Urana District Newsletter

Bourkey's Brief

Hello readers, and welcome to the July edition of the Urana District Newsletter.

It has been another busy time since I last reported in, with the adoption of our new Community Strategic Plan and Delivery Program and Operating Plan and budgets, at the June Council meeting. Council has worked really hard to ensure there is a spread of projects across the whole area, as well as maintaining all of the services and assets that the community enjoys.

As shown on the front cover, a real highlight of this month's Council meeting, was having Uncle Freddy Dowling, from the Bangerang tribe, Welcome to Country at the start of the Council meeting. Uncle Freddy was joined by other members from the group Many Mobs, and at morning tea, presented a very informative session on the formation of the areas that define the boundaries for each tribe in this area. This was a part of the celebration of NAIDOC Week, and Council is really appreciative of this kind gesture. Council was also thrilled to receive two new books detailing aboriginal history signed by Uncle Freddy, at the meeting. Council considers its relationship with the traditional custodians of the land in which we meet very significant and to have them attend our meeting and officially open it was fantastic.

I hope the school holiday period was an enjoyable time for local families and I am pleased to report that Council's school holiday youth and library program was a great success. In Urana and Oaklands, Council hosted a pom pom monster workshop and I have heard rave reviews from Staff and local children who participated. The Federation Rocks initiative is another program that has created much excitement from local children from Mulwala to Morundah, and everywhere in between and Council has been inundated with great pictures highlighting local finds. So well done all.

Council received a report at the July meeting, on the Federation Economic Development Action Plan 2018 – 2022, and this contains the work undertaken across the Council over recent years in engaging with the local smaller communities on their projects, plans and aspirations for the future. Shortly these communities will be consulted on the findings of what Council was told was the priorities, based on workshops and meetings. Once agreed and adopted as final, they will be a great help not only for committees such as Progress and Town Improvement groups in each area, but also for staff in managing projects and helping to develop others in these areas.

Until next time,

Councillor Patrick Bourke – Federation Council Mayor.

Council adopts Integrated Planning and Reporting Documents

Federation Council has adopted its Integrated Planning and Reporting (IP&R) suite of documents, including an overall budget of \$75M for 2018/19.

Mayor Pat Bourke said adoption of the planning and reporting documents has involved a significant journey for Federation Council and its communities.

“The IP&R documents are the first for our new Council and is the framework that Council will use to work towards achieving the community’s vision,” Mayor Bourke said.

“Our residents told us their vision for the future in the Federation Council Our Community – Our Opportunity Strategic Plan 2028, and the suite of Integrated Planning and Reporting documents we have just adopted lays out how we will work towards those goals.”

The Community Strategic Plan key outcomes to be focused on over the next 10 years include a recharged focus on -

1. Built Federation: Maintained and improved infrastructure that meets the needs of residents and industry;
2. Economic Federation: Growing, progressive and prosperous communities that build on sustainable manufacturing, agriculture and tourism, close proximity to other centres on both sides of the Murray and affordability;
3. Natural Federation: Sustainable rural landscapes and waterways offering tranquillity and attractive recreational spaces;
4. Social Federation: Close-knit and welcoming communities where people come together and support each other;
5. Well-Governed Federation: Strong civic leadership and governance supporting equity across communities and effective communication with residents.

Mayor Bourke said the coming 12 months in particular was an

important time for Federation as Council looks to continue to deliver major projects that will define the future growth of the region.

“Roads and economic development were the two strong standouts from the most recent community consultation,” he said.

“Council’s budget is aimed to deliver strongly on those aspects.”

A number of key projects and initiatives as highlighted in this year’s Delivery Program include:

- Corowa Swimming Pool complex redevelopment.
- Howlong Pre-school extension.
- Howlong and Corowa Skate Parks.
- Implementation of a Youth Council (recently formed).
- Lions Park boat ramp Corowa.
- Mulwala all-abilities playground.
- Owens Bridges reserve and Boat ramp upgrade Mulwala.
- Purtle Park Adventure Playground and Park upgrades Mulwala.
- Continued improvements to our roads network will include:
 - Federation Way, (a key arterial route through the Council area).
 - The freight network around Boree Creek.
 - Continued widening, sealing and rehabilitation on Bull Plain Road.
 - On-going bitumen re-seals and patching programs, and gravel resheeting and unsealed roads maintenance.

“Council plans and policies are inter-connected and do not exist in isolation. Our Integrated Planning and Reporting Framework allows Council to bring its various plans together and to prepare holistically and sustainably for the future,” Mayor Bourke said.

For further information, including how to view the documents visit Council’s website.

Rutherglen & Corowa Unlocked

Rutherglen & Corowa UNLOCKED

The rich history and beautiful architecture of the Rutherglen Corowa region will be on display in August, with an exciting new event being launched by Federation Council and Destination Rutherglen.

Rutherglen & Corowa Unlocked will showcase a number of properties across the region on 25 & 26 August and is inspired by Melbourne's prestigious Open House event.

The event is expected to attract visitation to the region during what is normally a quiet time, by providing an opportunity for those interested in history, design and architecture to explore buildings of significance. The event program, due to be launched in mid-July, will also include guided tours, guest speakers and workshops.

Chairman of Destination Rutherglen, Greg Duncan said the concept stemmed from the Open House model, seen around Australia including regional cities.

"We felt there was a real opportunity for something similar to work in this region and approached Federation Council about coming on board," he said.

Federation Council has also welcomed the partnership between Council and Destination Rutherglen. "This region has so much to offer and we are pleased to be working with Destination Rutherglen to draw people here," said Mayor Pat Bourke.

"We are very proud of the history and beauty of our towns and this event is a great opportunity to celebrate that," said the Mayor.

Federation Council and Destination Rutherglen have

thanked those businesses, organisations and residents who have agreed to open up their properties and make this event possible. Rutherglen & Corowa Unlocked has generated a considerable level of interest and is expected to continue gaining momentum and growing into the future.

The event is also being proudly supported by Regional Design Service, the Federation Museum and the Rutherglen Historical Society.

Further information about the event is available from www.visitcorowaregion.com.au and www.explorerutherglen.com.au

Council launches Intramaps

Council has launched the much anticipated new public mapping system, IntraMaps!

Intramaps is a user friendly online information portal containing interactive mapping, and spatial and business data for the general public.

Residents can now access interactive maps, details about services and facilities, planning and zoning information, parcels, underground assets, aerial imagery and explore local topographical information. Search and query functions are also available.

Mayor Pat Bourke said the IntraMaps tool is a big step forward in technological capabilities for the community and will allow Council to provide essential information and timely updates to residents.

"Council is thrilled to announce the launch of the much anticipated public mapping system, IntraMaps on our corporate website," Mayor Bourke said.

"This type of advancement in technology will be a great asset for our community who can now explore a wide variety of imagery, planning and zoning information and topographical information from the very comfort of their own home. This launch brings to fruition months of planning and detailed works completed by our Information Technology department and to say we are thrilled with the result is an understatement."

Cemeteries will be another feature available to virtually discover in the near future.

Residents are being encouraged to explore IntraMaps today on Council's corporate website: www.federationcouncil.nsw.gov.au/Community/Intramaps

Council introduces online rates payments

Ratepayers can skip the queue to pay their rates this year as Council has introduced yet another payment option through its corporate website.

Ratepayers can now visit Council's website and pay their rates and water account by credit card.

Federation Council Mayor Pat Bourke said the online payment of rates is a win-win for residents and Council.

"It is easy to make a payment. Ratepayers simply have to choose their biller code and enter their customer reference number and this will pull up details of their payment," he said.

"This new service gives our ratepayers the option of paying in the comfort of their own home and it will also allow ratepayers living overseas to make payments easily."

Mayor Bourke said Council hopes residents will make use of the new online payment service on the Council website.

"This move to offer rates payment on the Council website is just one of the list of improvements planned for Council's online services," he said.

"We are progressively working towards enabling residents to make payments and request for services online as we know that being able to pay for Council services online is convenient for residents and over time will produce cost-saving efficiencies for the Council."

For further information, and to pay your rates online visit Council's website today.

Responsibilities to our companion animals

Whether you consider yourself a dog person or a cat person, we all have a responsibility to our companion animals. Council works hard to communicate with local pet owners regarding these responsibilities, keeping both our furry friends and our community safe.

Responsibilities of pet owners

- If your dog is in a public place it must be under the effective control of a competent person by means of an adequate chain, cord or leash. The exceptions to this are; dogs exhibited at a show or engaging in obedience or agility trials or a dog secured in a cage or vehicle or in an approved off leash area. Fines may apply if your dog is found to be not adequately leashed in a public place.
- If your dog is being exercised in an approved off-leash area it must always be under the effective control of a competent person.
- You are not permitted to walk more than four dogs at any one time in an on-leash or off-leash area.
- Greyhounds must be muzzled at all times when in a public place.
- If your dog defecates in a public place it is an offence not to remove the faeces.
- Dogs are prohibited in children's play areas, food preparation/consumption areas, reception areas, public bathing areas, school grounds, child care centres, shopping areas and wildlife protection areas.

Microchipping and pet registration

Microchipping and registration is a two part process that requires dog and cat owners to:

1. Have their dog or cat implanted with a microchip from the time they are 12 weeks of age, at point of sale or change of ownership (whichever occurs first)
2. Register their animals with their NSW local council by 6 months of age.

Both the microchipping and registration of your dog or cat include a one-off fee and are for the life of the animal.

For further information on responsible pet ownership, visit Council's website.

Greg Aplin MP

Member for Albury

MEDIA RELEASE

29 June 2018

\$4.6 million up for grabs for local sports grant

Local sporting groups are being encouraged to apply for the latest round of funding under the NSW Government's Local Sport Grant Program.

Member for Albury, Greg Aplin said \$4.6 million was now available across the state for upgrading or creating new sports facilities, new sport programs, community events and projects that improve sports participation.

"Sport is a vital part of our community and I encourage all clubs and councils to apply," Mr Aplin said.

"Thousands of local clubs can apply for up to \$25,000 to fund individual initiatives, with up to \$50,000 set aside for every state electorate."

Sports Minister Stuart Ayres said the Local Sport Grant Program is now in its fourth year.

"It is a key priority of the NSW Government that everyone has the opportunity to take part in local sport or has access to open space," Mr Ayres said.

"Already this year, the Local Sport Grant Program has allocated funding for sports clubs in 93 electorates across the state and we anticipate this next round of funding will help hundreds more community groups and councils.

"This announcement is in addition to the NSW Government's \$290 million Open Spaces and Green Sydney package, along with the Active Kids program announced earlier this year. It also comes on top of \$200 million that has been committed to improving sporting facilities in regional NSW."

The Local Sports Grant Program opens today and will accept applications until 24 August 2018.

For more information visit sport.nsw.gov.au/clubs/grants/localsport or phone 13 13 02.

Matt Kean

Minister for Innovation and Better Regulation

Niall Blair

Minister for Primary Industries

MEDIA RELEASE

Tuesday, 26 June 2018

FURTHER FUNDING FOR NATION-LEADING QUAD BIKE SAFETY PROGRAM

Farmers will be safer at work on their properties thanks to a further investment in the NSW Government's Quad Bike Safety Improvement Program, Minister for Better Regulation Matt Kean said.

Mr Kean said the Government had decided to increase its investment in quad bike safety to a total of \$3.7 million.

"NSW continues to lead the way when it comes to quad bike safety, with the latest funds ramping up rebates and training for farmers across the state," Mr Kean said.

"Quad bikes are one of the biggest killers on our farms. In fact, according to AgHealth Australia there have been 240 deaths as a result of quad bikes across Australia, since 2001.

"Today's funding means we can continue to work with farmers to help ensure that when they head off to work in the morning, they return home safely to their family each night."

The state-wide program offers two rebates, worth up to \$1,000 each, to replace your existing quad bike or have it fitted with safety equipment like roll bars, as well as free accredited quad bike training with Tocal College.

Since launching in July 2016, the program has also:

- Issued almost \$1.6 million worth of quad bike safety rebates, resulting in a \$21 million total investment from farmers in overall farm safety improvements; and,
- Ensured more than 850 farmers and farm workers have completed accredited training, with funding for an additional 100 courses set aside in 2018/19.

Minister for Primary Industries Niall Blair said the Government was committed to improving quad bike safety across NSW.

"We know quad bikes are an essential part of farming across NSW but we want to make sure we continue to find ways to reduce risk and save lives," Mr Blair said.

"It is only through Government, industry and farmers working together that we will reduce deaths and injuries from the use of quad bikes, and this funding will help do just that."

ATTENTION ARTS AND CULTURE GROUPS: FUNDING UP FOR GRABS

Member for Albury, Greg Aplin today urged our local arts and culture organisations to get applications in to secure their share of a new \$47 million round of funding as part of the NSW Government's Regional Cultural Fund (RCF).

Mr Aplin said applications from Councils, as well as arts, screen and culture organisations are being invited from 1 July, and will close on 21 September 2018.

"This is a fund which has the potential to totally transform the arts and culture scene not only locally but across the entirety of regional NSW," Mr Aplin said.

"This \$47 million funding pool comes on top of the \$48 million which was already allocated to projects as part of round one of the fund.

"As part of round one, Albury saw projects like the PumpHouse Creative Enterprise Project and the Flying Fruit Fly Circus secure over \$1.3m in funding to create art spaces and enhance current facilities.

"Now, as part of round two, with an additional \$47 million available for regional areas, we have a further chance to secure even more financial support for our local arts and culture sector. This already includes \$5m for regional library infrastructure projects" Mr Aplin said.

Deputy Premier and Minister for Regional NSW John Barilaro said the second round of funding was available for infrastructure and redevelopment projects ranging from major new exhibition and performing arts spaces, through to refurbishment of libraries, theatres and museums and smaller, grass-roots community projects.

"Having grown up and raised a family in a regional area, I know how important arts and culture is to our regional and remote areas," Mr Barilaro said.

"As I travelled the state to announce projects funded under round one, I saw first-hand just how much our arts and culture communities appreciated the support.

"As Minister for Regional NSW, I want people to look to our regional areas, and think 'I could have a great life there', and as a government we know that a diverse and vibrant arts and culture scene is key to achieving that," he said.

Arts Minister Don Harwin said the fund was established to ensure regional NSW received its fair share of arts and cultural infrastructure - providing recreational and educational benefits as well as increased cultural tourism.

"During recent visits to regions receiving RCF grants, I've seen how important nurturing a vibrant cultural life is for local communities, and just how much they value these grants," Mr Harwin said.

"Arts, screen and culture is at the heart of every regional community. The success of our recent first round of funding shows the Government's commitment to driving growth in arts, screen, culture and heritage in regional NSW is making a difference. I am confident that the second round will go even further to show this."

Aspiring applicants can review guidelines for applying for funding at the Create NSW web page www.nsw.gov.au/regionalculturalfund . Email enquiries can go to regional.arts.nsw.gov.au .(this is not an email)

The \$100m Regional Cultural Fund is a vital piece of the broader \$1.3 billion Regional Growth Fund which the NSW Government announced last year.

Heritage Project

2018 HERITAGE PAINTING PROJECT COMPLETED

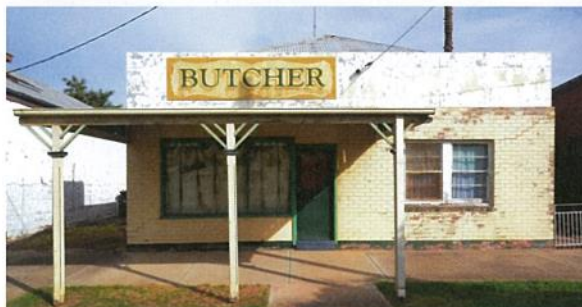

This year, council's heritage adviser Peter Kabaila reviewed the council list of historic areas and landmark buildings. Council's local heritage places fund was used to carry out important maintenance painting. Mimi the painter arrived at Urana and was greeted by old friends.

The first people met at the shire were Jenny Hearn and Cathy.

During the project, Mimi was spotted in painter's overalls on her borrowed bicycle, busy at Corowa, Urana, Buraja and Coreen, patching eroded brickwork, restoring signs, and painting landmark buildings.

Completed painting works this year included front doors and sign at Federation Museum, parapet at Coreen Hotel and verandah at Buraja Hotel. At Urana, patched brickwork at the Soldiers Hall and repainting of police station and lockup, courthouse, old butcher and Billabong Motors.

Old butcher's shop before and after.

Heritage Project

Constable Linda scraping paint at the old police station, and the completed job.

Working with Allan, also a cyclist, to repaint Billabong Motors, a landmark building in Urana's historic area.

Mimi sends sincere thanks to the great Council staff, volunteers and building owners who assisted her: Jenny Hearn – introductions, negotiations, hospitality, shopping. Adrian Butler – welcome and support. Pat Bourke and Allan – lifting platform and paint materials. Pam Danaher – accommodation. Rodney Anderson – painting materials, Paul (Urana Depot) – mortar mixing equipment and sand. Constable Linda and Mick Johnson – scraping, gap filling, paint contribution, flagpole lowering. Alan Handberg – Federation Museum support. Joanna Leahy – Buraja Hotel access and facilities. Ros – Coreen Hotel access and facilities.

Special highlights for Mimi were being welcomed, assisting with spring rolls on Anzac Day, hosting a Vietnamese lunch for council staff and practicing local expressions (e.g. "easy peasy", "too easy", "easy as").

At completion of the heritage painting project, Mimi returned home to work as a tour organizer and guide. She hopes to help you in Vietnam!

Think, Speak and act like Christ

Greetings!

CHANGE OF DATE: The annual Paddy's Markets will now be held on **Sunday August 12**. This is a different date to the one previously advertised. Please see the advertisement in this edition of the Shire news and look out for more information in the coming weeks.

The markets were one of the highlights of the last year. I am very much looking forward to it again in 2018 and I hope to see you there!

As a result of some of the wonderful efforts made by our students at the Deanery Carnival, we will have 7 students represent the school at the Diocesan Carnival in Albury on Thursday August 2nd. Well done to Max B, Carter, Archie, Lauren, Philippa, Gabriella and Angus.

The following day, our whole school will travel to Savernake for the annual carnival there. This too is also a day of great anticipation and excitement around the school. I wish everyone good luck!

Congratulations to Philippa Coghill on making her First Reconciliation at the end of last term. Sacramental preparations will now shift focus towards First Holy Communion which will be held at the end of Term 3. Date TBC.

On August 14 we will travel with other small schools of the area to the Wirraminna Environmental Education Centre at Burrumbuttock. The students will have the opportunity to learn about importance of local indigenous plants and Eucalyptus trees. During the day, we'll also receive an Acknowledgement of Country symbol as a follow up to the workshop David Dunn, a local Wiradjuri artist, conducted with the students earlier this year.

Traditionally, during Term 3, we would conduct our transition to school program. This will look very different this year as we have been running the Play to Learn initiative as our extended transition to school program. I would ask parents who are interested in enrolling their children for Kindergarten next year, who haven't already been in touch with the school, to contact us to discuss transition for your child/ren.

God bless,
Mitch Bailey
Principal

Urana District School News

St Francis Xavier's School Urana

- Educates in Catholic Faith and Values
- Emphasises Pastoral Care
- Values each child's uniqueness
- Offers a program aimed at developing the academic, cultural and special education needs of students

Come along to find yourself a bargain, there's something for everyone

Road safety

40km/h school zones

40km/h school zones slow traffic on the roads around schools. This is to help protect children on their way to and from schools at the times and places where they are often in high numbers. Most 40km/h school zones operate between 8.00am and 9.30am and from 2.30pm until 4.00pm. The 40km/h school zone speed limit must be observed even if school children cannot be seen.

A 40km/h school zone operates on all notified school days including staff development days (student-free days). While some schools may operate on different term dates, school zone speed limits must be followed during NSW Government determined school terms.

You can find the school term dates on the following websites:

- roadsafety.transport.nsw.gov.au
- educationstandards.nsw.edu.au
- education.nsw.gov.au

To increase motorists' awareness of 40km/h school zones, triangular 'dragon's teeth' road markings indicate that the vehicle is entering a school zone.

Fines and a loss of demerit points will apply if the 40km/h speed limit isn't followed. For more information on fines and demerit points, visit rms.nsw.gov.au

For more information on keeping our kids safe around schools visit the parents section on safetytown.com.au

Lives lost on NSW roads.

CWA Oaklands News

The new-look bathroom has met with a very positive response from members & other users. Included now is a wooden baby change table which will be a great asset. Thank you to Mrs Shelley Chandler for providing it.

We are pleased to announce the newly elected Federation Youth Council will be meeting some of the time at the CWA rooms in Oaklands. Congratulations to Liam Summons being elected to the group.

Anyone interested in cooking is invited to enter in the "Land Cookery" contest. This is open to male/female, CWA members or non-members. The new schedule for 2017-18 is now available. Local winning entries will go to State Judging May 2019 in Albury.

A big "thank you" is extended to Mrs Sarah Moloney for her continued work in the garden at the CWA rooms. Her efforts are very much appreciated by members. Sarah creates such a beautiful display at the central junction in Oaklands. Well done Sarah.

DO YOU KNOW SOMEONE IN YOUR COMMUNITY WITH AN ENDURING MENTAL ILLNESS THAT COULD BENEFIT FROM SOME COORDINATED SUPPORT?

Partners in Recovery {PIR} aims to better support people with severe and persistent mental illness and their carers and families by getting services and supports to work in a more collaborative, coordinated and integrated way, for systemic change.

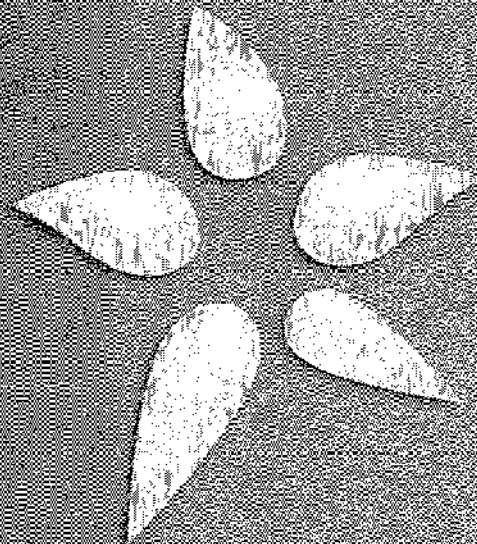

Support Facilitators assist participants to identify their hopes, dreams and priorities and facilitate the coordination of services and supports needed to meet those priorities.

Importantly, Hume PIR will identify where there are systems issues and barriers and lead in the development of systems change.

Contact the Hume PIR Intake Triage Clinician on 02 6041 0056.

Stepping on Turn 6

The Urana Stepping On group started with 6 members, now we average 15 every Monday.

What do we do?

We warm up for 5 minutes, then perform a series of muscle and stretching exercises, including weight bearing movements using dumbbell hand weights.

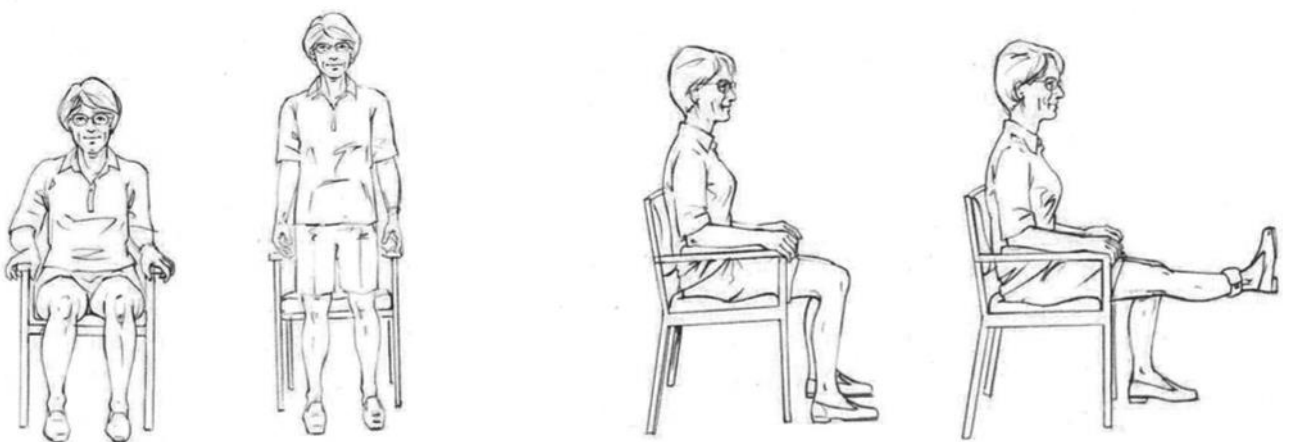

We do balance and several walking manoeuvres and finish with a very fast ball catching exercise.

We have a Christmas and Easter lunch at the Urana Bowling Club each year and a friendship group morning tea at the café once a month. All this for \$2.00 a week.

We have the fittest 90+ year old members in town.

Come along and see how our Stepping On Group works for yourself

ROBYN MOORE MOTIVATES FEDERATION VOLUNTEERS

Robyn Moore, moved, inspired and entertained 166 guests recently at the Federation Council's Volunteer Recognition Celebration.

Robyn was the National Communicator of the year, is an Ambassador for the Australia Day Council, Dragons Abreast Australia, the Australian Childhood Foundation and has been National Patron of Make-A-Wish Australia for 25 years...recently winning the 'International Make-A-Wish Volunteer of the Year' Award. She is a voice over artists, is the female character voices on radio's How Green is out Cactus, and is the voice of 'Blinky Bill'.

Robyn Moore, took guests on a roller coaster of emotions from laughing to crying while all along encouraging volunteers to continue serving each other, to show compassion and love for others and to make sure they take the time to have a good laugh along the way.

She reminded volunteers that every day they make a difference to their communities and others and that each of them are special for sticking their hand up and committing to be a volunteer.

Mayor Pat Bourke, opened the event saying that their time is valued and that Council respects and appreciates the support that volunteers provide to Federation communities.

"Today is about celebrating and formally recognising our guests for their time as volunteers and the unwavering support they continue to give to their communities' day in and day out," he said.

"Our communities would not be what they are today if they were not built on the backs of the hard work of our many volunteers. I hope you all leave here today with a great sense of fulfilment and pride because whether you volunteer at the football on a cold winter's morning, reading groups at our local schools, down at the local men's shed, or within many of our service groups you all make a great difference and I know I speak on behalf of many when I say we are so proud and thankful for you all."

Volunteers came from across the Federation Council region, and included volunteers from Lions and Rotary Clubs, Oaklands CWA, Corowa Events, Howlong and Corowa Men's Sheds, Federation Arts Committee, Sing Australia, P & H Society, RSL Sub Branch, P & C and P & F Groups, and many individuals doing great things.

Council's own volunteers included representatives from the Ageing Well Ambassadors group, Federation Youth Council, CDAC, Disability Inclusion Action Committee, Friends of the Library, Event Support and the Visitor Information Centre Volunteers.

Guests were treated to a high tea in the Federation Room at the Corowa RSL Club and received a certificate and Volunteer 2018 pin in recognition of their outstanding contribution of time, dedication and expertise to the Federation community.

In the words of Blinky Bill, Robyn reminded everyone to have an extraordinary life! You may as well!
