

## APPLICATION FOR CONTRIBUTIONS COMPLIANCE CERTIFICATE

*(s 307 of Water Management Act 2000; and s 7.11 and s 7.12 of Environmental Planning and Assessment Act 1979)*

### Purpose of this application

Prior to issuing a complying development certificate (CDC), a certifier must confirm that any applicable water and sewer contributions and development contributions have been paid. This application enables Council to advise whether contributions and levies are payable; and to then confirm payment of those contributions prior to the issue of a CDC.

<b>4. Development Description</b>

To obtain a certificate, the following must be completed:

1. The applicant must complete and submit the application form attached, **together with all plans and any other relevant information (including a Cost Summary Report)** that will assist Council to assess the application. The payment of the appropriate application fee is required at the time of lodgement.
2. Council will review the application with regard water supply and sewer infrastructure and Council's S 7.12 Contributions Plan and calculate any applicable contributions and levy. A fee invoice will be provided to you outlining the contributions and/or levies payable (if any). If no payments are required, Council will provide written advice to the applicant.
3. Payment of all applicable contributions and levies must be completed before Council will issue a Section 307 Certificate under the *Water Management Act*, and confirmation of payment of applicable levies under Section 7.12 of the *Environmental Planning and Assessment Act 1979*.

**Owner / Applicant Declaration**

I hereby apply for a Certificate under Part 2, Division 5 of the *Water Management Act 2000* and for any levy payable under Section 7.12 of the *Environmental Planning and Assessment Act 1979* relating to the development described above and as shown in the plans attached to this application.

I understand that any applicable contributions and levies must be paid before a certificate will be issued.
