## MAYORS MESSAGE

Dear Readers,

Welcome to the July 2024 edition of the Urana & District Newsletter.

In this edition we invite you to have your say about the Draft Villages Flood Warning System review, Youth Councillors lead the way at the Regional Youth Leadership Summit, the Fischer Community Leadership Program is back and applications are now open and so much more!

Federation Council celebrated and recognised NAIDOC Week 2024 and acknowledged all Aboriginal and Torres Strait Islander peoples that reside in which the Federation Council boundary lies. NAIDOC Week is celebrated in the first full week of July each year. NAIDOC stands for the National Aboriginal and Islander Day of Observance Committee. NAIDOC Week was held between 7-14 July 2024 honouring this year's theme of 'Keep the Fire Burning! Blak, Loud and Proud'. Thank you to everyone who participated.

I encourage residents to read the Special Rate Variation (SRV) Fact Sheet, the fact sheet provides information on the SRV proposed, average impact of the proposal on ratepayers and details on upcoming community meetings. I also encourage residents to have your say by completing the survey being delivered to mailboxes or online from Council's website. More information is in this edition on page 6.

Until next time, be kind to yourselves and one another.

Federation Council Mayor - Cr Pat Bourke.

## 2024-2025 SPECIAL RATE VARIATION - HAVE YOUR SAY!

During the month of July, Council will be further engaging with our community on our Special Rate Variation Project 2024-2025.

All residents in the Federation Council Local Government area will be receiving a fact sheet and survey via Australia Post. The fact sheet provides information on the Special Rate Variation proposed, average impact of the proposal on ratepayers and details on upcoming community meetings. The paper copy survey is your opportunity to provide valuable feedback to Council on what is currently proposed.

Other key messages contained in the fact sheet include:

- Federation Council plans to apply to the Independent Pricing and Regulatory Tribunal (IPART) for a permanent
- Special Rate Variation (SRV) for the 2025-26 year.
- The purpose of the SRV is to improve financial sustainability, address infrastructure maintenance shortfalls and maintain other services wherever possible.
- The cumulative impact of the SRV is 69.94% over two years, including the assumed rate peg. This includes converting the current temporary

SRV of 39.2% cumulative (which otherwise expires after the 2024-25 financial year) into a permanent one.

- The need for an SRV responds to a structural imbalance in the operating budget that earlier work has demonstrated beyond reasonable doubt to have existed for decades. Quite simply, Council's required operating expenditure has well-exceeded its revenue over many years.
- If we don't get the SRV approved then to continue our journey towards sustainability Council would have to cut capital expenditure by approximately \$6 million, or 24% of cash operating expenditure per year. This would involve Council deferring asset renewal and maintenance of roads and other infrastructure assets. The longer asset maintenance and renewal is delayed, the greater the ultimate costs are to bring them up to a satisfactory standard.
- Residents are encouraged to view the fact sheet, complete the paper copy or online survey and attend one of the many upcoming community meetings in July.

View the fact sheet and have your say today by visiting Council's website.

Can you describe and discuss your medicines with healthcare professionals and family when you want to?

Older residents of the Federation Council can pick up their free 'My Medicines List' from participating pharmacies and medical centres in the Federation Council area or at any Council office.

A journal writing program targeting teenagers is currently being rolled out in the Federation Council.

Federation Council Mayor Cr Pat Bourke said, "Young people are the future of our community. This is an exciting project, bringing together service agencies, local schools and the Council to support improved positive health and wellbeing".

"The program aims to provide teenagers with an opportunity to build on their health and wellbeing through journaling."

"Five schools are undertaking the pilot program. Corowa High School, Oaklands Central School, Urana Public School, Corowa South Public School and Corowa Public School," he said.

Big Life journals are being allocated to students in nominated classes within the schools between years five to ten.

Big life Journals are science-based journals, providing engaging activities, inspiring stories and colourful illustrations to support the building and development of growth mindset skills in:

- Self esteem
- Resilience
- Love of learning
- Lessen fear of failure

- Taking on challenges
- Self-love
- Gratitude.

"Journals are places for us to reflect on our lives, what has happened to us and how we reacted." (Big Life)

The Federation Primary Prevention Team received \$5,000 funding through the NSW Health Community Drug Action Team's (CDAT) program. The Federation CDAT aims to better equip the local community with an understanding of how to improve their own health and wellbeing; understanding of risky behaviours, impacts and how to avoid these; and advocating that help is available when needed.

## DRAFT DEBT MANAGEMENT & HARDSHIP POLICY

At Council's June ordinary meeting, Council endorsed the draft Debt Management & Hardship Policy for public exhibition for a period of 28 days.

The draft policy in the first instance outlines how Council seeks to recover outstanding payments using a process that promptly determines how each debt will be paid outside a formal court process.

Council acknowledges that from time to time some ratepayers will face difficulties paying fees and charges and is committed to taking a fair and flexible approach to managing their debts.

Council is inviting residents to review the draft policy and provide any feedback by 5pm, Wednesday 7 August 2024.

The draft policy is available for viewing below or at any Council office. Anyone interested in providing feedback should do so in writing, addressed to the General Manager, PO Box 77, Corowa NSW 2646 or email to [council@federationcouncil.nsw.gov.au](mailto:council@federationcouncil.nsw.gov.au)

### **COUNCIL ADOPTS 'FUTURE FEDERATION' STRATEGIC PLANS**

Council adopted its 'Future Federation' strategic plans for 2024/25 at its June Council meeting.

The 'Future Federation' Delivery Program, incorporating the Operational Plan and Annual Budget, is an important document that sets out Council's action plan for achieving the community priorities outlined in the Community Strategic Plan (CSP). It identifies the specific projects, programs and activities that Council will conduct to progress community priorities, as well as initiatives required to fulfil Council's legislative responsibilities. This is supported by the Annual Budget which outlines how Council will fund the delivery of services and projects to its community. It funds services like managing waste, maintaining infrastructure, community facilities and parks, operating libraries, events and services to people at all stages of life.

Council endorsed a 17% increase to general rates for 2024/25. This is consistent with the IPART approval for a temporary increase to general rate income for a two-year period of 19% in 2023/24 and 17% in 2024/25. Further hard copy and online communication and information about the increase will be provided to ratepayers when 2024/25 rate notices are distributed.

In adopting the plans, Federation Council Mayor Pat Bourke said the overall plan's primary focus was to ensure Council services are sustainable into the future, while delivering on the important objectives outlined in the Community Strategic Plan.

"I would like to take this opportunity to thank the residents who wrote submissions to Council and the hundreds of people that we engaged during the development of our plans," he said.

"Council looks forward to continuing to engage with the Federation community on how Council can be financially sustainable whilst delivering the services that our community expect and value and managing Council's assets with a longer term outlook. Council knows, and I think the community understands broadly, that Council's roads and other infrastructure need additional ongoing funding to get on top of the backlog caused by years of underfunding. Council will be engaging with the community in July on its Special Rate Variation project, which is an important project for sustainability and I encourage residents to come along, be informed and provide their feedback."

Mayor Bourke said the next six months will be a time to engage further with the community on Council service level expectations and work on future financial sustainability solutions together. View the plans on Council's website.

## URANA PROGRESS ASSOCIATION

### COMMUNITY 'CHRISTMAS IN JULY' LUNCH

23 people came along and enjoyed a delicious roast lunch with plum pudding. Marj received many compliments on that plum pudding!

It is such a pleasure for us to serve meals to happy, appreciative people who always give us a hand to clean up and wash up. And the conversations keep going long after the food has finished.

### AVIARY WATER FEATURE

The birds in the Aviary are now enjoying their new Water Feature thanks to funding from Riverina Water, creations by Mick Robson and installation by Barry and Ian. Barry has also put in several 'pipe trees' to hold large branches which the birds are loving.

In a couple weeks, there will be about 12 new inhabitants in the Aviary. We are looking forward to them settling in and enjoying the Aviary whilst adding to the peacefulness (or playfulness) of the area.

### DEFENCE FORCE ROOM OPENING

We would like to invite community members to come along on Wednesday, 24th July, 2024 from 11 am to help us celebrate our local men and women who have contributed to the defence of Australia. We are very proud of these personnel and of our display which honours them.

### NEW WORKROOM FLOOR

While at the Defence Force Room opening – or any other Tuesday or Saturday – we invite community members to call in to see our new floor. This has made such a difference to the look and feel of the room.

Urana Progress Association depends on volunteers to do all that we do – the new floor and new cabinetry will increase the safety and functionality of this room. Labelling will be increased as well and this will make it easier for volunteers to access family history and other relevant information that we are often asked for.

We value our volunteers and thanks to our consistent fundraising, we are pleased to provide them and our many visitors with a warm and inviting Museum.

### URANA BIRD SALE

Come along to the Urana Memorial Hall from 9 am on Sunday, 28th July to see an amazing array of birds, purchase a home-made or home-grown product or just have a BBQ sausage. Entry is only \$3.

## Child and Family Health Nursing

### Supporting Children to be Healthy

It is important to monitor your child's growth and development and the Blue Book helps to keep track of how this is going.

Be sure to take your child to visit your child and family health nurse or doctor at certain ages. If you have any concerns about your child's growth and development at any other time, you should consult your doctor or child and family nurse.

Remember to take your child's Blue Book as the health professional will make notes about your child's health, making it easier to share information.

**Children should receive a routine check by a health professional at:** Birth, 1-4 weeks, 6-8 weeks, 6 months, 12 months, 18 months, 2 years, 3 years, 4 years

Appointments with the child and family nurse can be made through the Community Care Intake Service on **1800 654 324**

or On-Line booking with QR code.

# WASTE FACILITIES & CHARGES

Household waste accepted only (not commercial origin), not accepted at Mulwala Transfer Station, Putrescible waste (food scraps) not accepted at Corowa Waste Facility.

Skip bins available 24 hours at the Urana, Victoria Park Recreation Ground.

## URANA COMMUNITY RECYCLING CENTRE

Federation Council and the NSW EPA have recently opened two Community Recycling Centres (CRC's) in Corowa and Urana.

Many familiar products you use in your home, car, garage and shed can be hazardous to other people and the environment. Because of this, they cannot be disposed of in your red, yellow or green lidded bins.

These include:

- batteries (household only).
- motor & other oils (5-20 ltrs motor oils and other oils).
- paint.
- smoke detectors.
- fire extinguishers.
- gas bottles.
- fluro lights.

Once you no longer have a use for these products, they become household problem waste. If disposed of incorrectly, or released into the environment, these products can pollute our soil, contaminate our water and even cause physical harm to people and animals.

The good news is you can dispose of them for FREE at the following CRC's. The products are then processed and the reclaimed materials used to make other products.

The Urana CRC is located at the Urana Waste Disposal Centre, Boree Creek Road, Urana.

Operating Hours:

Sunday 11:00am – 4:00pm

The facility is closed Christmas Day, Boxing Day, New Years Day, Good Friday and Easter Sunday.
