## NSW YOUTH WEEK'S SUCCESS IN FEDERATION REGION

Federation Council's NSW Youth Week activities have come to a close with a program of exciting events taken place. The week-long celebration organised by young people, for young people saw members of Federation Council's Youth Council working alongside Council's Events Team plan and execute various activities.

The Federation Youth Council hosted their first event at the Oaklands Outdoor Cinema. Around 25 young people braved the cold night to watch "Instant Family" on the big screen at the Oaklands Football Oval.

"It was a great first event for the Youth Council," said Federation Youth Council Facilitator, Amber Harvey. "The Youth Council members gained many skills from organising and hosting this event including stakeholder engagement, event planning, project management, marketing and communication skills.

Most importantly they worked as a team

and all pitched in and helped set up and pack down at the end of the night. I was really proud of them."

The Youth Council would like to thank the Oaklands community for attending and the Oaklands Recreation Ground Committee for their support in the lead up.

The Trick Out Your Tumbler Workshops held in Rand and in Mulwala allowed for unlimited creativity as participants eagerly sifted through over 2,000 stickers to create unique collaged surfaces on drink tumblers, phone cases and helmets with the 'sticker-bomb' technique. Participants also enjoyed a delicious complimentary lunch of sandwiches, cakes and wraps.

The Street Art Workshop held in Corowa was facilitated by the team at Upper Murray Quirky Events. The day was a riot of energy and experimental aerosol techniques. Participants walked away with unique street art inspired artworks and finished the day off with a sausage sizzle lunch. Participants also had lots of fun with the new experience of pricing their work for sale. The workshop produced 29 artworks, many of which can be viewed as part of the Express! Youth Exhibition.

Aspiring artists aged 24 and under were invited to submit new or favourite artworks into the Express! Youth Exhibition, resulting in over 30 works on display at the Corowa Art Space. The vibrant collection of work spans the mediums of aerosol and street art, digital art, 3D works, oils and sculpture.

The Federation Youth Event Assistant Program was a career development opportunity formed in partnership with Murray Arts. Participants of the program Maddison Andrews, Imogen Lake,

# FEDERATION COUNCIL NEWS

Charlie Whitechurch, Meg Rogers and Olivia White gained hands on experience with the peak arts body of our region and were on the ground to assist with event support at “LIMELIGHT: Art – Science – Light On Tour Corowa”.

The one-night only extravaganza of animated projections, sculptures, storytelling and interactive art drew in over 900 people to the Bangerang Park precinct and was a great success. Alyce Fisher, Limelight Artistic Director said of the Youth Crew, “The five young people who took part in the Federation Youth Event Assistant Program, were all enthusiastic, team players who were excellent additions to our LIMELIGHT On Tour Corowa crew. They aided to ensure the event ran smoothly and received a fantastic introduction into the realities of behind the scenes of outdoor events.”

Council would like to thank all youth participants, event partners, volunteer committees and the Federation Youth Council for their contributions. We encourage you to remain connected with our various communication platforms to stay informed about more youth activities that will be announced later in the year.

The Oaklands Outdoor Cinema, Trick Out Your Tumbler Workshops and the Federation Youth Event Assistant Program were supported by the NSW Government through the NSW Youth Week Program.

## MIKI CITY JAPAN SISTER CITY NEW RESIDENT

Miki City Sister City Exchange 2023 delegate, Teruhisa Gonoï, has returned to live and work in the Federation Council!

Arriving here in August 2023 on the exchange from Miki City, Teru was so delighted with the visit that he has returned to stay!

Teru said, I loved my visit in 2023 and was very grateful for the opportunity.

"The local community was so welcoming and provided me with a wonderful taste of life here in Australia."

"I have now finished school and decided to come back to immerse myself in the Federation community and culture, initially for twelve months with a view to a possible permanent relocation."

"Australia and Japan have such differing cultures, which I find so interesting. However, what I have noticed that is similar is the importance we place on sense of community and friendships," he said.

Local community members Gary and Christine Poidevin are supporting Teru with accommodation in Corowa and integration into the broader local community, including seeking local

employment opportunities.

Gary Poidevin said, "It's been very exciting to see participants over the years gain so much opportunity from the Sister City program, it really has changed lives. Many long-life friendships have developed, travel opportunities have taken place and new careers developed."

Federation Council Mayor, Cr Patrick Bourke said, the Federation Council – Miki City Sister City Exchange Program aims to provide community members, as well as those who work and study in the Council areas, an opportunity to experience and learn about a different culture.

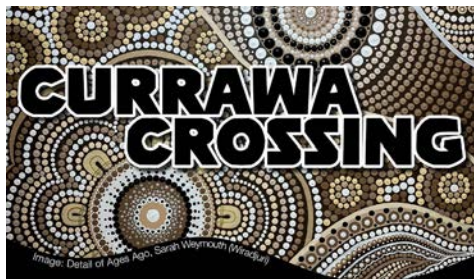

"Applications are currently open for Federation residents, as well as anyone who works or studies within the Federation Council, to travel to Miki City on the 2024 sister city exchange program visit."

"Federation Council, with support from the Australia-Japan Foundation, produced a documentary film through Nomad Films, to capture the essence of the program, showing the real emotions and connections that are made through the program. I encourage anyone who may be interested in the Sister Program to take a look!" he said.

Teru will also be supporting the 2024 participants heading to Miki City, with language tips and information on Japanese culture.

Further information can be obtained from Council's website, including a documentary film showcasing the history and benefits of the program.

## CURRAWA CROSSING EXHIBITION

The 'Currawa Crossing' exhibition is returning in 2024. Indigenous Artists from across the Riverina and Murray regions are invited to submit work into the community exhibition to be held at the Corowa Art Space.

The exhibition will be on display from the 24th May until 14th July 2024 and will run to coincide with National Reconciliation Week and National NAIDOC Week to celebrate and recognise the history, culture and artistic achievements of Aboriginal and Torres Strait Islander peoples residing in the region.

"We would love to see participation from artists across the broader Riverina and Murray regions to help celebrate Indigenous art, storytelling and culture. Council are looking at continuing to hold this exhibition annually as there are so many talented artists in the region to showcase," said Federation Council Community Projects and Events Officer, Camille Whitehead.

"The Currawa Crossing exhibition will provide a great opportunity for art lovers to buy genuine Aboriginal art and support local artists at a time where inauthentic artworks and AI-generated imitations are impacting the industry. Last year the Space was filled with vibrant

contemporary works from Riverina based artists such as Owen Lyons, Elijah Ingram and Sonia Undy and we look forward to seeing what this years' exhibition brings!"

### Artwork Drop Off Locations and Deadlines

- 20th May: Federation Council, Corowa Civic Centre, 100 Edward Street, Corowa NSW.

## Child and Family Health Nursing

### Supporting Children to be Healthy

It is important to monitor your child's growth and development and the Blue Book helps to keep track of how this is going.

Be sure to take your child to visit your child and family health nurse or doctor at certain ages. If you have any concerns about your child's growth and development at any other time, you should consult your doctor or child and family nurse.

Remember to take your child's Blue Book as the health professional will make notes about your child's health, making it easier to share information.

**Children should receive a routine check by a health professional at:** Birth, 1-4 weeks, 6-8 weeks, 6 months, 12 months, 18 months, 2 years, 3 years, 4 years

Appointments with the child and family nurse can be made through the Community Care Intake Service on **1800 654 324**

or On-Line booking with QR code.

Household waste accepted only (not commercial origin), not accepted at Mulwala Transfer Station, Putrescible waste (food scraps) not accepted at Corowa Waste Facility.

Skip bins available 24 hours at the Urana, Victoria Park Recreation Ground.

## URANA COMMUNITY RECYCLING CENTRE

Federation Council and the NSW EPA have recently opened two Community Recycling Centres (CRC's) in Corowa and Urana.

Many familiar products you use in your home, car, garage and shed can be hazardous to other people and the environment. Because of this, they cannot be disposed of in your red, yellow or green lidded bins.

These include:

- batteries (household only).
- motor & other oils (5-20 ltrs motor oils and other oils).
- paint.
- smoke detectors.
- fire extinguishers.
- gas bottles.
- fluro lights.

Once you no longer have a use for these products, they become household problem waste. If disposed of incorrectly, or released into the environment, these products can pollute our soil, contaminate our water and even cause physical harm to people and animals.

The good news is you can dispose of them for FREE at the following CRC's. The products are then processed and the reclaimed materials used to make other products.

The Urana CRC is located at the Urana Waste Disposal Centre, Boree Creek Road, Urana.

Operating Hours:

Sunday 11:00am – 4:00pm

The facility is closed Christmas Day, Boxing Day, New Years Day, Good Friday and Easter Sunday.
