Federation Council will receive \$5,893,920 for road repairs as part of the \$15 million in new funding announced for the Albury electorate from the Regional Emergency Road Repair Fund (RERRF) announced in the 2023-24 NSW Budget.

During a visit to Albury last week, Minister for Regional Transport and Roads Jenny Aitchison said the Minns Labor Government's new cash injection would enable local councils to press ahead with urgent road and pothole repairs.

"Whether it's fixing potholes, sealing roads, resurfacing or rehabilitating sections of road — this new fund will help councils undertake much needed work to repair their road networks," Minister Aitchison said.

"I am also pleased to see councils will be able to prioritise what roads to spend this new money and allocate it to where they believe the community need is greatest."

- Albury City Council \$1,469,646
- Federation Council \$5,893,920
- Greater Hume Shire Council -\$5,329,065

Minister Aitchison said the funding amount allocated to each council was based on the total kilometres of regional and local roads each council was responsible for managing.

"The Minns Labor Government's

RERRF will deliver \$390 million to 95 eligible councils across NSW, including Albury City, Federation, Greater Hume and Snowy Valleys Councils. to upgrade their roads," Minister Aitchison said. Federation Council Mayor, Cr Pat Bourke said Council welcomed the funding announcement.

"This is fantastic news for our region and Council warmly welcomes this generous funding allocation through the Regional Emergency Road Repair Fund," Mayor Bourke said.

#### **BIG BLUE TABLE**

The room and people were 'dressed' in blue, everyone had a great time chatting and checking out the Box Brownie cameras and slide viewer. The cream puffs disappeared and then it was time for Harry to make a donation to Beyond Blue on behalf of the Exercise Group who cheered him on – we all know how hard it is for a Scotsman to part with money!

This is the only fundraiser we support as we are already following the Big Blue Table guidelines – socialise to improve mental health whilst sharing a meal. We will be forwarding \$113 to Beyond Blue to support the very important Mental Health work they do.

#### MELBOURNE CUP AFTERNOON

Our next Community Afternoon Tea will be held at the Urana Bowling Club on the afternoon of the Melbourne Cup - 7th November commencing at 1.00 pm. We look forward to seeing everyone dressed in their finest with prizes on offer for Best Dressed and Best Hat - also lots of fun and dames to be had. Can anyone outdo Barry's footwear from last vear?!?

#### **URANA PROGRESS ASSOCIATION EXECUTIVE**

At our AGM the following positions were accepted: President – Barry Paterson; Vice President – Wanda Oram-Miles; Secretary – Wendy Mallon; Treasurer – Joan Field.

Many thanks go to outgoing Vice President, Pauline who will still be playing an important role in the Associaton.

Our meetings will change to the first Wednesday of every second month commencing at 5.30 pm and our next AGM will be held in August 2024. We encourage anyone who has ideas to come along and share them with us so we can continue to progress Urana.

#### URANA ART EXHIBITION AND SALE

We have approximately 100 pieces of art for this amazing event – one man's comment "I just love coming to Urana as you are all so welcoming and smile a lot so it doesn't matter whether I sell anything or not".

We trust that locals and visitors alike come to see the talent that is on display.

#### **SCAMS**

Michael from NBN visited to chat about scams, how to spot them, how to avoid them and what to do if you get caught – and because the scammers are getting so sophisticated, it is not difficult to be caught out.

This was important and useful information for us all. Thanks Michael and NBN.

#### **SHELDON'S SIGN SHOP**

Sheldon was pleased to come to our Grand Opening and see how wonderful the signs that he and his staff made looked on our 'village' out the back of the Courthouse Museum.

He not only makes the signs look perfect for what we need, he is also very generous in donating our latest two signs. This generosity is most appreciated by all our volunteers – and we are happy to offer him a cream puff when he is next coming through town!! Thanks Sheldon and team.

### CHRISTMAS LUNCH (CAN IT REALLY BE THAT TIME AGAIN!)

We will be holding our Community lunch on Tuesday, 5th December at the Courthouse Museum. Save the date and we will have full details shortly.

Also time to think about creating Christmas displays.

### GET YOUR SMALL BUSINESS READY FOR BUSHFIRE SEASON

Small businesses are being urged to prepare for what is anticipated to be the most significant bushfire season since the 2019-20 black summer fires.

Bushfires can harm your business in many ways, even if you are not in the fire zone, such as from road closures or electricity outages.

Preparing your business to withstand a bushfire or other natural disaster is vital for every business owner. Having a tailored plan to deal with hazards could be the difference between being out of action for a few days or not re-opening at all.

The Commissioner's four Get Ready for Disasters guides help you prepare your business so you can minimise the impact on your operations and get back to business sooner. If you don't know the answers to the following questions, our Get Ready for Disasters guides can help:

- Do your staff know what to do in an emergency?
- Would you know who to contact and where to get help and information?
- What would happen to your data in an emergency?
- Do you have a plan for how you would move stock and equipment?
- Do you have an alternative location if you had to set up business somewhere else?
- Would you be able to locate key documents, such as your insurance policy?

Go to our website to download the four free Get Ready for Disasters guides, as well as other tools and information on preparing your business for bushfires and other disasters.

#### **Regional Drought Resilience Planning**

#### Fact sheet

In response to environmental challenges, the Southern Riverina LGA's (Berrigan Shire, Federation, Edward River, and Murray River) are working on the development of a Regional Drought Resilience Plan.

This plan aims to identify innovative approaches to address the impacts of drought. Given the region's vital role as one of Australia's highest-producing areas for agricultural staples, it is a key priority to ensure that these communities are well equipped to face the challenges of drought and climate vulnerability. The Southern Riverina region has historically been a stronghold of wool and grain production as well as lamb and beef-cattle farming. It has also faced the relentless challenges of climate variability including droughts.

Drought resilience is not just about water; it's about safeguarding the livelihoods, well-being, and future of our communities. The devastating impact of past droughts reinforces the urgency of long-term planning. This plan will mitigate the impacts of drought, support economic growth, and ensure a sustainable future for this agricultural hub.

To ensure agricultural viability and continued economic growth, we need to understand the need for proactive planning.

#### What we heard on this journey so far

Drought is an ongoing conversation in the region, and we acknowledge that this isn't the first time the community has been asked for feedback

#### **Regional Drought Resilience Planning**

#### Fact sheet

#### **NEXT STEPS**

#### How can we unlock what's "Beyond the Farm Gate"

Drought resilience extends **beyond the farm gate**. Our approach to everything that we do focusses on four foundational pillars that shape our region:

#### What we'll do with your input

Your valuable input will shape the RDRP and guide the development of strategies to build resilience within our communities. Together, we can create a plan that truly reflects the Southern Riverina's unique circumstances and goals, fostering a sense of ownership and commitment among our communities.

The Southern Riverina Drought Resilience Planning Project aims to empower our region to withstand droughts, seize opportunities, and thrive, well beyond the farm gate.

Skip bins available 24 hours at the Urana, Victoria Park Recreation Ground.

#### **URANA COMMUNITY RECYCLING CENTRE**

Federation Council and the NSW EPA have recently opened two Community Recycling Centres (CRC's) in Corowa and Urana.

Many familiar products you use in your home, car, garage and shed can be hazardous to other people and the environment. Because of this, they cannot be disposed of in your red, yellow or green lidded bins.

These include:

- batteries (household only).
- motor & other oils (5-20 ltrs motor oils and other oils).
- paint.
- smoke detectors.
- fire extinguishers.
- gas bottles.
- fluro lights.

Once you no longer have a use for these products, they become household problem waste. If disposed of incorrectly, or released into the environment, these products can pollute our soil, contaminate our water and even cause physical harm to people and animals.

The good news is you can dispose of them for FREE at the following CRC's. The products are then processed and the reclaimed materials used to make other products.

The Urana CRC is located at the Urana Waste Disposal Centre, Boree Creek Road, Urana.

Operating Hours:

Sunday

11:00am – 4:00pm

The facility is closed Christmas Day, Boxing Day, New Years Day, Good Friday and Easter Sunday.
