MAYORS MESSAGE

Dear Readers,

Welcome to the July edition of the Urana District Newsletter for 2022.

In this edition, we wish to advise that the Federation Council adopted its 2022/2023 Operational Plan, 2022-2026 Delivery Program and Financial Plans at its June Council meeting. Combined, these documents provide a guide to Council's operations and help the organisation meet community demands for services and infrastructure by maximising what it can achieve with its available resources. Council would like to thank all residents who took the opportunity to provide their feedback and look forward to continued engagement and implementation of these plans. Read more in this edition of the newsletter.

We are pleased to invite you to express your interest in being a member of the Federation Council Roads Advisory Committee further information is included in this newsletter plus I am pleased to advise Council has been successful with their application for \$2.15M in funding to upgrade a 4km stretch of Federation Way south of Daysdale.

A reminder to all community organisations and groups that Council's Community Grants Program Round one opens on Monday 8 August, read further information in this newsletter plus many other valuable resources for businesses, initiatives and projects where Council invites you to participate in or provide your feedback.

Federation Council Mayor – Cr Pat Bourke.

COUNCIL CALLS FOR ROADS ADVISORY COMMITTEE MEMBERS TO NOMINATE

Federation Council is calling for expressions of interests from local residents in the Federation LGA to join Council's Roads Advisory Committee.

The Roads Advisory Committee has been established by Federation Council to provide information, comment, and feedback to Council in relation to the strategic management of Council's Road assets.

Federation Council Mayor, Cr Pat Bourke said Council was pleased to call for Roads Advisory Committee members and encouraged residents with an interest in Council's roads network to nominate.

"The poor condition of rural roads has been a big focus in recent engagement opportunities with our community and Council remains committed to working with our residents to achieve better outcomes for our road network," he said.

"This committee will provide great advice

and input to Council on areas such as the roads hierarchy, funding priorities, and will allow the community to have greater visibility over road maintenance. Other business representatives such as trucking, school bus companies, and larger industries heavily reliant on the road network such as dairies and feedlots, will also have the opportunity to meet as opportunities present."

Initially the Roads Advisory Committee will focus on the following priority areas:

- Rural Roads;
- Roads to key industries;
- Transport Asset Management Plans;
- Road Hierarchy; and
- Service Levels.

The Committees objectives are to:

- Develop and review the principles underlying the provision of the road network within the Council area – Road Hierarchy network.
- Monitor and provide information/advice to Council in relation to the issues arising out Council's Road network.
- Review strategies and provide advice to Council and staff regarding the management, maintenance, service levels, renewal and upgrading of roads within the council area.
- Review and provide advice on the downgrading or closing of roads within the Council Area.

The committee shall meet quarterly on the third Wednesday of the month at a place and time to be decided by the committee. The committee may decide to hold additional meetings throughout the year as required. See Council's website for more information.

COUNCIL ADOPTS OPERATIONAL PLAN, DELIVERY PROGRAM AND FINANCIAL PLANS

Council has adopted its 2022/2023 Operational Plan, 2022-2026 Delivery Program and Financial Plans at its June Council meeting.

Combined, these documents provide a guide to Council's operations and help the organisation meet community demands for services and infrastructure by maximising what it can achieve with its available resources.

Key priorities include:

- Delivering Council's 45 service functions for the benefit of the Federation community,
- Funding significant road renewal to address community concerns relating to deteriorating infrastructure, funded through a Special Rate Variation from July 2023,
- Supporting our community to prosper and grow by improving employment opportunities and improving livability,
- Undertaking detailed planning to address water and sewer needs in serviced communities,
- Improving the robustness of Council's long term Asset Management Planning and Long-Term Financial Planning to ensure that a financially responsible approach is taken and to ensure Council continues to strengthen its financial position over the medium to longer term,

- Finalising the Federation Council Growth Strategy, and
- Delivering the \$2.6m Corowa fore-shore upgrade.

Under the proposed budget in year one, Council will complete \$18M in capital projects, deliver \$8.3M in road works, and \$8.9M on our sewerage and water network.

In the Long-Term Financial Plan, Council adopted a scenario that provides a \$48 million annual operating program and \$18.6m capital program for 2022/23 and a \$104m total capital program over the 10 years. It contains rate increases at 2.5% for 2022/23, followed by a special rate variation for four years from 2023/24 to 2026/27 being 19%, 17%, 14% & 10%.

The average proposed residential rate increases equate to weekly:

- 2022/23: \$0.34
- 2023/24: \$2.63.
- 2024/25: \$2.80
- 2025/26: \$2.70.
- 2026/27: \$2.39.

The average proposed farmland rate increases equate to weekly:

- 2022/23: \$1.69.
- 2023/24: \$13.11.
- 2024/25: \$13.96.
- 2025/26: \$13.45.
- 2026/27: \$10.95.

The Special Rate Variation increase proposed will be subject to an application

FEDERATION COUNCIL NEWS

to IPART and involve further community engagement opportunities for ratepayers.

In adopting the plans, Federation Council Mayor Patrick Bourke said the overall plans primary focus was to ensure Council services are sustainable into the future, while delivering on the many major projects outlined in the Community Strategic Plan.

Council would like to thank all residents who took the opportunity to provide their feedback and look forward to continued engagement.

See Council's website for more information.

BILLABONG ANABRANCH BRIDGE REPLACEMENT: FEDERATION WAY OAKLANDS

Federation Council has commenced work on a \$1.8 million new 2 metre wider full bridge replacement construction at the Billabong Creek Anabranh near Oaklands.

The first stage of work is to construct a temporary bridge with an access road to the eastern side of the existing bridge.

Once this temporary bridge is complete, traffic will be diverted to enable the existing bridge to be demolished and new bridge construction.

This bridge replacement is jointly funded by the Australian Government and NSW State Government under the Bridges Renewal Program.

- Australian Government \$907,500
- N.S.W State Government \$907,500
- Total cost \$1,815,000

Road work signs are in place to maintain a safe working environment for our staff, and for the safety of motorists in the area. When travelling through the construction site please be aware of the road crews, equipment and potential traffic delays including reductions in the speed limit during the construction.

Works are expected to be complete by the end of August 2022.

Federation Council apologises for any inconvenience caused and thanks you in advance for your understanding and cooperation as Council builds and creates a safe and connected community.

COUNCIL MEETS WITH NSW ROADS AND TRANSPORT MINISTER

Image: Mulwala Progress Association representative John Lawless, NSW Minister for Regional Transport and Roads Sam Farraway, Federation Council Mayor Cr Pat Bourke, Member for Albury Justin Clancy and Mulwala Progress Association representative Robert Purtle pictured at the Yarrowonga Mulwala Bridge.

Federation Council and the Mulwala Progress Association met with NSW Minister for Regional Transport and Roads Sam Farraway on Thursday in Mulwala, with representatives highlighting the urgency of a Yarrowonga Mulwala Bridge replacement.

The Yarrowonga Mulwala Bridge was built in 1924 and provides a vital transport link across Lake Mulwala, between the twin towns of Mulwala in NSW and Yarrowonga in Victoria.

The current bridge receives funding from the two State Governments and as a result of high maintenance costs, the age of the bridge including the narrow widths, and increasing traffic demands, the Yarrowonga-Mulwala bridge has been

scheduled for replacement. A date has not yet been set for construction of the new bridge but at this stage is scheduled as a funding priority within the next 5-10 years. In a recent submission to Transport NSW, Council urged the agency to reassess its priorities as outlined in the 2018 Murray River Crossings Investment Prioritization Assessment, where the Yarrowonga Mulwala Bridge is currently ranked eighth highest priority for investment, behind Swan Hill, Tooleybuc, John Ford, Murrabit, Towong and George Chaffey bridges.

Federation Council Mayor, Cr Pat Bourke said Council welcomed the visit from NSW Minister for Regional Transport and Roads Sam Farraway to Mulwala and thanked Member for Albury Justin Clancy for his assistance in coordinating the meeting.

“Council has serious concerns in respect to the reliability, condition, safety and proximity to alternate crossings and pedestrian and cyclist facilities with the current bridge and we made this known to Minister Farraway,” he said.

“Council requests that urgent consideration is given to increase the priority of this bridge replacement due to our serious concerns, also shared frequently by our community and other road users. Recent traffic counts show a growing number of traffic movements daily over the bridge. With both Federation and Moira councils experiencing high levels of growth within our townships, traffic is only expected to continue to increase as we experience unprecedented residential

and industrial growth. Both State Governments need to ensure this growth is supported by the delivery of a new bridge.”

Mayor Bourke said Council also appreciated the opportunity to raise concerns about Council’s deteriorating rural road network directly to the Minister and advocate the importance of State and Federal road funding injections into regional LGAs such as Federation.

COMMUNITY GRANTS PROGRAM

The Community Grants Program supports initiatives that deliver a range of social and economic benefits to communities across the Federation Council area.

The program provides a more streamlined approach to supporting local community groups, organisations and clubs with delivering community projects and events.

Two rounds are facilitated each year, with a total amount of \$60,000 available to fund one-off projects through one of the nine focus categories:

- Arts And Culture;
- Events & Tourism;
- Community Work and Welfare;
- Skill Development and Learning;
- Health Promotion;
- Accessibility and Inclusion;
- Young People;
- Senior Residence; and
- Children and Families.

Round One of the 2022/2023

Community Grants Program will open on Monday 8 August 2022 and close on Friday 16 September 2022.

Applications recommended for approval will be considered and announced to successful groups at the October Ordinary Council meeting.

COROWA AQUATIC CENTRE BUSINESS PLAN

Federation Council’s draft Corowa Aquatic Centre Business Plan has been reviewed and endorsed by Council at its June Ordinary meeting.

This Business Plan outlines the strategy for driving success and growth of Corowa Aquatic Centre. It outlines Council’s objectives for the facility over the next four-year period for 2022/23 – 2025/26.

The draft plan is placed on public exhibition for a period of 28 days.

Council is inviting the community to review the draft plan and provide any feedback by 5pm Monday 1 August, 2022.

The draft plan is available for viewing and download below or at any Council office. Anyone interested in providing feedback on the policy should do so in writing, addressed to the General Manager, PO Box 77, Corowa NSW 2646 or email to council@federationcouncil.nsw.gov.au

COUNCIL RECEIVES \$2.15M FEDERATION WAY SOUTH OF DAYSDALE

Federation Council has recently been successful in a funding application under the Federal Government Heavy Vehicle Safety and Productivity Program for further much needed renewal work on Federation Way.

Council applied to the program to upgrade a 4km stretch of Federation Way to the value of \$2.15M. The location of the proposed work will be immediately south of and link up with, the current major road and bridge works being delivered just south of Daysdale.

Federation Council Mayor, Cr Pat Bourke thanked the Federal Government Department of Infrastructure, Transport, Regional Development and Communications following the announcement, as well as thanking Council staff who work hard to prepare excellent applications.

“This funding opportunity is extremely welcome news to Council and I am sure our road users who use this section of Federation Way. Residents,”

Mayor Bourke said. “Council has an extensive road network to maintain and grant programs such as this are crucial to provide some of the funding needed to undertake road infrastructure renewals. The poor condition of rural roads has been a big focus in recent engagement opportunities with our community and Council remains committed to working with our residents to achieve better outcomes for our road network. Two years of some of the driest times on record in 2018 and 2019 followed by thankfully, 2020, 2021 and now the first half of 2022, of amazing seasons has put enormous pressure on our road network as it is to other Councils in the region.”

Mayor Bourke said the previous Council and now continued on with the current Council, had undertaken significant Road Strategy improvement work, and this includes the current Roads Advisory Committee, being expanded to include Community members. This will have at least 8 community representatives on it (being advertised very shortly). This committee will provide great advice and input to Council on areas such as the roads hierarchy, funding priorities, and will allow the community to have greater visibility over road maintenance. Other business representatives such as trucking, school bus companies, and larger industries heavily reliant on the road network such as dairies and feedlots, will also have the opportunity to meet as opportunities present.

Residents are encouraged to stay up to date with the roads strategy work underway and engagement opportunities by visiting Council's website or signing up to

Council's electronic newsletter database.

The \$2.15M Federal funded works on Federation Way will be programmed to be completed in the 2022-2023 financial year.

COROWA TO MULWALA TRAIL CLOSE TO COMPLETION

Works on the Corowa to Mulwala trail are close to completion, following consistent wet weather throughout the winter period.

Federation Council is undertaking the Corowa to Mulwala Trail (CMT) and Foreshore Precincts project, which features the construction of a shared-use trail linking the townships of Corowa and Mulwala. The combined projects provide an opportunity to encourage exploration along the Murray River and integrate towns and villages across the three LGAs, creating a strengthened interface with the Murray River.

The Corowa to Mulwala Trail is part of the Murray River Regional Experiences project which is a joint initiative of Albury City, Berrigan Shire and Federation councils. The project aims to strengthen access to and connection with the Murray River for both residents and visitors. The councils are tasked with projects to improve infrastructure along 60 km of river frontage and have been provided with

specific purpose funding to do so.

Federation Council General Manager, Adrian Butler said it was pleasing to see that the trail was close to completion.

“Progress on the trail has been intermittent in the last few weeks due to the inclement weather,” Mr Butler said.

“Over 95% of the trail has been gravelled and is ready for sealing. Work will continue this week and depending on the weather conditions, additional sections of the trail will be sealed. The current work sites are River Street - Corowa to Croppers Road - Corowa, Stuckeys Road area, and from Kyffins Reserve to Owen Bridges Reserve.

Mr Butler said contractors are progressing with the board walk over Lake Mulwala near Drain Lane.

“Piles and headstocks have been installed, with work currently progressing on the installation of girders and decking,” he said.

“It is great to hear the positive comments from the community in respect to the project, and specifically the board walk feature over Lake Mulwala which is sure to be a drawcard.”

BIGGEST MORNING TEA

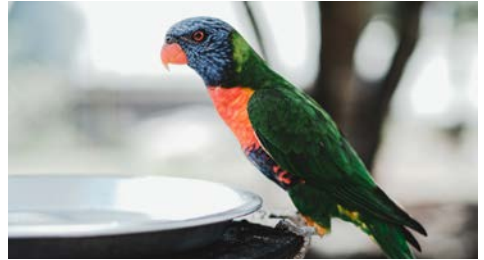

Thank you to everyone who came along for a wonderful morning of socializing, fun and information from Andrew Whitehead. We are proud to support this very worthwhile event on an annual basis – and our contribution is assisting with research and development which is a most important part of a cancer journey.

BIRD SALE

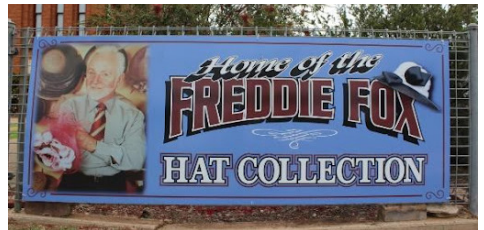

Don't forget to come along to the Urana Memorial Hall on Sunday, 24th July, 2022. Opening at 9 am and selling commencing at 10 am - you will be able to purchase a bird or two – or you can just have a look at the myriad of sizes and species that will be available.

BBQ, Devonshire tea and refreshments will be on offer along with a 'home-made' stall. Look forward to seeing everyone there.

CHANGING DISPLAYS

Thanks to our successful Riverina Water grant we now have funds to purchase and 'dress up' two containers to allow for the reorganization and expansion of our displays. Stay tuned as this journey progresses – and don't forget we would love a few more volunteers to assist us 'physically' and just as importantly 'artistically'! Please come along any time between 9.30 am and 3 pm on a Tuesday if you would like more information or contact a Progress Association member.

Another aspect of this expansion is the production of a video of the life of Freddie Fox. This will feature stunning photos of his hats; interviews with family, friends and a work colleague as well as Urana content and much more. Stay tuned for more on this masterpiece.

BINGO AFTERNOON

We have decided to offer community members an afternoon of something different – in the form of this Bingo Afternoon! There will be laughs, prizes and afternoon tea – and yes, we will have lots of games of bingo.

So come along to the Courthouse at 1.30 pm on Wednesday, 10th August and join in. Cost of the afternoon's entertainment and food is \$10. Prior experience not necessary!

NEXT MEETING

Our next Meeting will be held in the Courthouse on Tuesday, 2nd August, 2022. Coming to a Meeting does not mean you need to come to the Courthouse on Tuesdays.

We would encourage any person who is interested in what can happen in our town to come along and bring their ideas to us so together we can strive to achieve new and different things.

Oaklands Central School

We are all in this together

Cross Country

Congratulations to Annabelle and Talia who participated in the Primary and Secondary Riverina Cross Country in Gundagai. A special mention to Annabelle who came fourth in her event and has qualified to compete at the NSW PSSA Cross Country in Eastern Creek later in July. Well done to both students and best wishes to Annabelle!

Capital Works

Federation Council has received a grant to install wheelchair safe ramps and have also kindly laid out extra concrete to improve safety between the bus stops and the pathways.

The underground rain water tank installation cannot be completed while the weather remains inconsistent. When the weather improves, the final soil will be laid. The Playground area continues to have sections fenced and we are endeavouring to have them removed when safe.

Bake Sale

Our students held a cake and bake stall

and money raised was donated to the Urana Chemist to assist with lowering the cost of prescription medication for elderly Oaklands and Urana residents. What a selfless and kind act from our amazing students at OCS.

Alpha Show

Students attended the ALPHA Show - Sleeping Beauty. Our students along with students from surrounding schools have been enjoying the wonderful productions the Alpha Show have been performing for many years. Everyone was thoroughly entertained.

Transition Camp

Years 6/7/8 attended a Transition Camp at the BIG4 Deniliquin Holiday Park last week. After arriving and settling in, they enjoyed dinner at the Deniliquin RSL. After dinner they watching TV and ate popcorn and ice cream. The group went to the Yarkuwa Indigenous Knowledge Centre where they looked at some artefacts such as woven baskets and grinding stones. Next, they went on to the Depot Car Museum where some did the treasure hunt, looking for the clues on toy cars while others swooned over the awesome cars. The blue Volks Wagon Beetle was a favourite as were the Mon-aro's! Thank you to Mrs Davis, Miss Neal and Mr Farrell for taking the excursion.

URANA & DISTRICT HEALTH SERVICES

At our recent meeting of the Urana LHAC (Local Health & Community Advisory Committee) members discussed the staff shortages at our centre, Urana MPS, and how it has impacted our own Doctor Giri, Facility Manager, Karen Flack, trained staff and all of those employed at the Urana MPS.

Members of the LHAC expressed their appreciation to all these dedicated staff. Dr Giri who visits patients at the MPS 5 days per week, attends call outs, accident and emergency cases and performs procedures all the while keeping his surgery at the Urana Medical Centre open and offering additional services. The trained nurses who are working additional hours during the current crisis to ensure we have full time quality health care.

It is reassuring for all of us living in the district to know we have such first class medical & health services available. Maybe we enjoy good health and have not availed ourselves of these services to date however, it would be a nice gesture if we took time out to let those involved know we appreciate the care, friendship shown and dedication they apply to their chosen career and profession.

We have had staff shortages before, at one stage when closure was threatened due to lack of staff, volunteers came out of retirement and undertook refresher courses so they could offer their services to allow the overworked staff take some much-needed respite.

Our LHA Committee would like it known that we would dearly welcome additional members. It is rewarding work, more satisfying than being on the receiving end. We hold meetings every second month, lasting approximately an hour and a half. We suggest interested parties come along to a few meetings, without any commitment, and then decide if they would like to be part of the team.

THANK YOU.

WASTE FACILITIES & CHARGES

Household waste accepted only (not commercial origin), not accepted at Mulwala Transfer Station, Putrescible waste (food scraps) not accepted at Corowa Waste Facility.

Skip bins available 24 hours at the Urana, Victoria Park Recreation Ground.

URANA COMMUNITY RECYCLING CENTRE

Federation Council and the NSW EPA have recently opened two Community Recycling Centres (CRC's) in Corowa and Urana.

Many familiar products you use in your home, car, garage and shed can be hazardous to other people and the environment. Because of this, they cannot be disposed of in your red, yellow or green lidded bins.

These include:

- batteries (household only).
- motor & other oils (5-20 ltrs motor oils and other oils).
- paint.
- smoke detectors.
- fire extinguishers.
- gas bottles.
- fluro lights.

Once you no longer have a use for these products, they become household problem waste. If disposed of incorrectly, or released into the environment, these products can pollute our soil, contaminate our water and even cause physical harm to people and animals.

The good news is you can dispose of them for FREE at the following CRC's. The products are then processed and the reclaimed materials used to make other products.

The Urana CRC is located at the Urana Waste Disposal Centre, Boree Creek Road, Urana.

Operating Hours:

Sunday 11:00am – 4:00pm

The facility is closed Christmas Day, Boxing Day, New Years Day, Good Friday and Easter Sunday.
