Message from the Administrator

2017/2018 Council Budget

Council will soon be commencing the preparation of the 2017/18 budget and I know many residents will be nervous about getting a fair share.

A number of issues will be considered in framing the next budget including:

- A strong focus on repair and maintenance of existing assets;
- The best priority to minimise the whole of life cost of owning assets;
- Ensuring all parts of the council are fairly considered; and
- Maximising available funds for rural roads both sealed and unsealed.

Council will continue to apply for grants from the State and Federal Government to increase the funding available for roads and will work hard to ensure the priority for spending reduces the whole of life costs of owning assets.

Council will also focus on improving the quality of results through staff training and effective use of contractors where this is required.

Council intends to host a series of briefing sessions about the proposed budget on the following days and times:

- Corowa Corowa Golf Club on Monday, 15 May 2017 at 5:30 pm
- Oaklands Oaklands RSL Bowling Club on Tuesday, 16 May 2017 at 5:30 pm
- Urana Urana Bowling Club on Wednesday, 17 May 2017 at 5:30 pm
- Mulwala Mulwala Civic Centre on Tuesday, 23 May 2017 at 5:30 pm
- Howlong Howlong Golf Resort on Wednesday, 24 May 2017 at 5:30 pm

The final budget will be adopted at the Ordinary Council Meeting on 20 June 2017.

The community prioritised roads as a focus for Council expenditure in the Customer Survey last year and Council will be allocating most of its budget to this expenditure area.

Kind Regards,
Mike Eden - Administrator

Federation Council Brand

We are pleased to present the new look for Federation Council!

The development of Council's new logo and visual identity has been informed by research and engagement with residents, staff, visitors and local school students.

Federation Council wishes to thank all those who provided valuable feedback by participating in surveys and focus groups throughout this journey.

What does the new logo mean?

The logo is built around the twin themes of water and a flag – the rivulets of water making the shape of a fluttering flag.

The flag logo represents Federation and unity, while the water is the linking element that is common across the Council area.

The use of gold (signifying wheat, opportunity and optimism) through the centre of the flag shape represents both agricultural bounty and promise for the future.

The introduction of the colour green symbolises the natural landscape, renewal and growth.

How is the new brand being rolled out?

You will now start to see our new brand being rolled out. This will happen progressively over the coming months as we update our corporate stationary, documents, uniforms, signage and promotional material.

Council's new website is also now live. You will find all you need to know about Council services, news and projects by visiting this page.

3D Printer Taster at the Mulwala Library

Are you curious about 3D printing? Technology can be really fascinating and printing three dimensional objects from digital models has so many exciting possibilities.

From printing replacement machine parts, to prosthetic limbs, 3D printers are being used in lots of industries, and in libraries!

Come and see what practical, useful and fun things can be printed. If you have a design you would like printed, bring along the STL file on a thumb drive and we'll give it a go!

Mulwala Library

A demonstration will be held on 28 March at 10am - 12 noon. The printer will then be at the library until 8 April.

Tourism Review - Operators Survey

Federation Council is undertaking a review of visitor services in the region to develop a strategic direction for the delivery of tourism services in Federation Council.

As part of the project, Council is seeking feedback from tourism operators regarding visitor services, as well as challenges and opportunities for tourism in the region.

Operators are encouraged to visit Council's website for further information and complete the online survey by 5pm, Friday 31 March 2017.

Stronger Communities Fund deliberations about to commence

Federation Council will determine how to best invest the remaining \$9.4 million dollars of the Stronger Communities Fund next month.

Council has received 36 applications for Round Two of the Stronger Community Grants which closed earlier this month. The applications total just over \$1 million in funding requests, towards projects estimated at \$2.1 million.

'We congratulate everyone for the hard work they have put into preparing their applications.' said Federation Council Administrator, Mike Eden.

'The applications are of a high standard and quite diverse, with nine communities represented and projects ranging from wildlife protection and wetland developments to facility and equipment upgrades to historical restoration projects.' he said.

Council has also prepared 16 applications for consideration as part of the Major Projects Fund. These projects are large scale priority infrastructure and services projects that aim to deliver long term economic and social benefits.

The applications total almost \$11.3 million in funding requests towards projects estimated at \$14.6 million. Of these, \$3.8 million has been requested for road improvements. The projects being considered are listed below and a brief summary of each can be found on Council's website www.federationcouncil.nsw.gov.au

1. Upgrade and construction of an All Abilities Adventure Playground at Purtle Park in Mulwala
2. Renewal of Kyffins Reserve in Mulwala
3. Design and Construction of a Skate Park in Howlong
4. Upgrade to Tennis Courts in Howlong
5. Upgrade and Renewal of Victoria Park in Urana
6. Upgrade to Netball Tennis Courts in Urana
7. Establishment of an RV Park at Oaklands
8. Upgrade to the Sports Club Facilities in Rand
9. Upgrade to Netball Tennis Courts in Coreen
10. Upgrade to Skate Park in Corowa
11. Upgrade to the Swimming Pool in Corowa
12. Renewal of the RSL Playground in Corowa
13. Renewal of Bangerang Park in Corowa
14. Establishment of a Cinema in Corowa
15. Establishment of a Cultural Trail across the Council
16. Roads throughout the Council

Residents are invited to review the summary document of the major projects being considered and provide comments in writing by 5pm Friday 7 April.

An independent panel will convene to review all the Round Two and Major Project applications early next month. They will be looking for strong projects that will build more vibrant, sustainable and inclusive local communities and deliver social, cultural, economic or environmental benefits.

An outcome on successful projects will be announced at the April Council Meeting on April 18.

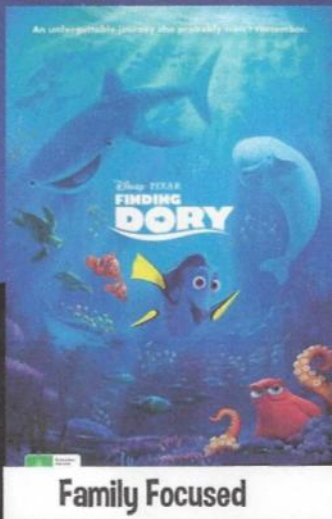

The Stronger Community Fund has been provided to Federation Council by the NSW Government.

ENDS.

FAIRER FUNDING FOR FIRE AND EMERGENCY SERVICES

A fairer system for funding NSW fire and emergency services is one step closer today, with Treasurer Dominic Perrottet to introduce the Fire and Emergency Services Levy Bill.

The legislation gives effect to reforms announced in 2015 to abolish the Emergency Services Levy (ESL) – paid on insurance – and replace it with a land-based Fire and Emergency Services Levy (FESL), bringing NSW into line with all other mainland states.

Mr Perrottet said the reform would transform an archaic, complex system into one that is fair for everyone.

"Everyone in NSW values the work of our fire and emergency services personnel, but the way we currently fund them is complicated, inefficient and unfair," Mr Perrottet said.

"Only people with insurance pay the ESL, even though everyone benefits, and at the same time it makes insurance more expensive."

"This legislation ushers in an important reform – a fairer system where all property owners make a contribution, while also bringing down the cost of insurance."

Under the legislation:

- FESL is calculated on unimproved land value determined by the Valuer General, with different rates for residential, public benefit, commercial, industrial and farm land.
- The levy comprises a different base amount for each land category, plus a variable amount based on land value.
- Councils would collect the FESL on behalf of the NSW Government.
- The old ESL paid on top of insurance premiums is abolished.

Owners of residential and public benefit land will pay lower rates, and vacant land will have a discount applied. There will also be discounts available for pensioners and veterans, and a hardship policy for those who need it.

Eliminating the old ESL is expected to reduce insurance costs on residential property by an average of \$233, leaving fully-insured residential property owners better off by \$47 per year on average.

To ensure insurance companies pass on any benefit to consumers, last year the Government appointed Professors Allan Fels AO and David Cousins AM as Insurance Monitors with power to fine insurers up to \$10 million for failing to pass on savings.

The legislation will be considered by Parliament in the coming weeks and if passed, will take effect on July 1. For more information visit www.fesl.nsw.gov.au.

\$125,000 AVAILABLE FOR LOCAL WAR MEMORIALS

Member for Albury, Greg Aplin and Minister for Veterans Affairs David Elliott today announced the first round of 2017 funding for the Community War Memorials Fund (CWMF) is now open.

The CWMF is designed to protect and repair local war memorials, which preserves the Anzac legacy.

Mr Aplin encourages Councils to apply for the fund, which provides the opportunity for all NSW communities to access up to \$10,000.

“Ensuring local war memorials remain in great condition is an essential part of honouring Australian service men and women who sacrificed so much for our nation,” Mr Aplin said.

“The CWMF ensures communities have the opportunity to protect and conserve war memorials, which is why I believe this is such an important initiative,” he said.

“Funding applications can be made by veterans groups, community organisations and councils until Anzac Day and I sincerely encourage all communities who require funds for restoration to apply,” Minister for Veterans Affairs David Elliott said.

Applications will be assessed by the State War Memorial Committee, which is made up of NSW RSL, Public Works Advisory, NSW Office of Environment and Heritage and Veterans’ Affairs.

NEW FUND TO BOOST REGIONAL GROWTH THROUGH ENVIRONMENT AND TOURISM INFRASTRUCTURE

Local community and government organisations are being encouraged to seek funding for environment and tourism projects under the NSW Government's new \$300 million *Regional Growth – Environment and Tourism Fund*.

Member for Albury, Greg Aplin said the fund aims to increase tourist visitation by supporting regional environment and tourism infrastructure projects which, in turn, help grow and diversify the regional economy.

"This is a great opportunity for our region and I strongly encourage local organisations to pitch for the funding," said Mr Aplin.

"Expressions of interest are now open for the initial round of the Fund – at least \$100 million is available for regional environment and tourism projects for local and state government agencies, Aboriginal Land Councils, community groups registered as incorporated associations and non-government organisations.

"We are looking for visionary projects that will transform regional economies – they could include new or upgraded visitor infrastructure for national parks, new or upgraded camping facilities, repurposing of Crown Lands or heritage buildings for tourism and the infrastructure to support new visitor activities and eco-tourism.

"The expressions of interest, which close on 6 April 2017, will be independently assessed and shortlisted by Infrastructure NSW with assistance from other NSW agencies."

Deputy Premier and Minister for Regional New South Wales, John Barilaro, said the Regional Growth – Environment and Tourism Fund was an exciting new initiative that would help to increase tourist visitation, drive jobs creation and build on other NSW Government regional investment programs.

"The Fund is part of the \$20 billion Rebuilding NSW initiative, from which the Government has committed \$6 billion for regional NSW.

"Already, \$110 million has been provided for investments into regional tourism infrastructure including for regional airports, regional cruise facilities and rail trails."

.....personalized, innovative education in a safe and supportive environment

Welcome back to the 2017 school year, it is Week 7 already, time has flown by! We have settled into a great routine and have been excited by so many new things.

Our Mondays have been very physical—we have had a Cricket NSW coach in our school delivering cricket sessions. The students have developed their skills in batting, bowling and fielding with some drills and games. These were fast paced sessions which the students really enjoyed. This program was made available with the Australian Sports Commission Sporting Schools funding.

Our Blueearth coach, Drew, visits on a fortnightly basis. These too are very physical sessions designed to not only address the students' physical health but also improve self awareness, focus, self esteem and resilience.

We want the students' to have active lives with improved physical, social and emotional health.

Our big project for the year is in the new and emerging area of Robotics. Our students are involved in an innovative learning community project on a weekly basis.

Each fortnight we travel to Berrigan Public School where students from Berrigan, Blighty, Jerilderie and Urana come together to learn about coding in order to program their robots to perform set tasks. Lego WeDo and EV3 Mindstorms kits are used together with devices such as iPads or laptops.

In the alternate fortnight the students have virtual sessions using an Adobe Connect meeting room. They also utilise Google Classroom to answer questions, reflect on their learning and upload evidence of their weekly 'build'.

The response has been emphatic—"I wish there were more Thursdays!"

Brayden Martin is the 2017 UPS School Captain. This week, Brayden was elected by his peers and is already displaying great leadership skills in the classroom and the playground. Congratulations Brayden!

Think, Speak and act like Christ

Welcome to 2017!

It is an absolute privilege and honour to be the new principal beginning here at St. Francis Xavier's Urana in 2017. The school and wider community have welcomed me with enthusiasm and I feel right at home. I am looking forward to being a part of this community and working in partnership with many of you throughout the years ahead.

Our year at St. Francis Xavier has already been a very busy and productive one with many more exciting adventures on the horizon.

We are very grateful and humbled to have been the recipient of a Lockhart & District Community Bank Community Grant in 2017. The branch have pledged \$4000 to put towards the purchase of a new lawn mower for the school. A big thank you to the bank and all of the community members who support it. Without your contributions our wider community wouldn't be as wonderful as it is!

As a part of a Diocesan wide initiative, our school is participating in a Targeted Maths Teaching program. This is aiming to build upon each school's existing good work and to empower staff to teach in a manner which is researched based and data driven, all in the pursuit of improved outcomes for our students.

On the 8th of March the school travelled to St. Joseph's School, Lockhart to participate in Catholic Schools Week. We had a wonderful day celebrating all of the wonderful aspects of Catholic Education and our sincere thanks go to Debbie Sheather and the school community of St. Joseph's for having us on the day.

Think, Speak and act like Christ

The children of the Parish who have been preparing for First Reconciliation will receive the Sacrament for the first time on Thursday April 6 at 10am in Urana. Following this will be the regular Thursday Parish Mass and then a morning tea to celebrate with the children and their families. All are welcome to join in the celebrations. Preparations for those receiving Eucharist for the first time will take place next term.

Recently, Fr. Tony announced he has been given permission to retire. He will be with our Parish community until the 30th of June and we have many events between now and then to say our farewells. We thank him for all of his hard work and contribution to our Parish and wish him all the best and good health for the future.

This Term we have been participating in the Australian Arts Alive music, singing and dance program. Professionals have been visiting our school once a fortnight teaching and preparing our students for a performance which will be held in conjunction with other schools in our area. To add further to our performing arts events, during the week we had a visit from renowned poet Noel Stallard. He spent time workshopping and performing some of Australia's most popular poems from writers like Banjo Paterson as well as some of his own.

Earlier in the term we had four students represent our school at the Deanery Swimming Carnival with a number of ribbons collected on the day. Next week we are off to Tocumwal for the Deanery Cross Country before the focus on Athletics begins next term.

Oaklands CWA News February 2017

Members enjoyed the Christmas & New Year break, now it is back to business.

International Day was interesting & informative with projects presented by students, along with a guest speaker who has visited Mongolia many times. He has also established an orphanage there, Lotus Child Centre, to which \$150 was donated on the day.

Mulwala Public School entered (via the Oaklands Branch), the State International Competition with a powerpoint presentation of Mongolia. They were awarded a Highly Commended Prize. Congratulations!

Sponsorship was provided for the school citizenship prizes.

One of our members is now the CWA of NSW Murray Group, Treasurer. Oaklands is part of Murray with 8 other branches.

If you have received your new Yellow Pages phone directory you will have noticed our newest member Lisa Talbot, along with her girls, April, Brooklyn & Felicity, featured on the front cover. Lisa entered a recipe to win the competition for the front page. The recipe "White Chocolate Chip Biscuits, is on the inside cover. This promotion between CWA & Yellow Pages is Australia wide for 2017 "Undiscovered Bakers".

Next meeting is Monday, 20th March, at 1.00pm. Meetings monthly will then be on Tuesdays 1.00pm at the CWA rooms.

CARING FOR YOUR COMMUNITY

Battery Drive

Do you have batteries sitting around
The House/ In the Shed/ Down the Backyard/In the Paddock
Not Knowing What to Do with Them
Give us a Call - we will collect them

This is an ongoing project to be conducted by the Oaklands Lions Club Inc
Please call John Danaher 0427 354 134 to arrange pickup dates and times.

Our current project, to be supervised and undertaken by the Oaklands Community, is the removal of the Ruston Twin Cylinder Engine (which was used to supply power to the Department of Supply (formerly DAS) at Oaklands) to the Oaklands Lions Club Museum at the back of the Memorial Hall. This Ruston Engine will enhance the Museum and will create a spectacular Tourist Attraction for Oaklands.

Your support of batteries will help with the removal and replacement of this Engine.

The Lions Club would like to personally thank all of those families who have donated batteries to us. All funds are used to support the community. We appreciate your support.

DO YOU KNOW SOMEONE IN YOUR COMMUNITY WITH AN ENDURING MENTAL ILLNESS THAT COULD BENEFIT FROM SOME COORDINATED SUPPORT?

Partners in Recovery {PIR} aims to better support people with severe and persistent mental illness and their carers and families by getting services and supports to work in a more collaborative, coordinated and integrated way, for systemic change.

Support Facilitators assist participants to identify their hopes, dreams and priorities and facilitate the coordination of services and supports needed to meet those priorities.

Importantly, Hume PIR will identify where there are systems issues and barriers and lead in the development of systems change.

Contact the Hume PIR Intake Triage Clinician on 02 6041 0056.

Lockhart and Urana benefits by \$30,000 in grants

Lockhart, 7th March 2017: Local schools, a physical activity group and the progress association were some of the big winners at the Lockhart & District **Community Bank**[®] Branch grants presentation night last week.

On Friday 3 March, six community groups shared in \$30,000 worth of **Community Bank**[®] profits.

More than 90 people attended the presentation, held in conjunction with Lockhart Shire Council who organised well known inspirational guest speaker Tom O'Toole from Beechworth Bakery to address the gathering during the NSW Back to Business Week.

Chairman Shane Trotter said that this round of grants brought the total contribution back to the community to \$830,000 since the branch opened in 2002.

"As well as this we have rewarded our shareholders with dividends now amounting to \$450,000, Mr Trotter said.

"I'm convinced that if the **Community Bank**[®] was not established 15 years ago that Lockhart district would now be without any bank facilities," Mr Trotter said.

Branch manager, Clare Hamson, thanked the community for their support and said that with further support the benefits for the district were endless.

"It is always rewarding to share the profits of the branch with the local community that had supported the business.

"It gives our Board, the branch staff and me personally, a great deal of pleasure to award these grants," she said.

"It is fabulous position to be in – not only are we banking in our **Community Bank**[®] branch, we are doing what we promised to do – returning profits to our community."

On 3 March, the following grants were awarded:

Lockhart Pre School \$10,000

Lockhart Aqua Fitness \$3,000

Lockhart Progress Association \$5,000

Explorers Rifle Club \$5,000

Urana Camp Draft Club \$3,000

St Francis Xavier's School Urana \$4,000

"What better groups to receive funding from our branch – these are community groups that provide a range of important, and in some cases, vital services to the people of our region," Mr Trotter said.

"I urge the community to continue their support for our Lockhart & District **Community Bank**[®] Branch," Mr Trotter said.

"The more the community supports our business, the more contributions like this we can make in the future."
