetings, workshops, Briefing Sessions and many other forums to continue to progress Community priorities.

Council is preparing to visit many towns throughout the Council area next week as part of the development of 'Our Community, Our Opportunity' – Federation Council Community Strategic Plan. Please see page 7 for local areas visited, and further details. Unfortunately the time does not allow for every single Community to be visited, but as part of this, or with the draft budget meetings, there will be a chance for Council to get around to all of our communities over the next 4 months.

Late in September 2017, Council submitted four grant applications totalling \$1,400,014 to the NSW Government Stronger Country Communities Program. The four applications involved funding for a new family/disability access cabin at the Urana Caravan Park improvements, extension of the Corowa cycleway linking to the Corowa Golf Club, Public toilet facilities and upgrades across a number of key sites, and an extension to the Howlong Preschool. Council is hoping for announcements soon on these projects, so fingers crossed.

The recent announcement that \$210,000 has been awarded to Council to continue with Flood Planning works across Urana, Morundah, Boree Creek and Rand was great news. Further details will be available in coming months, as Council calls for a new Committee to help guide this project. This will be a key document that outlines any mitigation works, including cost and benefit analysis, such as levees, to provide better protection from floods in our most vulnerable areas within the towns.

Council heard a public address by Michael Robson at the January 2018 meeting, presenting a petition requesting Council re-open Stephen Street Urana to non-local vehicles longer than 15 metres. The matter was to be presented to the former Urana Shire Councils May 2016 meeting, but was unable to, due to the Council being merged prior to the meeting. The matter was not dealt with by Federation Council until now, and Council has now resolved to investigate this with current staff and further consider this issue.

Council will also over the coming months be re-engaging with its many and valued section 355 Committees, to appoint Councillor delegates formally back onto each Committee, and to also discuss ways in which Council can work with the Committees who maintain many asset for the Community on behalf of council, and also in some cases, provide services to the Community.

Until next month,

Councillor Patrick Bourke – Federation Council Mayor.

## Council celebrates Australia Day

Residents, friends, family and visitors celebrated everything that's great about living in Australia at this year's Federation Council Australia Day celebrations.

A crowd of more than 350 people were joined by Australia Day Ambassador, Ron Delezio, to join in on the festivities at Rowers Park, Corowa on January 26.

Ron Delezio delivered a heart-warming address, speaking about his terrifying experience of nearly losing his daughter, Sophie Delezio and the Australian spirit that got his family through their darkest days.

In 2003, Ron and his wife Carolyn, watched daughter Sophie Delezio fight for her life in hospital after been badly injured when she trapped under a burning car which had crashed into her childcare centre in Sydney. Sophie survived, but made national headlines a second time when she was again badly injured in a road accident in 2006.

In 2004, Ron and his wife Carolyn founded the Day of Difference Foundation to help critically injured kids and their families. Ron took everyone on his family's journey and passed on the lessons learnt and the importance of being strong in the face of adversity.

Mr Delizio said it was a privilege to be in his eleventh year as an Australia Day Ambassador and described Corowa as "truly magnificent".

In his welcome address, Federation Council Mayor Pat Bourke said each year Australia Day provides us with a day to reflect on what it means to be Australian, to celebrate contemporary Australia and to acknowledge our history.

"On Australia Day we celebrate all the things we love about Australia; land, sense of fair go, lifestyle, democracy, the freedoms we enjoy, and particularly our people," he said.

"Today we celebrate our people, the people of Federation Council who go above and beyond in their

respective areas to ensure our communities thrive and grow.

"Our nominees here today are very special people, whose donation of time and effort warrants this type of special celebration.

"The commitment to our communities shown by our nominees is truly heart-warming, and these people along with many others throughout the Federation Council make me so proud to be Mayor of this great shire."

Residents and tourists enjoyed a fun packed afternoon of activities organised by the Rotary Club of Corowa.

The young guns from the Corowa Rowing Club demonstrated the skill and strength required to row on the Murray River.

This was followed by a highly professional ski show by the Mulwala Water Ski Club featuring slips, pyramids and ballet.

Guests were entertained by the tunes of Ronnie and families enjoyed the free jumping castle and face painting and an array of food stalls from around the world.

Council would like to congratulate all the award recipients and nominees for the 2018 Federation Council Australia Day Awards:

**Citizen of the Year:** Peter Seeliger of Mulwala.

**Young Citizen of the Year:** Liam Summons of Oaklands.

CREATING OPPORTUNITY CELEBRATING COMMUNITY

Federation Council Mayor Pat Bourke said that having a Youth Council will give young people a powerful voice on issues affecting them.

“Council having an open, direct and productive relationship with the Youth Council will be a catalyst to affect change for youth in the local community,” he said.

“Participating in the council is a great chance to have a say and contribute to Federation Council’s future planning. It also gives young people valuable experience that will benefit them in years to come.”

Council received a grant of \$25,480 through the NSW Government’s Youth Opportunities Program to establish and drive this youth development program.

Members must be aged 15-25 years.

### Federation Council Mobile Preschool

Federation Council Mobile Preschool are delighted to announce that they now have a Kia Carnival that is used for transporting children from Urana to Boree Creek and from Oaklands to Urana.

Council would like to acknowledge the efforts of Dot Dore at Urana Public School who has allowed the mobile preschool to use the school bus over the last 6 months to trial this idea. Without Dot's help, possibly two bases would have closed this year because of low numbers. Now, having trialed the idea and with great parental support, all 4 mobile bases are operating strongly

### Community Strategic Plan consultation to commence

Federation Council wishes to advise all members of the community that a phone survey of over 260 residents selected at random commenced on Monday 5 February as part of a community consultation process.

The survey launched the preparation of the new 10 year Community Strategic Plan. Feedback from the survey as well as community workshops will be used to guide the objectives and activities for the new Federation Council Delivery Program from 1 July 2018 to 30 June 2021.

The Community Strategic Plan is the highest level plan that a council and its community will prepare and serves to identify the community's main long term priorities and aspirations for the future. Whilst Council is proud to have the custodial role in initiating, preparing and maintaining the plan on behalf of other stakeholders, several state agencies and community groups also have a role to play in the delivery of various aspects of the plan. The aim is to encourage council, the community and other agencies to work together as one community to deliver on our vision for the future.

The University of Technology – Sydney (UTS) have been engaged to facilitate the phone survey and consultation with community through workshops commencing at the end of February in conjunction with council. Notice of workshops to be conducted at various locations throughout the council will be promoted through Council snippets, Facebook, Council’s website and on page 7 of this Newsletter.

Members of the community are encouraged to participate in the process, which is a critical component for shaping our future.

The draft Community Strategic Plan and Delivery Program will go on public exhibition for a 28 day period in early May and be finalised by 30 June 2018.

## UPCOMING PROGRAM FOR 2018

**SATURDAY 24<sup>TH</sup> MARCH 2018 -**

**CO-OPERA PRESENT THE BARBER OF SEVILLE**

TICKETS \$70.00, SUPPER IS INCLUDED IN THE TICKET PRICE-TICKETS ON SALE NOW

Co-Opera's *The Barber of Seville* fuses the idea of a European itinerant opera company with the hardship of life in a rough Australian gold-field. Of course, Italian touring opera companies performing in Ballarat in the 1880's did actually present in [the still operating] Her Majesty's Theatre. But our production has the artists performing in makeshift circumstances in the manner of Commedia players, the Skomorokhi...and Co-Opera!

Thus Dr Bartolo's house, which in the original version [and at Her Majesty's], was a dwelling of high class substance, in our goldfields' location is a humble makeshift, tumbledown Aussie Outback shack. The main characters are highly sophisticated, fashion conscious "blow in" European artists, whereas the minor roles and chorus members are taken by ordinary town folk or gold diggers by day, using locals for economy purposes wherever possible, in the manner of the Commedia, the Skomorokhi...and Co-Opera!

Whilst our *Barber* has a quirky Aussie setting, the music, the comedy and the main cast costumes are all pure late 19C European sophistication. *The Barber* is the most popular and well known of all comic operas and with this production predominantly in English, all the mischievous twists and turns of the plots and the hilarious dramatic situations will be immediately appreciated. There's a reason the music from *The Barber* features in more movie cartoons and more TV ads than any other famous opera. It's the best. Sublime arias, ingenious patter songs, and comic choruses combine to make irresistible entertainment.

## UPCOMING PROGRAM FOR 2018

### **FRIDAY 4<sup>TH</sup> MAY 2018- EIREBORNE**

ADULTS \$65.00, TICKET PRICE INCLUDES SUPPER, TICKETS ON SALE FROM FEBRUARY 2018

Created by Maryanne Fogarty an ex international dancer with Riverdance and nine times Australian Irish Dance open champion.

Directed by Nigel Turner-Carroll an Award winning director - Nigel's credits include The Tap Pack, which has most recently toured to Beijing and Edinburgh Fringe festival 2016, winning The Spirit of the Fringe Award.

Choreographed by Jessica Prince, the featured soloist in the American tour of Jason Gilkison's 'Burn the Floor'. She has performed with this company both nationally and internationally and has performed alongside many international artists including Olivia Newton John, Robbie Williams, Kelly Rowlands, Human Nature and John Paul Young.

What is unique about Eireborne is its celebration of Ireland's contribution to the world of music - the entire soundtrack is comprised only of songs written and/or performed by Irish artists. Hit songs from U2, Van Morrison, Thin Lizzy, Gary Moore, Hozier, Sinéad O'Connor, The Script and many many more.

Renowned lead Irish dancers hailing from international touring shows such as Riverdance and Lord of the Dance are complimented by two commercial ballroom dancers from Burn The Floor.

Note, the show is completely live and the dance taps are not tracked.

This show pushes Irish choreography to the limits and is fused with contemporary jazz, tap and ballet. The athleticism is non-stop throughout the show as dancers attack the floor to Irish hit songs and will have the audience standing in their seats.

The dancers and musicians are accompanied onstage by a charismatic Irish barman and with a cheeky sense of Irish wit and humour, he transports the audience to his Irish pub O' Hennessey's for a pint of ale and a night of rollicking good fun.

## ST FRANCIS XAVIER'S SCHOOL URANA

*Think, Speak and act like Christ*

### Greetings

We've well and truly begun our 2018 school year off with a bang!

To begin our year we welcomed the Britton family to our school. Max has joined us in Year 6 while Carter has started in Year 4. Welcome!!!

In Week 2, we held our Orientation Hour for our Play to Learn program where all of the children and parents were able to meet each other, our staff and explore their surrounds. It was also wonderful to have numerous parents of existing students come to welcome our Play to Learn families. For enquiries or to enrol in the program, please contact the school on 69 208 051.

Also in Week 2, we conducted our twilight swimming carnival and welcome BBQ at the Urana pool. It was a fantastic evening filled with participation, encouragement, fun and laughter. It certainly was a great way to welcome in the new school year as a community.

A big thank you to everyone who supported and participated on the evening.

At the swimming carnival, we also presented our Stage 3 (Year 5/6) students with their School Leaders badges. We're extremely proud of and have high expectations of all our students. However, we felt it important to acknowledge the special contribution our Stage 3 students make to our school. Congratulations Max B, Lauren, Gabriella, Archie and Angus!

In Week 3 we had a very excited student cohort as we welcomed Healthy Harold to our school. The annual visit by Harold is always fun and it is a marvelous supplement to our PD/H/PE program.

Next month we are looking forward to our annual visit to St. Joseph's Primary School Lockhart for Catholic Schools Week. This is a wonderful day where we come together to celebrate the wonderful opportunities our Catholic Schools provide our students.

God bless,  
Mitch Bailey  
Principal

Our 2018 School Leaders receiving their badges.  
(Zach Packer received his retrospectively)

## Urana Inc update

The Urana Inc AGM was held on Wed 5<sup>th</sup> Feb.

The results of the elections are as follows;

Chairman – Andy Dore

Vice Chair – Jamie Urquhart

Secretary – Karin Coghill

Committee – Kim Pawson, Damien Gooden and Harry Couzins

### **Great news about the Flood Study**

The council has had the 2<sup>nd</sup> stage of funding approved which means they can move onto community consultations and developing plans to mitigate flood problems at Urana, Boree Creek, Morundah and Rand (the towns considered most at risk).

### **Mick Robson's truck Route petition**

This has been presented at council and they have resolved to develop a report or plan of action.

### **Local Health Advisory Committee of Urana**

LHAC have put together a health survey to get a more accurate picture of our health needs. Surveys are at Dr Giri's medical centre, Post Office and the Council's Urana office. Oaklands, Boree Creek, Morundah and Daysdale have been sent copies via locals or pubs in several venues as a distribution points. Please get behind this survey and let Murrumbidgee Health know our REAL needs and complete them before **20<sup>th</sup> March.**

**Black Dog Institute** have approached our Mayor, Pat Bourke to possibly do a short film using the Urana town to highlight the statistics of Rural NSW having suicide rates of around 396 every year. This is the equivalent of the population of our whole town. The details of will they, when, how etc will be forthcoming when we hear anything concrete. Watch this space.

**Freedom Camping** is still in its infancy stage but we are getting closer to starting.

### **Multi-Purpose Leisure Centre**

Are you interested in joining a group of passionate locals to plan for building a Multi-Purpose Leisure Centre on the foreshore of the Urana Aquatic Centre. This is an open invitation for anyone to join this group.

***Please contact Katrina Dore on 0429 208 074***

### **COURTHOUSE NEWS**

With the hot weather, we have not had as many visitors through. However the volunteers still found plenty to do. Enquiries from people researching their family history keep on coming in. We, like them are always discovering past history of our town and surrounding areas.

We gratefully received a copy of a photograph of the old Hospital situated in Woodhouse Street. As the donor had thoughtfully framed it we were able to immediately display it in our "old Hospital" section.

Hopefully people have noticed our new signage for the Courthouse. Another project crossed off the "bucket list".

Volunteers are in attendance each Tuesday morning and other times can be arranged, simply by make a phone call to the numbers below. Feel free to drop in for a cuppa. Should you wish to be a volunteer you will be made very welcome.

BUSH FIRE SAFETY

NSW RURAL  
FIRE SERVICE

05

## Places of Last Resort

### NEIGHBOURHOOD SAFER PLACES (NSP)

- are a *Place of Last Resort* for people during a bush fire.

They are a last resort if all other options in your Bush Fire Survival Plan cannot be implemented.

Download a Bush Fire Survival Plan at [www.rfs.nsw.gov.au](http://www.rfs.nsw.gov.au)

### The Place of Last Resort

- ☐ If it is unsafe to leave the area or stay and defend your property, and the path is clear, you should move to your pre-identified NSP, or other safer location, prior to the impact of a bush fire.
- ☐ Be aware that when you are travelling to your NSP there may be heavy smoke and poor visibility. It is important that you are familiar with the area.
- ☐ Gather at the NSP location and remain there until the bush fire threat has passed.
- ☐ The conditions at the NSP may be uncomfortable and you may be affected by smoke and embers.
- ☐ Water, toilets and food may not be available at the NSP and emergency service personnel may not be present.
- ☐ People with special needs, such as the elderly and disabled, should always leave before the threat of fire.
- ☐ NSPs are not intended for pets and livestock.
- ☐ Your safest option will always be to leave early.

Well before there is any fire in your area:

- ☐ Be aware of NSP locations for your local area. See [www.rfs.nsw.gov.au](http://www.rfs.nsw.gov.au).
- ☐ Note any NSP's that are close to your property in your Bush Fire Survival Plan.
- ☐ Always remember these areas have been identified as a **PLACE OF LAST RESORT**.
- ☐ If there is no NSP available you should identify other safer locations in your Bush Fire Survival Plan.
- ☐ Other safer locations include a nearby well prepared home, a shopping centre, an oval etc. that is away from the bush.
- ☐ Be aware of the safest and any alternate access routes to your NSP.

Neighbourhood Safer Places do not guarantee your safety.

Leaving areas where a bush fire can start is always the safest option.

## CHRISTMAS

Well the decorations have all come down and the trees have been packed away again so Christmas is now some time away. Residents had some good ideas for packing things away so we will see if it is easier when we get the tinsel out in December. And it didn't take that long when we all pitched in. Prior to Christmas however, we did "create" some very crafty things as pictured below.

Residents celebrated Christmas in a variety of ways: some travelled to be with family for a period of time; some spent the day at home with family; and some stayed at the MPS and celebrated with staff and each other. Whatever they did, the feedback from residents was that they all had a lovely time.

Once again residents would like to acknowledge and thank the Urana Hotel for the very large bag of goodies they received. The little LED Christmas trees will be a permanent feature in many rooms; chocolates are always appreciated as are the toiletries and many other things that the bags contained. Everyone enjoyed delving in to see what they could find and there were so many items to find!

It was also lovely to spend time singing Christmas carols when our resident organists Ann and Eunice came up. Even Judy, with her magnificent singing voice, joined us one morning. Now we know how well she can sing – a "performance" may have to be arranged.

## CHRISTMAS CONCERTS

Who would have thought that plastic buckets could make such wonderful drums – well St Francis Xavier students demonstrated this to us with a wonderful arrangement that they had created themselves. All students handled those drum sticks so well during the quite long drumming piece – amazing. Mind you, that was not all the students were able to do – they are also excellent singers and everyone enjoyed their songs and their Christmas spirit as well as sharing morning tea. Thank you to staff and students for making this such a happy morning for all.

Our friends from Urana Public came along another day to share morning tea and lots of conversations with us and then sing some songs. We presented the Year 6 students with a mug as our way of saying "all the best at high school and thanks for the fun times we have had together". This partnership will continue this year as it is so beneficial to all parties.

# Activity Adventures at Urana MPS

The visit provided the opportunity for family photos as well – Jean with great-grandson, Brayden (and friends); Lal with his daughter, Nandina (and George); and Dawn with Hunter.

Before each concert we spent time creating Christmas Cake balls. That was a lot of fun and they tasted great. Cooking is a great way to be constructive and usually means lots of laughs and lots of advice being given (not all of it helpful!!).

## **RESIDENT MEETINGS**

In December we held our inaugural Resident Meeting. These will now be held on a monthly basis and will include all residents who wish to attend, myself (as Chairperson), and Karen (as Manager). Of course other staff are welcome to attend and Minutes will be displayed on the notice board in the Colombo Lodge dining room for everyone to read them.

The idea of the Meetings is for residents to come together and discuss issues – both positive and negative – that affect them. And believe it or not finding positives has been very easy. It is also a chance for residents to let me know what type of activities they would like to do – I'm afraid sky-diving is out of the question, but an indoor bowls day is now on my agenda!

One thing that came out of our January Meeting was to acknowledge the amount of care and effort that each staff member puts into purchasing Christmas and birthday gifts for each resident. All residents agreed that a lot of thought goes into each present so they are useful as they suit the recipient perfectly – and clothes sizes are always spot on too.

## **JIGSAWS**

We would like to thank the Urana Courthouse Museum for their donation of jigsaws featuring local landmarks. These have already provided much pondering and moving of pieces as we recreate the Old Hospital, the Urana Hotel and other places that we know so well.

And speaking of jigsaws, Kath has finished this wonderful jigsaw with a bit of help from other residents and staff. It has taken quite a while, but Kath's perseverance has been obvious the whole way through. The picture looks so much better than on the box and we are looking forward to seeing the next beautiful jigsaw picture that will be created.

## **CHRISTMAS CARE PACKAGE FOR AN AUSTRALIAN SOLDIER**

Residents decided they would like to support this initiative so Kath and I went shopping at the Urana Post Office, Ralphs and the Cafe to purchase appropriate Australian items for a female soldier in the Middle East as suggested in our brainstorming exercise. There was a particular sized box we needed to fill so we included a jigsaw, Outback magazine, Vegemite (of course), a beanie (knitted by Jean), card (created by residents), colouring book and Arnotts biscuits among other things.

While on the subject of Christmas giving, residents decided it would be a good idea to purchase a gift or two for the children to play with at Ronald McDonald House in Wagga Wagga. So it was back to the Post Office to purchase a John Deere tractor and package of Hairy Maclary books which were gratefully received at Ronald McDonald House. These were being kept at the House so children who had to be there during the Christmas period would have some nice new things to play with. Of course, now all children who have to stay there will benefit from them.

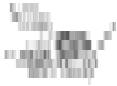

These gifts required only a minimal outlay by residents but we are sure they would have brought a great amount of happiness to others.

In between these special events we are continuing to produce lots of great colouring, word searches, quizzes and laughs. We are having an "India Day" on Wednesday, 14 March from 9.30 am to 11.30 am. Please contact the office if you would like to join us for what will be a wonderful and informative morning.
