Federation Council Urana District Newsletter

Message from the Mayor

It is that special time of the year when it is my privilege to share my Mayoral Christmas Message with the Federation Council's Urana and District residents and families.

There is so many varied activities and projects in progress within Federation Council at the moment and the Council and local communities have achieved a lot over the last year and I encourage you to pause and reflect on these achievements over the Christmas break.

Council looks forward to continuing to report on the success of the Stronger Communities Fund projects in the new year.

This fund was established to support residents, community groups and new councils to work together on projects that improve infrastructure and services.

Council received \$10 million from the NSW Government as part of the Stronger Communities Fund and these funds have been allocated as follows:

- \$1 million to projects managed by Incorporated Organisations through the Stronger Community Grants Program to build more vibrant, sustainable and inclusive local communities;
- \$9 million for major projects that deliver long term economic and social benefits to communities.

A high number of these projects are coming to fruition throughout Federation Council and I look forward to our communities benefiting from such projects for many years to come.

If you light up your home with Christmas decorations, don't forget to register for the 'Light Up Federation' Christmas light competition.

This is a great community initiative for the whole family to take part in, either by decorating their home or picking up a copy of the map and visiting the displays throughout the Federation Council region.

Some recent decisions by the Council have been the talking point of a number of media agencies since we came to office in September. What I would like to assure our residents of is that the Council is working in the best interests of our communities, with a common goal of achieving what is best for Federation Council as a whole. Council is looking forward to building on the foundations that we have set to ensure our communities continue to grow and prosper in the best possible way.

On behalf of Federation Council, and the dedicated Council staff, we wish you all a Merry Christmas and Happy New Year.

Council looks forward with anticipation to an exciting year ahead.

Until next time,
Councillor Patrick Bourke—Mayor

Excitement continues to surround the Play Space Upgrade program

Excitement is buzzing throughout the community, following the construction and two openings of new playgrounds in the Federation Council area.

The projects are a part of Federation Council's Play Space Upgrade Program and have been a priority for the community for some time. Site preparations commenced earlier in the month, following extensive planning and design to ensure the new spaces achieved the best outcome.

Some of Federation's youngest residents have been visiting the sites to supervise the construction of their new playgrounds. Council has worked closely with the community to finalise the designs and in particular, has ensured the feedback provided by local children has been considered.

Federation Council Coordinator of Parks and Facilities Darren Harvey has been overseeing the projects and said he has been pleased with the level of interest shown by the community.

"It's been great to have the kids involved in these projects and we've received some really positive feedback so far," he said.

"We had visits from the Federation Council Mobile Preschool, Corowa Preschool and Howlong Primary School students and there were lots of questions and happy faces.

"The kids really enjoyed seeing our staff in action using the bobcats and getting things ready for the equipment to be installed."

Federation Mobile Preschoolers and Howlong Primary School students hit the playgrounds running recently, when they officially opened the Rand and Howlong Play space playgrounds.

"It's been a good opportunity for us to work together on exciting community projects like this and we really appreciate the support the community has provided," Darren said.

For further information about Play Space Upgrade projects, visit council's website federationcouncil.nsw.gov.au or follow us on Facebook @federationcouncil.

Ageing Well Strategy commences

Council and the community came together today to commence development of the Federation Council Ageing Well Strategy.

The meeting was the first of five workshops that will be held with the newly formed steering committee, who will work closely with council to plan for the needs of an ageing population.

Council recently called for expressions of interest from residents wishing to support the project by becoming an Ageing Well Ambassador. An overwhelming response was received and council is pleased to have engaged fifteen local residents who will play a valuable role in ensuring the needs and priorities of the community are accurately reflected in the plan.

The Ageing Well Strategy will document the vision for an age-friendly community where the physical, social and mental well-being of older people is promoted and strengthened.

Ensuring that senior residents are well supported and actively engaged in their communities is a focus for the Council, who applied for funding through the Liveable Communities program to develop the plan and implement some priority actions.

The steering committee will assist with building partnerships between the community and council to inform the development of clear strategies and actions. Ambassadors will be provided with the necessary training to equip them with the tools needed to facilitate focus groups and drive the community engagement component of the project.

The broader community will be invited to participate in a range of engagement activities such as focus groups and a survey. Details will be available from council's website in the coming weeks.

It is expected that the plan will be finalised by April 2018.

Ageing Well Focus Group – Urana

Federation Council has commenced the development of an *Ageing Well Strategy 2018-2022* to plan for the needs of our ageing population.

Federation Council would like to invite residents of Urana, Boree Creek and Morundah aged over 50 years to take part in a focus group (small discussion group) on Wednesday 13 December, at 9:30 am for a 10:00 am start at the Urana Council Chambers about Ageing Well in the Federation Council.

The focus group should last no longer than two and a half hours. The focus group will provide an opportunity for participants to provide input into what is needed to support residents to live healthy, active and happy lives as they age.

If you would like to take part in the focus group on Wednesday 13 December please contact Jenny Hearn, Ageing Well Ambassador on 0400 208 162 or emailing jfhearn@gmail.com.

Federation Council's Ageing Well Ambassadors will be running a series of focus groups throughout the Council area in December, January and March. A survey as part of the consultation that can be downloaded from the Federation Council website for those that cannot attend a focus group.

Access All Areas Film Festival

The Disability Access Committee in partnership with Federation Council are bringing the 2017 Access All Areas Film Festival to Corowa and Oaklands on Monday 4 December.

The initiative is an opportunity to celebrate International Day of People with Disability and is being driven by the newly formed committee, which was established to work with council to build inclusive and liveable communities for all.

The committee is encouraging residents to join in the event as a way of recognising the many contributions those with a disability make. It is also an opportunity to challenge myths, improve awareness and take positive action to change inclusion and accessibility for people with a disability.

The Access All Areas Film Festival will screen for an anticipated 35,000 people in community venues, schools and businesses across the country. The free program of award winning short films, has accessible features including sensory and flashing light free screenings, with a commitment to continuing to add new accessible features each year.

The main program is being held at Karinya Residential Aged Care at 3:30 pm and all members of the public are welcome to attend. The one hour screening is a curation of quality Australian and international short films which reflect the lived experiences of people with a disability.

The festival also includes a children's program which features a one hour screening of ten films made by children 12 years of age and younger from Australia

and around the world. Screenings will be held at Oaklands Central School and Corowa High School, providing students with the opportunity to view the exceptional films – two of which focus on the experiences of children with a disability.

Many of the films in this years festival includes the perspectives of people with a disability and highlight the importance of being inclusive.

Federation Council Mayor, Pat Bourke said the initiative was timely given the recent adoption of Council's first Disability Inclusion Action Plan.

'Council is very committed to supporting and celebrating people of all abilities and this is an opportunity to take steps towards improving the levels of accessibility and inclusiveness in our communities.' he said.

'We are looking forward to launching the Disability Inclusion Action Plan following the screening at Karinya Residential Aged Care and I encourage the wider community to attend and join us for afternoon tea.' said the Mayor.

The Festival of Fun for Kids is BACK!

The Festival of Fun for Kids will be on the community events calendar again in 2018!

This family event was initially created in 2011 and will be reborn in 2018 by Federation Council in partnership with the community.

The festival aims to bring our community and families together to establish a fun, learning environment and to promote Federation Council as a tourist and family destination.

In 2011 the Festival of Fun attracted an attendance of 5,000 people and 2012 attracted a successful attendance of 6,000 people.

Federation Council is seeking to build partnerships with businesses and community groups who would like to contribute and participate to this festival.

On a regional level, the event will focus on encouraging the involvement of service providers and businesses from the Murray, Riverina, North East and Goulburn Valley Regions. Given the success of the event in the past, this opportunity has generated significant interest from participants throughout the region who wish to be involved.

In the lead up to the festival Federation Council will be working with and inviting local schools, preschools and a variety of children's and community services to help participate in the Festival of Fun for kids. This is anything from hosting a creative activity, entertainment or a display.

EVENT DATE: Sunday 20 May 2018.

LOCATION: Corowa Race Course.

THEME: Storytelling and Story Book Characters.

Howlong Men's Shed Christmas Decorations Unveiled

It's beginning to look a lot like Christmas in Howlong, with the Howlong Men's Shed unveiling the handcrafted Christmas Decorations they have designed and built over the last six months.

Councillor David Longley and Council staff joined

members of the Men's Shed and their guests, as well as Howlong Lions Club members, to celebrate the achievements of the group with a delicious morning tea.

The project was part of Council's Christmas Fund Program, where grants were provided to local community organisations to design, construct and install festive decorations. The program also supported the Corowa Business Chamber and Mulwala Progress Association, who last year coordinated unique decorations in Corowa and Mulwala.

In his address to the group, Councillor Longley congratulated those involved in making the decorations, which includes a series of Santa Claus silhouettes, Christmas trees and reindeers that will be displayed in the town centre and along Hawkins Street. A special Christmas scene will be exhibited on the wall in the IGA carpark and a charming nativity scene has also been created.

As part of the project, local resident Gwen McCarthy has been busy knitting mini Santa's for shops as well as two larger versions that will appear in the Hume Bank window and a vacant shop front.

The Howlong Lions Club have generously agreed to assist the Men's Shed with installing the decorations in Hawkins Street, during the first week in December.

It is expected that the decorations will be a real talking point for residents and visitors to the town.

"It is great to see community groups collaborating with Council to develop something unique for the town that will last for years. I am looking forward to seeing the finished products on display," Councillor Longley said.

Councillor Longley said he was impressed by the work completed by the group and recognised the important role the Men's Shed plays in the community.

"Men's Sheds provide a place where men can feel useful, share common activities and socialise with other men," he said.

"The Howlong Men's Shed have completed a number of great projects for the community and they are a valuable and very welcoming group."

The Howlong Men's Shed meets every Monday, Tuesday and Wednesday from 8:30 am to 12:00 noon in Gibson Place. Anyone interested in becoming a member can contact John Coughlan on 0428 559 154 or visit www.mensheds.org.au for more information on other Men's Sheds in the region.

The Christmas spirit will continue in Corowa with the Christmas Festival on November 24 and 25 in Sanger Street with the lighting of the Christmas Tree on the evening of Friday 24 November.

The Mulwala Progress Association will bring the joy to Melbourne Street with the mini wooden Christmas trees and Mulwala's Christmas tree on display at Miss Ross Hill.

Light Up Federation set to return!

This Christmas season, Federation Council and the community will work together to 'Light Up Federation'.

Residents and business owners are invited to decorate their homes or businesses to Light Up Federation and show their community Christmas spirit through lights and decorations for everyone to enjoy.

Council Meetings

Ordinary meetings of Council are held in the Federation Council Chambers at the Corowa Office on the third Tuesday of the month commencing at 9:30 am.

The Ordinary meeting of Council is responsible for dealing with matters relating to finance, works, development, planning, health, building and community services. This meeting also makes a decision on Committee recommendations and is the forum for making the final decision of Council.

Residents and ratepayers are cordially invited to attend Council meetings.

Light Up Federation!

This Christmas season, Federation Council and the community will work together to 'Light Up Federation'.

Residents and business owners are invited to decorate their homes or business's to Light Up Federation and show their community Christmas spirit through lights and decorations for everyone to enjoy. This year the Light Up Federation will feature 3 categories that residents and business owners can enter.

- **BEST DECORATED HOUSE**
- **BEST DECORATED STREET**
- **BEST DECORATED BUSINESS**

To register, simply download a form from council's website and email to council@federationcouncil.nsw.gov.au or complete a hard copy at any council office or library. Entries close 5pm, Friday 8 December with a flyer of all registered homes and businesses available Monday 11 December from all council offices and libraries, councils Facebook page and website.

VOTING AND PRIZES

Registered homes will be in the running to win \$800 cash for the 'Best House' category. One best house will be selected.

The title of 'Best Street' is also up for grabs with the winning street in each town which has registered homes, to have a sign placed below their existing street sign to recognise their success. The 'Best Business' will receive \$200 cash and a decal with their winning title to display.

Residents can vote for their favourite display by completing a voting form available at any council office or you can also vote via council's Facebook page by choosing your favourite house on the voting poll. Voting closes Tuesday 2 January 2018 with the winner to be announced via council's Facebook page and Snippets in the Howlong Grapevine, Urana District Newsletter, Corowa Free Press and Yarrawonga Chronicle.

Service NSW

Service NSW Corowa will close at 4.30pm Friday 22 December and reopen at 9.30 am Tuesday 2 January.

CREATING OPPORTUNITY CELEBRATING COMMUNITY

New Radio for Riverina New South Wales

Regional Broadcaster Flow Media is launching a new commercial radio station in the Riverina of New South Wales in the former Urana Shire area, now part of Federation Council.

The new frequency 88.7 Flow FM will broadcast a contemporary hits format and will have road coverage reception from the Sturt Highway in the North to the Riverina Highway in the South and from the Olympic Highway in the East to the Newell Highway in the West.

Flow FM broadcasts across Regional and Remote South Australia along with Mallee Victoria areas with broadcast licensing for Regional and Remote areas of New South Wales where commercial FM radio services have poor reception.

The Urana service is Flow Media's first New South Wales Radio Service following the construction of 20 radio services in iconic locations like Bordertown, Robe, Barossa Valley, Ceduna, Great Ocean Road, Donald and Ouyen areas.

Managing Director Wayne Phillips who is in the area this week with the installation team said this region is part of the back bone for the Australian economy with farming properties dating back 200 years and the symbolism of the regions involvement in Federation more than 100 years ago.

"To be offering a Flow radio service is a privilege and we hope that we bring enjoyment and education for many years to come," he said.

The new radio service will include current Contemporary Hits along with Popular Country and 80's to Now Classics. The format is interspersed with news, weather, local event information, local agriculture, town and region politics and in winter football and netball coverage. National syndicated programs including the new Lee Kernaghan Radio Show the Range Country, My Generation, Behind the Wheel, and some Sunday specials like The Salvos Light and Life and Lutheran Radios Face to Face.

The station is launching the new Urana region service in January 2018 but will begin broadcasting on Friday afternoon December 9, 2017 in test format which will be much the same as the ongoing program.

The new service has received strong interest from both Federation Council and Lockhart Shires with Mayor of the Federation Council Pat Bourke describing the opportunity of localised radio for the smaller towns as "a really important initiative to grow the wider knowledge of agriculture and tourism in the area and for small towns to have more entertainment choices."

Local Contractors and suppliers were used including Royal Wolf Albury, Les Payne Concreting Corowa, Mawsons Concrete, Riverina Cranes Wagga Wagga, Lockhart Electrical and Solar, Lockhart Hardware, Billabong Ag, Urana Caravan Park and many local hotels and food outlets.

With the area being traversed by Australia's great rivers it is appropriate that radio listeners can now 'go with the Flow' on 88.7 FM.

He is a member of the Australian and New Zealand Society of Geriatric Medicine.

Media Release

Greg Aplin MP
Member for Albury

MEDIA RELEASE

2 November 2017

GRANTS OPEN FOR LIFE SAVING DEFIBRILLATORS

Local sports clubs in the region are being urged to apply for co-funding for a defibrillator under the NSW Government's new Local Sport Defibrillator Grant Program.

Member for Albury, Greg Aplin said more than 2,500 Automatic External Defibrillators (AED's) will be rolled out across the state over the next four years.

"We encourage local sporting clubs to take this opportunity to apply for a grant to help fund an AED - which can be the difference between life and death," Mr Aplin said.

"The program will fund up to 50 per cent of the defibrillator cost, along with training and maintenance support."

Minister for Sport, Stuart Ayres said the \$4 million program will make sporting fields safer for thousands of players and spectators.

"More than 33,000 Australians experience cardiac arrest every year, and the first eight minutes are critical to improving the likelihood of survival," Mr Ayres said

"Early access to CPR and defibrillation can influence survival rates by up to 75 percent".

The scheme is targeting community sports clubs, but applications from licensed sporting clubs and sports organisations associated with schools, churches universities, and councils will also be considered.

Applications close 20 December 2017. For more information visit:
sport.nsw.gov.au/clubs/grants

Urana District Notices

Urana Vintage Machinery Club Inc.

Member of the National Historical Machinery Association

The Urana Vintage Machinery Club held their Rally on 21st & 22nd October, 2017.

We had a great weekend for our annual rally after the rain on Thursday. Our crowd on Sunday was one of the biggest we have had with people attending from all over the Riverina and Nth East Victoria. We had 55 tractors in the tractor pull, 30 Fergusons and Massey Fergusons in our feature tractor section, 96 engines and displays, 23 cars, utes and motor bikes and 25 trucks. The tractor trek had 30 tractors and vehicles which went to the Nowranie Woolshed, a big thankyou to the Simpson family for allowing us to visit the woolshed.

The dinner on Saturday evening was enjoyed by all in attendance thanks to St Francis Xavier P and F. We had many compliments on what a great meal it was. Many thanks to the Swimming Club for cooking the breakfast on both mornings and also thanks to hospital auxiliary for working with us on the Sunday. Thanks must go to Rodney Anderson for delivering some of our raffle prizes to Berrigan.

Raffle Winners are:

1st	John Byrnes	Small Tarp	2nd	Alan Mansell	Small Tarp
3rd	Henry Urquhart	Small Tarp	4th	John Light	Small Tarp

Urana District School News

ST FRANCIS XAVIER'S SCHOOL URANA

Think, Speak and act like Christ

Greetings!

As this is a combined November/December Shire Newsletter, I just want to take the opportunity to thank all those people in the wider Urana district who have played a part in making our school so wonderful in 2017. Whether it was assisting us with fundraising or attending one of our events, and a myriad of things in between, thank you. Everyone at St. Francis Xavier's is very appreciative and grateful for your support. We are hopeful of making 2018 an even better year!

Since the last newsletter, our students attended their excursion to Canberra with Urana, Savernake and Oaklands Public Schools. All the students thoroughly enjoyed themselves and I would like to thank Miss Winter and Ade Butler for attending with our school. I would also like to acknowledge the Australian Government, who contribute to Australian students being able to undertake a Civics & Citizenship excursion to Canberra.

On the 24th of October, our students attended a gathering at the Wagga Wagga Beach with roughly 1200 other children from right across our Diocese. They gathered to participate in the Count Us In Diocesan Music Festival. Count Us In is a nationwide initiative organised by Music Australia where school groups all perform the same song as a united team. Each year, many groups pre-record some footage which is then streamed live around the country on a set day. This year it was held on November 2nd. At the Diocesan Music Festival, we pre-recorded our footage and also performed, on stage, in front of the rather large crowd. Well done to all of the students and thank you to Mrs. Madden for preparing them so well!

On Tuesday November 21st, we held a day to celebrate our Presentation Sisters heritage and charism. The Presentation Sisters were founded by Nano Nagle in Ireland in 1775 at a time when the poor and marginalised needed much support, especially the children. Over many years, firstly Nano and later the Presentation Sisters, held schools wherever they could and taught the children in many places.

As Australia grew, the early religious of the country knew they needed help and sent for priests and sisters to come and assist them. A group of Presentation Sisters travelled to Melbourne, up through Victoria and settled in Wagga Wagga in 1874. From there, they travelled to many towns in our region and in some cases, helped to build schools. In January of 1941, Mother Magdalen Kelly, Sisters Paschal Hayes and Monica Dunne travelled to Urana to begin St. Francis Xavier's Primary School.

As the caretakers of the school now, it is our responsibility to remember the Sisters and all who have been connected with our school since, celebrate all they have done and continue to follow in their footsteps. It was wonderful to gather as a school community and do this.

We had a liturgy which focused on the Presentation Sisters before we broke for refreshments. There was also a cake stall, a lolly jar guessing competition and a sausage sizzle to help our celebrations. It was wonderful to have so many people join us!

We thank you for bringing along your loose change as this event was our major fundraiser for Catholic Mission Australia. This year, they are supporting a village in Uganda to purchase an ambulance for their hospital.

Our 2017 Presentation evening will be held on Wednesday December 13th from 6pm in the main school building. This is a wonderful opportunity to farewell the 2017 school year and acknowledge all of the wonderful efforts of the students. There will be a liturgy followed by the end of year concert and supper. If you can, please come along to support the children.

Play to Learn - please see the notice over the page which briefly details the program we will be running in 2018. For further enquires, please don't hesitate to contact the school.

Finally, thank you to the students, families and staff of St. Francis Xavier's for making 2017 such a fantastic year. I can't wait for 2018!

I wish you all a very safe, enjoyable and holy festive season and holiday period. Merry Christmas!

God bless - Mitch Bailey - Principal

Play to Learn

at St. Francis Xavier's Primary School, Urana

St. Francis Xavier's Primary School, Urana are hosting a 'Play to Learn' Group for all 3-5 year old children in our community.

These sessions will be coordinated by our teachers to support children in developing early literacy, numeracy skills and exploring the world around them through engaging and hands on activities.

REMEMBRANCE DAY

In Flanders fields

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place: and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.
We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

John McCrae (1872–1918)

Urana Freedom Camping

Opens Urana to a new Visitor Market

After more than a year of feasibility study, recommendations, and a Development Application, Victoria Park is about to begin hosting visitors from a vast national Market of Grey Nomads. Freedom Camping caters to a growing national army of multiple thousands of self-contained Travelers – many of hit the road in style. Freedom Campers do not stay at regular Caravan Parks and prefer less crowded locations, where instead, prefer to spend their money in communities where they pass through and stay. This is Urana's first crucial Project focused on stimulating visitation and economic benefit to Urana and we encourage local business to be sure they are visitor-ready. As visitor

numbers increase, we have a great opportunity to better facilitate the needs of these valuable travelers to the benefit of Urana. Freedom Camping is proven not to have any impact on existing well-run Caravan Parks. It is expected that a big increase in travelers attracted will also benefit Urana's Caravan Park for those who might prefer full amenities and a lakeside view. An extensive Online support Marketing Strategy is in place ready to commence later this month when basic signage is in place. Urana Inc. encourages local business people to contact Bob Neville if they would like assistance in understanding how they can capture this new market.

Fox Baiting – Travelling Stock Reserves

Murray Local Land Services will be laying 1080 fox baits (chicken wingettes/lambs tongues) on the following travelling stock reserves as part of the spring fox baiting program.

This program is aimed at reducing fox numbers to ensure the survival of livestock, ground nesting birds and wildlife.

Thurrowa TSR – Thurrowa	Mairjimmy TSR – Jerilderie	Boomerang TSR – Coreen
German Yards TSR – Coleambally	Darcys TSR – Savernake	Daysdale TSR – Daysdale
Bundure TSR – Bundure	Narrow Plains TSR – Savernake	Myall Plains TSR – Leicester Park
Sandhills TSR – Morundah	Momolong TSR – Oaklands	Bali Hai TSR – Conargo
Arrawidgee TSR – Morundah	Buraja TSR – Lowesdale	Hartwood TSR – Conargo
Columbo Creek TSR – Jerilderie	12 Mile TSR – Lowesdale	Monaro Vale TSR – Berrigan
Turn Back Jimmy TSR – Jerilderie	Oiltree TSR – Balldale	Foxes TSR – Urana
Racecourse TSR – Jerilderie	Roundswamp TSR – Coreen	Native Dog TSR – Berrigan

Baiting on the above reserves will be undertaken between **Monday 4 September 2017** and **Thursday 30 November 2017**.

It is advised that people entering these reserves exercise caution, muzzle all dogs and supervise children during this period. Signs will be displayed at all travelling stock reserves.

G. Rodda
General Manager

DO YOU KNOW SOMEONE IN YOUR COMMUNITY WITH AN ENDURING MENTAL ILLNESS THAT COULD BENEFIT FROM SOME COORDINATED SUPPORT?

Partners in Recovery {PIR} aims to better support people with severe and persistent mental illness and their carers and families by getting services and supports to work in a more collaborative, coordinated and integrated way, for systemic change.

Support Facilitators assist participants to identify their hopes, dreams and priorities and facilitate the coordination of services and supports needed to meet those priorities.

Importantly, Hume PIR will identify where there are systems issues and barriers and lead in the development of systems change.

Contact the Hume PIR Intake Triage Clinician on 02 6041 0056.

Look after yourself better.

ANNUAL ART SHOW

Our Annual Art Show opened on what was a very wet rainy Thursday evening. The Courthouse verandah was a sea of umbrellas (not a common site for us) but it did not dampen what was a pleasant evening enjoyed by many.

The crowd was treated to a beautiful solo performance by Josie Gooden, who sang This flower and My little boat, thank you Josie for a wonderful performance. At 8pm the Art Show was officially opened by our guest Mr Tim Fischer AC, who presented the Courthouse with a framed map of the original NSW Rail lines.

Volunteers once again provided a sumptuous array of nibbles. Art Sales were good, to the delight of the artists and the winner of the beautifully presented book of "Urana Sunsets" was Katrina Dore, 2nd prize Jigsaw of the Urana Courthouse was Marilyn, (staying at the Urana Caravan Park with the Caravan Club).

On Friday and Saturday we hosted a tour of Urana and district open gardens. Approximately 150 people took advantage of the beautiful weather and explored the wonderful gardens. The rain certainly showed off the gardens in splendour and we are grateful to the garden owners for inviting people into view their gardens. Along with all the other activities offered throughout the weekend it was a wonderful showcase for Urana.

All profits go towards the upkeep of the Courthouse and Museum. Some of the purchases this past year have included, a contribution to the carpeting of the Courthouse rooms, four more glass display cases, blinds to assist with the keeping dust off exhibits and display stands for brochures and printing materials.

Our thanks to the Artists, Garden owners, supports and last but not least to the volunteers who gave generously of their time and talent.

Thank you

Jenny Hearn
