## MESSAGE FROM THE MAYOR - PAT BOURKE

Dear Readers,

Welcome to the June edition of the  
Urana District Newsletter.

It's been another very busy month  
since I last wrote the May column, and  
it's pleasing to see that whilst there  
has not been anywhere near enough

rain as yet, there have been some minor falls that are keeping things green, and  
providing some hope across the district of being able to get some crops this  
season.

### **Council Budget on exhibition and Budget Information Sessions**

Thanks to the community members who were able to attend one of the 6  
budget information sessions held over the last two weeks across the Council  
area. Around 55 in total attended the sessions overall. Whilst it was a good  
chance to explain to the community the key elements of the proposed  
budget and plans for 2019/20 and beyond, it was also a great chance for staff  
and Councillors present, to be able to outline a brief summary of the enormous  
amount of work that has occurred, and is still occurring, right across the  
community.

There have been many projects delivered, and many underway, and of course,  
many still to be delivered across the next few years. On behalf of my fellow  
Councillors as we head into the end of another financial year, I'd like to  
congratulate the staff and the many volunteers in groups and organisations in  
the community, who have assisted with the delivery of many of these projects  
and will continue to do so for current and future projects.

Staff and Councillors also took the chance after the presentation, to also learn  
of other priorities and requests from the community. Staff will summarise  
these queries and follow up on them where required. Some of the areas  
included from the Section 355 Committee representatives, who requested  
more communication and support, with some saying they still did not know  
who their Councillor delegate was. Staff have sent numerous emails and letters  
to inform them, so we will need to rethink that approach and ask the

Councillors to contact the group directly and inform them of their phone and email address so they can be advised of when meetings are on. The committees also requested more involvement in projects, and some requested increased funding, for the Community assets they maintain and manage. Overall it was a great chance for the community to meet the new Directors and continue to engage with the Councillors.

### **Urana Heavy Vehicle Route**

Thanks to the many community members who attended the Urana Bowling Club prior to the Budget session, to discuss the issues with the closure of Stephen Street to vehicles longer than 15 metres in late 2015. The Engineers will now consider the views presented and also work with Transport NSW and present further information to Council as different options are considered and the issues are considered further, and the differing community views. Further consultation will occur with the community going forward at relevant points.

### **Urana Oaklands Rand Morundah and Boree Creek Floodplain Management Project**

Its good to know that a meeting was held on Wednesday 19 June, to continue on with this important project. I know these projects take time, but I am confident that the contractors are working well on gathering the information from the Flood Study, and continuing to work towards options to mitigate against any future floods in the towns that the plan covers. It is crucial that the community members and agencies on the committee continue to express their ideas based on their experience in the area.

### **Road works ahead!**

With recent major announcements such as over \$5 million for Federation Way, and also over \$1 million for more works in and around Boree Creek for the Freight Link project, and a grant to replace the Doctors Road Bridge, you will be seeing plenty of road works occurring over the next financial year.

I hope you enjoy this months newsletter, including reading the many events that continue to be delivered across the district, and I look forward to seeing you at some of these no doubt over the next month and beyond.

## BERNARD CALEO ROADSHOW & WORKSHOP INSPIRES

Federation Council Libraries celebrated Library and Information Week with a roadshow visiting local schools around the Council area with performer, comic book maker, and comic book communicator Bernard Caleo.

Comics, illustration, oratory and performance are his storytelling modes. Included in this is the art of Kamishibai.

Bernard demonstrated the art of Kamishibai to local school children from across the Council area. Kamishibai is a form of street theatre and storytelling that was popular during the time of the Depression of the 1930's and Post War period in Japan.

Bernard, in his performance, explained this traditional art form of Japanese storytelling and its influence on modern comics and anime.

General Manager Adrian Butler said the roadshow and workshop initiative was a fantastic example of Council's library staff engaging with local students to promote the importance of reading and drama.

"Through drawing a story is born and Bernard definitely inspired some of Council's youngest residents to be creative and encouraged them to tell stories about their pictures. It was great to see the excitement and interest shown by the kids and teachers alike. We have some great natural born storytellers in Federation".

Library and Information Week, which was held from 20-26 May, provides an opportunity to promote the important role that libraries and information services play in research and education.

A total of ten sessions were held across the Council area in Corowa, Mulwala and Urana. Council would like to thank all the schools that participated in the roadshow and workshops in celebrating Library Information Week.

## **CLUBGRANTS 2019 CATEGORY 1 APPLICATIONS NOW OPEN**

The ClubGRANTS program is now open.

Community groups are invited to apply for funding through the ClubGRANTS (Category 1) Scheme.

ClubGRANTS will fund local projects that address the following priorities: -

- Community Development
- Aged Services
- Youth Services
- Emergency Accommodation Assistance/ Homelessness
- Emergency Services

Groups operating in Victoria or outside of the council area may apply for funding assistance if they are able to demonstrate a service is being provided to NSW residents.

Innovative new projects are encouraged as are applications for other important projects.

All applications for the ClubGRANTS program must be made through the new ClubGRANTS Online System.

To register your organisation and make an application visit

[www.clubgrants.com.au](http://www.clubgrants.com.au)

To be considered your application must be completed and submitted by 11.00 pm on Sunday, 30 June 2019.

Further information concerning ClubGRANTS Category 1 funding can be obtained from the ClubsNSW website on [www.clubsnsw.com.au](http://www.clubsnsw.com.au)

## **COUNCIL RECEIVES HERITAGE FUNDING**

Council is pleased to announce that it will benefit from \$14,000 of grant funding under the NSW Government Heritage Grants Program.

Combined with Council funding, this funding allows Council to continue to offer heritage services to the community via a Heritage Advisor.

Council along with the community places a high value on heritage items and looks forward to continuing on with the heritage advisory services and also the local heritage fund program in 2019/2020.

## **COUNCIL AWARDS COMMUNITY GRANTS**

A total of \$28,779 was allocated to community groups at Council's May monthly meeting, through round two of the Federation Council Community Grants Program.

## COUNCIL CELEBRATES VOLUNTEERS

More than 120 people celebrated and recognised the wonderful contribution volunteers make to our community at the Howlong Golf Resort on Sunday 2 June 2019.

Guest speakers Edwina Hayes and Liz Seeliger inspired and entertained guests with their messages about staying connected and serving the community in which we live, as it sets aspirations and demonstrates powerful leadership.

Volunteers enthusiastically give their time, energy and expertise to help out, support and make a difference in our community.

Federation Council respects and appreciates the unwavering support.

## NINE SWORN IN FOR SECOND YEAR OF YOUTH COUNCIL

Federation Council congratulates the incoming 2019/2020 Youth Council that was announced at their June meeting.

The Federation Youth Council welcomed three new members with Ellen Lavis, Jacob Read and Maxim Blockley joining Dylan Forge, Noah Little, Tyler Martin, Molly Pearce, Olivia Hughes and Caitlin Moir, who have opted for a second term.

The next meeting of the Youth Council in July will see the group evaluate what is important to Young people in the Federation Council area and from this define a program of delivery over the next twelve months.

## SLOANE'S CHAMPION'S WORKSHOP

NSW Office of Environment and Heritage, Federation Council and Corowa District Landcare have joined forces to launch the community-based science survey and monitoring initiative, Sloane's Champions.

Sloane's froglet is a threatened species with a very restricted distribution in NSW.

The Corowa populations are one of two of the largest known occupied areas for this species in NSW.

Residents are invited to attend a workshop to learn about the froglet before heading out to conduct field surveys.

When: 5.30pm Thursday 4th July 2019  
Where: Memorial Hall, Corowa

Find out more from Council's Website.

## OAKLANDS RV PARK

Construction of a new RV Park in the main street of Oaklands is now complete.

The project included;

- Major earth works with the carting of some 450 tonnes of road base for the preparation works.
- The preparation for a curb plinth with five parking bays for the RV vehicles.
- A gravel pathway leading from the park through to the swimming pool.
- Application of a 14 mm / 7mm bitumen seal over the area of excavated works and line marking.

Thanks are extended to the Oaklands Town Improvement Committee volunteers who played a big part in doing much of the early preparatory work for this site.

Council will now finalise a development application for the removal of the former RV buildings on the site.

Find out more about the project on Council's website.

# ACTIVITY ADVENTURES AT URANA M.P.S

## ACTIVITY ADVENTURES AT URANA M.P.S.

### CHARLI

We were very fortunate to have Harry Couzin's 10 year old great-granddaughter, Charli, sing for us on Good Friday. Her voice is even better than when she sang for us last time – and it was superb then! She continues with her training and is now winning competitions with her strong, clear voice. She loves her singing and we love listening to it. Thanks for coming Charli – we appreciate your visits and your voice (and Harry doesn't like to miss a chance to come and give us cheek so it works well!)

### EASTER

We discovered a quick way to make pom-poms (thanks Sara) so we created some Easter chickens with them. These chickens were added to our basket containing decorated eggs, where we experimented with different colours.

Paintings and pictures also adorned the rooms to give a real Easter feel to the place. Chocolate eggs were hunted at the conclusion of a quiz and many games played as we celebrated.

Easter Bingo was a lovely change and made everyone think a bit more because it was so different.

Lorraine still had some great prizes to give out though.

### BIGGEST MORNING TEA

We are always pleased to support Kerry who organises such a great morning to raise money for the Cancer Council.

This year we made peppermint crisp slice the day before, then had a lovely morning eating that and so much more! There were plenty of delicious things to eat and lovely prizes to be won.

Whether we picked up any tips on cake decorating will be seen when we decorate cakes for our Ladies High Tea! But it was interesting to watch a professional do it and chat to lots of other people.

# ACTIVITY ADVENTURES AT URANA M.P.S

## ANZAC DAY

What a great day for all involved! The residents would like to thank everyone who joined the parade past the hospital as it allows them to be included in something that is very close to their hearts.

Ruth even had a photo opportunity with Army personnel which is something very special.

We held our own Anzac Service in the Activities Room on 24th April so residents did not miss out on that either.

## INTERNATIONAL NURSES DAY / MOTHER'S DAY / RESIDENT'S DAY

We all celebrated with a cooked breakfast for staff and residents on Wednesday, 15 May. Hotel Services cooked a delicious breakfast supplied by Karen and Judy, of bacon, sausages and eggs cooked to perfection which was enjoyed by everyone.

Lorraine and Judy practised their waitressing skills and lots of conversation was going on. This breakfast further enhanced the already strong interaction between all staff and residents and may become a monthly event.

When we heard about this breakfast, the residents decided they would like to show their appreciation for all the work the nurses (and other staff as well) do by

# ACTIVITY ADVENTURES AT URANA M.P.S

making a "Thank You" card for each one. That equated to 30+ cards featuring something that the staff member is passionate about.

Fortunately residents know staff quite well so had a great time finding pictures of dogs to sunsets and lots of things in between!

Staff were surprised and thrilled by the thoughtfulness of residents.

## SURPRISE VISITORS

Christine Mansell called in recently to help with the Urana History booklet that we are putting together. Christine has a lot of knowledge in this area and has access to much more at the Court House. We will share the booklet with students and the Court House when it is completed. Thanks for your involvement and other conversations Christine.

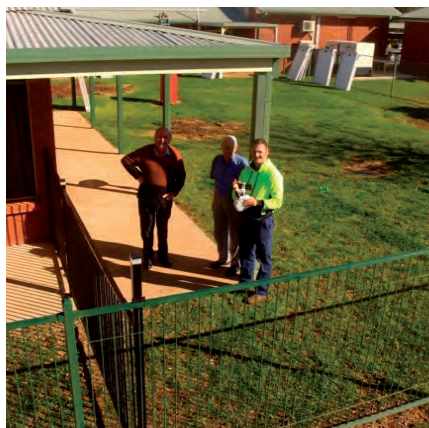

The next surprise visitor to call in was

Sam Mallon. Sam had put together a series of short drone videos showing sowing, inside the tractor cab, windrowing, harvest, moving sheep and chatting to the alpacas.

Residents enjoyed seeing these things from the air and commented on how machinery and technology had changed over the years. He also showed drone videos of the lakes around Urana full of water which was very interesting.

Then it was time to learn how the drone works so outside some of us went! A most interesting lesson, but don't think any of the residents have yet bought a drone. Thanks for coming Sam and happy to watch more videos in the future.

This was also the day that solar panels were being installed on the roof so there were plenty of things for residents to keep an eye on.

# ACTIVITY ADVENTURES AT URANA M.P.S

## NEW PUZZLES

Ruth's son, Bill, has given us some new 3-D puzzles to construct. One resident commented "we had to really think about how they went together".

Between the students and the residents they worked them out. They will now come out when we need a bit of brain exercise!

## "SOME MOTHERS DO 'AVE 'EM"

Residents were able to relive some of these hilarious episodes that they used to watch on television in the early 1970's thanks to Big Moz Mobile Disco Inc. Maurie and Yvonne set up the big screen and soundbar and off we went on a laughter journey as Frank found himself in many funny predicaments.

We are grateful to the Council support Big Moz receives as this enables them to provide us with no cost entertainment, and we enjoy having their cheery presence around too. Hopefully we can work out another date later in the year for some more comedy!

# ACTIVITY ADVENTURES AT URANA M.P.S

Woodwork

Woodwork

Urana Public Students

## WOODWORK

Lorraine has started our woodworking journey with construction kits. Again everyone had to follow the instructions and think about how the car, planes, boat and bird house wooden pieces fitted together. As you can see, there was still time for a bit of fun with hammers and pliers and when the finished products were painted they looked great.

The Hospital Auxiliary will be assisting financially to purchase things we need to make wooden items that we will be able to sell and we are very grateful for this assistance. Lorraine and I will now work out exactly what we need to get this up and running. Stay tuned!

## URANA PUBLIC STUDENTS

The noise level rises when they walk into the room and so do the smiles all round. One morning they assisted playing giant dominoes by being the "legs" for some residents and creating some interesting designs. And whatever is happening on Tuesday when they visit they just fit in and everyone enjoys the time together.

# ACTIVITY ADVENTURES AT URANA M.P.S

## LADIES HIGH TEA

Creaming, mixing, patty pans, marbling, sandwich fillings, butter cream and piping bags were our words of choice on the Wednesday. We cooked patty cakes, some of which were decorated (by Mel under Sara's guidance) with multi-coloured butter cream and Ross made some into lamingtons. All looked spectacular.

Kath was very particular about the placement of the different colours in the marble cake which was then decorated by Sara as we ran out of time. I had to make the banana loaf at home with Joan's chook eggs as well as boiling some for sandwiches. Colin, George and Ross were the slicers and graters of the sandwich fillings.

Thursday morning began with the sandwich-making team swinging into action. Staff commented on how tasty the carrot and lettuce sandwiches were. Other interesting combinations were also created and eaten!

Dressing the table was a joint operation with residents providing some decorations and deciding the placement of table decorations and food.

Sam was operating a pop-up makeup shop to ensure the ladies all looked

## ACTIVITY ADVENTURES AT URANA M.P.S

and felt stunning.

Then we were ready for the main event – our High Tea. Joining the ladies at the table were Bev (Bevan), Colleen (Colin), Georgina (George D), Georgie (George B), Phyllis (Phillip), Ros (Ross) and Lesley (Les)! And didn't they look gorgeous in their wigs and hats.

Well done boys for embracing something different and joining in. After Sam took some selfies, we had a lovely cup of tea and ate lots.

The inspiration for this morning stemmed from Sara purchasing a full tea set (High Tea) featuring chooks (female)! Stay tuned for the Men's Event.

Thanks to all staff who assisted over the 2 days, it was a great thing for everyone to be involved in.

Until next time,  
Wendy Mallon  
Activities Officer

## URANA COURTHOUSE NEWS

There is great excitement surrounding the courthouse again this month with the wonderful news that we have been successful in our submission to Federation Council "Community Grants" program. We have been granted \$2,500 towards our project "Hat's off to Freddie Fox, the boy from Urana."

To top this off, we have also been successful in gaining an Australia Post Workforce Community Grant. Thank you to Pauline Mallon for applying for this grant on our behalf.

It is with sincere gratitude that we would like to thank Federation Council and Australia Post for recognising what we believe will be an important feature for our Courthouse Museum and for our community.

The money will go towards the display and curation of the "Freddie Fox" collection of designer hats. Volunteers have commenced working on an area within the museum to accommodate the new display.

Further information will become available in the near future regarding the unveiling of the Freddie Fox collection and new roof on the Courthouse.

## Volunteers

New volunteers are always welcome, no prior experience is necessary! Come down to the museum and pop in for a cuppa and see what it is that we do.

Everyone is always welcome!

The museum is manned every Tuesday from 9.30am till noon and other times by arrangement, either at the Council office or by phoning 0400 208 162 or 0419 178 585

We look forward to your visit!

The Urana Progress Arts & Historical Society will be holding it's A.G.M on Monday 29 July at 5pm in the main room at the Urana Courthouse Museum.

All are welcome!

## Urana Bird & Plant Sale

The annual Bird sale will be held on Sunday 28 July at the Urana Memorial Hall. Registration cost is \$1 per bird (minimum of \$5.00). Public entry: Cost \$3 per person or \$12 per family. Raffle: Drawn at noon.

## RESTORING SIGNS AT ROYAL GEORGE

Disappearing signs at Royal George Hotel in Urana have been restored as part of Council's heritage works.

During the month it took to restore the signs, many locals stopped to chat to Mimi the heritage worker. One retired couple had not visited Urana for 50 years. They recalled that when television was introduced the first place to get one was the hotel. The people of Urana used to gather at the hotel to watch this new invention.

Owner Wayne Riley said, "It was always our intention to be involved in the development of Urana and be a positive influence within the community. Our hope was to bring help and support, utilising our building for accommodation and functions of a non-profit nature."

Council's Heritage Adviser Peter Kabaila, who supervised the work, described the project as a large mural canvas of historic signs; a piece of public art in Urana's heritage streetscape.

While many residents remember the hotel before the doors closed in the year 1999, its origins are much older.

Urana Courthouse volunteers researched historic photos and history of The Royal George. Its first known licensee was Amos George Warren in 1879. Photos show a handsome single storey building, later enlarged to one side. An upper storey was added in 1926. Its front wall is similar to the concrete construction of other post-war boom period Urana buildings. The colourful signs possibly date from the 1960s. John Dodds was the last licensee in 1993-99, after which the liquor license was moved for the Sydney Olympics.

## MIMI - HERITAGE WORKER

Heritage work included the Corowa Silkworm Farm (as seen on left), stabilising some collapsed or broken cemetery monuments and restoring historic signs.

Mimi explained that indigenous mountain communities in her home country, Vietnam, each make a traditional gong which symbolises the strong spirit of their community.

She hoped that the gong could help call people to meetings or social gatherings.

To thank the Council for all its assistance with this year's heritage restoration work, heritage worker Mimi presented Council with a traditional gong.

## NEW MENTAL HEALTH & SUICIDE PREVENTION RESOURCES PAGE NOW AVAILABLE

Organisations and community groups through the Murrumbidgee now have access to mental health and suicide prevention resources to help build local awareness, community capacity and reduce stigma, Federation Council is encouraging the use of these resources.

The resources webpage has been launched by Murrumbidgee Primary Health Network (MPHN) and is a result of collaboration between a range of organisations including Wellways Australia, Murrumbidgee Local Health District (MLHD), NSW Police, NSW Ambulance, Department of Education, Headspace (National Youth Mental Health Foundation), Centacare South West NSW, Riverina and Murray Joint Organisation, RivMed, Relationships Australia, and Federal members for Farrer and Riverina.

The resource page contains information for organisations and communities to use including:

- Evidence-based mental health training opportunities to upskill the workforce and community to feel able to support someone at risk or experiencing mental health concerns
  - An easy guide for organisations to pledge their commitment to using safe language by signing the National Communications Charter
  - Information about where to get local Support

## ST FRANCIS XAVIER'S SCHOOL URANA

*Think, Speak and act like christ*

Greetings!

**SAVE THE DATE:** The annual Paddy's Markets will be held on Sunday, August 18. Please keep a look out for advertising and more information in the coming weeks. The markets were one of the highlights of last year and I am very much looking forward to it again in 2019. We truly appreciate the support of the wider Urana and district community on this day.

I trust everyone had a lovely Queen's Birthday Long Weekend with family, friends or finding something relaxing to do individually.

Since the last Shire Newsletter, we've participated in further Blue Earth sessions, had a pupil free day and had our school photos taken for 2019. A little quieter than usual at SFXU that is for sure.

Recently, the students have completed wonderful information reports in English. While in Creative Arts, they have created fantastic masterpieces, inspired by Romero Britto.

As the leaves have fallen over the last few weeks it has been amazing to see the students playing amongst the Autumn colours and enjoying all that Autumn brings to our school.

### Transition @ SFXU

This year at St. Francis Xavier's Primary School Urana we are pleased to offer our transition to school program once again. Please join us for play based discovery! Sessions will be run by teacher/s and are FREE to all 4-5 year old children who are going or potentially going, to school in 2020.

The sessions will begin later in the year and during these sessions, activities will be provided to develop gross and fine motor skills and will be fun and engaging for all. Experiences throughout the year will include:

- Story Time - reading a wide variety of books encourages children to listen, interact and respond to stories.
- Number Play - counting, sorting and ordering objects. Playing simple games. Manipulating objects and shapes.
- Music Time - singing songs, rhyme and rhythm.
- Creative and Visual Arts - painting, drawing, pasting, cutting, dancing and more.
- Playtime - physical, creative, symbolic, role and dramatic play and games with rules for children to experience in a group environment with their peers.

The Transition @ SFXU group is a free transition to school program open to children aged from 4 years. If you have any questions or would like to register your interest, please call (02) 6920 8051. Registering your interest will be required as we need some basic information to ensure a safe and supportive environment for you and your child. (EOI Close Friday 28th June)

We're looking forward to the upcoming Savernake Athletics Carnival and NAIDOC Week gathering with the other South West Deanery schools in Finley.

First Holy Communion & Confirmation will be held on the same day, Sunday 4th August, in St. Fiacre's Parish Church (time TBC). Please join us if you can to support the students who will be receiving these Sacraments on the day. There will also be a celebratory morning tea and cake for the recipients in the main school building.

God bless,

Mitch Bailey  
Principal

## Urana Public School

*personalized, innovative education in a safe and supportive environment*

### INTRODUCING JONO

Jono Wright is our school Chaplain at Urana Public School. He is in the school every Tuesday and Friday during term. "What does a school chaplain do"? I hear you ask.....

School chaplains are available to interested schools through Federal as well as local funding. Chaplains are there to support our kids through thick and thin. Using positive relationships and programs to help build up our kids and give them a brighter hope for tomorrow, to be a listening ear when things are tough and to simply be another champion that gets behind your kids.

Simply put the chaplaincy service is another layer of care that your school can offer.

Jono has worked in remote NW QLD prior to moving into this region in 2018 and brings with him experience and a genuine interest in supporting small towns. Jono also has training in a number of programs he hopes to run in the school throughout 2019. One of these programs is Drumbeat. During term two at Urana Public School

we are excited to be able to deliver the Drumbeat program for all of our students. The drumbeat program has been developed to explore different life skills through playing rhythms, rhythm games and conversations around specific themes. We use a West African style of drum called the Djembe, it is a shape and size that all of our students can play, enjoy and participate with.

Drumbeat is a fair amount of noise and a massive amount of fun whilst at the same time building resilience in our kids space.

### GRIP Leadership Conference Wagga

**Generosity, Responsibility, Integrity, People**

On the 27th May in Wagga Wagga at Charles Sturt University, students Ashleigh, Reyren and Hunter attended a GRIP Leadership conference and learnt about the right ways to contribute to your school and community. The Loud Noise Boys came to entertain us, their names were Sam and Cam. The GRIP team were great at getting you involved and answered all our questions.

### TERM 2 COOKING

This term the students have cooked a variety of different meals:

Curried chicken

Pizza bread

Sausage rolls

Sausage pasta

Chicken and ham wraps

## **CWA OAKLANDS EARLY CHILDHOOD SURVEY**

As people are aware Oaklands has no availability of Early Childhood Services.

In an effort to restore such services it is vital to gauge the number of children who may be needing this care.

If you are a parent of a child/children needing such services would you please contact the CWA with details of your needs, now and into the future for any child under age 3. The current Pre-school service takes children from 3 years to school age. Some of these children come from Urana or Daysdale. If you know any parent/s in the surrounding areas with younger children please ask them to be in contact also.

There is also the possibility of Family Day Care which would be held in the CWA rooms, however, we need someone who would be willing to take on this role. Training is available through the provider.

## **Do you know someone in your community with AN ENDURING MENTAL ILLNESS that could benefit from some coordinated support?**

Partners in Recovery {PIR} aims to better support people with severe and persistent mental illness and their carers and families by getting services and supports to work in a more collaborative, coordinated and integrated way, for systemic change.

Support Facilitators assist participants to identify their hopes, dreams and priorities and facilitate the coordination of services and supports needed to meet those priorities.

Importantly, Hume PIR will identify where there are systems issues and barriers and lead in the development of systems change.

# Community banking is now in Urana.

## Why don't you join us?

We have extended our services to Urana by opening a Bendigo Bank agency at the Council Office. Our agency is open from 9am until 5pm Monday to Friday and can assist you with same day access to your Bendigo Bank accounts, including:

- Real-time deposits, withdrawals, transfers and Electronic Funds Transfers
- Open new accounts and update details on existing accounts
- Arrange home loans, personal loans, business lending and credit cards
- Assist with any other banking needs you may have

So if you're not banking with us already it's time you joined us.
