Message from the Administrator

Budget Briefing Sessions

I am looking forward to meeting with community members at upcoming Budget Briefing Sessions as follows:

Corowa (Mon 15 May), **Oaklands** (Tues 16 May), **Urana** (Wed 17 May), **Mulwala** (Tues 23 May) & **Howlong** (Wed 24 May 2017).

The purpose of these sessions is to detail the draft budget and the underlying assumptions in its compilation and to circulate feedback forms to ensure residents have a meaningful opportunity to input into the budget process (including the 1 year Operating and 4 year Delivery Plans).

I have already heard community input about the need to focus as much expenditure on roads both sealed and gravel and this will be a big part of the draft budget.

While the draft budget is still under preparation I have directed staff to consider the following:

- Equity across the whole council area over time.
- A streamlined operating budget to allow maximum capital expenditure
- A focus on maximising roads expenditure based on need and evidence
- Additional permanent resources in Economic Development
- A focus on ensuring modern council equipment including heavy plant and more robust information systems
- Continuation of the Flood study in the northern area of Council
- Drainage strategies across the council area

The capital works and renewal program will likely be over \$20 million for the next four years and will remain a key priority over time. Staff are being recruited in the engineering department to assist to design and deliver this program of important works.

It is important for community to let Council know about its priorities and I will accommodate this wherever possible.

Medical Centre for Oaklands

I have agreed to support the purchase by council of a house in Oaklands to be refurbished for use as a medical centre. The budget for this work is \$325,000 and will hopefully be approved for funding with State Government Stronger Communities funding. If not, it will be funded from merger savings.

The Oaklands practice will assist maintain services in Urana and allow Dr Giri to build on the great work already undertaken.

New Risk Management Signage at Colombo Creek and Urana Aquatic Centre Reserve Area

The former Urana Shire Council staff undertook a review of the public information/warning/safety signage at the Colombo Creek Reserve and the Urana Aquatic Centre.

The review highlighted the existing signage was deficient. This potentially exposed Council to greater risk of claims in the unfortunate event of an accident.

The new signage installed aimed to reflect the existing rules already adopted for these areas. For example, there were already small 'No Swimming' and 'No Dogs' signs in place at the Urana Aquatic Centre.

Recreational swimming in ski/power boat/jet ski areas is not recommended. Council understands of course that skiers who fall off, will be in the water, but this is far different from a recreational swimmer, who for example may decide to swim across to the island, in the ski boat circuit. A skier who falls off has the observer and boat driver aware of them.

If recreational swimming or dogs are to be permitted in the future, it may be within a designated area, as part of a future Master Plan, (planned to be budgeted for 2017/18), and this would be the subject of community and user group consultation.

Some Expected Capital Works and Renewal Items that are planned to be included in the draft budget are as follows:

- Planning, Investigation and Design of the Mulwala Water Treatment Plant is to commence in 2017/18 towards the planned replacement of the aged existing plant (now over 75 years old). This construction project is expected to be in the order of \$15 million over the 2019/20 and 2020/21 budget years. It will be funded from Council water reserves and grants.
- The draft budget also provides for a Clear Well Water Reservoir for Howlong in 2018/19 at a cost in the order of \$750,000.
- Bridges renewal provision of around \$2 million over 3 years commencing in 2018/19.
- Investment in heavy plant changeover of a net \$1.25 million (indexed) is planned to occur over the 4 years commencing 2017/18.
- As mentioned in the introduction, in addition to the \$3 million allocated to roads infrastructure in 2016/17 for Local and Regional Roads Infrastructure a further amount of \$4.5 million is hoped to be allocated over the 2 years (commencing 2017/18) towards roads (not counting Flood Damage Funding).

Please consider attending one of the planned Budget Briefing Sessions and I look forward to your constructive input.

Kind Regards,
Mike Eden—Administrator

Draft Disability Inclusion Action Plan

In August 2014, the NSW Disability Inclusion Act 2014 was passed which requires all NSW Councils to develop a Disability Inclusion Action Plan to help remove barriers and enable people with a disability to participate fully in their communities.

Federation Council endorsed its draft Disability Inclusion Action Plan at the April Council meeting and has placed the document on public exhibition to seek feedback from the community.

Council's Disability Inclusion Action Plan aims to:

- promote positive attitudes and behaviours in the community;
- provide better access to information, services and facilities;
- provide a more liveable and accessible community;
- enhance employment opportunities; and
- increase opportunities for people with disability to participate.

The Disability Inclusion Action Plan was developed through a community consultation and research process which included review of Council documents and relevant Government policies.

The consultation process involved talking to regional and local service providers, people with disability, carers and the broader community. A number of meetings and focus groups were held to identify gaps and discuss issues and a community survey was undertaken.

A Disability Access committee consisting of community members, has been established as a result of this process. This group will be actively involved in the ongoing development, implementation and formal review process of the plan and Council looks forward to working closely with this committee.

The draft plan is available for viewing from Council's website or at any Council office. Anyone interested in providing feedback on the plan should do so in writing, addressed to the:
General Manager, PO Box 77, Corowa NSW 2646 or email to council@federationcouncil.nsw.gov.au.

Fire and Emergency Services Levy

From 1 July 2017, the NSW Government is introducing a fairer system for funding our community's fire and emergency services. At present, these services are funded by a levy on insurance, which will be removed from 1 July. From this time, all properties, not just insured properties, will directly contribute to the cost of these services through the Fire and Emergency Services Levy (FESL).

The FESL will be paid alongside your council rates. You will be notified in July of your FESL contribution as part of your council rates notice, or a separate notice for non-rateable properties. Like council rates, you may pay the FESL annually or quarterly.

The FESL paid will, in part, depend on your properties classification as a residential, farmland, industrial, commercial or public benefit, and whether or not the land is vacant.

Residents will receive a letter from council with their properties classification. No action will be required if you agree with the classification of your property.

If you disagree with your properties classification, you can request a review by contacting Federation Council on (02) 6033 8970 or by email rates@federationcouncil.nsw.gov.au and completing the FESL – Review Application Form available on council's website.

Further information, including FESL rates and a FESL calculator are available at www.fesl.nsw.gov.au or by phoning 1300 787 872.

Community Grants Program

A total of \$13,712.23 was allocated to community groups at the April Council meeting, through round two of the Federation Council Community Grants Program.

The purpose of the program is to foster community partnerships that will deliver positive outcomes for members of the community. This may be through improved services and resources, skill development and training opportunities, arts and culture, community participation and cohesion and improved quality of life and wellbeing.

This program is an excellent opportunity for Council to support community projects that deliver positive benefits to the local community and congratulations are extended to the successful applicants.

A list of projects funded can be found on Council's website.

Mobile Preschool

The mobile Preschool are looking forward to a stimulating term two and are thrilled that enrolment numbers have been increasing.

It's not too late to enrol your child with the service. Positions are available at Boree Creek, Urana, Oaklands and Rand for any child aged between 3 - 5 years.

The service runs between 9.00am - 3.00pm from Monday to Thursday during school terms. Families are also encouraged to enrol children for more than one day by attending other locations.

The service values childhood as a unique and important stage of life and is committed to the individual care and overall development of each child in partnership with the family.

A fee of \$24 per day/child applies for attending the service however health care providers can access a reduced fee of \$10.50 per day/child.

Families interested in attending the service are encouraged to contact the Preschool on 0400 309 444 or email preschool@federationcouncil.nsw.gov.au.

Liveable Communities

Federation Council has been successful in securing a grant for \$30,000 through the NSW Government's Liveable Communities grant program. The program is designed to improve the lives of older people living in NSW and will enable Council to deliver the 'Liveable communities for seniors' project.

The project will be a collaborative approach to developing a long-term plan consisting of clear strategies and actions. It will identify needs and community priorities specific to senior residents that are closely aligned to Council's corporate planning framework.

As part of the project, a steering committee will be established to drive the development of the long term plan. An expression of interest process will be run to appoint members of the community to the committee, which will be supported by council staff.

Utilising existing networks and people within the community is more likely to achieve the desired outcome by developing strong partnerships and ensuring the needs and priorities are accurately reflected within the plan.

Members of the steering committee will be provided with the necessary training to equip them with the tools needed to facilitate focus groups within the community.

Key focus areas within the plan will include:

- Health and wellbeing
- Working and retiring
- Housing choices
- Getting around
- Inclusive communities

The project will commence in July, with the draft plan to be considered by the newly elected Council in October.

2017 Council Meetings

VOLUNTEERS AND DONATIONS ALWAYS WELCOME

There are many ways people can give to their local hospital in Murrumbidgee Local Health District (MLHD).

Volunteering is one way people can contribute to providing better care for people in our communities.

People can volunteer by joining the Local Health Advisory Committee (LHAC) as a consumer advocate, or getting involved in a local United Hospital Auxiliary, or become part of the Hospital Visitors program.

Another way is through donations.

Donations can be made to your local hospital through the United Hospital Auxiliary who work tirelessly in the communities to raise funds for those little extra luxuries which help make hospitals stays more comfortable.

People can also make donations directly to the hospital and choose how their contribution will be used to benefit their local hospital.

"We encourage local people considering taking this avenue to talk with the Facility Manager about where their donation could be best used before making the donation," commented Chair of the Urana LHAC Adrian Butler.

Anyone interested in gifting their time as a volunteer is asked to contact the Facility Manager Kim White on 6920 8106 or email: MLHD-FeedBack@health.nsw.gov.au

More information about volunteering and donations is available on the MLHD webpage at: <http://www.mlhd.health.nsw.gov.au/community-support>

MURRUMBIDGEE TOPS THE NATION IN HPV VACCINATION

The Murrumbidgee region leads the nation in Human Papillomavirus (HPV) vaccination rates for girls aged 15 with 86 per cent fully immunised, according to an Australian Institute of Health and Welfare (AIHW) report released today.

The outstanding success is attributed to the strong partnership between Murrumbidgee Local Health District (MLHD), Murrumbidgee Primary Health Network (MPHN), local General Practitioners (GPs) and schools.

MLHD partners with MPHN to provide immunisation support for GPs so they can deliver the high quality immunisation services available in the Murrumbidgee.

“The AIHW report results showing Murrumbidgee with the highest rates in Australia for full course of HPV vaccine in girls reflects the high quality immunisation services offered in the region both at schools by the Local Health District and by GPs,” said MLHD Director Public Health Tracey Oakman.

“The rate also demonstrates the significant commitment of parents in the region to protecting their children. This report reflects 2014/15 data and the 15/16 data is expected to improve further as greater awareness of the vaccine, and the more routine element of delivery of this vaccine occurs.

“NSW Health has an excellent school vaccination program, where in year 7 the students are offered the HPV vaccine,” Mrs Oakman said.

In 2016 MLHD nurses vaccinated in 72 high schools across the region, offering more than 3,700 year 7 male and female students the HPV vaccine.

“If students miss any of the three visits by the nurses to the school, they can visit their GP to catch up on their vaccines,” Mrs Oakman said.

Human papillomavirus (HPV) is a common sexually transmitted infection. It is estimated four out of five people will have an HPV infection at some point in their lives.

“This result is reflective of the positive culture of immunisation in the Murrumbidgee, similar to the results we have seen for childhood immunisation rates in recent years,” said MPHN Executive Manager, Provider Support and Development, Julie Redway.

Think, Speak and act like Christ

Greetings!

On Thursday April 6 Josie Gooden and Jack Butler received and celebrated the Sacrament of Penance for the first time. The liturgy was great, as too was the morning tea which followed. It was also wonderful to have many visitors and members of the wider Parish attend to support Josie and Jack. Congratulations to all! I ask you to keep Ashleigh Ferguson in your prayers as she will celebrate the sacrament in the coming weeks and join Jack and Josie for First Holy Communion next term.

Preparations for students to receive their First Holy Communion will take place during Term 2 and will be celebrated at St. Fiacre's Church Urana on Sunday June 18 at 10am. For further details, please don't hesitate to contact the school.

A huge thank you and well done must go to Kerrie Gooden and her band of helpers for the big effort put in on behalf of the school over the weekend of the 25th and 26th of March. The school catered for the Tractor Trek participants as they stayed in, and travelled through, Urana. What a great example of community spirit! Thank you!

As mentioned in the last shire news, we have been participating in the Australian Arts Alive (a3) music, singing and dance program. Professionals have been visiting our school once a fortnight teaching and preparing our students for a performance. This performance was held in Jerilderie on Monday April 3. The students had a fantastic day showing off their new routines and it certainly was a celebration of all the hard work they put in during the term. Well done!

During Week 9 we had a visit from New South Wales Maritime officer Laura Stahl. Laura workshopped with the students about water and boating safety. She also brought along a jet ski to show the students which certainly was a crowd favourite!

Students demonstrating the safe use of different types of life jackets.

Students enjoying a 'ride' on the jet ski.

Towards the end of Term 1 our school travelled to Tocumwal for our Deanery Cross Country. Well done to all of the students who participated, with everyone finishing in the top ten. A special congratulations must go to Angus Coghill (3rd), Zach Packer (2nd) and Lauren Packer (1st) for achieving great results in their age groups.

On the last day of term we collated our fundraising efforts for Project Compassion, a Catholic organisation which supports programs to assist those less fortunate than ourselves. We placed all of the coins and notes end to end and it measured 21 metres. It equated to \$232.45 that we can donate to Project Compassion. Thank you to everyone who supported our efforts. Following this we held an Easter Egg hunt which you can see from the photo below, was a hit.

Coming up next term we already have a visit from Healthy Harold, a performance by Musica Viva and the Federation Council supported Ghost Jam show booked in.

Wishing you peaceful Easter as well as a safe and happy holiday period!

God bless,

Oaklands CWA News

The year ahead will be interesting with study topics covering Nepal, the *Primary Product* is Native Finger Lime, *Flora* is the Quandong, *Fauna* the Quoll, *Foe* are the Fox & Fireweed.

Save the Date: Biggest Morning Tea. Tues 16th May, 10.00am start. CWA rooms.

CWA Education Scholarships: These are available from Oaklands Branch. One of which is the Outward Bound Grant for the Summit to Sea Course. This is for a young person aged between 18 & 25 yrs. A great opportunity! Only every odd year 2017, 2019, 2021. Enquire for other primary or secondary, & tertiary (arts) scholarships.

The Future of CWA Oaklands: Current membership is 12. We have real concerns for the future of our branch. To remain a vibrant, viable branch we need new members. With the loss of Community Early-child Care Services we face a very difficult financial future. Do you value the role we play in your community? If so, come join us. **WE NEED YOU. NOW.**

CARING FOR YOUR COMMUNITY

Battery Drive

Do you have batteries sitting around
The House/ In the Shed/ Down the Backyard/In the Paddock
Not Knowing What to Do with Them
Give us a Call - we will collect them

This is an ongoing project to be conducted by the Oaklands Lions Club Inc
Please call John Danaher 0427 354 134 to arrange pickup dates and times.

Our current project, to be supervised and undertaken by the Oaklands Community, is the removal of the Ruston Twin Cylinder Engine (which was used to supply power to the Department of Supply (formerly DAS) at Oaklands) to the Oaklands Lions Club Museum at the back of the Memorial Hall. This Ruston Engine will enhance the Museum and will create a spectacular Tourist Attraction for Oaklands.

Your support of batteries will help with the removal and replacement of this Engine.

The Lions Club would like to personally thank all of those families who have donated batteries to us. All funds are used to support the community. We appreciate your support.

DO YOU KNOW SOMEONE IN YOUR COMMUNITY WITH AN ENDURING MENTAL ILLNESS THAT COULD BENEFIT FROM SOME COORDINATED SUPPORT?

Partners in Recovery {PIR} aims to better support people with severe and persistent mental illness and their carers and families by getting services and supports to work in a more collaborative, coordinated and integrated way, for systemic change.

Support Facilitators assist participants to identify their hopes, dreams and priorities and facilitate the coordination of services and supports needed to meet those priorities.

Importantly, Hume PIR will identify where there are systems issues and barriers and lead in the development of systems change.

Contact the Hume PIR Intake Triage Clinician on 02 6041 0056.

URANA MPS ACTIVITY ADVENTURES

BIRTHDAYS -We have already celebrated lots of birthdays this year – each resident receives a present purchased by a staff member and a birthday cake made by Hotel Services staff. It is clear that a great deal of thought is put into the purchasing of each present as they are always a hit.

URANA PUBLIC SCHOOL - Year 5 and 6 students from Urana Public School make the 'big walk' each Wednesday (with umbrella's when it's wet and coats when it's cold!!) to join us for games. The table tennis games prove popular with everyone as does Jenga, Connect 4, Trouble and Chinese Checkers. The chatter and laughter coming from the room proves that everyone has a great time. We also have fun playing skittles, quoits and many versions of tossing balls at and in things.

VOLUNTEERS are a very important part of our weekly program – Anne, Eunice and Harry provide music and conversation which invokes reminiscing as well as discussing current issues. One resident has spent time singing with Anne despite the fact that even her family did not like to sit next to her in church because she did not have a good voice. Anne and the rest of us didn't mind a bit as she loves to sing.

Barry's presence at the Eucre table is great as he is able to play with the best of them. And rest assured no sheep stations have yet changed hands during these games!!

SCHOOL SPORTS DAY - was held in the Community Centre – we needed the extra room for all our events. Prior to this date we had been practising to sharpen our skills in the Potato Race Relay, Egg and Spoon Relay, Table and Balloon Tennis.

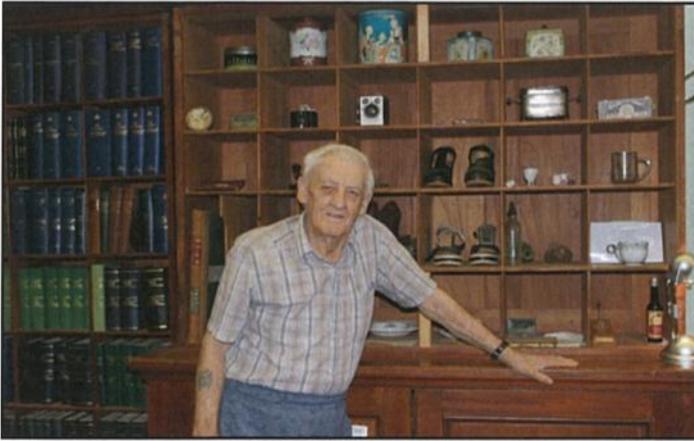

Heather attended as the "race caller" and did such a great job. She is the first person to see the funny side of any situation so is great fun to have around!

We split into 2 teams for the events – The Galahs and the Black Jays – each competing for the coveted prize of a ribbon and Freddo Frog. Of course there was no cheating on the day!!!! But there was lots of exercise and laughter had by all. We even had sports-themed cup cakes supplied by Sara for morning tea – just what we needed to provide more energy for the relays.

URANA COURTHOUSE MUSEUM VISIT

We would like to thank Christine Mansell for hosting our visit to this wonderful building full of interesting displays. The Hospital Room in particular was of interest and has quite a number of peculiar looking instruments within.

Ross was impressed by the size and quality of the cabinet in the main room as can be seen in this photo. There are plenty of photos and histories to explore as well. Sitting to check these out comes in handy when we have been standing for quite a while going through the main room, the school, war, hospital and business rooms! Urana has so much history!!

GREGA-DUO - Clapping, dancing, singing and just pure entertainment – what more could anyone want?? That was what we had at Urana MPS on Thursday afternoon, 16th March when Grega-Duo came to visit.

John grew up around Urana and is a regular visitor back here so took great pleasure in showing his mate, George around town before arriving for their gig. We were able to watch them set up – something they have had quite a bit of practise doing – and then that wonderful music started. There was Elvis (of course), Slim Dusty, John Paul Young and much, much more including a wonderful finale of "What a Wonderful World" - (or should we call it an encore??)

Residents, community members and staff had smiles on their faces the whole time – even when John told a joke – and it was such a fun time for everyone.

After the performance we all moved to the dining room where the Hotel Services staff served up BBQ sausages with all the trimmings. We also shared some refreshments.

Thank you to the Lockhart Lions Club, whose recycling efforts provided the funds for this great afternoon.

There have been nothing but positive comments from residents, staff and community members since then.

BACK TO SCHOOL

Recently I had the privilege of taking Ross McKenzie and Norm Cliff back to school! We called into the Urana Public School classroom where students were completing a program called "Fast ForWord" on their iPads – not a pencil or paper in sight at that time. The classroom is painted in bright and cheery colours, has oddly shaped desks and even cushions to sit on in the reading area. None of these things were in Ross or Norm's classrooms when they were at school many, many years ago!

Norm spoke to the children asking them to make the most of the learning opportunity they have. They were excited to be able to show us things they have done and also about having a photo taken together. We thank the students and Miss Hines for allowing us to join the class for a short time. Perhaps we will do it again sometime.

In and around the home:

Personal care.

Dignified support with showering, dressing and grooming.

Domestic services.

Light household chores around the home.

Meal preparation.

Delicious meals with fresh ingredients.

Odds and ends.

Everything from organising a gardener to helping with a vet's check for your pet.

Home beautiful.

Let us do the hard work for you when it comes to cleaning your home.

Sleepover support.

Our trained staff are able to stay over in your home to provide the support you may require overnight.

Live-in care.

Got an active lifestyle but need some extra support? Let us assist you with a combination of personal care, leisure, recreation and domestic services, provided by one staff member for a 24-hour period.

Community activities:

Companionship.

Someone to share a cup of tea with, play a game of cards or go for a stroll.

Positive care.

Finding ways to keep you doing the things you love, from tap dancing to pottery classes.

Private assistance.

Whether it's general day-to-day errands or particular tasks, we can support you.

Buraja & District Tennis Association

Tennis Grand Final

Congratulations to Urana Tennis Club on winning the Buraja & District Tennis Association Competition for 2016/2017.

Urana played against Daysdale to win the A Grade Shield and Oaklands played Coreen for the A Reserve Shield.

All teams played at Coreen & enjoyed a BBQ lunch afterwards to wrap up another great season.
