MESSAGE FROM THE MAYOR - PAT BOURKE

Dear Readers,

Welcome to the July edition of the Urana District Newsletter.

Council has recently adopted its first Integrated Planning and Reporting (IP&R) suite of documents.

The adoption of these documents involved a significant journey for Federation Council and its communities. This framework is what Council will use to continually work towards achieving our communities vision, supported by the five pillars of:

- Built Federation.
- Economic Federation.
- Natural Federation.
- Social Federation.
- Well Governed Federation.

Read further information in this edition about the 2019/20 budget.

Another important piece of planning work for Council is commencing soon being the Local Environmental Plan community consultation.

Council is preparing a new planning framework to guide the growth and development of Federation over the next 25 years. We want to create a clear, consistent planning framework that will guide the way land use is managed across the Federation Council area.

To do this we will prepare three key documents:

- Federation Land Use Strategy
- Federation Local Environmental Plan
- Federation Development Control Plan

Community members are being invited to drop in to the community information session at Urana on Wednesday 7 August.

The session will provide an opportunity to discuss matters face-to-face and ask questions. Read further information about this initiative in this edition of the newsletter.

Also included in this edition is a summary of Section 355 Committee and the associated representative Councillor.

Community feedback and engagement is important to Council and we look forward to continuing to work together to achieve positive outcomes for Federation Council communities.

Until next time,
Councillor Patrick Bourke - Federation Council Mayor

COUNCIL ADOPTS OPERATIONAL PLAN, DELIVERY PROGRAM & FINANCIAL PLAN

Federation Council has adopted its 2019/2020 Operational Plan, 2018 - 2021 Delivery Program and Financial Plan at it's ordinary June Council Meeting.

Council facilitated a series of community information sessions throughout the region whilst the plans were on exhibition, to present the documents in draft form, after Council endorsed them at its May meeting.

Federation Council Mayor, Cr Pat Bourke thanked those residents who attended the information sessions, or provided feedback throughout the consultation and exhibition period, which ran from 23 May to 20 June.

"We really appreciate that people have taken the time to talk to Council," said the Mayor. In total, we received

feedback from 54 people and groups. We have considered each issue or concern raised and where possible, the plans have been adjusted to reflect the feedback received." Most of the feedback received by Council during the consultation period related to issues that could be addressed within existing plans and are already being progressed, whilst others that require further consideration will be worked on and communication will occur to advise of this.

This will be the fourth year of Federation Council, and it will see Council continue to work with many local community members and organisations, as well as the State and Federal Governments as funding partners in many projects. 2019/20 will see some significant community projects being delivered right across the Federation Council area, with some of the bigger ticket items, and their estimated budgets, shown below:

- Corowa Swimming Pool Complex, \$9.5 million.
- Howlong Multipurpose Hall \$1.6 million.
- Urana Aquatic Leisure Centre Building \$935,000.
- All Abilities Playground at Purtle Park Mulwala, \$809,000.
- Bangerang Park Corowa - Playground upgrades and renewal works, \$650,000.

- Oaklands Medical Centre, \$614,000 (Purchase & renovations).
- Corowa Skate Park extension and part renewal works, \$453,000.
- Lonsdale Reserve Mulwala, Bay 13 Building upgrades and continuing with Master-plan works - \$200,000.

“The operating budget will provide resources to continue the wide range of services that our communities expect, including maintaining roads and bridges, collecting and disposing of waste, and providing water and sewerage services to our homes. It also supports many varied committees including the Federation Youth Council, Arts and Culture Committee, and the many Section 355 Committees, as well as continuing the annual \$60,000 Community Grants Program, and providing a fantastic mobile preschool service, and vibrant libraries.” Mayor Bourke said.

In addition to significant community infrastructure projects to be delivered, Council is also set to focus on delivering a \$37 million capital works program that includes:

- \$12.9 million in further road improvements
- \$3.3 million for the Corowa-Mulwala Cycling and Walking Trail.
- \$1.5 million for development of land at the Howlong Industrial

Estate.

- \$500,000 for improvements to the Corowa Saleyards.
- \$25,000 to commence implementation of the recently adopted Ageing Well Strategy.
- \$150,000 to conduct urgent rectification works at the Ball Park Caravan Park.
- \$140,000 into flood plain risk management at Daysdale.
- \$185,000 contribution towards the Mulwala, Howlong and Corowa Flood Study.

Mayor Bourke said “A balanced operating budget has been developed to ensure that we live within our means, and Council is extremely cognisant of the very tough seasons that affect so many of our ratepayers, directly and indirectly, and have applied the allowable increase of 2.7% evenly across all rate categories. Council is satisfied that it has worked hard to ensure an even spread of funding occurs across all of our many communities that will continue to see plenty of projects delivered and our services maintained and strengthened where possible.”

Council will provide regular reports to the community in relation to the implementation progress of the plans. Residents are being encouraged to view the final documents which are available for download from Council’s website.

Section 355 Committees

Councillor delegates are appointed annually to Section 355 committees and appointments are communicated to each committee in writing.

Councillors play a key role in that they are primarily responsible for:

- providing advise to the Committee on Council policies that may affect it and ensure that it is complying with its Constitution, especially with regard to its powers and financial activities;
- assisting the Committee to lobby Council; and
- reporting to Council on the activities of your Committee.

If your Committee has something that it would like Council to provide or change (e.g., more funding or other assistance or a change to its Constitution or a request to fundraise), then your Committee should write to Council's General Manager making its request. Your Councillor may well support your request in the Council meeting if it is discussed, but it is not his/her responsibility to initiate that request to Council.

Where a Councillor is appointed to represent Council on your Committee, he/she has the full rights of a member

of your Committee, including voting rights and must declare any conflict of interest at each meeting. All conflicts of interest must be minuted.

Councillors may hold an executive position but should not be the Chair except in exceptional circumstances.

Note: Each Councillor, whether a member of a committee or not, is entitled to attend and speak at a meeting of a Council committee. However, only Councillors who are members of the committee are entitled to put business on the committee's agenda, move or second a motion at the committee meeting, or vote at the meeting.

ACTIVITY ADVENTURES

KARAOKE

On the 12th June Urana MPS residents were able to show off their singing skills with our Karaoke morning.

Everyone was very enthusiastic about attending and singing which was great to see. Even the quiet and shy residents grabbed the microphone and sang to their old favourite songs. We had lovely renditions from our residents, in particular Phillip as we were treated to not 1, but 2 of his original songs. Everyone was captivated by what he sang and he was able to put into music what being blind means to him. It was truly inspiring.

Everyone had an amazing time, singing to old favourites, learning new songs, dancing and laughing with each other. We even went overtime as everyone just “wanted one more song”.

Ross took out the karaoke champion award and runners up were Bevan, George D, Phillip and Dawn, all proudly displaying their karaoke certificates in their bedrooms.

So stay tuned for our next karaoke day and we will see if the women can out sing the men and gain the certificate. Better get your singing voices ready girls.

Love and fun - Rosie and Sam

ACTIVITY ADVENTURES AT URANA M.P.S

TOOTHBRUSH DOILIES

What a combination! Residents created some beautiful “snowflakes” (yes it was a cold day) by flicking paint from a toothbrush on to the doilies. The rubber gloves made it a bit of hard work, but did save their fingers from becoming technicoloured.

URANA PUBLIC SCHOOL ASSEMBLY

Lorraine and some residents joined families and students for a school assembly recently. Residents joined the students and families under the COLA for lunch before moving inside for the assembly. The sunshine and company was awesome.

It was great for residents to be back in the classroom for the afternoon and listening to the beating of the drums among many other things.

Classrooms have changed a bit over the years and the residents enjoyed it so much that they will be back again.

UPCOMING EVENT

URANA HOSPITAL AUXILIARY UPDATE

The Urana Branch of The United Hospital Auxiliaries held it's AGM on the 8th July. I was given the honor of being elected president for my second year. Thankyou to those that attended on what turned into a bit of a dreary winter afternoon.

As those who have visited the Urana MPS lately may have noticed little brass plaques attached to certain items around the MPS. The auxiliary decided to purchase these plaques so that people who visit can see what the results of our fund raising goes towards. So they can have confidence that when they buy a cake at a cake stall or a buy a raffle ticket it really does go towards the benefit of the patients and residents of our MPS and that equipment also helps make our dedicated staff's job just a little easier. Our public hospitals very often rely on donations such as these, everything from a new drug trolley to a patient monitoring system to help keep our aged care residents safe. I often, when talking to the public, get a shocked reaction from some when they find out the kinds of equipment that needs to be donated. In the recent past the auxilliary has donated well in excess of \$50,000 in equipment. So thankyou to everyone for their support and please keep buying those raffle tickets.

Our next big fund raising event will be our Hospital Auxiliary Fete which is held on the Sunday, 3rd weekend

in October. There will be "chook raffles" with hams as well as chooks. A great goods auction, which always includes some great items.

Also morning tea and lunch BBQ. Our flower show is always very popular. The major raffle will be a \$500 Coles Myer voucher. Plus cakes and smaller raffles on the day. It is held at Victoria Park alongside the Vintage Steam Rally and tractor pull. Last year was a glorious day with visitors from all over. This year I believe is the 20th Anniversary. So we are looking forward to a great weekend in Urana. So keep your eye on the newsletter for details closer to the date.

Our auxiliary meets every second month on the second Monday of the month. Our next meeting will be held on the 9th September 2019 at 2pm. New members are always welcome to attend.

ST FRANCIS XAVIER'S SCHOOL URANA

Think, Speak and act like christ

Greetings!

SAVE THE DATE: The annual Paddy's Markets will be held on Sunday 18 August. Please keep a look out for advertising and more information in the coming weeks. The markets were one of the highlights of last year and I am very much looking forward to it again in 2019. We truly appreciate the support of the wider Urana and district community on this day.

I trust the students of the area have had a great winter break full of refreshing fun, and are now all ready to return to school for Term 3!

Since the last Newsletter, we've been to the annual Savernake Athletics Carnival and to a NAIDOC Week commemoration day in Finley.

Congratulations to all of the students on their efforts and sportsmanship at the Savernake Athletics Carnival in Week 9 of last term. A special congratulations to Angus Coghill on being awarded the 12/13yrs boy champion, and the wonderful team work which resulted in all three relay teams gaining 1st place. A big thank you to all the parents and supporters who were present on the day.

In Week 10, the school travelled to St. Joseph's Finley to join the other schools of the South West Deanery in commemorating NAIDOC Week. The Diocesan Aboriginal leaders and school workers were present to facilitate learning and exploring of the Aboriginal & Torres Strait Islander culture and heritage. A further note of thanks to those who provided transport for us.

First Holy Communion & Confirmation will be held on the same day, Sunday 4 August, in St. Fiacre's Parish Church Urana at 10am. Please join us if you can to support the students who will be receiving these Sacraments on the day. There will also be a celebratory morning tea and cake for the recipients in the main school building afterwards. If you intend on joining us for morning tea, we'd be most grateful if you can bring along a little something to share.

God bless,

Mitch Bailey
Principal

ALSO ON DISPLAY AT THE URANA COURTHOUSE MUSEUM...

In cooperation with the Federation Council Community Grants Program, the Urana Progress Association celebrates the life and work of Freddie Fox – The Boy from Urana.

In a timeless display of some of his finest work, the story of Freddie Fox and his close association with the Royal Family and other notable world celebrities will be unveiled on August 23 at the Urana Courthouse Museum.

A celebration of his life as much as his work, the display speaks to not only Freddie's unparalleled capacity as a milliner, but also his zest for life and zeal for living.
