#### Payer details

Provide the details of the person / entity that will make the fee payment for the assessment.

The Environmental Planning and Assessment Regulation 2021 and Council's adopted fees and charges establish how to calculate the fee payable for your development application. For development that involves building or other works, the fee for your application is based on the estimated cost of the development.

If your application is for integrated development or requires concurrence from a state agency, additional fees will be required. Other charges may be payable based on the Council's adopted fees and charges. If your development needs to be advertised, the Council may charge additional advertising fees. Once this application form is completed, it and the supporting documents will be submitted to the Council for lodgement, at which time the fees will be calculated. The Council will contact you to obtain payment. Note: When submitting documents via the NSW Planning Portal, credit card information should not be displayed on documents attached to your development application. The relevant consent authority will contact you to seek payment.

The application may be cancelled if the fees are not paid:

## STATEMENT OF ENVIRONMENTAL EFFECTS - SMALL SCALE RESIDENTIAL AND CHANGE OF USE

Standard form for minor developments only.

A COMPLETED STATEMENT OF ENVIRONMENTAL EFFECTS (SEE) IS REQUIRED TO ACCOMPANY ALL DEVELOPMENT APPLICATIONS EXCEPT INTERGRATED DEVELOPMENTS WHICH REQUIRE AN ENVIRONMENTAL IMPACT STATEMENT (EIS).

**ABOUT THIS FORM:** This SEE template is designed to form an attachment to the Development Application. It can only be used for the following development types:

- ✓ Dwellings, single storey in the R1, R2, RU1, RU5 and R5 zones.
- ✓ Single shops or commercial premises in the B1, B2 & B6 zones\*
- √ Residential alterations and additions
- ✓ Ancillary residential buildings and structures such as, verandahs, carports, garages, sheds, pergolas, swimming pools.
- \* Please note that a heritage impact statement is required for all premises within the Heritage Conservation area. This will be required for the majority of developments in the commercial precinct of Corowa.

Developments not listed above may require a SEE with greater detail. Please contact Council for further information.

The SEE must address all impacts that are relevant to your proposal, with comment on how the development will control or mitigate the impact. No matter how minor the impact, please advise Council in this document.

Failure to provide the requested items will delay processing of the development application and may result in the application being returned to you for completion or you receiving an additional information request from Council.

Section 78A(9) of the Environmental Planning and Assessment Act 1979 states that the regulations may specify what is required to be submitted with a development application.

Section 50(1)(a) of the Environmental Planning and Assessment Regulation 2000 states that development applications must contain information and documents specified in schedule 1 part 1.

Schedule 1, part 1, subclause 2(1)(c) of the Environmental Planning and Assessment Regulation 2000 requires the submission of Statements of Environmental Effects (SEEs) with all development applications (other than complying and designed development).

Schedule 1, part 1, subclause 4 of the Environmental Planning and Assessment Regulation 2000 states that such SEEs must show:

- The environmental impacts of the development
- How the impacts have been identified?
- The steps to be taken to protect the environment or lessen the expected harm to the Environment
- Any matters required to be indicated by any guidelines issued by the Director-General.

The Applicant is advised that Council will make copies of (including electronic copies) of the development application and accompanying documents for the purpose of complying with its obligations under the Environmental Planning and Assessment Act 1979 and the Local Government Act 1993. The applicant is responsible for obtaining all copyright licenses necessary from the copyright owners for this purpose.
