

October 2018

Federation Council Urana District Newsletter

Bourkey's Brief

Hello readers, and welcome to the October edition of the Urana District Newsletter.

It has been another eventful month on all fronts, with Federation Council welcoming another generous funding announcement from the NSW Government.

A total of \$3,608,776 will be spent on sixteen projects in the Federation Council area covering sport, recreational and community facilities. This additional funding will not only further support the health and wellbeing of residents, but also the long term sustainability of our local communities.

Council is thrilled to be given this exciting opportunity to deliver projects that will provide significant benefit to our communities and we are very grateful to the NSW Government for their continued commitment to invest in regional areas. We're looking forward to working with community groups and sporting clubs to deliver these projects over the next two years. Council worked hard to ensure a spread of projects occurred across many of our communities, with many targeting long term priorities that the community had been working towards for years.

Bitumen road reseals are also currently underway throughout the Council area and Urana residents may have noticed works occurring around town over the past few weeks. Once the local roads in Urana are completed the crews will be heading to Boree Creek to continue this great work. This work has been made possible from the Stronger Communities Fund and Council would like to thank the NSW Government once again for their financial commitment into maintaining country roads.

Council would also like to thank our residents from across the Northern Council area who attended a number of flood plain risk management workshops in Urana, Oaklands, Rand, Boree Creek and Morundah.

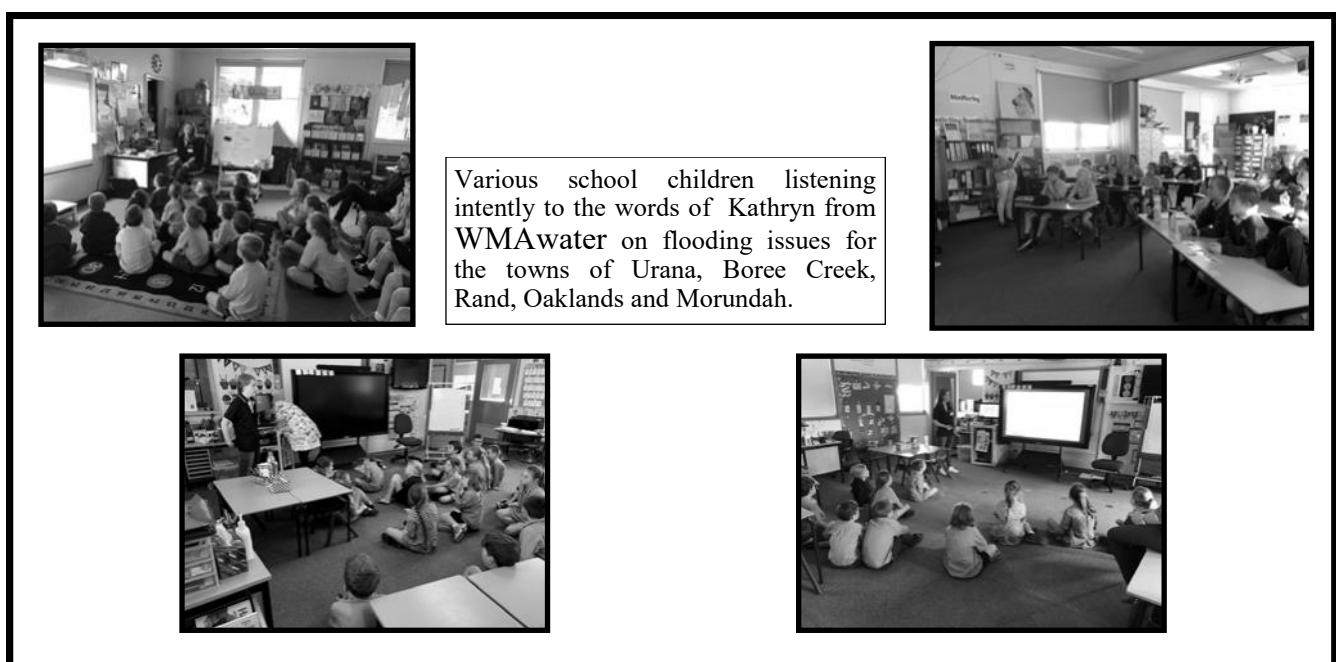

This engagement and consultation work helps Council to identify flood risk, investigate potential flood risk mitigation options, and where appropriate, make recommendations for options to be implemented.

Federation Council, with the support of the NSW Government Office of Environment and Heritage and the firm leading this work, WMA water, engaged with local residents earlier this month to promote awareness of the project, identify key flood risks in each village and gather ideas for, and discuss, potential flood risk mitigation options to address identified issues.

Council remains to be proactive about flooding in each village and from completing the first part of the study, Council has a solid data set of flood models, and a greater understanding of the main flood risk areas, and has now been able to confirm and refine this understanding with our residents. Council staff, with the assistance of WMA consultants will now work to collate findings to progress the next stage of the project next year.

Until next time,

Councillor Patrick Bourke – Federation Council Mayor

Council Meetings

Ordinary meetings of Council are held in the Federation Council Chambers at the Corowa Office on the third Tuesday of the month commencing at 9:30 am.

The Ordinary meeting of Council is responsible for dealing with matters relating to finance, works, development, planning, health, building and community services. This meeting also makes a decision on Committee recommendations and is the forum for making the final decision of Council.

Residents and ratepayers are cordially invited to attend Council meetings.

2018 Meeting Dates

Tuesday, 20 November 2018

Tuesday, 18 December 2018

The meetings are also filmed and available for viewing later at
https://www.youtube.com/channel/UCdZehH_eqMuJc3XZtQ9SNXw/live

Council hosts Drought Support Day

Federation Council has thanked service providers who took part in the recent Drought Support Day held in Urana and Oaklands on Wednesday 3 October.

Mayor, Pat Bourke said the initiative provided an opportunity for council representatives and service providers to talk to local farmers and gain a better understanding of the impact the drought and recent frost events are having.

"These are really important conversations to have because it means we are then better placed to support and advocate on behalf of the community when and where it's needed," he said.

A number of residents accessed the range of drought related information available on the day, and also came together to enjoy a bbq and downpour of rain.

"It's not often we welcome rain during an event, but on this occasion we were very pleased to be washed out," the Mayor said.

Council has thanked the Urana Inc and Oaklands Men's Bowls Club for providing the bbq and the Oaklands CWA for assisting with use of the hall.

Service providers who attended on the day included the Australian Government Mobile Centre, Rural Financial Counsellor, Amaranth Foundation, TAFE NSW, Intereach (Corowa Community Hub), Murray Local Lands Service, Albury Community Mental Health Service, and the Urana Hospital and Community Health.

Federation Council's Noxious Weeds Officer was also on hand to provide important information and the Mobile Preschool team provided activities for children throughout the day.

Council also recently facilitated a drought forum which brought together a number of local farmers, agronomists, service providers and other key stakeholders to discuss the challenges being faced by local farming communities.

"Council is committed to working with stakeholders to identify ways it can support the community during difficult times such as a drought. We have gained some good insights over recent weeks and we'll be considering a number of actions moving forward," Mayor Bourke said.

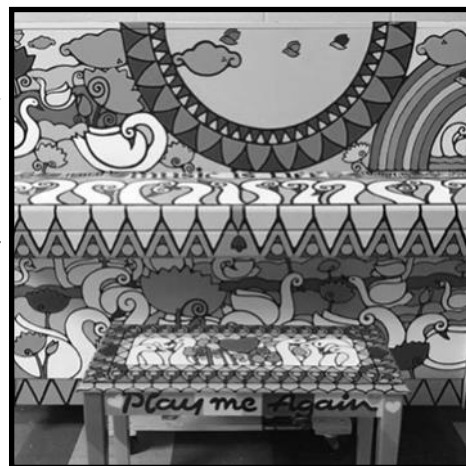

Further information about the drought support available can be found by visiting Council's website www.federationcouncil.nsw.gov.au

Federation Youth Council CommUNITY Piano Project

The Federation Youth Council's the CommUNITY Piano Project is set to achieve an outstanding result for Federation Council communities.

A CommUNITY Piano is a piano placed in the street which people passing by are encouraged to play. The concept originated quite by accident in Sheffield, England and is a world-wide phenomenon that the Federation Youth Council feel the area should be a part of. Street pianos are great not just for the music they bring, but are a powerful economic force, and act as a magnet for tourism. Even more important, they help educate and inspire, create a sense of shared ownership and responsibility, and stimulate creativity.

Concerned with the issue of inclusion and acceptance of young people, the Federation Youth Council hope this is the catalyst for people to see each other, make conversation and come together without any prejudice.

The CommUNITY Piano Project involves the Federation Youth Council working with a local artist, school and community groups to turn them into public art pieces.

The Youth Council currently have one upright piano on castors and once completed, it will be tuned and then secured to its chosen location as a public art project aimed at creating a place for exchange and an opportunity for people to connect.

Federation Council will transport the finished piano to its permanent location and the piano will remain the property of the Federation Council. Federation Youth Council will be working closely with Council to ensure the piano is compliant to footpath regulations and the piano is covered under Council's public liability insurance.

The piano will be ready for public display in December /January and will be on a four month trial to gauge the impact it has on each community.

The long term aim is to have pianos installed in public places across the Council area, located on streets, in public parks, outside cafes and local community meeting areas encouraging passers-by to come together and play or listen to the pianos.

The Federation Youth Council would like to invite business owner/s to become 'Piano Partners' and support the project by adopting the piano, covering it at the end of the day or wheeling it inside their premises from the outside elements.

The CommUNITY Piano Project is funded through the Youth Opportunities Program 2018.

If you would like to become a Piano Partner or wish to discuss the CommUNITY Piano project further, please contact, Amber Harvey, Community Development Team Leader, on (02) 6033 8974 or email amber.harvey@federationcouncil.nsw.gov.au

'Flicks in the Sticks' to support drought relief

The Federation Youth Council is hosting a drought relief movie night for teenagers and families on Saturday 17 November at the Oaklands Recreation Ground.

Flicks in the Sticks is a free event and will include the screening of two movies, the family friendly "Nut Job 2- Nutty by Nature" followed by "Tomb Raider" for teenagers aged over fifteen.

Federation Youth Council Mayor, Dylan Forge said the Federation Youth Council are proud to show support for the drought-affected farmers and farming communities and is encouraging families from across the Federation Council region to attend the event.

"This is a current problem facing Australian farmers and is very important to our youth council as we are living in a rural community," he said.

Youth Councillor Liam Summons from Oaklands said he is looking forward to hosting the event alongside other fellow youth councillors. "As a Youth Councillor, it is really wonderful to be able to host an event in Oaklands that aims to boost the youth

community and provide entertainment," he said. "I hope that the Youth Council can continue to achieve further positive projects for youth all around the Federation area."

The first screening at sunset is the family friendly movie, “Nut Job 2 – Nutty by Nature”. An animated comedy about Surly the squirrel and his friends who must stop Oakton City’s Mayor from destroying their home to make way for a dysfunctional amusement park.

A second movie “Tomb Raider”, aimed at teenagers will commence screening at approximately 8:30pm. The 2018 action-adventure movie follows Lara Croft, the fiercely independent daughter of a missing adventurer, who must push herself beyond her limits when she discovers the island where her father disappeared.

Mayor Pat Bourke praised the great efforts of the Federation Youth Council.

“This is a great initiative by the Youth Council and I would like to take this opportunity to formally thank them for supporting our drought relief effort by coming up with such a great community project,” Mayor Bourke said.

“Events like this allow people to come in off the land, spend some time with their families, catch up with their neighbours and have a break from the tough reality of their situation. Social events in these hard times are important for mental health and community morale.”

Australia Day Awards

Do you know of someone special, a group or an event that deserves an award?

Pay tribute to someone who makes you proud to be Australian. Whether it is a friend, family member, work mate or someone you have met while serving the community and nominate them for Federation Council’s Australia Day Awards.

Now is the time to celebrate the achievement and contribution of individuals and community organisations, with nominations for the 2019 Federation Council Australia Day Awards opening on Monday 15 October.

Residents are encouraged to consider who they believe makes a difference in the community, and nominate them to be recognised for their efforts and commitment.

The Categories are as follows:

Federation Council Citizen of the Year

Federation Council Young Citizen of the Year

Federation Council Local Achiever of the Year Award

Federation Council Local Achiever of the Year Award

Federation Council Community Event of the Year

Federation Council Community Project of the Year

Award recipients will be announced at the official Australia Day Award Ceremony on Saturday 26 January 2019 in Mulwala.

Nomination forms can be found on Council’s website, or from any Council office.

Nominations close at 5pm on Monday 3 December 2018.

Winners Australia Day 2018 together with Deputy Mayor, Australia Day Ambassador and the Mayor.

Funding boost for local communities

Federation Council has welcomed an exciting funding announcement from the NSW Government, with over \$3.6 million being provided towards important community infrastructure projects.

Member for Albury, Greg Aplin was in Corowa yesterday to make the announcement.

“This is another great outcome for the Federation Council community and their sporting grounds,” Mr Aplin said.

“The NSW Coalition Government continues to invest in our communities and I congratulate all the successful organisations and communities that will benefit from these improvements” Mr Aplin said.

A total of \$3,608,776 will be spent on sixteen projects in the Federation Council area covering sport, recreational and community facilities:

\$224,690 for upgrades to the John Foord Oval Sporting Facilities,

\$91,817 for upgrades to the Colombo Creek Ski Club Toilet Block,

\$449,820 for upgrades to the Oaklands Recreational Reserve Change Room and Toilet Block,

\$104,853 for the resurfacing of Urana Tennis Courts,

\$80,954 for the Lonsdale Recreation Reserve Playground,

\$85,532 for the Rejuvenation of Corowa High School Oval for community use,

\$68,970 for the Rand Sports Ground improvements,

\$272,965 for the lighting upgrade for Rennie Recreational Reserve,

\$180,000 for the refurbishment of clubrooms at Howlong Tennis Club,

\$280,393 for the reconstruction of the netball and tennis court at Coreen Recreation Reserve,

\$180,000 for a pedestrian bridge at Urana Aquatic Centre,

\$199,353 for the Ball Park Multisport Pavilion,

\$95,898 for the refurbishment of the Corowa Rowing Club,

\$750,000 for the Corowa Swimming Pool Splash Park,

\$300,000 for the upgrade of Max Kirwan Water Ski Club to world class standard, and

\$243,531 towards the Urana Aquatic Leisure Centre building.

Federation Council Mayor, Pat Bourke has said the funding will not only support the health and wellbeing of residents, but also the long term sustainability of local communities.

“This is an exciting opportunity to deliver projects that will provide significant benefit to our communities and we are very grateful to the NSW Government for their commitment to invest in regional areas.” he said.

“We’re looking forward to working with community groups and sporting clubs to deliver these projects over the next two years.” Mayor Bourke said.

Responsibilities to our companion animals

Whether you consider yourself a dog person or a cat person, we all have a responsibility to our companion animals. Council works hard to communicate with local pet owners regarding these responsibilities, keeping both our furry friends and our community safe.

Responsibilities of pet owners

- If your dog is in a public place it must be under the effective control of a competent person by means of an adequate chain, cord or leash. The exceptions to this are; dogs exhibited at a show or engaging in obedience or agility trials or a dog secured in a cage or vehicle or in an approved off leash area. Fines may apply if your dog is found to be not adequately leashed in a public place.
- If your dog is being exercised in an approved off-leash area it must always be under the effective control of a competent person.
- You are not permitted to walk more than four dogs at any one time in an on-leash or off-leash area.
- Greyhounds must be muzzled at all times when in a public place.
- If your dog defecates in a public place it is an offence not to remove the faeces.
- Dogs are prohibited in children's play areas, food preparation/consumption areas, reception areas, public bathing areas, school grounds, child care centres, shopping areas and wildlife protection areas.

Microchipping and pet registration

Microchipping and registration is a two part process that requires dog and cat owners to:

1. Have their dog or cat implanted with a microchip from the time they are 12 weeks of age, at point of sale or change of ownership (whichever occurs first)
2. Register their animals with their NSW local council by 6 months of age.

Both the microchipping and registration of your dog or cat include a one-off fee and are for the life of the animal.

For further information on responsible pet ownership, visit Council's website.

MENS HEALTH

Oaklands and surrounds Men's Health Group

My name is George Sandral I'm 17, live on a local farm and go to school at St Francis Leeton. I have a passion for fitness and last year I completed a certificate III in fitness training. I am running a 6 week program over summer for men aged 20-65 and would like to invite you to participate in this fun group environment.

This year has been challenging with bugger all rainfall resulting in struggling crops. I'm running these classes to provide a release from the stress of daily life. The exercise will vary in intensity according to personal desire and will be a good opportunity to catch up and support one another over the summer period. The time and day for classes will be worked out depending on who would like to participate. Get your mate on board and call or email me to register or for more information!

The Office of Sport delivers Royal Life Saving Society's national Swim and Survive program in regional areas of NSW where limited learn to swim opportunities exist.

Lessons cater for children aged 18 months to 12 years and provide everything from water awareness through to developing strokes and endurance. Classes are delivered by nationally-qualified instructors and normally run for nine consecutive week days.

Prices for nine lessons are \$74 for school aged children and \$52 for pre-schoolers (prices exclude pool entry).

MORUNDAH
**Market
Day**

Sunday 9th December 2018
9.00am to 1.00pm

The Annual Morundah Market Day is an annual event held by the Morundah Community. The event is held in the Browley Street Park and the Paradise Palladium Theatre and surrounds. As we only have one market day a year, we get a large and varied mix of stallholders including preserves, craft, tools, leather goods, Bric a Brac, fresh bread just to name a few.

This year all the inside stalls are fully booked but there is plenty of outside stall areas available.

Please note that we do not allow food/coffee vendors as the community has the catering rights to this event. All food is donated locally and sold through the market day café located in the hotel dining room.

Sites are \$25 for a 3m x 3m area. We do not supply tables.

To book a site call the Morundah Hotel on (02) 6959 7414 after 12 noon prior to the date.

Urana District School News

ST FRANCIS XAVIER'S SCHOOL URANA

Think, Speak and act like Christ

Greetings!

Welcome back to Term 4. The year is certainly flying past!

In Week 1 we held a Mass followed by a light lunch to celebrate the Tercentenary Nano Nagle's birth. We are very grateful to all of the people who were able to attend to help us mark this occasion. Nano Nagle created and developed the Presentation Sisters order in Ireland in 1755. She and her fellow Sisters ran schools for the poor and marginalised children of the time and they continued to open more convents and schools across Ireland. In 1874, after receiving the call for help from Australian Bishops, some Presentation Sisters travelled to Australia to begin schools and convents here. The Mount Erin Convent in Wagga was started and after many years of successfully beginning schools in the Wagga Wagga Diocese, three wonderful Sisters came to Urana in 1941 to open the school we have today. It was fantastic to have a number of Presentation Sisters join us for the day including several who were either students or teacher at our school.

On the weekend of the 21st & 22nd of October our P&F association catered for the Urana Tractor Pull. A big thank you to all who helped out over the weekend as we very much appreciate the time and effort you put in to make it successful.

During Week 2 we travelled to the Redlands Reserve near Corowa to participate in examining past uses of the land by Aboriginal and Non-Aboriginal people. We also explored the impacts of our behaviour on flora and fauna of the area. A big thank you to Sally Hughes from the Corowa and District Landcare organisation for coordinating and hosting the day.

Week 3 will see us head to Wagga Wagga for an overnight excursion. There are many wonderful experiences on our itinerary and we'll report on these, with some photos too, in the shire news next month.

We've also got single day excursions planned for Lockhart, Narrandera and Wagga again before the end of the year. Combine these with end of year performances and swimming lessons and it all makes for a busy Term 4.

God bless,
Mitch Bailey
Principal

Urana Public School

.....personalized, innovative education in a safe and supportive environment

It's hard to believe that we are at the start of term 4. We have had an exciting and eventful term 3. Each of the students continue to grow into confident and independent learners.

Wednesday 26th September was a very busy day for us celebrating Footy Colours Day and visiting the residents at the Urana MPS. The smiles the students bring to the elderly is in itself rewarding but also the smiles the residents bring to the students is wonderful to witness.

We enjoyed a traditional footy lunch—party pies and cocktail frankfurts!

Wednesday also involved a visit from our Director, Mr Troy Mott. He took part in a robotics session and the students shared with him their highlights and something they were proud of with their learning. The answers varied from NAPLAN results showing their growth, individual effort in mathematics, reading levels and handwriting efforts.

He was very impressed and also enjoyed seeing the robots in action!

ACTIVITY ADVENTURES AT URANA MPS

EMILY – OUR GREYHOUND

Karen and Sara drove to the Greyhound Adoption Program kennels in Seymour on 4th September to bring Emily back to her new home. This Program involved us submitting an application which included details of a daily routine. Karen then began looking for suitable dogs on their website and was helped in this process by the team in Seymour.

Emily has a beautiful calm nature, is house trained, vet checked and microchipped and arrived at her new home with a lead and several other necessities supplied by the Program staff.

She is settling in well and finding her way around the hospital (particularly to the staff room where she has been known to help herself to staff lunches!!!).

Emily's day usually starts with a visit to each resident and then she will wander around and take a pat from anyone she sees. At mealtimes she happily goes outside for a bit of exercise or a rest! Her gentle nature is just what is needed in our setting and residents look forward to her visits.

The MPS is very fortunate to have Ralph Ciccio, Billabong Ag, Landmark and Jerilderie Vet Clinic sponsoring Emily's needs and would like to extend a "thank you" to these businesses.

We would also like to invite these businesses and community members to come along and meet Emily and experience the interactions that happen here on a daily basis. We will hold a high tea at 2.30 pm on Wednesday, 31st October in Colombo Lodge. If you are able to come, could you please phone the hospital (02) 6930 9200 for catering purposes.

Emily loves people so she would like to meet lots of new friends.

NATIONAL SCIENCE WEEK

As you can see from the photo – the 'mad scientists' had a great time experimenting with different things.

Here is what we managed to do:

1. Make a paper clip float in water;
 2. Inflate a balloon on a bottle;
 3. Make paper stick to a balloon;
 4. Create a lava lamp;
- Have a fun morning filled with creativity and laughter.

OK, so we had a couple of failures too, but that's all part of being a 'scientist'!

ACTIVITY ADVENTURES AT URANA MPS

URANA PUBLIC SCHOOL

We have missed a few mornings due to events being on, but when Ashleigh and David are around they slot into whatever we are doing so easily and provide assistance and challenges for us.

I think Phillip and David are currently about equal in the "Noughts and Crosses Championship" - Phillip thinks he is allowed to win, but from personal experience I can say that Phillip is perfectly capable of working out where his crosses need to go to beat us!!!

When it comes to Jenga, the whole table becomes a place of concentration and teamwork as our 'building' grows in height. Ashleigh and David are also very good at 'catching' the blocks if they fall so that no-one is hurt!

Another favourite with residents and students is Fly-swat Tennis – of course we don't only use one balloon – there are usually three or four going at once. Some stay in the air and some land on the floor, either way there are always balloons and laughter around the room!!

It was great to have more students join our AFL Day where, again, they were all happy and helpful.

EDUCATION WEEK

To further our interaction with students, residents were invited to join in Education Week activities. Lorraine took Ross, Jean, George D and Colin down to have a look around the classrooms and be informed about what happens during a school day. Jean's comment on entering the library was "I have never seen so many books in all my life!"

Residents and family members were then taken on a tour of the classroom. The residents loved seeing the ipads and other equipment and everyone was given a demonstration of how technology works. Quite a change since classrooms in the 1930's! The sausage sizzle was also a hit with residents.

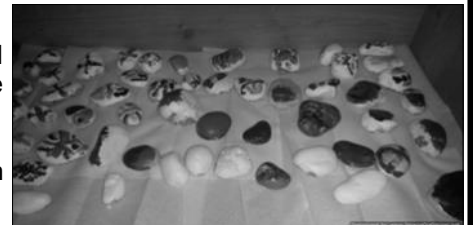

CRAFT

Lorraine has organised glass jars that have been painted, decorated and a bead handle added. Residents can put tea lights in these to add a glorious glow to their rooms or make wonderful presents.

Small canvasses have been purchased for the painting of a unique individual picture by each resident. These will then be mounted and hung down the hallway for all to see.

Jigsaw pictures have been conquered – not only did they have to work out which pieces go where, but colours also had to be matched.

These decorated stones will go to the Children's Ward at Albury Base Hospital where they are hidden in the garden for children to find. This is wonderful therapy for children who have to spend time in hospital.

ACTIVITY ADVENTURES AT URANA MPS

JEAN AND BEV

Jean and Bev are avid knitters and as such produce lots of great items such as beanies, baby cardigans, scarves and knee rugs. In the past we have taken their knitting to Ronald McDonald House, the neonatal ward at Wagga Wagga Base Hospital and to be distributed to people living on the streets of Albury. Bev and Jean enjoy giving to people who need these items and the recipients are most grateful for their donations.

Some of the wool they use has been donated by local community members and we thank them for this as well. Both ladies are very good at using every bit of wool - they knit squares and sew them together as knee rugs which always look beautiful.

AFL DAY

Stu- great
The smiles the students bring to the elderly is in itself rewarding but also the smiles the residents bring to the students is wonderful to witness.

The smiles the students bring to the elderly is in itself rewarding but also the smiles the residents bring to the students is wonderful to witness.

We were all busy handballing the target; distance kicking, team jumper making; word searching; playing AFL themed hangman – we had it all as everyone had a go at each of these events. There were some bullseyes and some not so close! There were some long kicks and some not so long! But always there was lots of teamwork, encouragement and laughter – we may not make a grand final but we had fun!

Did I forget to mention we also announced the winners of our tipping competition and presented them with certificates and their prizemoney? Congratulations to Gina (1st place); Karen (2nd place) and Louise (3rd place).

URANA BIRD AVIARY OPENING

After having such a great time at Urana Public School, Lorraine, Jean, Ross, George D and Colin jumped in the car again to attend the opening of the Bird Aviary near the Caravan Park. The weather was great, the crowd was great, the speeches were great (ie not too long!!) and the birds were great – so guess what – residents had a 'great' time and caught up with lots of community members.

COMING EVENTS

31st October (Wednesday) – Afternoon tea with Emily our Greyhound. 2.30 pm – 3.30 pm.
Colombo Lodge dining room and courtyard.

6th November (Tuesday) - Melbourne Cup Day. Midday – 3.30 pm. Lunch in Colombo Lodge dining room then to the Community Centre.

Community members are welcome to join us for any of these events. Please just let the hospital know.

Until next time

WHEW Another Great Weekend in Urana

Thursday night approximately 40 people enjoyed the opening of the 20th Art Show. The Art Show and "Open Gardens" were well attended and appreciated. The contrary weather on Saturday may have deterred some, but the gardens on display stood the test.

We thank the Garden owners, visitors, workers and all who helped to make this such a great time. All profits are used to improve the facilities and displays at our "Court House."

To our delight many pieces of Art were sold, which is wonderful for the participating Artists. We look forward to a new "format" for next years 2019 Art Show, details will be advertised in the New Year.

WINNERS: Peoples Choice - Art Award : Mrs Sophie Chauncey
Raffle: Mrs Leanne Sandral

**THANKS TO ALL WHO VOLUNTEER THEIR TIME TO ORGANISE AND PRESENT THE
FUNCTIONS AND THANK YOU TO ALL WHO COME ALONG AND SUPPORT THEM.**

Message of Thanks

Please accept this as my personal thank you to you all.

The past 8 weeks have been the toughest I have ever had to face and I truly would not have made it without you all.

To my beautiful children and their partners — your love, strength and courage has been nothing but amazing. You have cared for me and put me first before any of your needs — I love you all more than you will ever know.

Thank you to my wonderful family (Edwards and Pertzelt) — just thank you for everything, not for a moment have I felt alone. My gorgeous sister Megan, I will never be able to repay you for all that you are doing — you are my rock.

To the Rescue, Ambulance, Doctors and nursing staffs who cared for me over the 5 weeks, I thank you for allowing me to be here — not only did you save me, you nursed my broken bones AND heart — you are all amazing people.

To the NSW Fire Brigade for your extended support and care- it is certainly wonderful to be a part of your 'family'.

My dear friends and community I thank you all for the — prayers, visits, phone calls, messages, texts, cards, chocolates, gifts, flowers, old photos and nostalgic songs, washing, food, cleaning, cooking, pedicure, mowing, gardening, caring for Jackson, ramps, gophers, new chook pen, cleaning out of the air conditioner, and anything else I have forgotten, but most of all your love.

Lastly, thank you to MY love for the most wonderful 37 years — I miss you every moment of every day.

Liz Pertzelt

CWA Oaklands NEWS Oct '18

Members very excited to receive 4 special trophies at the recent Murray Group Annual Conference. The Rita Ross – most active branch. The Schultz – greatest increase in membership. The Cultural – best Cultural report. The Crowing for Publicity – best Publicity report. What a worthwhile year we had. Thank you to all members.

All positions were filled at our AGM. Congratulations to all office bearers, especially our new President Ms Niloufer (Pixie) King.

Update on the Drought Assistance. To Oct '18 we have received approx. \$5.5 million into the Disaster Relief Fund, specifically for drought. \$2.5 million has gone to over 1500 families. Processing time is coming closer to 3 weeks. No administration costs. These expenses are met by the Association Fund.

To access assistance apply online or by phoning State Office – they will provide paper applications. Up to \$3,000 per family. Very simple application.

SAVE THE DATE - attached poster for upcoming events on 4th Dec, 2018.

Now is an opportune time for New Members \$42.00, as the new mailing list for our Countrywoman Journal is compiled as this time of year. Junior membership is \$1.00.

Next meeting Tues 20th November, 1.30pm. ALL WELCOME.

Ladies Auxiliary
Urana Multi-Purpose Service
Urana
Murrumbidgee Local Health District

Dear "Volunteers of the Urana Ladies Auxiliary"

Re: Recognition, Thanks and Appreciation of Support by Auxiliary

I am writing in response to the most generous donation the Urana Ladies Auxiliary have made to the Urana Multi-Purpose Service within recent months. I was on-site at Urana MPS yesterday and Karen was very proud in showing me the sensor movement system which will assist in keeping our residents and patients safe. I also looked at the Emergency Department bed which was funded by the auxiliary some 12 months ago.

On behalf of the Urana MPS, Narrandera Cluster and MLHD I would like to thank you all for your most generous support provided to our valuable facility. Your commitment and tireless hard work is recognised and appreciated. The support which you provide to the Urana MPS makes a significant difference to patients, residents and our valuable staff.

Falls are a significant challenge within healthcare and can have devastating results for our patients and residents. Karen and her team work very hard each and every day to ensure they are keeping their residents / patients safe. Purchase of the sensor movement system further supports our clinical team in endeavouring to reduce / cease falls within the facility and we are most grateful.

The Emergency Department trolley is regularly used and continues to facilitate safe patient care and ensures our staff are safe whilst undertaking assessments and clinical care.

The ongoing commitment, support and generosity provided by the Urana Ladies Auxiliary makes a significant difference to the lives of our residents, patients and staff. I am so delighted to see how a small community pull together and continue to support their most valuable MPS.

Thank you for all that you do and the support you continue to provide to the Urana MPS. Your commitment and hard work is hugely appreciated and we are so grateful for the ongoing support you provide to our facility.

Regards

DO YOU KNOW SOMEONE IN YOUR COMMUNITY WITH AN ENDURING MENTAL ILLNESS THAT COULD BENEFIT FROM SOME COORDINATED SUPPORT?

Partners in Recovery {PIR} aims to better support people with severe and persistent mental illness and their carers and families by getting services and supports to work in a more collaborative, coordinated and integrated way, for systemic change.

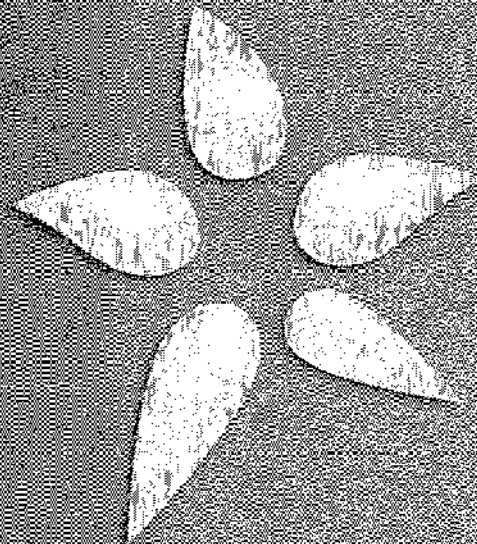

Support Facilitators assist participants to identify their hopes, dreams and priorities and facilitate the coordination of services and supports needed to meet those priorities.

Importantly, Hume PIR will identify where there are systems issues and barriers and lead in the development of systems change.

Contact the Hume PIR Intake Triage Clinician on 02 6041 0056.

Urana's wellbeing destination.

It has never been easier to put your wellbeing first.

Crocodile Encounters

School holiday fun for everyone

There was plenty to keep the kids entertained during the school holidays, with Federation Council hosting a number of fun activities for local children.

Council's library services offered two interactive activities including Crocodile Encounters and Tweet Treats at Corowa, Howlong, Mulwala, Urana and Oaklands centres.

Pictured below are some of Federation Council's youngest residents all smiles at the interactive activities.
