MAYORS MESSAGE

Dear Readers,

Welcome to the July edition of the Urana District Newsletter for 2023.

In this edition, we are pleased to advise the Community Grants Program will be opening soon on Monday 7 August, we invite community members to host Miki City students as part of our exchange program and our mobile preschool enrolments Expressions of Interest are now open.

Also in this month's edition, Council advises of the adoption of our Future Federation plans, in conjunction with the Ageing Well Committee we invite feedback from older residents what ageing in the Federation Council looks like in 2023, Expressions of Interest are being invited for the Federation Community Expo scheduled in October and Council is undertaking community engagement throughout July in relation to the Corowa Aquatic Centre service review. Further information is available in this edition of the newsletter for all the items noted above.

Included in the newsletter are many valuable resources for residents and businesses, and updates on initiatives and projects where Council invites you to participate in or provide your feedback.

Until next time, be kind to yourselves and one another.

Federation Council Mayor - Cr Pat Bourke.

COMMUNITY GRANTS PROGRAM

Round one of the Federation Council 2023-2024 Community Grants Program will open on Monday 7 August 2023, with funds available to help local community groups, organisations and clubs to deliver a range of community projects and events.

Federation Council Mayor, Cr Pat Bourke is encouraging not-for-profit groups and organizations to apply for a share of the \$60,000 of funding pool for this year's first round of the Community Grants Program.

"The Community Grants Program is an initiative aiming to empower groups to develop ideas, projects and events that can contribute to the vibrancy and connected community of Federation Council," Mayor Bourke said.

"We see this as a way to bring forward new ideas and help to develop existing projects to a new height. The grants program is a community focused initiative that gives Federation organisations a way of involving the wider community, their participation in local activities and championing projects that have a strong economic and social impact."

Eligible applicants can apply under one of

three categories:

- Category 1 – Seed funding grant; to support the establishment of new initiatives, applicable up to \$3,000 per applicant.
- Category 2 – Emerging Grant funding; to support the promotion of emerging projects, applicable up to \$1,500 available per applicant.
- Category 3 – Community events grant; to support the strategic development for small to medium events, applicable up to \$1,500 per applicant.

Eligible applicants can apply for grant funding for one-off projects through one of the nine focus categories:

- Arts And Culture;
- Events & Tourism;
- Community Work and Welfare;
- Skill Development and Learning;
- Health Promotion;
- Accessibility and Inclusion;
- Young People;
- Senior Residence; and
- Children and Families.

"We have a great guide available to all residents and organisations, that can assist with ensuring your application and initiatives are eligible for funding available through our website," Mayor Bourke said.

The Community Grants Program will continue to operate in two funding rounds each year, for funds to be distributed in October and April. Applications for Round One close 5pm, Friday 15 September 2023. Applications recommended for approval will be considered and announced to successful groups at the October Ordinary Council meeting.

COUNCIL ADOPTS 'FUTURE FEDERATION' STRATEGIC PLANS

Council has adopted its 'Future Federation' Delivery Program for 2023/24 at its June Council meeting.

The Delivery Program, incorporating the Operational Plan and Annual Budget, is an important document that sets out Council's action plan for achieving the community priorities outlined in the Community Strategic Plan (CSP).

It identifies the specific projects, programs and activities that Council will conduct to progress community priorities, as well as initiatives required to fulfil Council's legislative responsibilities. This is supported by the Annual Budget which outlines how Council will fund the delivery of services and projects to its community. It funds services like managing waste, maintaining infrastructure, community facilities and parks, operating libraries, events and services to people at all stages of life.

The adopted plans will be made available from Council's website.

PLANNING REGULATIONS CHANGE

Federation Council wishes to advise that planning regulations have recently changed in regards to who can apply for a post consent certificate;

- Construction Certificate
- Final Occupation Certificate
- Subdivision works certificate

The Environmental Planning and Assessment (Development Certification and Fire Safety) Regulation 2021 prescribes that applications for Construction Certificates (CCs), Occupation Certificates (OCs) and Subdivision Works Certificates (SWCs) may only be made by a person who is eligible to appoint a principal certifier for the development.

Council cannot accept applications for these Certificates unless the applicant is a person who is eligible to appoint a principal certifier for the development. Therefore, any application for these Certificates must be made by the owner/s of the land upon which the development will be carried out.

When uploading an application for a Certificate to the NSW Planning Portal, the owner/s of the land must be shown on the prescribed form as the applicant/s for the Certificate. The owner can decide if they wish to have the application managed by a third party and provide their contact details as "care of" that third party (i.e. consultant, building firm, contractor, or the like).

COROWA AQUATIC CENTRE SERVICE REVIEW – HAVE YOUR SAY!

The Corowa Aquatic Centre was opened to the public on 26 April 2021 following replacement of the outdoor 50m summer seasonal pool that was decommissioned in 2018 due to safety concerns.

The centre operates year-round and includes a heated indoor 25m three-lane pool with program area, outdoor splash park, outdoor 50m eight lane pool as well as a café, swim shop and changerooms.

The centre has been open for two (2) years and during this time has been under council's direct management. Council initially agreed to run the centre for a minimum 2-year period before considering the longer-term service delivery model. The purpose of this was to provide an opportunity for Council to understand the service as well as having the benefit of 2 years of operational data available.

To assist with maximising the Corowa Aquatic Centre full potential for patrons and the community, Council has undertaken a service review of Corowa Aquatic Centre by an internal working group to identify and weigh-up different service delivery model options that could be successfully implemented at the centre.

The review information was considered at the June 2023 Council meeting and Council will be undertaking community engagement throughout July to seek community input before making a decision about the future service delivery model.

To support this service review, Council will be hosting a series of drop-in sessions with the community to provide them with an overview of the project, and receive feedback as noted above.

Drop-in Sessions will be held at the following locations and times:

- Tuesday, July 18 – Corowa Civic Centre – 11am till 2pm.
- Wednesday, July 19 – Mulwala Library – 11am till 2pm.
- Tuesday, July 24 – Howlong Library – 11am till 2pm.
- Wednesday, July 26 – Urana Council Office – 11am till 2pm.

Federation Council Mayor, Councillor Pat Bourke encouraged residents to attend the drop-in sessions and engage with Council on the service review of the Corowa Aquatic Centre.

“Council is considering two service delivery methods of the Corowa Aquatic Centre as part of this service review and we are really looking forward to having input from the community,” he said.

“Council encourages as many residents and users of this facility to provide their feedback via the online survey, or by writing to Council directly.”

Mayor Bourke said through this process, Council was committed to ensuring the facility meets the expectations of our community and patrons, whilst being run as efficiently as possible.

"Our patronage numbers over the last two years since opening prove that this investment in quality infrastructure has been an overwhelming achievement to improve the health and wellbeing of our community," he said.

"The Corowa Aquatic Centre is undoubtedly a drawcard for our region and has made Federation Council an even greater place to live and visit. The Centre welcomes over 400 children weekly to participate in our Learn to Swim Program which has been one of the most successful programs launched to date. Getting the right management model to support the ongoing success and the many benefits this centre provides is of high priority."

Review the different service delivery models and documentation and complete the online survey on Council's website or scan the QR code on the back page of this newsletter.

MIKI CITY MEMORABILIA DISPLAY CELEBRATES A 26 YEAR RELATIONSHIP

The Miki City Memorabilia Display will be on show at the Corowa Art Space from Friday 11 August until Sunday 3 September, 2023.

Federation Council is inviting residents and visitors to see the exhibition and explore the 26 year relationship between Federation Council, Australia and Miki City, Japan.

The Miki City Memorabilia Display will showcase mementos and artefacts from students and community members who have participated in the Miki City and Federation Council Sister City Exchange Program. Items include gifts presented to Federation Council, artworks, photos, ceramics and examples of the agricultural, hardware and blacksmithing industries which flourish within Miki City.

The exhibition coincides with the arrival of students, chaperones and dignitaries from Miki City who will be staying in our region in August.

Entry to the Miki City Memorabilia Display is free. Open Wednesday - Friday 10 am - 4 pm, Saturday & Sunday from 10 am to 2 pm at Corowa Art Space in the Corowa Civic Centre.

KEEPING ANIMALS IN URBAN AREAS

Do you know that there are requirements that residents are responsible for when keeping animals within urban areas of the Federation Council area?

These requirements can include the maximum number of animals along with applicable land sizes.

Further information in relation to the keeping of birds, goats, alpacas, deer, reptiles, bees, cattle, sheep, guinea pigs, is available from Council's website and the Keeping of Animals and Birds Local Orders Policy or by contacting the Federation Council Ranger on P: 02 6033 8999.

POSITIONS VACANT

Federation Council is committed to being a quality Council with a strong focus on the delivery of services that continually meet community expectations.

More detailed advertisements and position descriptions can be obtained from Council's website.

AGEING WELL STRATEGY CONSULTATION NOW OPEN

The Ageing Well Advisory Committee and the Federation Council is seeking feedback from older residents to get a better understanding what ageing in the Federation Council looks like in 2023. It has been four years since the Council adopted the Federation Council's current Ageing Well Strategy and a lot has happened in that time.

The Committee and Council would like to hear your thoughts and ideas on what steps they can take to address the needs, priorities, and challenges of getting older and living in the Federation Council area. Your feedback will assist to develop the Federation Ageing Well Strategy 2024-2028 and subsequent four-year action plan.

They would like to know how you can:

- Be more connected and active;
- Feel safe and secure;
- Access and use public spaces & buildings;
- Confidently get to where you need to go;
- Access and receive the support and services you need;
- Feel valued, informed & part of your community; and

- Be supported to age well and participate fully in community life.

The Federation Ageing Well Committee will be conducting community focus groups over the coming months across the Council area where residents can come along to a two-hour semi-structured interview process where people will have the opportunity to tell their own stories.

Feedback can be provided via an online survey on the council website, or a hard copy can be picked up from any Council office. Short on time, but still want to have your say? Please fill out an Ageing Well post card at any council office or library.

You can also contact Amber, Community Development Team Leader from the Federation Council. You can call her on 02 6033 8974. Amber is more than happy to set up a meeting time to chat face-to-face or over the phone if you let her know.

Consultation will close on Friday 25 August, 2023.

FEDERATION COMMUNITY EXPO EXPRESSIONS OF INTEREST

Federation Council and the Federation Interagency Committee is calling for Expressions of Interest from sporting groups, community organisations and service providers operating in the Federation Council local government area and further afield to join us at the inaugural Federation Community Expo.

The Federation Community Expo will be a one day event, scheduled on Thursday 19 October, 5:30pm – 7:30pm at Bangerang, Park Corowa. This event is being organised by the Federation Interagency Committee and is designed to connect people with their local community and a great opportunity to promote who they are and what they do.

Stalls are free, we just ask groups to provide their own information, resources, and staff to answer questions and give advice about their services or community group. We are also seeking community groups to hold a fundraising BBQ and / or drinks stall along with applications to perform or play music.

Why not make your stall stand out and provide an activity at your stall to ensure a vibrant, interactive atmosphere. You tell

us what you want to do!

To express your interest in attending, please complete the online form available on Council's website or if you would like more information please contact Tracey Barkley or Amber Murphy of Intereach on 02 60 442 802 or Amber Harvey of Federation Council via email communityevents@federationcouncil.nsw.gov.au.

NEW RESIDENTS KIT

New to the Federation Council Area?

Welcome and thank you for choosing to make the Federation Council area your home.

Council has compiled a New Resident Kit to provide you with a handy reference guide to the services and facilities available from Council and within the community. A copy of the New Resident Kit is available on Council's website as an e-book or you can download your own copy.

If you have recently moved here (or are about to) and would like to receive a New Resident Welcome Pack, you can pick one up from any Council office or contact Council on (02) 6033 8999 and we will organise one to be delivered to you.

URANA CELEBRATES ITS NEWEST HISTORICAL ADDITIONS

Last week dozens of history enthusiasts braved the icy weather and gathered for a day of grand opening events in Urana. The day featured the long-awaited official opening of the Dexter Horizontal Windmill as well as several exciting Urana Progress Association projects, some of which featured Frederick Fox LVO, milliner to the Royal Family and several Hollywood films. A Freddie Fox short documentary, a new book showcasing his hats and the General Store and McCaughey Memorial Hospital interactive displays were launched at the Urana Courthouse Museum.

The events not only gained interest from Urana locals, but drew a crowd from further afield such as Corowa, Wangaratta, Melbourne, Canberra, Hay, Albury and Wagga Wagga.

The day commenced with the windmill opening where attendees heard from speakers such as Karin Coghill, Secretary of Urana Inc., Federation Council Mayor Cr Pat Bourke and the windmill's mechanic, Tim Matt on how the project was made possible by the hard work of many committed individuals. The windmill project was made possible through funding

from the NSW Government's Regional Cultural Fund.

The community came together for a delicious free lunch at the museum which led into the final part of the day's celebrations. The Urana Progress Association launched a glossy book outlining the Frederick Fox LVO story, featuring a curated selection of hats from the 1960s onwards which form part of the Urana Courthouse Museum Collection. Attendees were also treated to the premiere of the Frederick Fox LVO short documentary.

The book and short documentary was compiled with assistance from several staff members of the Museum of Riverina, projects which were made possible with funding from a Tim Fischer AC bequest. Many members of the Fox family were present on the day as well as Tim Fischer's siblings Carol, Vicki and Tony who officially launched the book and video.

The new display attractions of General Store and McCaughey Memorial Hospital and their collections were explored by attendees, proving to be fantastic new additions to the museum which will delight future visitors.

These "buildings" were funded by a Riverina Water Community Grant with containers being supplied by David Nicolls of Rural Container Supplies in Albury. David ensured they came complete with doors, windows, skylights, lining, floors and facade structures. Volunteers added the roof, verandah iron and paint to complete the newest accession in the museum's "outdoor village".

The Dexter Horizontal Windmill can be viewed on Federation Way opposite the Urana Aquatic Centre. Frederick Fox LVO books are available to be purchased from

FIVE-NIGHT HOMESTAY NEEDED FOR STUDENTS FROM MIKI CITY

Host families are needed to host a Miki City exchange student, supporting them to experience everyday life in Australia. There is a full program of activities over the six days that the students will be involved with during the day. Each host family has some evenings and one Saturday to plan family activities with their guest. The host family will need to provide their guest with a place to call home at night, their own room, breakfast and some dinners. All families are welcome to apply.

Are you interested in being involved?

Mayor Cr Patrick Bourke said, it is a great opportunity for the Federation community to get involved in the sister program by hosting students, and chaperones, "Many special lifelong friendships have developed between our cities and communities as a result of becoming involved in hosting."

For any community members and families interested in hosting students, or chaperones during the August 2023 exchange program, please complete the Expression of Interest form available from Council's website. Further queries can be made via phone on (02) 6033 8999 or email council@federationcouncil.nsw.gov.au.

FEDERATION COUNCIL RECEIVES SPECIAL RATE VARIATION DETERMINATION

The Independent Pricing and Regulatory Tribunal (IPART) yesterday (14/06/23) announced determinations on the 17 Councils who had applied for rate variations (increases) above the ordinary allowable rate peg amounts to commence 1 July 2023. IPART has partially approved Federation Council's Special Rate Variation application to temporarily increase its general rate income above the rate peg for a two-year period and not the four-year as applied.

Council has been granted a two-year temporary rate increase of 19% in year one (2023/24) and 17% in year two (2024/25). Council had requested a general rate increase of 19% for 2023/24, with 17%, 14% and 10% for the following three years and for the increases to remain in the rate base, (not be temporary), and reverting to the ordinary rate peg for 2027/28 onwards.

IPART determined the application and only applied the two year temporary

increase due to it considering Council had shortcomings in the community awareness factor/criteria, including not communicating the cumulative increase of 74.59%, and only using each years proposed % increase, and also they considered Councils financial documents did not including in the early engagement stages, the impacts of a baseline (non-SRV scenario). Council successfully met the other criteria including demonstrating the financial need, the increase being a reasonable impact on ratepayers, the quality of Councils Integrated Planning and Reporting documents, and the productivity improvements and cost containment strategies.

The partial approval means Council can increase its rates by 19% and 17% across 2023/24 and 2024/25 respectively should it choose to do so, inclusive of any allowable rate increase (for 23/24 for Federation Council it is 4.3%). The 23/24 rate increase will be determined as per normal practice at the June 27 Council meeting. Council needs to re-apply if it wishes for the increases to remain in the rate base ongoing, and if the Council is seeking the further two years of 14% and 10%, or any different amount. Council will likely consider this in the coming months further analysis of the IPART determination and Councils longer-term financial position and further engagement with the community,

Federation Council Mayor Pat Bourke said this decision by IPART will allow Council to consider the reasons for the partial approval, and further analysis on the many submissions received by IPART from our community.

View more information on IPART's website, including more detail of the decision https://www.ipart.nsw.gov.au/node/917?review_id=1767

MEDIA RELEASE

Growing regions open for business

The Albanese Government's new \$600 million Growing Regions Program is now open for expressions of interest.

It provides grants of between \$500,000 and \$15 million to local government entities and not-for-profit organisations, for capital works projects that deliver community and economic infrastructure projects across regional and rural Australia.

The Growing Regions Program stands in stark contrast to the discredited grants programs run by the Liberals and Nationals who ignored guidelines and proper process in favour of pork barrelling the schemes for their own electoral advantage. We have been determined to provide something better for regional Australians. We have spent time working on guidelines that are merit based, transparent and fairer for regional Australians.

The program will invest in critical regional infrastructure and community projects across regional and rural Australia through two \$300 million funding rounds.

The Growing Regions Program is now open for Expressions of Interest which is the first stage of a two stage process to ensure projects meet requirements.

The Albanese Government is a strong supporter of Regional Australia and I encourage regions eligible for the program to take advantage of the opportunity to put in an EOI for eligible projects.

All council areas will be eligible for either the Growing Regions program, or the new Thriving Suburbs program announced in the May budget which will be open later this year. Information about the Growing Regions Program can be found on the website. <https://www.infrastructure.gov.au/territories-regions-cities/regional-australia/regional-and-community-programs/growing-regions-program>

CWA OAKLANDS NEWS 2023

Members were saddened to hear of the passing of Mrs Ann Nixon. Ann was a much loved and valued branch member. She had a unique, quick mind for innovative ideas (eg: the Womens' Dinners) and being able to see outside the square. Ann will be greatly missed for her friendship & her thorough manner of completing any task asked of her. A life well lived. Rest peacefully Ann.

Members hosted the Ageing Well Forum which was well attended.

Yvonne Perrin, Ageing Well Ambassador lead the audience through a list of items seeking feedback on things needed or missing in Oaklands. Also focusing on the achievements of the community as a team. A well thought out presentation aided by Amber Harvey, Team Leader Community Development, Federation Council.

URANA PROGRESS ASSOCIATION

COMMUNITY MORNING TEA

Urana Progress Association continues to host our community morning teas and despite the 4th July being a very cold, wet day we still had a good number of people join us for American-style food, fun and friendship. Marj's warm, large-covered-with-cheese (as per American style) potato toast squares were a bit-moreish and the American lime pie added a sweet treat. We teamed this with Australian cream puffs and Mars Bar slice so no one went home hungry!

We watched the Freddie Fox film and are all enlightened as to many more aspects of his life. Our guests also took the opportunity to admire our new Frederick Fox hats.

GRAND OPENING

The weather was not good but this didn't dampen anyone's enthusiasm! About 90 people attended the Opening of the Dexter Windmill and our new exhibits. Our guest list included: Marea Bright (Milliner), Gail Humphries (Melbourne), David and Lillian Nicolls (Rural Container Supplies), Sheldon (Sign Shop), approximately 10 members of the Fox family, 7 members of the Fischer family, Federation Council General Manager, Mayor and staff, other Museum groups, visitors, community members and volunteers.

We used a Tim Fischer bequest to fund the making of a film and had the inaugural public screening of "The Boy from Urana – Remembering Freddie Fox". This 23 minute documentary received very high reviews from all who saw it, including the Fox and Fischer family members.

"The Frederick Fox LVO Story" – in book form was also produced and features magnificent photos of hats we have in our collection. This book can be viewed at the Museum or a copy may be purchased at a cost of \$35.

Pat Bourke represented Riverina Water who funded the purchase of containers and was very happy to cut the ribbon to open these two 'buildings'. We are grateful to Riverina Water and David Nicolls who went above and beyond (thanks to his Urana connection) to ensure our ideas became a reality.

Federation Council supplied the sandwiches for lunch and our volunteers provided soup and other goodies – there was nothing for us to take home so it was appreciated by everyone.

URANA PROGRESS ASSOCIATION

“GENERAL STORE” AND “McCAUGHEY MEMORIAL HOSPITAL”

“Wow” is a word we hear often when we open the back door to show visitors our outdoor area – most have to be convinced that our ‘buildings’ actually started as containers! We are still in the process of fitting out the “General Store” so if anyone has any shelving (or similar) in a 1950/60’s (or earlier) style or suitable Urana items please come and see us on a Tuesday so we can have a chat about it.

BIRD SALE

Come along to the Urana Memorial Hall on Sunday 23rd July to see a large array of birds – you can even purchase some after 10 am if you want. Entry is only \$3 or \$12 per family – food and drinks also available for purchase.

GAMES DAY

Lyn was watching Shirley to make sure she didn’t cheat – or was she egging Shirley on to cheat?!

Tractors, wind farms and properties were bought and sold in an intense game of John Deere-opoly. And as always lots of chat and laughter as everyone participated, advised or sat back and had a cup of coffee!

Our next Bingo and Trivia afternoon is on Wednesday, 16th August commencing at 1.30 pm and costing \$10 – and entertaining time is guaranteed.

AUGUST COMMUNITY MORNING TEA

Will be held on Tuesday, 1st August from 10 am and not 8th August as advertised on our calendar. We would love to see lots more people come along – we have just shown we can fit 90 odd people in the Courtroom!

WASTE FACILITIES & CHARGES

Household waste accepted only (not commercial origin), not accepted at Mulwala Transfer Station, Putrescible waste (food scraps) not accepted at Corowa Waste Facility.

Skip bins available 24 hours at the Urana, Victoria Park Recreation Ground.

URANA COMMUNITY RECYCLING CENTRE

Federation Council and the NSW EPA have recently opened two Community Recycling Centres (CRC's) in Corowa and Urana.

Many familiar products you use in your home, car, garage and shed can be hazardous to other people and the environment. Because of this, they cannot be disposed of in your red, yellow or green lidded bins.

These include:

- batteries (household only).
- motor & other oils (5-20 ltrs motor oils and other oils).
- paint.
- smoke detectors.
- fire extinguishers.
- gas bottles.
- fluro lights.

Once you no longer have a use for these products, they become household problem waste. If disposed of incorrectly, or released into the environment, these products can pollute our soil, contaminate our water and even cause physical harm to people and animals.

The good news is you can dispose of them for FREE at the following CRC's. The products are then processed and the reclaimed materials used to make other products.

The Urana CRC is located at the Urana Waste Disposal Centre, Boree Creek Road, Urana.

Operating Hours:

Sunday 11:00am – 4:00pm

The facility is closed Christmas Day, Boxing Day, New Years Day, Good Friday and Easter Sunday.

Service Review

To assist with maximising the Corowa Aquatic Centre full potential for patrons and the community, Council has undertaken a service review of Corowa Aquatic Centre by an internal working group to identify and weigh-up different service delivery model options that could be successfully implemented at the centre.

The review information was considered at the June 2023 Council meeting and Council will be undertaking community engagement throughout July to seek community input before making a decision about the future service delivery model.

For more information & to complete the survey scan the QR code!
