RESIDENTS TO RECEIVE R U OK RESOURCES

Federation Council and the Federation Primary Prevention Team cares about the health and wellbeing of our community. They acknowledge that many communities have been doing it tough after extreme weather events and the ongoing impacts of COVID.

In an aim to assist people and provide them with supporting resources, Council and the Federation Primary Prevention Team have partnered on the 'Our Council Cares Card' initiative.

The 'Our Council Cares Card' includes a list of some of the State, National and local services that people can get in touch to talk about how they are feeling or determine what assistance is available. These services are also there as a sounding board for people to talk through how you may be supporting someone else who is under mental distress. Every household across the Federation LGA should expect one in their mail boxes starting from March 28.

Federation Council Mayor, Cr Pat Bourke said the last two years has been a very difficult time for everybody, with prolonged restrictions on our daily lives and mounting social and economic impacts.

"Council has and will continue to play a crucial role in supporting community wellbeing and providing connections to services," he said.

"The Our Council Cares Cards are designed to assist residents who may be struggling with the many stressful and isolating issues to be able to connect with services and get help."

The Federation Primary Prevention Team in supporting this initiative, recognise that most of us at some stage need support to cope with what life inevitably throws our way.

"Services are there to help us in times of need. They provide a voice on the other end of the phone or someone to talk to face-to-face, who understands and is trained to support the wide range of issues we encounter," said the Federation Primary Prevention Team.

"The Our Council Cares cards provide a snapshot of some of the services and professionals available for people through web chat, online or face-to-face counselling, and phone services."

In conjunction with the cards, customer facing staff across Council Offices will be provided with the Our Council Care Conversation Resource. A written resource to

assist staff to support community members they encounter in their roles who may be feeling mental health distress.

Mayor Bourke said it is really important that staff are equipped with the tools to, not only support the community but also to be able to recognise when they might need to put their hand up for help themselves.

"Sometimes we need a hand on managing life's ups and downs," he said.

"You're not in this alone - it's important to recognise when problems are too big for you to solve and when to reach out and seek assistance."

The Federation Primary Prevention Team (Alcohol & Drugs) is made up of local service providers with an active interest in the health and wellbeing of the Federation community, and to work collaboratively towards the prevention and harm minimisation from alcohol and drug use.

The Our Council Cares Card and Conversation Resource have been co-developed by NSW Council staff in customer facing roles. In collaboration with the Mental Health Commission of NSW and R U OK? The distribution of Our Council Cares Cards was funded through the NSW Governments Partnerships: Local Councils Program – Stage 2.

Extensive mental health resources including self-help and online counselling support can be accessed on the Commonwealth Government's Head to Health website.

For local services MapMyRecovery features an online interactive map of mental health and drug and alcohol services available across the Murrumbidgee region, making it easy to locate appropriate services.

If you or somebody you know needs help, call Lifeline on 13 11 14, Beyond Blue on 1800 512 348 or the NSW Mental Health Line on 1800 011 511.

FIREWOOD COLLECTION

FEDERATION, INDIGO, MOIRA AND BERRIGAN, COUNCILS SIGN MOU

Federation, Indigo, Moira and Berrigan councils have signed a memorandum of understanding to improve their region as it recovers from the pandemic and prepares for a population increase.

All four mayors, and their general managers and CEOs came together in Mulwala on Wednesday, March 30 to officially sign the MOU agreement, which outlines agreed-to principles, including open information sharing, maximising services to meet the needs of the community, reducing costs and duplication, and seeking innovation.

Councillors from all four bodies voted unanimously for the agreement to be established to effectively remove jurisdictional lines.

Federation Council Mayor, Cr Pat Bourke said whilst the MOU was formed on the basis of achieving better community outcomes, he had no doubt the agreement would also be a gamechanger in respect

to our region attracting funding.

“I believe that by working together with a strategic focus, that our united goals and projects will attract more funding from state and federal governments,” he said.

“Federation Council has a proud history of partnering with our neighbors on initiatives and issues that are important to our residents from all communities and I see this MOU as a way of formalizing our great relationship and scaling our team’s collaboration abilities even further.”

Mayor Bourke said it is apparent there is crossover with so many items within councils, whether it be tourism, health, road infrastructure and bridges.

“We need to work together,” he said.

“It’s extremely important we aren’t duplicating services, infrastructure or amenities on both sides of the river so collaboration is key to that. I see what we have been able to achieve from an advocacy perspective throughout Covid where we united to support our communities and make a difference. This is just the beginning and I look forward with anticipation to achieving more. Onwards and upwards is our way.”

URANA CAMPDRAFT

We would like to congratulate the Campdraft Committee for their efforts and giving us the opportunity to cater for this event. It was wonderful to see so many people, horses and cattle around the Campdraft area and, even though the weather caused a disruption to events, people were impressed by the efforts and improvements that had been made to the event.

A huge thank you to our volunteers who worked to provide a BBQ lunch and roast dinner. The production line in the kitchen worked very well – and with only a minor hitch we served 190 meals and received many compliments. Part of the profits will be used to purchase a pair of birds for the aviary.

REMODEL A PRE-LOVED HAT – A FREDDIE FOX INSPIRED WORKSHOP

These comments by participants beautifully sum up our day – “Very enjoyable day, lovely company, Marea and Sophie assisted to allow everyone to achieve things we were surprised by”;

“My fingers are so sore”;

“I’m glad I’m not a milliner”;

“Innovative”;

“A great social day”;

“I learnt lots”;

“The food was delicious”.

Thanks to Marea Bright and Sophie Magnusson for leading such a wonderful day and to Country Arts Support

Program for the grant that allowed this Workshop to happen. Hats were cut, steamed, shaped, dried and trimmed and the results, some of which are shown here, were outstanding.

URANA PROGRESS ASSOCIATION / ARTS AND HISTORICAL SOCIETY

Marea assisted Freddie with his millinery in London and gave us a collection of photographs and information which she had put together for the Millinery Association of Australia when they celebrated Freddie's life and achievements after his passing.

Marea and the Millinery Association of Australia have loaned these valuable documents to us as she feels Freddie's home town of Urana is the place for them to be displayed. Such thoughtfulness from Freddie's family and friends is very much appreciated and valued.

FEDERATION COUNCIL OUTDOOR STAFF

The Urana Courthouse grounds look wonderful – not a cathead in sight. Seeing the outdoor areas looking lovely not only inspires us but encourages visitors to come in and have a look around – just as we like it.

MANUAL TELEPHONE EXCHANGE VIDEO

We would like to thank Transgrid for the grant used to engage film-maker, John Riddell to bring the Urana Exchange to life. This John did to great effect!

He interviewed former telephonists and put together a 14 minute video which includes each one working different aspects of the Exchange. It is a fascinating insight into a way of life that does not exist today and well worth a look. Please come in and have a look next time you are going past!

BIGGEST MORNING TEA

Urana Progress Association will again be hosting this important annual event.

We would love to see everyone come along to support the Cancer Council at the Urana Bowling and Community Club on Tuesday, 24th May commencing at 10.00 am. At time of writing we have not locked in a guest speaker, but rest assured it will be someone of interest and there will be lots of amazing raffle prizes, fun and games! A great day out for a great cause.

WASTE FACILITIES & CHARGES

Household waste accepted only (not commercial origin), not accepted at Mulwala Transfer Station, Putrescible waste (food scraps) not accepted at Corowa Waste Facility.

Skip bins available 24 hours at the Urana, Victoria Park Recreation Ground.

URANA COMMUNITY RECYCLING CENTRE

Federation Council and the NSW EPA have recently opened two Community Recycling Centres (CRC's) in Corowa and Urana.

Many familiar products you use in your home, car, garage and shed can be hazardous to other people and the environment. Because of this, they cannot be disposed of in your red, yellow or green lidded bins.

These include:

- batteries (household only).
- motor & other oils (5-20 ltrs motor oils and other oils).
- paint.
- smoke detectors.
- fire extinguishers.
- gas bottles.
- fluro lights.

Once you no longer have a use for these products, they become household problem waste. If disposed of incorrectly, or released into the environment, these products can pollute our soil, contaminate our water and even cause physical harm to people and animals.

The good news is you can dispose of them for FREE at the following CRC's. The products are then processed and the reclaimed materials used to make other products.

The Urana CRC is located at the Urana Waste Disposal Centre, Boree Creek Road, Urana.

Operating Hours:

Sunday 11:00am – 4:00pm

The facility is closed Christmas Day, Boxing Day, New Years Day, Good Friday and Easter Sunday.
